PROXY STATEMENT

For the 2012 Annual General Meeting of Shareholders To Be Held On

May 24, 2012

GENERAL INFORMATION ABOUT THE MEETING

Date, Time and Place of Annual General Meeting. The Board of Directors (the Board) of Aircastle Limited, an exempted Bermuda company (the Company or Aircastle), is soliciting proxies to be voted at the 2012 Annual General Meeting of Shareholders (the Annual Meeting) to be held at 10:00 a.m., Eastern Daylight Time, on May 24, 2012, at the Hilton Hotel, located at First Stamford Place, Stamford, CT for the purposes set forth in the accompanying Notice of 2012 Annual Meeting of Shareholders, and at any adjournment or postponement of the Annual Meeting. We are sending this proxy statement in connection with the proxy solicitation.

On or about April 13, 2012, the Company began mailing to certain of our shareholders a Notice of Internet Availability of Proxy Materials (Notice). This Notice contains instructions on how to access the proxy statement and our annual report for the year ended December 31, 2011 (the 2011 Annual Report) and how to vote. By furnishing this Notice, we are lowering the costs and reducing the environmental impact of our Annual Meeting. Shareholders who did not receive this Notice will continue to receive paper copies of our proxy statement, proxy card and 2011 Annual Report, which we began mailing on or about April 13, 2012.

Matters to be Considered at the Annual Meeting. At the Annual Meeting, shareholders will vote upon the following matters:

1. the approval of an amendment to the Company's Bye-laws to increase the size of the Board;
2. the election of three Class III directors to serve until the 2015 annual general meeting of Aircastle or until their office shall otherwise be vacated pursuant to our Bye-laws;
3. the appointment of Ernst & Young LLP as independent registered public accounting firm for the Company for fiscal year 2012 and the authorization of the directors of Aircastle, acting by the Audit Committee, to determine the independent registered public accounting firm's fees;
4. an advisory vote on executive compensation; and
5. any other business properly presented at the Annual Meeting and any adjournment(s) or postponement(s) of the Annual Meeting.

Quorum and Voting Requirements. Our Board has fixed the close of business on March 27, 2012 as the record date (the Record Date) for determination of the shareholders entitled to notice of and to vote at the Annual Meeting. Only shareholders of record as of the close of business on the Record Date are entitled to vote at the Annual Meeting. The presence of two or more persons at the start of the Annual Meeting and representing in person, or by proxy entitling the holder to vote at the Annual Meeting, in excess of 50% of all votes attaching to all shares of the

Edgar Filing: Aircastle LTD - Form PRE 14A

Company in issue, shall form a quorum for the transaction of business. If a quorum is not present, the Annual Meeting may be adjourned by the chairman of the meeting until a quorum has been obtained.

Table of Contents

For the amendment to the Company's By-laws to increase the size of the Board, 66% of all votes attaching to all shares of the Company in issue is required for approval of the By-law amendment. For the election of nominees to our Board, the affirmative vote of a plurality of the votes cast at the Annual Meeting is sufficient to elect the director, provided that a quorum is present. For the appointment of Ernst & Young LLP, the advisory vote on executive compensation and the approval of any other business properly presented at the Annual Meeting, the affirmative vote of a majority of the votes cast at the Annual Meeting is required for approval of the matter, provided that a quorum is present. A shareholder voting for the election of directors may withhold authority to vote for all or certain nominees. A shareholder may also abstain from voting on the other matters presented for shareholder vote. Votes withheld from the election of any nominee for director and abstentions from any other proposal will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but will not be counted in the number of votes cast on a matter.

If a shareholder holds shares through a broker, bank or other nominee (broker), generally the broker may vote the shares it holds in accordance with instructions received. If a shareholder does not give instructions to a broker, the broker can vote the shares it holds with respect to discretionary or routine proposals under the rules of the New York Stock Exchange (NYSE). A broker cannot vote shares with respect to non-discretionary proposals for which a shareholder has not given instruction. The appointment of Ernst & Young LLP and the approval of an amendment to the Company's By-laws are considered discretionary proposals and therefore may be voted upon by a broker even in the absence of instructions from the shareholder; however, the election of directors, the advisory vote on executive compensation and any other business properly presented at the Annual Meeting are considered non-discretionary items and a broker may not vote on these items in the absence of instructions from the shareholder.

As of the Record Date, there were 72,375,493 common shares of the Company, par value US\$0.01 per share (Common Shares), outstanding and entitled to vote. Each Common Share entitles the holder to one vote on each matter presented at the Annual Meeting.

Voting of Proxy. You may submit your proxy with voting instructions by any one of the following means:

By Internet or Telephone

To submit your proxy by internet, go to www.proxyvote.com. You will need the 12-digit number included on your proxy card, voter instruction form or Notice of Internet Availability of Proxy Materials.

Beneficial holders should dial the phone number listed on your voter instruction form. You will need the 12-digit number included on your proxy card, voter instruction form or Notice of Internet Availability of Proxy Materials.

Telephone and Internet voting facilities for shareholders of record will be available 24 hours a day, and will close at 11:59 p.m. Eastern Daylight Time on May 23, 2012. The availability of telephone and Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. Therefore, we recommend that you follow the voting instructions in the materials you receive.

Table of Contents

If you submit your proxy by telephone or on the Internet, you do not have to return your proxy card, voter instruction form or Notice of Internet Availability of Proxy Materials.

If you received a Notice of Internet Availability of Proxy Materials and wish to vote by traditional proxy card, you may receive a full set of the annual meeting materials at no charge through one of the following methods:

By internet at www.proxyvote.com;

By telephone at 1-800-690-6903; or

By email at sendmaterial@proxyvote.com.

Once you receive the Annual Meeting materials, please sign, date and complete the proxy card included therewith and return it in the enclosed self-addressed envelope. No postage is necessary if the proxy card is mailed in the United States. If you hold your shares through a bank, broker or other nominee, the proxy card will give you separate instructions for voting your shares.

In Person, at the Annual Meeting

All shareholders may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. If you are a beneficial owner of shares, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspectors of election with your ballot to be able to vote at the Annual Meeting.

Proxies, if received in time for voting, properly executed and not revoked, will be voted at the Annual Meeting in accordance with the instructions contained therein. If no instructions are indicated, the Common Shares represented by the proxy will be voted as follows:

FOR the approval of an amendment to the Company's By-laws to increase the size of the Board;

FOR the election of the director nominees named herein;

FOR the appointment of Ernst & Young LLP as independent registered public accounting firm for the Company for fiscal year 2012 and the authorization of the directors of Aircastle, acting by the Audit Committee, to determine the independent registered public accounting firm's fees;

FOR the proposal regarding an advisory vote on executive compensation; and

in accordance with the judgment of the proxy holders as to any other matter that may be properly brought before the Annual Meeting, including any adjournments and postponements thereof.

Edgar Filing: Aircastle LTD - Form PRE 14A

Revocability of Proxy. Any shareholder returning a proxy may revoke it at any time before the proxy is exercised by filing with the Secretary of the Company either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holder(s) will be suspended if you attend the Annual Meeting in person and so request, although attendance at the Annual Meeting will not by itself revoke a previously granted proxy. Any proxy not revoked will be voted as specified by the shareholder. If no choice is indicated, a proxy will be voted in accordance with the Board's recommendations as described above.

Table of Contents

Persons Making the Solicitation. This proxy statement is sent on behalf of, and the proxies are being solicited by, the Board. We will bear all costs of this solicitation of proxies. In addition to solicitations by mail, our directors, officers and regular employees, without additional remuneration, may solicit proxies by telephone, telecopy, e-mail and personal interviews. We will request brokers, custodians and other fiduciaries to forward proxy-soliciting materials to the beneficial owners of Common Shares they hold of record. We will reimburse them for their reasonable out-of-pocket expenses incurred in connection with the distribution of the proxy materials.

We have also engaged D.F. King & Co., Inc. to assist the Company in the solicitation of proxies for an anticipated fee of \$3,750, and we have agreed to reimburse D.F. King & Co. for reasonable out-of-pocket expenses incurred in connection with the proxy solicitation and to indemnify D.F. King & Co. against certain losses, costs and expenses.

Proposal No. 1

**AMENDMENT TO THE COMPANY S BYE-LAWS
TO INCREASE THE SIZE OF THE BOARD OF DIRECTORS**

(Item 1 on Proxy Card)

Under bye-law 36.1 of our current Bye-laws, the Board shall consist of not less than three and not more than such maximum number of Directors, not exceeding eight Directors, as the Board may from time to time determine. The number of directors currently is fixed at eight.

At the Annual Meeting, shareholders will be asked to approve and adopt an amendment to the Company s Bye-laws to increase the maximum size of the Board from eight directors to 10 directors as described below. The Board is making this recommendation in an effort to open Board seats for the appointment of an additional independent director.

The proposed amendment would provide as follows:

RESOLVED THAT, the maximum size of the Board of Directors of the Company be increased from eight directors to 10 directors by deleting the number 8 in the second line of Bye-law 36.1 of the Bye-laws of the Company and inserting the number 10 in its place.

As discussed immediately below under Proposal No. 2 Election of Directors, the Board has nominated an additional Class III director, Giovanni Bisignani, for election by our shareholders to fill one of the vacant seats created if this Proposal No. 1 is adopted by our shareholders. For the reasons discussed in more detail below, the Nominating and Corporate Governance Committee and Board determined after discussions in late 2011 and early 2012 that the Company and Board would benefit greatly from Mr. Bisignani joining the Board. The Company has no current plans to fill the additional vacancy that would result if this Proposal No. 1 is adopted by our shareholders.

The Board recommends that you vote FOR the amendment to Bye-law 36.1.

