Item 1.01 Entry into a Material Definitive Agreement.

On January 25, 2012, Realogy Corporation (the "Company"), Domus Intermediate Holdings Corp. ("Intermediate"), the Company's parent, Domus Holdings Corp. ("Holdings"), the Company's indirect parent, and the subsidiary guarantors named therein entered into a Purchase Agreement (the "Purchase Agreement") with several initial purchasers named therein, relating to the sale by the Company of \$593 million aggregate principal amount of the Company's 7.625% senior secured first lien notes due 2020 at an issue price of 100% (the "First Lien Notes") and \$325 million aggregate principal amount of the Company's 9.000% senior secured notes due 2020 at an issue price of 100% (the "New First and a Half Lien Notes" and, together with the First Lien Notes, the "Notes").

The Notes will be issued in a private offering that is exempt from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act") to qualified institutional buyers in accordance with Rule 144A and to persons outside of the United States pursuant to Regulation S under the Securities Act.

Each series of Notes will be guaranteed on a senior secured basis by Intermediate, and each domestic subsidiary of the Company that is a guarantor under its senior secured credit facility and certain of its outstanding securities. Each series of Notes will also be guaranteed by Holdings, on an unsecured senior subordinated basis. Each series of Notes will be secured by substantially the same collateral as the Company's existing first lien obligations under its senior secured credit facility. The priority of the collateral liens securing the First Lien Notes will be (i) equal to the collateral liens securing the Company's first lien obligations under its senior secured credit facility and (ii) senior to the collateral liens securing the Company's other secured obligations that are not secured by a first priority lien, including the New First and a Half Lien Notes and the Company's second lien obligations under its senior secured credit facility. The priority of the collateral liens securing the New First and a Half Lien Notes will be (i) junior to the collateral liens securing the Company's first lien obligations under its senior secured credit facility and the First Lien Notes and (ii) senior to the collateral liens securing the Company's second lien obligations under its senior secured credit facility. Subject to customary closing conditions, the sale of the Notes is expected to close on or about February 2, 2012.

The purchase agreement contains customary representations, warranties and agreements by the Company and the guarantors. In addition, the Company and the guarantors have agreed to indemnify the initial purchasers against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the initial purchasers may be required to make in respect of those liabilities. Furthermore, the Company and the guarantors have agreed with the initial purchasers not to offer or sell any similar debt securities for a period of 60 days after the closing date without the prior written consent of the representative of the initial purchasers.

The Company will use proceeds from the offering of the Notes, (without giving effect to the initial purchasers' commissions) of approximately \$918 million, (i) to prepay \$629 million of its first lien term loan borrowings under its senior secured credit facility which are due to mature in October 2013, (ii) to repay all of the \$133 million in outstanding borrowings under the portion of its revolving credit facility which is due to mature in April 2013, and (iii) to repay \$156 million of the outstanding borrowings under the portion of its revolving credit facility which is due to mature in April 2016. In conjunction with the repayments described in clauses (ii) and (iii) of \$289 million, the Company will be reducing the commitments under its revolving credit facility by a like amount.

Item 8.01 Other Events.

On January 25, 2012, the Company issued a press release announcing the pricing of the Notes. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.
