Item 2.06 Material Impairments

Orrstown Bank (the *Bank*), the wholly-owned banking subsidiary of Orrstown Financial Services, Inc. (the *Company*), is listed as a creditor holding an unsecured nonpriority claim on the Schedules filed by Yorktown Funding, Inc. (*Yorktown*) in its case for relief under Chapter 11 of the United States Bankruptcy Code filed in the United States Bankruptcy Court for the Middle District of Pennsylvania on February 9, 2010. The case is docketed at 1:10-bk-01042-MDF. At the time of the Yorktown Bankruptcy filing, the balance outstanding on the Yorktown line of credit was \$8,598,216, which balance remains unpaid. The Bank has filed a proof of claim in the amount of its pre-petition claim and has taken an active role in the bankruptcy case.

As disclosed in the *Company's* Form 8-K filed on May 12, 2011, *Yorktown's* Plan of Reorganization filed on May 11, 2011 involved exit financing with the Bank, as lead bank, and several other financial institutions. In addition, it was proposed that the Bank, as lead bank, and several other financial institutions, would provide a credit facility to a newly formed entity, with related principals, to continue operations similar to those of Yorktown. However, on July 12, 2011 the Bank notified Yorktown and the newly formed entity that the Bank would not be able to extend its commitments which expired on June 30, 2011.

Because Yorktown has alleged that the Bank is the holder of an unsecured nonpriority claim for pre-petition indebtedness, Yorktown has not paid, and will not pay, regular debt service payments on the Yorktown loan during the pendency of the Chapter 11 case. The Bank placed the Yorktown loan on nonaccrual status and reported the loan as nonperforming at March 31, 2010. The Bank previously allocated \$2,977,187 of its loan loss reserve to the Yorktown loan. As a result of the Bank's termination of its involvement with the Plan of Reorganization exit financing for Yorktown, the Bank determined on July 12, 2011 that it was appropriate to charge off as of June 30, 2011 \$8,598,216 (which includes the previously allocated loan loss amount of \$2,977,187).

The Bank intends to aggressively pursue a recovery of the amounts owed to it in the Bankruptcy Court proceedings as well as through other avenues of recovery that may be available to it including, without limitation, the guarantees provided by the Yorktown principals and other potential claims against certain third parties.

Increase in Provision for Loan Losses

The *Company* has preliminarily estimated that it will record an additional provision for loan losses at June 30, 2011 in the amount of approximately \$21,000,000 as a result of the Bank's review of its outstanding loans (including approximately \$5,621,029 added to the loan loss reserve for the Yorktown loan discussed above). This anticipated additional reserve increase reflects the Bank's recognition of continuing softness in economic conditions and comes as a result of internal risk rating downgrades to existing credits, plus additional specific reserve set-asides attributable to various commercial loan relationships.
