Item 1.01 Entry into a Material Definitive Agreement.

On September 8, 2011, Ampio Pharmaceuticals, Inc. (Ampio or the Company) entered into a License, Development and Commercialization Agreement (the Agreement) with Daewoong Pharmaceuticals Co., Ltd (Daewoong). The Agreement provides Daewoong with exclusive rights to market Zertane™ in South Korea for the treatment of premature ejaculation (PE) and for a combination drug, utilizing Zertane™ and another erectile dysfunction drug (PDE5 inhibitors and others), to simultaneously treat premature ejaculation and erectile dysfunction (ED).

Pursuant to the Agreement, Daewoong has made or will make (as applicable) certain specified milestone payments to Ampio upon (i) the signing of the Agreement, (ii) a specified period of time following approval of Zertane™ for sale in South Korea, (iii) a specified period of time following approval of a combination drug for sale in South Korea and (iv) specified periods of time following the end of the first calendar quarter where cumulative net sales of products including Zertane™ (including combination drugs) in South Korea exceed specified thresholds.

Under the terms of the Agreement, Daewoong is responsible for developing and seeking regulatory approval for the products in South Korea in accordance with a development plan to be mutually agreed by Daewoong and Ampio and on the other terms and conditions set forth in the Agreement. Daewoong has agreed to take specified actions with respect to sales and marketing for the products in South Korea, and Ampio has agreed to supply product (either itself or through third party manufacturers) to Daewoong for clinical and commercial use in accordance with a supply agreement to be mutually agreed by Daewoong and Ampio and on the other terms and conditions set forth in the Agreement. The Agreement further provides that Ampio will receive royalty payments equal to 25% of net sales of Zertane™ in excess of the transfer price of Zertane™ product supplied by Ampio to Daewoong.

The Agreement is effective as of August 23, 2011 and continues until the Agreement is terminated in accordance with its terms. Either party may terminate the agreement if (i) the other party is in material default or breach of any material provision of the Agreement and such default or breach is not cured within a specified period of time or (ii) the other party is the subject of a voluntary or involuntary petition for bankruptcy, becomes insolvent, is dissolved or liquidated, or makes an assignment for the benefit of creditors.

The Company expects to file the Agreement as an exhibit to its Quarterly Report on Form 10-Q for the period ending September 30, 2011, and intends to seek confidential treatment for certain terms and provisions of the Agreement. The foregoing description is qualified in its entirety by reference to the text of the Agreement when filed.
