On February 11, 2011, the Compensation Committee of the Board of Directors of QuickLogic Corporation (the "Company") established the target bonuses and performance objectives under the Company's 2005 Executive Bonus Plan (the "Plan") for 2011. The Plan, as amended, was filed in a current report on Form 8-K filed with the Securities and Exchange Commission on March 12, 2007. Target bonus compensation is dependent upon the Company's achievement of the new product revenue, new product penetration and non-GAAP operating income profit objectives for the year as set forth in the Company's Annual Operating Plan for participants to earn any bonus. Annual non-GAAP operating income profit goals must be achieved in order for bonuses to be paid. Quarterly progress payments may be made only in the event that the Company's non-GAAP operating income is greater than \$0 after taking into consideration payment of quarterly bonus amounts to all Plan participants. Bonuses may range from 0% to 100% of the target annual bonus amounts. The Chief Executive Officer's target bonus for 2011 is currently 50% of his annual base salary and each of the other participants has a target bonus for 2011 currently equal to 35% to 48% of his/her annual base salary.