Proposal No. 2

ELECTION OF DIRECTORS

(Item 2 on Proxy Card)

The second proposal is to elect three Class III directors to serve until the 2015 annual general meeting of Aircastle or until their office shall otherwise be vacated pursuant to our Bye-laws.

Our Bye-laws provide that our Board shall consist of not less than three and not more than such maximum number of directors, not exceeding eight directors, as the Board may from time to time determine. The number of directors is currently fixed at eight. The Board is divided into three classes of directors. The current terms of the Class I, Class II and Class III directors will expire in 2013, 2014 and 2012, respectively.

The Board unanimously proposes as nominees for election at the Annual Meeting the two existing Class III directors, Messrs. Edens and Ueberroth. Further, conditioned on the approval of Proposal No. 1 concerning the increase in the size of the Board, the Board nominates Giovanni Bisignani to serve as a third Class III Director. If Proposal No. 1 is not approved by our shareholders, the nominees for director will consist solely of Messrs. Edens and Ueberroth.

If elected at the Annual Meeting, the directors will hold office from election until the 2015 annual general meeting of Aircastle or until their office shall otherwise be vacated pursuant to our Bye-laws. If

Table of Contents

any of the nominees becomes unavailable or unwilling to serve, an event that the Board does not presently expect, we will vote the shares represented by proxies for the election of directors for the election of such other person(s) as the Board may recommend.

The biographical information includes a description of the particular experience, qualifications, attributes or skills that led the Nominating and Corporate Governance Committee and Board to conclude that each director and director nominee should serve on the Board. See Security Ownership of Certain Beneficial Owners and Management in this proxy statement for a description of securities beneficially owned by our directors, including the director nominees, as of March 27, 2012.

Unless otherwise instructed, we will vote all proxies we receive **FOR** Messrs. Bisignani, Edens and Ueberroth.

Mr. Allen also maintains high-level contacts with airlines which are customers of the Company or which may in the future be customers of the Company.

Joseph P. Adams, Jr. was appointed to our Board in October 2004 and became Deputy Chairman of our Board in May 2006. He is a Managing Director in Private Equity at Fortress, which he joined in April 2004. Mr. Adams received a BS in Engineering from the University of Cincinnati and an MBA from Harvard Business School. Mr. Adams' experience, including his role as Deputy Chairman on a number of boards for portfolio companies of Fortress, provides the Board with insights into how boards at other companies address issues similar to those faced by the Company. In addition, his experience as a private equity investor and investment and merchant banker provides the Board with valuable insights on financial, strategic planning and investor relations matters, particularly as it relates to transportation-related industries. His experience as Executive Director of the Air Transportation Stabilization Board provides the Board with valuable insights on such matters with respect to the airline and aircraft leasing and finance industries specifically.

Douglas A. Hacker was appointed to our Board on August 2, 2006. Mr. Hacker is currently an independent business executive and formerly served from December 2002 to May 2006 as Executive Vice President, Strategy for UAL Corporation, an airline holding company. Mr. Hacker's extensive experience in financial and operating management, including his prior service as an Executive Vice President, Strategy, of a major U.S. airline and his service as Chief Financial Officer of a major U.S. airline, in addition to his depth of knowledge in executive compensation, provide to the Board excellent perspectives on airline and aircraft leasing and finance matters, on strategic matters relevant to the Company and on executive compensation.

Prior to joining Aircastle, Mr. Wainshal was in charge of the Asset Management group of General Electric Commercial Aviation Service, or GECAS, from 2003 to 2005. Legal Proceedings Involving Directors, Officers or Affiliates. There are no legal proceedings ongoing as to which any director, officer or affiliate of the Company, any owner of record or beneficial owner of more than five percent of any class of voting securities of the Company, or any associate of any such director, officer, affiliate of the Company, or security holder is a party adverse to us or any of our subsidiaries or has a material interest adverse to us or any of our affiliates.

Director Independence. In March 2012, our Board determined the independence of each member of the Board in accordance with the NYSE corporate governance rules and applicable rules of the United States Securities and Exchange Commission (the "SEC"). Each director affirmatively determined by the Board to have met the standards set forth in Section 303A.02(b) of the NYSE listing standards is referred to herein as an Independent Director. The Board has determined that Ronald W. Allen, Douglas A. Hacker, Ronald L. Merriman, Charles W. Pollard and Peter V. Ueberroth are Independent Directors and that, if elected, Mr. Bisignani would be an Independent Director. In making this determination, our Board considered all relevant facts and circumstances, as required by applicable NYSE listing standards.

The NYSE rules require that the Board consist of a majority of independent directors and that the nominating/corporate governance committee, the compensation committee and the audit committee of the Board consist entirely of independent directors. Under NYSE listing standards, whether a director is an independent director is a subjective determination to be made by the Board, and a director of Aircastle only qualifies as independent if the Board affirmatively determines that the director has no material relationship with Aircastle (either directly or as a partner, shareholder or officer of an organization that has a relationship with Aircastle). While the test for independence is a subjective one, the NYSE rules also contain objective criteria that preclude directors from being considered independent in certain situations.

Table of Contents

Specifically, persons meeting the following objective criteria under the NYSE rules are deemed to be not independent:

A director who is or was an employee, or whose immediate family member is an executive officer, of Aircastle (including any consolidated subsidiary) may not be considered independent until three years after the end of such employment relationship;

A director who has received, or whose immediate family member has received, during any twelve-month period within the last three years, more than US\$120,000 in direct compensation from Aircastle (including any consolidated subsidiary), other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);

A director who (i) is, or whose immediate family is, a current partner of a firm that is the internal or external auditor of Aircastle; (ii) is a current employee of such a firm; (iii) has an immediate family member who is a current employee of such a firm and who personally works on Aircastle's audit; or (iv) was, or whose immediate family member was, within the last three years a partner or employee of such a firm and personally worked on Aircastle's audit within that time;

A director who is or was employed, or whose immediate family member is or was employed, as an executive officer of another company where any of Aircastle's present executive officers at the same time serve or served on that Company's compensation committee may not be considered independent until three years after the end of such service or the employment relationship; and

A director who is a current employee, or whose immediate family member is an executive officer, of a company (or a consolidated subsidiary of such company) that has made payments to, or has received payments from, Aircastle for property or services in an amount which, in any single fiscal year, exceeds the greater of US\$1 million or 2% of such other company's consolidated gross revenues may not be considered an independent director until three years after falling below such threshold.

Ownership of a significant amount of Common Shares, by itself, does not constitute a material relationship.

The Board has not established additional guidelines to assist it in determining whether a director has a material relationship with Aircastle under NYSE rules, but instead evaluates each director or nominee for director under the tests set forth by the NYSE and through a broad consideration and evaluation of all relevant facts and circumstances. The Board, when assessing the materiality of a director's relationship with Aircastle, also considers the issue not merely from the standpoint of the director, but also from that of persons or organizations with which the director has an affiliation.

CORPORATE GOVERNANCE

The role of our Board is to ensure that Aircastle is managed for the long-term benefit of our shareholders. To fulfill this role, the Board has adopted corporate governance principles designed to assure compliance with all applicable corporate governance standards, including those provided by the SEC and the NYSE. In addition, the Board is informed regarding Aircastle's activities and periodically reviews, and advises management with respect to, Aircastle's annual operating plans and strategic initiatives.

We review our corporate governance policies and practices on an ongoing basis and compare them to those suggested by various authorities in corporate governance and to the practices of other public

companies. We have also continued to review the provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act) and the Sarbanes-Oxley Act of 2002 (the Sarbanes-Oxley Act), the existing and proposed rules of the SEC and the existing and proposed listing standards of the NYSE.

Corporate Governance Guidelines. Our Board has adopted Corporate Governance Guidelines. The Corporate Governance Guidelines are posted on our website at <http://www.aircastle.com> under Investors Corporate Governance and are available in print to any shareholder of the Company upon request.

Code of Business Conduct and Ethics. To help ensure that Aircastle abides by applicable corporate governance standards, our Board has adopted a Code of Business Conduct and Ethics, which is posted on our website at <http://www.aircastle.com> under Investors Corporate Governance, and a Code of Ethics for Chief Executive and Senior Financial Officers, which is available in print to any shareholder of the Company upon request. The Company intends to post on its website any material amendments to its ethics codes and the description of any waiver from a provision of the ethics codes granted by the Board to any director or executive officer of the Company within four business days after such amendment or waiver.

Communications with the Board of Directors. Shareholders and other interested parties who wish to communicate directly with any of the Company's directors, including the Presiding Director (as defined below) or the Independent Directors as a group, may do so by writing to the Board, Aircastle Limited, c/o Aircastle Advisor LLC, 300 First Stamford Place, 5th Floor, Stamford, CT 06902 Attention: General Counsel. All communications will be received, sorted and summarized by the General Counsel, as agent for the relevant directors. Communications relating to the Company's accounting, internal accounting controls or auditing matters will be referred to the Chair of the Audit Committee. Other communications will be referred to such other director as may be appropriate. Communications may be submitted anonymously or confidentially.

Meetings of the Board of Directors. Regular attendance at Board Meetings is required of each director. During 2011, Aircastle's Board held 10 meetings. Each incumbent director attended 75% or more of the aggregate of all meetings of the Board and committees on which the director served during 2011, except for Mr. Edens. Mr. Edens was unable to attend certain meetings due to unforeseen scheduling conflicts, but reviewed the advance materials and his views were represented at the meetings by Mr. Adams.

Directors are invited and encouraged to attend the Company's annual meeting of shareholders in person, by telephone or video conference, but the Company recognizes that such attendance may be impractical as a result of personal or business circumstances. Six directors attended our 2011 annual general meeting.

