Item 8.01 Other Events.

On February 17, 2012, two subsidiaries of Verso Paper Corp. Verso Paper Finance Holdings LLC (Verso Finance Holdings) and Verso Paper Holdings LLC (Verso Holdings) obtained (i) \$100.0 million of commitments with respect to the syndication of a new accounts receivable securitization facility (the A/R Facility) and (ii) approximately \$55.0 million of commitments to provide a new and/or extended revolving facility under Verso Holdings existing senior secured revolving credit facility (the Revolving Facility and, together with the A/R Facility, the Facilities).

Verso Holdings intends to close the A/R Facility, subject to customary conditions, within sixty days of the date the commitments were obtained. The commitments under the Revolving Facility will become effective, subject to customary conditions, on the earlier of (i) the existing revolver maturity date or (ii) in the event Verso Holdings obtains an amendment to its senior secured credit facility that extends the revolver maturity date, the date on which such amendment becomes effective. The Facilities will have a five year maturity, subject to a springing maturity under certain circumstances with respect to debt instruments of Verso Holdings and Verso Finance Holdings that mature prior to such date. The A/R Facility will bear interest at an initial rate of LIBOR plus 2.00% and the Revolving Facility will bear interest at an initial rate of LIBOR plus 4.50%. From and after the date of Verso Holdings financial statements covering a period of at least three full months after the effective date of the Facilities, the applicable margin for such borrowings will be adjusted based on the excess availability under the A/R Facility and total net first lien leverage ratio under the Revolving Facility.

The terms and conditions of Verso Holdings existing revolving credit facility remain in full force and effect and have not been altered by these new commitments.
