Introductory Note.

This Current Report on Form 8-K is being filed in connection with the consummation on July 23, 2012 of the transactions contemplated by that certain Agreement and Plan of Merger and Reorganization (the Merger Agreement), dated March 26, 2012, by and among Oclaro, Inc., a Delaware corporation (Oclaro), Tahoe Acquisition Sub, Inc., a Delaware corporation and wholly owned subsidiary of Oclaro (Merger Sub), and Opnext, Inc., a Delaware corporation (Opnext). Pursuant to the Merger Agreement, on July 23, 2012, Merger Sub merged with and into Opnext (the Merger), with Opnext continuing as the surviving entity. The events described in this Current Report on Form 8-K occurred in connection with the consummation of the Merger.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On July 23, 2012, the business combination of Oclaro with Opnext pursuant to the terms of the Merger Agreement was completed. At the effective time of the Merger (the Effective Time), Merger Sub merged with and into Opnext, with Opnext continuing as the surviving entity and a wholly owned subsidiary of Oclaro. The Merger Agreement and the transactions contemplated thereby, including the Merger, were approved by Opnext's board of directors. Opnext's stockholders adopted the Merger Agreement at the special meeting of stockholders described below.

As a result of the Merger, each issued and outstanding share of Opnext's common stock (other than shares held by Oclaro, Opnext or any subsidiary of Oclaro or Opnext) (Opnext Common Stock) were converted into the right to receive 0.42 shares of common stock, par value \$0.01, of Oclaro (Oclaro Common Stock) (and cash in lieu of fractional shares). In addition, at the Effective Time:

each Opnext stock option that was outstanding and unexercised immediately prior to the Effective Time, whether or not vested, was converted into an option to purchase Oclaro Common Stock (adjusted to give effect to the exchange ratio) and Oclaro assumed such stock option; and

each Opnext stock appreciation right that was outstanding and that remained unsettled immediately prior to the Effective Time was converted into either a stock appreciation right with respect to Oclaro Common Stock (adjusted to give effect to the exchange ratio) or a stock appreciation right subject to cash settlement and remained subject to the same terms and conditions of the Opnext equity plan and the applicable stock appreciation right agreement, employment agreement or other agreement evidencing such stock appreciation right as in effect immediately prior to the Effective Time.

In connection with the Merger: (i) approximately 91,144,654 shares of Opnext Common Stock were converted into the right to receive approximately 38,280,755 shares of Oclaro Common Stock; (ii) outstanding options to purchase approximately 10,137,515 shares of Common Stock were converted into options to purchase approximately 4,257,756 shares of Oclaro Common Stock; and (iii) stock appreciation rights with respect to approximately 412,123 shares of Common Stock were converted into stock appreciation rights with respect to approximately 173,092 shares of Oclaro Common Stock. At the Effective Time, Oclaro also assumed the Opnext equity plan and the shares reserved for issuance thereunder. After giving effect to the Exchange Ratio, the unused and converted share reserve thereunder at the Effective Time consisted of 6,388,405 shares of Oclaro Common Stock. Subject to compliance with applicable NASDAQ listing requirements, Oclaro may grant new stock awards under the assumed Opnext equity plan using such share reserve (including any shares returned to such share reserve as a result of the forfeiture or expiration of the stock awards assumed and converted by Oclaro in the Merger) to Oclaro employees who are former Opnext employees and to new employees hired after the Effective Time.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, a copy of which is filed as Exhibit 2.1 to Oclaro's Current Report on Form 8-K filed on March 26, 2012 and is incorporated into this Item 2.01 by reference.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

In connection with the consummation of the Merger and as contemplated by the Merger Agreement, the size of the Oclaro board of directors (the Board) was increased from six to ten and, on July 23, 2012, the following persons were appointed to the Board, in each case effective as of the Effective Time: Harry Bosco, David Lee, Kendall W. Cowan and William L. Smith (the New Directors). Each of the New Directors was a director of Opnext immediately prior to the Effective Time, and Mr. Bosco also served as Opnext's chief executive officer. Mr. Smith was appointed to the Board to serve in the class of directors of the Board whose term expires at Oclaro's 2014 Annual Meeting of Stockholders; Messrs. Bosco and Lee were appointed to the Board to serve in the class of directors of the Board whose term expires at Oclaro's 2013 Annual Meeting of Stockholders; and Mr. Cowan was appointed to the Board to serve in the class of directors of the Board whose term expires at Oclaro's 2012 Annual Meeting of Stockholders.

Other than as disclosed in the registration statement on Form S-4 (File No. 333-181254) (as amended or supplemented, the Registration Statement) filed by Oclaro with the Securities and Exchange Commission in connection with the Merger, there are no arrangements or understandings between any New Director and any other persons pursuant to which such New Director was named as a director of Oclaro. None of the New Directors has any family relationship with any of Oclaro's directors or executive officers or any persons nominated or chosen by Oclaro to be a director or executive officer. Other than as described in the Registration Statement, none of the New Directors has any direct or indirect material interest in any transaction or proposed transaction required to be reported under Section 404(a) of Regulation S-K.

No new plans, contracts or other compensatory arrangements were entered into or became effective in connection with the election of the New Directors, nor were any grants or awards made to the New Directors in connection with their elections; *however*, in accordance with Oclaro's customary practice, each of the New Directors will be entitled to the annual and per-meeting fees paid to all non-employee directors of Oclaro, and will be eligible to receive stock options and other equity awards pursuant to applicable equity plans of Oclaro. Oclaro also intends to enter into its standard form of indemnification agreement with each of the New Directors. The form of indemnification agreement is filed as Exhibit 10.2 to the Quarterly Report on Form 10-Q for the quarter ended December 29, 2007 filed with the Securities and Exchange Commission on February 6, 2008.