Board Leadership Structure and Executive Sessions. The Board understands that there is no single, generally accepted approach to providing Board leadership and that given the dynamic and competitive environment in which we operate, the right Board leadership structure may vary as circumstances warrant. To this end, the Board has no policy mandating the combination or separation of the roles of Chairman and CEO and believes the matter should be discussed and considered from time to time as circumstances change. Currently, the Company maintains a separate Chairman and CEO. This leadership structure is appropriate for the Company at this time as it permits our CEO Ron Wainshal to focus primarily on management of the Company's strategic direction and day-to-day operations, while allowing our Chairman Wes Edens, to lead the Board in its fundamental role of providing advice to and independent oversight of management.

Table of Contents

The Board is comprised of seven non-management directors and one management director. In accordance with the Company's Corporate Governance Guidelines and rules of the NYSE, the non-management directors are required to meet regularly in executive session and the independent directors must meet in executive session at least once each year. As such, the Board's meetings include, whenever appropriate, executive sessions in which only Independent Directors are present. Any Independent Director can request that an executive session be scheduled. Ronald W. Allen has been appointed by the non-management directors as the lead non-management director to preside at those sessions, the Presiding Director. Interested parties who wish to communicate directly with the non-management directors may forward correspondence to The Presiding Director, c/o Aircastle Advisor LLC, 300 First Stamford Place, 5th Floor, Stamford, CT 06902.

Board Oversight of Risk Management. Senior management is responsible for assessing and managing the Company's various exposures to risk on a day-to-day basis, including the creation of appropriate risk management programs and policies, such as the Company's newly adopted clawback policy. The Company has developed a consistent, systemic and integrated approach to risk management to help determine how best to identify, manage and mitigate significant risks throughout the Company.

The Board is responsible for overseeing management in the execution of its responsibilities and for assessing the Company's approach to risk management. The Board exercises these responsibilities periodically as part of its meetings and also through three of its committees, each of which examines various components of enterprise risk as part of its responsibilities. For example, the Audit Committee has primary responsibility for addressing risks relating to financial matters, particularly financial reporting, accounting practices and policies, disclosure controls and procedures and internal control over financial reporting. The Nominating and Corporate Governance Committee oversees risks associated with the independence of the Board and potential conflicts of interest. The Compensation Committee has primary responsibility for risks and exposures associated with the Company's compensation policies, plans and practices, regarding both executive compensation and the compensation structure generally, including whether it provides appropriate incentives that do not encourage excessive risk taking.

With respect to risk related to compensation matters, the Compensation Committee considers, in establishing and reviewing the Company's executive compensation program, whether the program encourages unnecessary or excessive risk taking and has concluded that it does not. Named executive officers' base salaries are fixed in amount and thus do not encourage risk-taking. Bonuses take into account overall corporate performance and are determined, for certain named executive officers, with a view to agreed target levels. A significant portion of compensation provided to the named executive officers is in the form of equity incentive awards that vest over time and are important to help further align executives' interests with those of the Company's shareholders. The Compensation Committee believes that these awards do not encourage unnecessary or excessive risk-taking since the ultimate value of the awards is tied to the Company's share price and since awards are staggered and subject to long-term vesting schedules to help ensure that executives have significant value tied to long-term stock price performance. The Compensation Committee has also reviewed the Company's compensation programs for employees generally and has concluded that these programs do not create risks that are reasonably likely to have a material adverse effect on the Company. The Compensation Committee has also implemented a clawback policy to increase the incentive to management to account for risks.

An overall review of risk is inherent in the Board's evaluation of the Company's long-term strategies and other matters presented to the Board. The Board's role in risk oversight of the Company is consistent with the Company's leadership structure; the CEO and other members of senior management are responsible for assessing and managing the Company's risk exposure, and the Board and its committees provide oversight in connection with those efforts.

Committees of the Board of Directors. The Board has three standing Committees: Audit, Compensation and Nominating and Corporate Governance. The table below indicates the members of each committee. All members of each committee are Independent Directors.

| Ronald W. Allen | X | X | Chair |

* Messrs. Hacker and Merriman serve as financial experts on our Audit Committee.

The Board also has appointed an Investment Committee comprised of Messrs. Hacker, Adams, Pollard and Wainshal, and the Strategic Review Committee previously was comprised of Messrs. Adams, Allen and Hacker.

The Audit Committee. The Audit Committee acts under a written charter that has been approved by the Board and complies with the NYSE corporate governance rules and applicable SEC rules and regulations. A copy of the charter is posted on the Company's website at <http://www.aircastle.com> under Investors Corporate Governance and is available in print to any shareholder of the Company upon request. All three members of the Audit Committee are Independent Directors. The Board has determined that each member of the Audit Committee is financially literate as defined by NYSE rules and that Messrs. Hacker and Merriman are qualified to serve as the Audit Committee's financial experts as defined by SEC regulations. A brief description of each of Mr. Hacker and Mr. Merriman's work experience is included on page 7. The Board also determined that although Mr. Merriman currently sits on the audit committees of more than three public companies, such simultaneous service would not impair his ability to serve effectively on the Company's Audit Committee. Members of the Audit Committee, other than the Chair of the Audit Committee, do not receive any compensation from the Company other than their compensation as a director as described under Directors Compensation in this proxy statement.

Our Audit Committee's functions include:

reviewing (i) the audit plans and findings of the independent certified public accountants and our internal audit and risk review staff and (ii) the results of regulatory examinations and monitoring management's corrective action plans with respect to such plans, findings and results where necessary;

reviewing our financial statements, including any significant financial items and/or changes in accounting policies, with our senior management and independent certified public accountants;

reviewing our accounting and internal controls policies and procedures, compliance programs and significant tax and legal matters;

making recommendations to our shareholders regarding the annual appointment by our shareholders of the independent certified public accountants (which constitutes the auditor for purposes of Bermuda law) and evaluating their independence and performance, as well as setting clear hiring policies for employees or former employees of our independent certified public accounting firm; and

reviewing the process by which we assess and manage exposure to financial and legal risk.

During 2011, the Audit Committee held seven meetings. Audit Committee meetings include, where appropriate, executive sessions in which the Audit Committee meets (i) only with Committee members present, (ii) separately with the Company's independent registered public accountants or (iii) with the Company's Chief Executive Officer, Chief Financial Officer and General Counsel. The report of the Audit Committee is included on page 29.

The Compensation Committee. The Compensation Committee acts under a written charter that has been approved by the Board and complies with the NYSE corporate governance rules. A copy of the charter is posted on the Company's website at <http://www.aircastle.com> under Investors Corporate Governance and is available in print to any shareholder of the Company upon request. All three members of the Compensation Committee are Independent Directors.

Our Compensation Committee's functions include:

reviewing the salaries, benefits and share-based grants for executive officers;

reviewing corporate goals and objectives relevant to Chief Executive Officer compensation, evaluating the Chief Executive Officer's performance in light of those goals and objectives, and determining the Chief Executive Officer's compensation based on that evaluation;

acting as administrator of the Amended and Restated 2005 Aircastle Limited Equity Incentive Plan (the Plan); and

reviewing risks relating to the Company's employment practices and the Company's compensation and benefits practices.

The Compensation Committee held six meetings during 2011. Compensation Committee meetings include, where appropriate, executive sessions in which the Compensation Committee meets only with Committee members present or separately with the Deputy Chairman of the Board and/or with the Company's Chief Executive Officer. The Compensation Committee Report is included on page 22.

The Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee acts under a written charter that has been approved by the Board and complies with NYSE corporate governance rules. A copy of the charter is posted on the Company's website at <http://www.aircastle.com> under Investors Corporate Governance and is available in print to any shareholder of the Company upon request. All three members of the Nominating and Corporate Governance Committee are Independent Directors. The Nominating and Corporate Governance Committee held three meetings during 2011.

Our Nominating and Corporate Governance Committee functions include:

reviewing the performance of the Board and incumbent directors and making recommendations to our Board regarding the selection of candidates, qualification and competency requirements for service on the Board and the suitability of proposed nominees;

advising the Board with respect to the corporate governance principles applicable to the Company;

reviewing risks associated with the Company's management and director succession planning; and

overseeing the evaluation of the Board and the Company's management.

Table of Contents

The Nominating and Corporate Governance Committee works with the Board to determine the appropriate and necessary characteristics, skills and experience of the Board, both as a whole and with respect to its individual members. The committee evaluates biographical and background information relating to potential candidates and interviews candidates selected by members of the committee and by the Board in making its decisions as to prospective candidates to the Board. While the committee does not specifically set forth any minimum skills that a candidate must have prior to consideration, the committee thoroughly examines a candidate's understanding of marketing, finance and other elements relevant to the success of a publicly traded company in today's business environment; understanding of the Company's business; and educational and professional background. In determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee also considers the director's past attendance at meetings and participation in and contributions to the activities of the Board. The Nominating and Corporate Governance Committee identifies potential nominees by asking current directors and executive officers to notify the Nominating and Corporate Governance Committee if they become aware of suitable candidates. As described below, the Nominating and Corporate Governance Committee will also consider candidates recommended by shareholders. We have not paid any third party a fee to assist in the process of identifying or evaluating candidates; however, the Nominating and Corporate Governance Committee may elect in the future to engage firms that specialize in identifying director candidates.

