The Second Amended and Restated Plan allows us to award incentive stock options, nonqualified stock options, stock appreciation rights, restricted shares of common stock, restricted stock units, performance share or unit awards, other stock-based awards and cash-based incentive awards.

Increases Shares Reserved for Grant. Adds 3,000,000 shares of common stock to the reserve available for new awards.

Extends the Term. Extends the term of the Second Amended and Restated Plan through June 8, 2022.

Expands the List of Performance Goals. Expands the list of performance goals in the Second Amended and Restated Plan for purposes of Section 162(m) of the Code.

Provides for Recovery of Compensation in Connection with Financial Restatements. Provides for recovery of compensation to the extent required by applicable law and any applicable Company policies in the event that the Company is required to restate its financial statements due to material noncompliance with any financial reporting requirement under the law, whether such noncompliance is the result of misconduct or other circumstances.

Provides for Certain Modifications for Internal Consistency. Makes a conforming change to clarify that the Board cannot, without shareholder approval, reprice options and stock appreciation rights or make any other amendment which requires shareholder approval under the Code or any other applicable law.

The amount and terms of future awards that will be made under the Second Amended and Restated Plan are not currently determinable.

The descriptions of the Second Amended and Restated Plan contained herein are qualified in their entirety by reference to the full text of the Second Amended and Restated Plan attached hereto as Exhibit 4.1.
