Amendment to Employment Agreement with Chief Executive Officer

Asbury Automotive Group, Inc. (the Company) and Charles Oglesby (Mr. Oglesby), the Chief Executive Officer and President of the Company, entered into an Amended and Restated Employment Agreement (the Amended Agreement) with respect to Mr. Oglesby's employment by the Company, effective as of March 22, 2010. Mr. Oglesby's original employment agreement with the Company was dated May 4, 2007, and subsequently amended on May 7, 2008 and March 31, 2009. The Amended Agreement amends certain provisions of the Amended Employment Agreement between the Company and Mr. Oglesby, dated as of March 31, 2009, and restates Mr. Oglesby's employment arrangements with the Company.

The material changes made by the Amended Agreement are as follows:

Extension of the term of the Amended Agreement through May 4, 2012;

Revisions to Mr. Oglesby's compensatory package, including an increase in annual base salary to \$875,443, effective March 1, 2010, a reduction in his monthly automobile allowance from \$2,000 to \$1,000, the use of a demonstrator vehicle and the removal of provisions relating to relocation benefits; and

Revisions to Mr. Oglesby's payments and treatment of deferred compensation and equity awards upon his Retirement, which is defined to be a termination other than due to death or disability or for cause (each, as defined in the Amended Agreement) on or after certain dates, provided that if Mr. Oglesby elects to retire he must provide at least 90 days written notice of his intention to retire and he must assist the Board in identifying and transitioning duties to a successor.

The Amended Agreement provides for the following retirement payments and provisions relating to deferred compensation and equity awards:

In the event of his Retirement on or after May 4, 2012, Mr. Oglesby will be entitled to (x) continuation of his base salary for 12 months at twice the rate then in effect, (y) an amount equal to 200% of his base salary, payable over the 12-month period following the first anniversary of such Retirement, and (z) an amount equal to a prorated portion of his base salary, payable over the 24-month period following such Retirement (clauses (x), (y) and (z), collectively, the Retirement Pay). In no event may the Retirement Pay exceed two and one-half times the sum of Mr. Oglesby's base salary and target bonus in effect as of the date of such Retirement.

In the event Mr. Oglesby retires on or after May 4, 2010, but prior to May 4, 2012, (A) all of Mr. Oglesby's unvested stock options granted prior to January 1, 2010, and any deferred compensation awarded, will automatically vest in full (and such options will remain exercisable for two years following such termination date), (B) any performance shares granted prior to January 1, 2010 will be treated in the same manner as if Mr. Oglesby's employment was terminated by the Company (other than for cause) upon a change in control and will automatically vest in full. In the event Mr. Oglesby retires on or after May 4, 2012, he will be entitled to the accelerated vesting provided in clauses (A) and (B) in immediately above, and any outstanding shares of restricted stock granted prior to January 1, 2010 and Mr. Oglesby's grant of 36,000 restricted stock units (issued to him on February 17, 2010 in connection with the reduction in his 2009 annual cash bonus award) will automatically vest in full.

With the exception of the award of 36,000 restricted stock units granted to Mr. Oglesby on February 17, 2010, the Amended Agreement does not provide for the acceleration of any equity awards granted to him on or after January 1, 2010.

The information set forth above is qualified in its entirety by reference to the Amended Agreement, which is filed as Exhibit 10.1 to this Report on Form 8-K.