All director candidates, including those recommended by shareholders, are evaluated on the same basis. Candidates for director must possess the level of education, experience, sophistication and expertise required to perform the duties of a member of a board of directors of a public company of the Company's size and scope. At a minimum, the committee will consider whether the recommended candidate is subject to a disqualifying factor as described under Section 303A.02(b) of the NYSE listing standards and the number of other boards and committees on which the individual serves. The committee may also consider, among other qualifications, a candidate's (i) ethics, integrity and values; (ii) stature, reputation and credibility; (iii) experience and capability to set policy and oversee management's execution of the business plan; (iv) knowledge of relevant industries; (v) contacts within the global aircraft leasing, aircraft financing, airline, cargo, manufacturing or other similar businesses; (vi) current or recent senior executive experience and leadership; and (vii) ethnic, gender, professional, geographic and philosophical diversity within the overall composition of the Board. While the Nominating and Governance Committee has not adopted a formal diversity policy with regard to the selection of director nominees, diversity is one of the factors that the committee considers in identifying director candidates. As part of this process, the committee evaluates how a particular candidate would strengthen and increase the diversity of the Board and contribute to the Board's overall balance of perspectives, backgrounds, knowledge, experience and expertise in areas relevant to the Company's business. The committee assesses its achievement of diversity through review of Board composition as part of the Board's annual self-assessment process.

While the Corporate Governance Guidelines provide that the Nominating and Corporate Governance Committee may, if it deems appropriate, establish procedures to be followed by shareholders in submitting recommendations for Board candidates, the Committee has not, at this time, put in place a formal policy with regard to such procedures. This is because procedures are set forth in our Bye-laws which permit shareholders to submit recommendations for Board candidates. The Board believes that it is appropriate for Aircastle not to have a specific policy since shareholders are always free to submit recommendations for Board candidates, simply by following the procedures set forth in our Bye-laws, as described below.

Shareholders wishing to recommend a director candidate to the Chairman of the Nominating and Corporate Governance Committee for its consideration should write to the Secretary, Aircastle Limited, c/o Aircastle Advisor LLC, 300 First Stamford Place, 5th Floor, Stamford, CT 06902. Recommendations must be received no less than 90 days nor more than 120 days before the anniversary of the prior year's

annual general meeting of shareholders to be considered for inclusion in the proxy statement for the 2013 Annual General Meeting of Shareholders. All recommendations meeting the minimum requirements set forth in the Corporate Governance Guidelines will be referred to the Chairperson of the Nominating and Corporate Governance Committee. Such letters of recommendation must include the address and number of shares owned by the nominating shareholder, the recommended individual's name and address, and a description of the recommended individual's background and qualifications. A signed statement from the recommended individual must accompany the letter of recommendation indicating that he or she consents to being considered as a candidate and that, if nominated by the Board and elected by the shareholders, he or she will serve as a director of the Company. In addition, the notice must also include any other information relating to the shareholder or to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors under Section 14 of the Securities Exchange Act of 1934, as amended (the Exchange Act), and the rules and regulations thereunder.

In addition, our Bye-laws allow shareholders to propose or nominate a candidate for election as a director. Such proposal or nomination must be made in accordance with the procedures and time limits set out in the Bye-laws of the Company.

A person must own Common Shares on the date that he or she sends the notice to Aircastle under the procedures above for the nomination to be valid under our Bye-laws. Provided that the required biographical and background material described above is provided for candidates properly recommended by shareholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by members of the Board. If the Chairman of the Board determines that a nomination was not made in accordance with the foregoing procedures, the Chairman shall declare to the meeting that the nomination was defective and such defective nomination shall be disregarded.

The Investment Committee. The Board established and designated an Investment Committee (the Investment Committee) pursuant to resolutions adopted on August 2, 2006, and since that date the Board has re-authorized the Investment Committee a number of times. The Board authorized the Investment Committee to approve, within certain limitations, aircraft acquisition, lease and sale transactions, financing and interest rate hedging transactions and other transactions by the Company. The Investment Committee held 12 meetings during 2011.

The Strategic Review Committee. The Board established a Strategic Review Committee pursuant to resolutions adopted on July 12, 2011. The Board authorized the Strategic Review Committee to review such matters as it may deem relevant to a strategic goals of the Company and oversee the implementation of any plans in respect of such goals. The Strategic Review Committee held three meetings during 2011 and it reported the results of its work to the Board. In the first quarter of 2012, the Board determined that the work of the Strategic Review Committee was complete and the Committee was dissolved.

pursuant to a shareholder-approved plan or the issuance is otherwise exempt from any applicable stock exchange listing requirement. Affiliated directors (i.e., Messrs. Edens, Adams and Wainshal), however, will not be separately compensated by us. All members of the Board will be reimbursed for reasonable costs and expenses incurred in attending meetings of the Board or otherwise incurred in connection with carrying out their duties as directors.

Accordingly, on January 1, 2011, the number of shares granted to each of Messrs. Allen, Hacker, Merriman, Pollard and Ueberroth was 8,612 vesting on January 1, 2012, and on January 1, 2012, the number of shares granted to each of Messrs. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction

This Compensation Discussion and Analysis (CD&A) describes and analyzes our executive compensation program for our Chief Executive Officer (CEO), Chief Financial Officer (CFO) and the three other most highly compensated executive officers named in our Summary Compensation Table. We refer to these five officers throughout the CD&A and the accompanying tables as our named executive officers.

Executive Summary

We seek to closely align the interests of our named executive officers with the interests of our shareholders. As described in this CD&A, our compensation program is designed to reward our named executive officers for the achievement of short-term and long-term strategic and operational goals and the achievement of increased total shareholder return, while at the same time avoiding encouraging unnecessary or excessive risk-taking. Our named executive officers' total compensation is comprised of a mix of base salary, annual cash bonus and equity incentive awards that vest over time.

For 2011 key factors in determining compensation were the Company's financial performance, particularly earnings per share and return on equity relative to the Company's business plan, new investment levels and our stock market performance. Other important considerations include our performance relative to our peers (and the compensation practices of our peers) along with the individual performance of our named executive officers, served as key factors in determining compensation for 2011. During 2011, the Compensation Committee made a number of important changes to the compensation program for our named executive officers, including an increase in the proportion of overall compensation to be delivered in the form of restricted share grants or other equity-based compensation and establishing target cash bonus and equity incentive award levels for certain of our named executive officers. These changes, and the share Ownership Guidelines implemented in early 2012, build upon the Company's compensation governance framework and our overall pay-for-performance philosophy.

In light of the importance of tying compensation to performance, the Compensation Committee is working with management and an independent compensation consultant, Towers Watson, to develop more specific operational and performance-based metrics for determining a process to set the overall size of the bonus pool for 2012 and the metrics for 2012 and against which to measure the target cash bonus and equity incentive award levels set out in the employment agreements for Messrs. Wainshal, Inglese and Walton. Management has also had a number of discussions with investors with respect to the Company's approach to compensation, and in particular in connection with the Compensation Committee's efforts to tie compensation to performance, and the dialogue with investors has been communicated by management to the Compensation Committee for consideration, in part in connection with the advisory vote on executive compensation at the Company's 2011 Annual General Meeting.

We encourage you to read this CD&A for a detailed discussion and analysis of our executive compensation program, including information about the 2011 compensation of the named executive officers.

Objectives of Executive Compensation Program

The primary goals of our compensation program for our named executive officers are to attract, motivate and retain the most talented and dedicated executives and to align their annual and long-term incentives with enhancing shareholder value. To achieve these goals we implement and maintain executive compensation plans that are intended to:

motivate our named executive officers by providing the large majority of their overall compensation through incentives tied to our overall performance and success relative to individual goals set for them;

align each named executive officer's incentives with those of shareholders by delivering a substantial portion of their compensation in the form of restricted stock grants; and

balance short-term and long-term goals, including by having restricted stock granted to our named executive officers vest over a period of time.

Role of the Compensation Committee

The Compensation Committee evaluates each named executive officer's performance with a goal of setting overall compensation at levels that the Compensation Committee believes are appropriate in view of our financial and operational performance, including investing, capital raising, liquidity management, asset sales and portfolio management, and in view of the individual performance of the executive. In addition, the Compensation Committee believes that the mix and level of compensation for the named executive officer should reflect the importance of the executive to the Company's success, the responsibilities of the executive within the Company, competition for the executive's talent and relative levels of compensation for other executives at the Company.

The Compensation Committee, with the approval of the Board, also implements policies to decrease risks associated with compensation practices. To that end, in 2011, the Compensation Committee and the Board implemented a share ownership guideline policy described in Stock Ownership Guidelines for Directors and Stock Ownership Guidelines for Executives. In addition, the Compensation Committee has determined that a clawback policy will be adopted by the Company pursuant to the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act or other applicable law and the listing requirements of the New York Stock Exchange, promptly following the adoption of final rules by the SEC, and that incentive compensation awards will be subject to that policy.

The Compensation Committee retained the firm of Towers Watson to advise the Compensation Committee in connection with its incentive compensation decisions with respect to 2011. Towers Watson does not provide any services to management and had no relationship with management prior to the engagement. Representatives of Towers Watson attended selected Compensation Committee meetings and provided objective third-party advice, compensation market perspectives and expertise on proposed executive compensation levels, and in prior years provided a peer group executive compensation analysis for the Compensation Committee. Towers Watson reports directly to the Compensation Committee and provided its counsel and advice to the Compensation Committee as an independent consultant. It did not provide other services to management or to the Company. The Compensation Committee has retained Towers Watson to assist the Committee in 2012.

Elements of Compensation

Compensation for our named executive officers consists of the following elements, which, in combination, are intended to promote the goals described above:

a base salary;

an annual cash bonus;

Table of Contents

equity incentive awards in the form of restricted shares;

other compensation, including dividends, severance benefits and medical, dental, life insurance; and 401(k) plans.

These elements, in combination, are intended to promote the goals described above. Base salary provides a minimum level of compensation that assists in our efforts to attract and retain talented executives. Annual cash bonuses and restricted share bonus grants reflect our performance and reward achievement of executive performance objectives. Restricted share bonus grants and periodic restricted share grants align executive compensation with enhancing shareholder value. For our named executive officers, we believe that restricted share grants should comprise a higher percentage of total compensation than for less senior executives, because these elements of compensation are more closely related to the objective of enhancing shareholder value, and the performance of the named executive officers can most directly bring about that enhancement.

In making individual compensation decisions, the Compensation Committee considers the total compensation awarded to the named executive officer, including all elements of compensation and including any applicable terms of the executive's employment agreement or employment letter. The Compensation Committee determines the compensation of the Chief Executive Officer (CEO), and is assisted in this determination by reviewing his performance with other members of the Board. In making determinations regarding the compensation for the other named executive officers, the Compensation Committee considers the recommendations of the CEO. The Compensation Committee also reviews the annual self-appraisal reports of the senior executives and the manager performance review reports, which are produced each year as part of our annual employee evaluation process. For the senior executives, these reports include an analysis of the goals set for the preceding year, whether and how those goals were met, whether that executive's performance met the Company's ethical standards, and also outline the goals for the coming year.

The CEO makes compensation recommendations for each of the other named executive officers. In making these recommendations, the CEO evaluates their performance, their responsibilities and their compensation relative to other senior executives within the Company.

Base Salary. Base salaries are intended to provide fixed compensation to each named executive officer that reflects his or her responsibilities, experience, value to the Company and demonstrated performance, taking into account, where applicable, the compensation levels from recent prior employment and the current market environment. Base salaries are reviewed annually and are adjusted from time to time in view of individual responsibilities, performance, publicly available market information, competitiveness of the market for the relevant executive and his or her salary history at the Company. The Compensation Committee did not perform a formal peer group analysis in 2011. None of the named executive officers received salary increases in 2011.

Bonus and Incentive Awards. Annual cash bonuses for our named executive officers are paid in a combination of cash, typically payable in mid-March, and restricted share grants or other share-based awards vesting over a three-year period, in each case in amounts reviewed and approved by the Compensation Committee. The annual incentive bonuses are intended to compensate our named executive officers for individual performance achievements and for achieving important goals and objectives, including those set out in his or her performance review from the prior year. The purpose of providing a portion of the bonus in restricted share grants is to align compensation for our named executive officers with the interests of the shareholders, with vesting of restricted shares being subject to continued service. As a result of this practice, each of our named executive officers owns a substantial amount of the Company's Common Shares.

Bonus levels vary depending on the individual named executive officer and are considered with respect to target bonus levels; however, they are not formulaic, but instead are based upon a subjective

Table of Contents

evaluation of performance and, except in the case of his own bonus determination, the recommendations of the CEO. For 2011, the cash and equity incentive awards for Messrs. Wainshal, Inglese and Walton were determined generally with reference to the target levels agreed in the relevant employment agreement, with reference as well to the individual performance parameters described above and the Company's overall performance in 2011, particularly with respect to earnings per share, return on equity and new investment performance relative to targets set forth in the Company's financial plan. The employment agreements for Messrs. Wainshal, Inglese and Walton establish target cash bonus levels of \$600,000 for Mr. Wainshal and \$400,000 for Messrs. Inglese and Walton, and target equity incentive award levels of \$1,200,000 for Mr. Wainshal and \$400,000 for Messrs. Inglese and Walton. The Compensation Committee took into account the individual performance of each of the named executive officers and the overall performance of the Company in determining the cash bonus and equity incentive amounts for the named executive officers.

In February 2012, the Compensation Committee found the following factors significant in determining the amounts of the annual cash bonuses and equity incentive awards for our named executive officers with respect to 2011:

For all of the named executive officers, (i) the overall performance of the Company, including new investments, strong earnings per share growth and significant improvement in the Company's return on equity; (ii) portfolio performance, including a high level of utilization and steady rental revenue yields; (iii) accessing various forms of debt financing and (iv) increased and profitable asset sales. However, aggressive growth targets for earnings per share, return on equity and new acquisition activity were set in early 2011 and the Compensation Committee determined that the results fell short of these targets established and, accordingly, each of Messrs. Wainshal, Inglese and Walton should receive annual cash bonuses and equity incentive compensation awards for 2011 in amounts smaller than those granted for 2010.

Mr. Wainshal guided and implemented the Company's differentiated investment and capital structure strategy and led its efforts to improve its performance metrics during 2011. During the year, Mr. Wainshal spearheaded our investment efforts, which resulted in approximately \$500 million in aircraft acquisitions, in addition to the company's Airbus A330 new order program, which contributed approximately \$500 million of additional investments net of sales. Mr. Wainshal also helped drive the Company's significant increase in profitable asset sales during 2011. Mr. Wainshal led the Company's proactive portfolio management efforts, including active airline risk monitoring and assessment and asset sales.

Mr. Inglese led the Company's financing efforts, securing approximately \$[700] million in financings in 2011, including the \$150 million unsecured bond issuance in December 2011, ECA-supported delivery financings for our new Airbus A330 order and commercial bank financings for our aircraft acquisitions. Mr. Inglese also took on a leading role in various strategic initiatives, while also continuing to enhance the Company's business planning functions. He played an active role in maintaining and expanding strong relationships with investors and the financial community.

Mr. Walton led the Company's asset management function, including completion of our 2011 lease extensions or transitions, other aircraft repossessions and transitions, and collection efforts. Mr. Walton also managed the legal aspects of the Company's financing, lease placement, acquisition and sales efforts and continued to focus on process improvements that have enhanced our asset management capabilities. Mr. Walton was also responsible for overseeing the Company's Technical function. His efforts helped the Company achieve excellent operational results including 99% portfolio utilization for the full year and very low receivables balances.

Mr. Schreiner managed a variety of technical projects in support of the Company's leasing and financing efforts, including a new freighter conversion program for 747-400 aircraft, and

Table of Contents

numerous aircraft transitions to new lease customers. He was also responsible for overseeing the Technical department's forecasting and budgeting efforts and implemented a number of process improvements that have enhanced our technical asset management efforts.

Mr. Dahlke played a leading role in our audit process and in the preparation of our periodic financial reporting. He also played an important role, both internally and within relevant industry groups, in evaluating and commenting on the FASB/IASB Lease Exposure Draft relating to proposed changes to lease accounting. In addition, Mr. Dahlke provided transaction accounting advice internally to assist us in evaluating potential transactions and in deal execution.

The table below sets forth information regarding 2011, 2010 and 2009 compensation for each of our named executive officers, presenting each bonus and stock grant for the service year with respect to which it was awarded, as opposed to the year in such bonus and stock grants were actually awarded. Note that the SEC-required Summary Compensation Table (shown on page 23) requires disclosure of bonus payments and stock grants in the year they were awarded, even if they were in respect of service in a prior year. Therefore if an incentive award was earned in respect of service in one fiscal year, but paid in the subsequent fiscal year it would be included as compensation in the subsequent fiscal year in the Summary Compensation Table. We believe the presentation below reflects how our Compensation Committee views year-over-year changes to the compensation for our named executive officers. It is important to recognize that the way the Compensation Committee presents compensation for our named executive offices in the table below is different from the SEC-required disclosure in the Summary Compensation Table and is not a substitute for the information in that table. Rather, it is intended to show how the Compensation Committee reviews total compensation for the named executive officers across different periods during its decision-making process.

- (1) The amounts reported in the "Stock Awards" column of the table above for 2011, 2010 and 2009 reflect the fair value on the grant date of the stock awards granted to our named executive officers determined in accordance with FASB ASC Topic 718.
- (2) These amounts represent dividends on unvested shares, Company contributions made during 2011 to each named executive officer's 401(k) plan account and certain insurance premiums.

Table of Contents

For Messrs. Schreiner and Dahlke, and for other senior members of the management team, the Compensation Committee determined that generally the first US\$100,000 of value of the bonus and incentive awards should consist of cash and approximately 40% of any amounts in excess of the first US\$100,000 in value should consist of restricted share grants, with the remainder being paid in cash. The Compensation Committee used the same formula for allocating bonuses and incentive awards between cash and restricted share grants for the prior year's grants, having determined that such allocation remained the optimal division between cash compensation and long-term compensation to attain its compensation objectives. Following the February 17, 2012 Compensation Committee meeting, bonus restricted share grants were made under the Plan and generally vest in one-third increments on January 1, 2013, January 1, 2014 and January 1, 2015.

Cash bonuses are paid in a single installment in March of the year following the year to which the bonus relates, and bonus restricted share grants are communicated to the relevant employees as soon as practicable after determination by the Compensation Committee in February of the following year. In early 2013, the Compensation Committee will determine the allocation between cash and restricted share grants for any awards that may be awarded to named executive officers with respect to 2012.

Other Compensation. A component of our executive compensation consists of dividends paid on restricted shares, whether such shares are vested or unvested. Paying dividends on unvested shares further aligns the interests of our named executive officers with the interests of our shareholders. We offer our named executive officers severance payments and benefits or accelerated vesting of restricted shares in certain circumstances, as described in greater detail below in the section entitled Potential Payments upon Termination or Change in Control. Severance and change in control benefits are an essential element of compensation for our named executive officers and assist us in recruiting and retaining talented executives in a competitive market and are typically required in order to permit the Company to retain existing employees and attract a prospective executive to leave his or her current employment and join the Company.

All of our named executive officers are also eligible to participate in our employee benefit plans, including medical, dental, life insurance and 401(k) plans. These plans are available to all employees and do not discriminate in favor of our named executive officers. We do not view perquisites as a significant element of our comprehensive compensation structure.

Pension Benefits

None of our named executive officers participates in, or has any accrued benefits under, qualified or non-qualified defined benefit plans sponsored by us. The Compensation Committee may elect to adopt qualified or non-qualified defined benefit plans in the future if the Compensation Committee determines that doing so is in the Company's best interests.

Stock Ownership Guidelines for Executives

As described above in Director Compensation, the Company has adopted Ownership Guidelines providing for the following levels of share ownership applicable to the Chief Executive Officer, Chief Financial Officer and Chief Operating Officer (based on the aggregate value of this share ownership as of any date of determination).

| Position | Multiple of Base Salary |
|-------------------------|--------------------------------|
| Chief Executive Officer | 6x |
| Chief Financial Officer | 2x |
| Chief Operating Officer | 2x |

Table of Contents

The Ownership Guidelines provide for a phase-in period, according to which a relevant officer should satisfy the Ownership Guidelines by the later of March 14, 2017 or the fifth anniversary of his or her initial appointment or promotion. As of March 31, 2012, each member of the Board complied with the Ownership Guidelines.

Internal Revenue Code Section 162(m)

The Compensation Committee has reviewed the provisions of Section 162(m) of the Internal Revenue Code, relating to the US\$1 million deduction cap for certain executive compensation. Section 162(m) has been taken into account as one of the factors considered in establishing the compensation program for our named executive officers. However, in order to maintain flexibility in compensating our named executive officers in a manner designed to promote various corporate goals, the Compensation Committee has not at this time adopted a policy that all compensation must be deductible. The Company anticipates that a portion of the compensation for named executive officers with respect to 2011 will not be deductible by the Company under Section 162(m) and that the increase in U.S. corporate tax as a consequence of such non-deductibility will be approximately US\$79,000.

2011 Compensation Practice Changes and Response to the 2011 Say-on-Pay Vote

The Company's 2011 say-on-pay vote—the first in the Company's history—yielded a 59% percent approval. In response, our Board of Directors and the Compensation Committee conducted an analysis of our compensation practices with the aid of our compensation consultant Towers Perrin. In addition, the Compensation Committee directed management to reach out to our shareholders to understand their concerns with respect to the Company's approach to compensation, and in particular in connection with the Compensation Committee's efforts to tie compensation to performance, and the dialogue with investors has resulted in meaningful feedback and such feedback has been communicated by management to the Compensation Committee for consideration.

Key Changes to Our Compensation Programs in 2011

In response to shareholder feedback, the Compensation Committee has implemented the following significant changes:

Introducing share ownership guidelines for named executive officers and relevant directors to help align their interests with the interests of shareholders;

Determining that a clawback policy will be adopted by the Company pursuant to the requirements of the Dodd-Frank Act or other applicable law and the listing requirements of the NYSE, promptly following the adoption of final rules by the SEC, and that incentive compensation awards will be subject to that policy; and

Working with its independent compensation consultant, Towers Watson, to develop operational and performance-based metrics for setting the overall size of a portion of the Company's bonus pool for 2012 and against which to measure the target cash bonus and equity incentive award levels.

Employment Agreements with Named Executive Officers

Through our subsidiary, Aircastle Advisor LLC, we have entered into an employment agreement or employment letter with each of our named executive officers. These employment agreements or letters generally provide for payment of an annual base salary and entitle the executive to receive an annual cash bonus with, in the case of Messrs. Wainshal, Inglese and Walton, target annual cash bonus and equity incentive award levels. In addition, the employment letters provide that each executive is entitled to receive the same employee benefits as we provide to our employees generally.

Each employment letter provides that the named executive officer is employed at will and may be terminated at any time and for whatever reason by either us or him. A summary of the payments and benefits to be provided to the named executive officers upon a termination of employment, along with a description of the restrictive covenants applicable to each executive, is set forth below in the section entitled Potential Payments upon Termination or Change in Control.

Restricted Share Provisions in the Plan

Change in Control. Subject to applicable law, in the event of a change in control (as defined in the Plan), certain other corporate transactions, changes in corporate structure, special dividends and similar corporate events, the plan administrator has discretion to cancel outstanding awards (except fully vested restricted shares, deferred shares and performance shares) in exchange for payment in cash or other property. Unless otherwise determined by the plan administrator and evidenced in an award agreement, if (i) a change in control transaction occurs that includes a continuation, assumption or substitution of certain awards under the Plan, (ii) a plan participant's employment is terminated by the employer other than for cause within the 12 months following the change in control, and (iii), in the case of participants who are entitled to receive severance under an employment agreement upon termination by the participant for good reason (as defined in the participant's employment agreement), upon such a termination for good reason within the 12 months following a change in control, then the participant's outstanding and unvested options will become fully vested and exercisable as of the date of such termination and the restrictions will lapse (or performance goals will be deemed to be achieved) with respect to the shares covered by any other award.

Table of Contents

Rights of Participants. Participants with restricted Common Shares generally have all of the rights of shareholders, including the right to vote the shares and the right to receive dividends at the same rate paid to other holders of common shares. Subject to the provisions of the Plan and applicable award agreement, the plan administrator has sole discretion to provide for the lapse of restrictions in installments or the acceleration or waiver of restrictions (in whole or part) under certain circumstances, including, but not limited to, the attainment of certain performance goals or a participant's termination of employment or service. Upon a participant's death or disability the vesting of that participant's unvested restricted shares will accelerate.

Adjustments. In the event of a merger, amalgamation, consolidation, reorganization, recapitalization, bonus issue, share dividend or other change in corporate structure affecting the common shares, the plan administrator may, subject to certain limitations, make an equitable substitution or proportionate adjustment in, among other things, the kind, number and purchase price of common shares subject to outstanding awards of restricted shares or other share-based awards granted under the Plan. In addition, the plan administrator, in its discretion, may terminate all awards (other than fully vested restricted shares, deferred shares and performance shares) with the payment of cash or in-kind consideration.

Repurchase of Shares for Withholding Taxes upon Vesting. The Plan gives the plan administrator the authority to permit a participant to satisfy any federal, state or local withholding taxes due upon vesting of restricted shares by electing to have the Company repurchase a sufficient number of Common Shares, at Fair Market Value (as defined in the Plan) on the day of vesting. During 2011, our named executive officers and one director, Mr. Merriman, made such an election of a sufficient number of shares, and the plan administrator approved such elections.

Restricted Share Agreements. The restricted share agreements with each of Messrs. Wainshal, Inglese and Walton provide that if his employment with the Company is terminated by the Company without Cause (as defined in his employment agreement) or, if applicable, by the executive with Good Reason (as defined in his employment agreement), then the shares, if any, that are not vested as of the date of such termination will continue to vest according to the original vesting schedule subject to the executive's execution of a separation agreement which includes a general release of claims. In the event that the executive's employment is terminated by the Company without Cause or by the executive for Good Reason, in each case within 120 days prior to or within 12 months following a Change of Control, then 100% of the shares, if any, that are not vested as of the date of such termination shall immediately vest. The restricted share agreements with each of Messrs. Dahlke and Schreiner provide that if his employment is terminated without cause (as defined in the Plan), the restricted shares which are due to vest at the next vesting date under the agreement will immediately vest, and if such a termination occurs within 12 months following a Change in Control, all of the restricted shares that are unvested as of the termination will immediately vest.

Table of Contents

As described above in the section entitled Employment Agreements with Named Executive Officers, we, through our subsidiary, Aircastle Advisor LLC, have entered into employment letters with our named executive officers which set forth certain terms and conditions of their employment relating to termination and termination payments. These employment letters provide that each named executive officer is employed at will and may be terminated at any time and for whatever reason by either us or him.

Under the employment agreements for Messrs. Wainshal, Inglese and Walton:

if the employment of such named executive officer is terminated without cause or with good reason (as defined in such employment agreement), and if he signs a general release of claims and complies with the covenants described below, then he will be entitled to receive (i) an amount equal to the sum of the base salary and target annual cash bonus for the year of termination, payable over a one-year period (two times such amount and payable in a lump sum if the termination occurs within 120 days prior to or within one year following a change of control as defined in such employment agreement), (ii) a pro-rata annual bonus for the year of termination, (iii) reimbursement of COBRA premiums for up to 12 months and (iv) continued vesting of all outstanding equity awards pursuant to their original vesting schedule (immediate vesting and payment of all outstanding equity awards in the event of a change in control);

if any amounts to be paid to such named executive officer would constitute excess parachute payments subject to the excise tax imposed under Section 4999 of the Internal Revenue Code, the amount will be reduced to the extent necessary to avoid the excise tax, but in the case of Mr. Wainshal only if such reduction results in a higher after-tax payment to Mr. Wainshal; and

such named executive officer covenants not to compete with Aircastle for six months following termination of his employment for any reason and will not solicit the employees of Aircastle or the clients or customers of Aircastle for competing business, in each case, for a period of 12 months following termination.

Mr. Dahlke's employment letter provides that he will not compete with us during his employment, and, through the end of the one-year period following his termination of employment, he will not solicit or encourage any of our then current employees or independent contractors to leave the employment or other service of the Company or hire any employee or independent contractor who has left the employment or other service of the Company within the one-year period following his termination of employment. In accordance with the restricted share agreement, if we terminate his employment without cause (as defined in the Plan), the restricted shares which are due to vest at the next vesting date under the agreement will immediately vest, and if such a termination occurs within 12 months following a change in control, all of the restricted shares that are unvested as of the termination will immediately vest.

Mr. Schreiner's employment letter provides that he will not compete with us during his employment, and, through the end of the one-year period following his termination of employment, he will not solicit or encourage any of our then current employees or independent contractors to leave the employment or other service of the Company or hire any employee or independent contractor who has left the employment or other service of the Company within the one-year period following his termination of employment. In accordance with the restricted share agreement, if we terminate his employment without cause (as defined in the Plan), the restricted shares which are due to vest at the next vesting date under the agreement will immediately vest, and if such a termination occurs within 12 months following a change in control, all of the restricted shares that are unvested as of the termination will immediately vest.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board, which is comprised of three Independent Directors, operates pursuant to a written charter, which was adopted in August 2006 and which is available at <http://www.aircastle.com> under Investors-Corporate Governance.

The Audit Committee reviewed Aircastle's audited consolidated financial statements as of and for the year ended December 31, 2011 and discussed these financial statements with Aircastle's management, addressing, among other things, the quality and the acceptability of the accounting principles, the reasonableness of significant judgments and estimates, and the clarity and completeness of disclosures in the financial statements. Aircastle's independent registered public accounting firm, Ernst & Young LLP, is responsible for performing an independent audit of Aircastle's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report on its audit of the financial statements. The Audit Committee's responsibility is to monitor and review these processes. The Audit Committee also reviewed and discussed with Ernst & Young LLP the audited financial statements and the matters required by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees), and other matters the Committee deemed appropriate.

The Audit Committee has received the written disclosures and the letter from Ernst & Young LLP required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, as modified or supplemented, and has discussed with Ernst & Young its independence. The Audit Committee also considered whether the independent auditors' provision of other, non-audit related services to Aircastle is compatible with maintaining such auditors' independence.

Based on its discussions with management and Ernst & Young LLP, and its review of the representations and information provided by management and Ernst & Young LLP, the Audit Committee recommended to Aircastle's Board of Directors that the audited financial statements be included in Aircastle's Annual Report on Form 10-K for the year ended December 31, 2011. In addition, the Audit Committee has also recommended, subject to shareholder approval, the appointment of Ernst & Young LLP as the Company's Independent Registered Public Accounting Firm for the fiscal year ended December 31, 2012.

Respectfully submitted,

The Audit Committee

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The following is a summary of material provisions of certain transactions we have entered into with our executive officers, directors or 5% or greater shareholders. We believe the terms and conditions set forth in such agreements are reasonable and customary for transactions of this type.

Shareholders Agreement

Upon the completion of our initial public offering, we entered into an Amended and Restated Shareholders Agreement, or the Shareholders Agreement, with Fortress Investment Fund III LP, Fortress Investment Fund III (Fund B) LP, Fortress Investment Fund III (Fund C) LP, Fortress Investment Fund III (Fund D) L.P., Fortress Investment Fund III (Fund E) LP, Fortress Investment Fund III (Coinvestment Fund A) LP, Fortress Investment Fund III (Coinvestment Fund B) LP, Fortress Investment Fund III (Coinvestment Fund C) LP, Fortress Investment Fund III (Coinvestment Fund D) L.P., Drawbridge Special Opportunities Fund LP, Drawbridge Special Opportunities Fund Ltd. and Drawbridge Global Macro Master Fund Ltd., which we refer to, collectively, as the Initial Shareholders.

As discussed further below, the Shareholders Agreement provides certain rights to the Initial Shareholders with respect to the designation of directors for election to our Board as well as registration rights for certain of our securities owned by them.

The Shareholders Agreement provides that the Initial Shareholders and their respective affiliates and permitted transferees will vote or cause to be voted all of our voting shares beneficially owned by each and to take all other reasonably necessary action so that no amendment is made to the Company's Memorandum of Association or Bye-laws in effect as of the date of the Shareholders Agreement that would add restrictions to the transferability of our shares by an Initial Shareholder or its permitted transferee which are beyond those provided for in our Memorandum of Association, Bye-laws, the Shareholders Agreement or applicable securities laws, or that nullify the rights set out in the Shareholders Agreement of any Initial Shareholder or its permitted transferee unless such amendment is approved by such shareholder.

Designation and Election of Directors

The Shareholders Agreement requires that the Initial Shareholders and their respective affiliates and permitted transferees vote or cause to be voted all of our voting shares beneficially owned by each and to take all other reasonably necessary action so as to elect to our Board so long as the Initial Shareholders beneficially own (i) more than 50% of the voting power of the Company, four directors (or, if the Board consists of eight directors, five directors) designated by FIG Advisors LLC, an affiliate of Fortress, which we refer to as FIG Advisors, or such other party designated by Fortress; (ii) between 25% and 50% of the voting power of the Company, three directors designated by FIG Advisors; (iii) between 10% and 25% of the voting power of the Company, two directors designated by FIG Advisors; and (iv) between 5% and 10% of the voting power of the Company, one director designated by FIG Advisors. The Initial Shareholders also agree to vote their shares or otherwise take all necessary action to cause (1) the removal, with or without cause, of any director previously nominated by FIG Advisors upon notice from FIG Advisors of its desire to remove such a director and (2) in the event a designee of FIG Advisors ceases to serve as a director during his term in office, the filling of such vacancy with an individual designated by FIG Advisors.

In accordance with the Shareholders Agreement, FIG Advisors designated Wesley R. Edens and Joseph P. Adams, Jr. for election to our Board. If at any time the number of our directors entitled to be

Registration Rights

Demand Rights. We have granted to the Initial Shareholders, for so long as such shareholders collectively and beneficially own an amount of our Common Shares (whether owned at the time of this offering or subsequently acquired) at least equal to 5% or more of our Common Shares issued and outstanding immediately after the consummation of our initial public offering (a Registrable Amount), demand registration rights that allow them at any time after six months following the consummation of such offering to request that we register under the Securities Act an amount equal to or greater than 5% of our Common Shares that they own. Each of the Initial Shareholders is entitled to an aggregate of two demand registrations, which can include a shelf registration. We are also not required to effect any demand registration within six months of a firm commitment underwritten offering to which the requestor held piggyback rights and which included at least 50% of the securities requested by the requestor to be included. We are not obligated to grant a request for a demand registration within four months of any other demand registration, and may refuse a request for demand registration if, in our reasonable judgment, it is not feasible for us to proceed with the registration because of the unavailability of audited financial statements.

Piggyback Rights. For so long as they beneficially own an amount of our Common Shares at least equal to 1% of our Common Shares issued and outstanding immediately after the consummation of our initial public offering, the Initial Shareholders also have piggyback registration rights that allow them to include the Common Shares that they own in any public offering of equity securities initiated by us (other than those public offerings pursuant to registration statements on Forms S-4 or S-8) or by any of our other shareholders that have registration rights. The piggyback registration rights of these shareholders are subject to proportional cutbacks based on the manner of the offering and the identity of the party initiating such offering.

Shelf Registration. We have granted each of the Initial Shareholders or any of their respective transferees, for so long as they beneficially own a Registrable Amount, the right to request a shelf registration on Form S-3 providing for offerings of our Common Shares to be made on a continuous basis until all shares covered by such registration have been sold, subject to our right to suspend the use of the shelf registration prospectuses for a reasonable period of time (not exceeding 60 days in succession or 90 days in the aggregate in any 12-month period) if we determine that certain disclosures required by the shelf registration statements would be detrimental to us or our shareholders. In addition, the Initial Shareholders may elect to participate in such shelf registrations within ten days after notice of the registration is given.

Indemnification; Expenses. We have agreed to indemnify each of the Initial Shareholders against any losses or damages resulting from any untrue statement or omission of material fact in any registration statement or prospectus pursuant to which they sell our Common Shares, unless such liability arose from such shareholder's misstatement or omission, and each such shareholder has agreed to indemnify us against all losses caused by its misstatements or omissions. We will pay all expenses incidental to our performance under the Shareholders Agreement, and the Initial Shareholders will pay their respective portions of all underwriting discounts, commissions and transfer taxes relating to the sale of their Common Shares under the Shareholders Agreement.

Policies and Procedures for Review, Approval or Ratification of Transactions with Related Persons

In April 2007, our Board adopted a Policy and Procedures with Respect to Related Person Transactions, which we refer to as our Related Person Policy. Pursuant to the terms of the Related Person Policy, the Audit Committee must review and approve in advance any related person transaction, other than those that are pre-approved pursuant to pre-approval guidelines or rules that may be established by the Audit Committee to cover specific categories of transactions, including the guidelines described below. All Related Persons (as defined below) are required to report to our legal department any such related person transaction prior to its completion, and the legal department will determine whether it should be submitted to the Audit Committee for consideration.

Our Related Person Policy covers all transactions, arrangements or relationships (or any series of similar transactions, arrangements or relationships) in which the Company (including any of its subsidiaries) was, is or will be a participant, in which the amount involved exceeds US\$120,000, and in which any Related Person had, has or will have a direct or indirect material interest.

A Related Person, as defined in our Related Person Policy, means any person who is, or at any time since the beginning of the Company's last fiscal year was, a director or executive officer of the Company or a nominee to become a director of the Company; any person who is known to be the beneficial owner of more than 5% of any class of the Company's voting securities; any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of the director, executive officer, nominee or more than 5% beneficial owner, and any person (other than a tenant or employee) sharing the household of such director, executive officer, nominee or more than 5% beneficial owner; and any firm, corporation or other entity in which any of the foregoing persons is employed or is a general partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest.

Proposal No. 3

APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

(WHICH CONSTITUTES THE AUDITOR FOR PURPOSES OF BERMUDA LAW) AND THE AUTHORIZATION OF THE DIRECTORS OF AIRCASTLE LIMITED, ACTING BY THE AUDIT COMMITTEE, TO DETERMINE THE INDEPENDENT REGISTERED PUBLIC

ACCOUNTING FIRM S FEES. (Item 3 on Proxy Card)

The Audit Committee Charter, as well as Section 301 of the Sarbanes-Oxley Act, Rule 10A-3(b)(2) under the Exchange Act and the related NYSE listing standards, each require that the audit committee shall be directly responsible for the appointment and retention of any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for the listed issuer. In accordance with these requirements, the Audit Committee and the Board recommend that the shareholders appoint the firm of Ernst & Young LLP (E&Y), to be the Company s independent registered public accounting firm (which constitutes the auditor for the purpose of Bermuda law) for fiscal year 2012 and to authorize the directors of the Company, acting by the Audit Committee, to determine the independent registered public accounting firm s fees. E&Y was also the Company s independent registered public accounting firm for 2011. Before selecting E&Y, the Audit Committee carefully considered E&Y s qualifications as the registered public accounting firm for Aircastle. This included a review of its performance in prior years, as well as its reputation for integrity and competence in the fields of accounting and auditing. The committee has expressed its satisfaction with E&Y in all of these respects. The committee s review included inquiry concerning any litigation involving E&Y and any proceedings by the SEC against the firm. In this respect, the committee has concluded that the ability of E&Y to perform services for Aircastle is in no way adversely affected by any such investigation or litigation.

The Audit Committee also oversees the work of E&Y, and E&Y reports directly to the Audit Committee in this regard. The Audit Committee also reviews and approves E&Y s annual engagement letter, including the proposed fees, and determines or sets the policy regarding all audit, and all permitted non-audit, engagements and relationships between Aircastle and E&Y. The Audit Committee also reviews and discusses with E&Y their annual audit plan, including the timing and scope of audit activities, and monitors the progress and results of the plan during the year. Representatives of E&Y will be present and available to answer questions at the Annual Meeting and are free to make statements during the Annual Meeting.

The Board recommends that you vote FOR the appointment of Ernst & Young LLP as the Company s independent registered public accounting firm for fiscal year 2012 and the authorization of the directors of Aircastle Limited, acting by the Audit Committee, to determine the independent registered public accounting firm s fees.

Audit Fees, Audit Related Fees, Tax Fees and All Other Fees.

In connection with the audit of the 2011 financial statements, the Company entered into an engagement letter with E&Y which set forth the terms by which E&Y has performed audit services for the Company. That agreement is subject to alternative dispute resolution procedures.

The following summarizes the fees paid by us to E&Y for professional services rendered in 2011 and 2010:

| Tax Fees ⁽²⁾ | \$ 374,000 | \$ 459,000 |
| All Other Fees | \$ 3,300 | \$ 21,000 |

(1) Represents fees for the audit of the Company's consolidated financial statements, the reviews of interim financial statements included in the Company's Forms 10-Q, audits of subsidiaries required under the terms of certain of our debt agreements, consultations concerning financial accounting and reporting standards, statutory audits, services rendered relating to the Company's shelf registrations services rendered relating to the Company's debt offering in 2011 and the audit of our internal control over financial reporting.

(2) Represents fees related primarily to assistance with tax compliance matters, including international, federal and state tax returns preparation and consultations regarding tax matters.

Audit Committee Pre-Approval Policies and Procedures.

The Audit Committee has policies and procedures that require the pre-approval by the Audit Committee or one of its members of all services performed by the Company's independent registered public accounting firm and related fee arrangements. In the early part of each year, the Audit Committee approves the proposed services, including the nature, type and scope of services contemplated, and the related fees, to be rendered by these firms during the year. In addition, pre-approval by the Audit Committee or one of its members is also required for those engagements that may arise during the course of the year that are outside the scope of the initial services and fees pre-approved by the Audit Committee pursuant to the Sarbanes-Oxley Act. The fees and services provided as noted in the tables above were authorized and approved by the Audit Committee.

Of the fees set forth in the table above, none of the Audit-Related Fees, none of the Tax Fees and none of the All Other Fees were approved by the Audit Committee pursuant to SEC Rule 2-01(c)(7)(i)(C) of Regulation S-X. This rule provides that the pre-approval requirement is waived, with respect to fees for services other than audit, review or attest services, if (i) the aggregate amount of all such services provided constitutes no more than five percent of the total amount of revenues paid by the Company to E&Y during the fiscal year in which the services are provided; (ii) such services were not recognized by the Company at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee or by one or more members of the Audit Committee who are members of the Board to whom authority to grant such approvals has been delegated by the Audit Committee.

Proposal No. 4

ADVISORY VOTE ON EXECUTIVE COMPENSATION

(Item 4 on Proxy Card)

The recently enacted Dodd-Frank Act requires that we provide our shareholders with the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement on page 23 in accordance with the SEC's rules.

In considering their vote, shareholders may wish to review with care the information on our compensation policies and decisions regarding the named executive officers presented in Compensation Discussion and Analysis on pages 16-29, as well as the discussion regarding the Compensation Committee on page 11.

Our primary compensation goals for our named executive officers are to attract, motivate and retain the most talented and dedicated executives and to closely align the interests of our named executive officers with the interests of our shareholders. Our compensation programs are designed to reward our named executive officers for the achievement of annual and long-term strategic and operational goals and the achievement of increased total shareholder return, while at the same time avoiding the encouragement of unnecessary or excessive risk-taking. To achieve these goals, we employ a strong pay-for-performance philosophy that includes the following guiding principles:

motivate our named executive officers by providing the large majority of their overall compensation through incentives tied to our overall performance and success relative to goals set for them;

align each named executive officer's incentives with those of shareholders by delivering a substantial portion of their compensation in the form of restricted stock grants; and

balance short-term and long-term goals, including by having restricted stock granted to our named executive officers vest over a period of time.

We believe that the Company's executive compensation programs have been effective at promoting the achievement of positive results, appropriately aligning pay and performance, and enabling the Company to attract and retain very talented executives within our industry, while at the same time avoiding the encouragement of unnecessary or excessive risk-taking.

We are asking our shareholders to indicate their support for our named executive officers' compensation as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives you as a shareholder the opportunity to express your views on our fiscal year 2011 executive compensation policies and procedures for named executive officers. This vote is not intended to address any specific item of compensation; rather, the vote relates to the overall compensation of our named executive officers and the policies and procedures described in this proxy statement in accordance with the compensation disclosure rules of the SEC. Accordingly, we ask our shareholders to vote **FOR** the following resolution at the Annual Meeting:

RESOLVED, that the shareholders of Aircastle Limited (the "Company") approve, on an advisory basis, the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K in the Company's proxy statement for the 2012 Annual General Meeting of Shareholders, including the Compensation Discussion and Analysis, compensation tables and narrative discussion.

Although this is an advisory vote which will not be binding on the Compensation Committee or the Board, we will carefully review the results of the vote. The Compensation Committee will consider our

shareholders' concerns and take them into account when designing future executive compensation programs. The Board therefore recommends that you indicate your support for the Company's executive compensation in fiscal year 2011, as outlined in the above resolution.

The Board recommends that you vote FOR the approval of the compensation of our named executive officers, as disclosed in this proxy statement.

The delivery of this proxy statement shall not, under any circumstances, imply that there has not been any change in the information set forth herein since the date of the proxy statement.

CONFIDENTIALITY OF PROXIES

The Company's policy is that proxies identifying individual shareholders are private except as necessary to determine compliance with law, as necessary to assert or defend legal claims, in a contested proxy solicitation, or in the event that a shareholder makes a written comment on a proxy card or an attachment to it.

SHAREHOLDER PROPOSALS

The Company welcomes comments or suggestions from its shareholders. Under SEC rules, if a shareholder wishes to submit a proposal to be considered for inclusion in our proxy statement for the 2013 Annual General Meeting of Shareholders, the Company must receive the proposal in writing on or before December 16, 2012 unless the date of the 2013 Annual General Meeting of Shareholders is changed by more than 30 days from the date of the last annual general meeting, in which case the proposal must be received no later than a reasonable time before the Company begins to print and send its proxy materials. All proposals must comply with SEC Rule 14a-8 and should be sent to the Secretary of Aircastle Limited, c/o Aircastle Advisor LLC, 300 First Stamford Place, 5th Floor, Stamford, CT 06902.

If a shareholder wishes to submit a proposal for business to be brought before the 2013 Annual General Meeting of Shareholders outside of SEC Rule 14a-8, including with respect to shareholder nominations of directors, notice of such matter must be received by the Company, in accordance with the provisions of the Company's By-laws, no earlier than January 23, 2013 and no later than February 23, 2013. Notice of any such proposal also must include the information specified in our By-laws and should be sent to the Secretary of Aircastle Limited, c/o Aircastle Advisor LLC, 300 First Stamford Place, 5th Floor, Stamford, CT 06902. In addition to our By-laws, please see page 11 of this proxy statement for a description of the procedures to be followed by a shareholder who wishes to recommend a director candidate to the Nominating and Corporate Governance Committee for its consideration.

Additionally, under Bermuda law, shareholders holding not less than five percent of the total voting rights or 100 or more shareholders together may require us to give notice to our shareholders of a proposal to be submitted at an annual general meeting. Generally, notice of such a proposal must be received by us at our registered office in Bermuda (located at Clarendon House, 2 Church Street, Hamilton, HM 11, Bermuda) not less than six weeks before the date of the meeting and must otherwise comply with the requirements of Bermuda law.

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy materials with respect to two or more shareholders sharing the same address by delivering a single set of proxy materials addressed to those shareholders. This process, which is commonly referred to as householding, potentially provides extra convenience for shareholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single set of proxy materials to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders.

Once you have received notice from your broker or the Company that it or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive separate proxy materials, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. You can notify the Company by sending a written request to Aircastle Limited, c/o Aircastle Advisor LLC, 300 First Stamford Place, 5th Floor, Stamford, CT 06902, Attention: General Counsel.
