Introductory Note

On October 1, 2012, Genesee & Wyoming Inc., a Delaware corporation (the Company), completed its previously-announced acquisition of RailAmerica, Inc., a Delaware corporation (RailAmerica), via the merger (the Merger) of Jaguar Acquisition Sub Inc. (Merger Sub), a wholly-owned subsidiary of the Company, with and into RailAmerica pursuant to the terms of the Agreement and Plan of Merger, dated as of July 23, 2012 (the Merger Agreement), by and among the Company, Merger Sub and RailAmerica. Upon consummation of the Merger, RailAmerica was wholly owned by the Company. As contemplated by the Merger Agreement, the Company filed a notice of exemption with the Surface Transportation Board (the STB) to close the Merger into a sole voting trust which became effective on September 5, 2012. Therefore, immediately following consummation of the Merger, the Company transferred the stock of RailAmerica to a voting trustee to hold such shares of stock in trust pending formal STB approval of the Company s application to control RailAmerica s railroads.

Item 1.01. Entry Into a Material Definitive Agreement.

1. Credit Agreement

Overview

On October 1, 2012, the Company entered into the Senior Secured Syndicated Facility Agreement, dated as of October 1, 2012, with RP Acquisition Company Two (RP and, together with the Company, the Domestic Borrowers), Quebec Gatineau Railway Inc. (the Canadian Borrower), Genesee & Wyoming Australia Pty Ltd (the Australian Borrower), Rotterdam Rail Feeding B.V. (the European Borrower and, together with the Domestic Borrowers, the Canadian Borrower and the Australian Borrower, the Borrowers), Bank of America, N.A., as administrative agent, Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC and Citigroup Global Markets Inc., as co-lead arrangers and co-bookrunning managers, JPMorgan Chase Bank, N.A. and Citigroup Global Markets Inc., as co-syndication agents, The Bank of Tokyo-Mitsubishi UFJ, Ltd., Sumitomo Mitsui Banking Corporation, Sovereign Bank N.A., Branch Banking and Trust Company, Fifth Third Bank, Royal Bank of Canada, TD Bank, N.A. and Wells Fargo Bank, National Association, as co-documentation agents, and the lenders and certain guarantors party thereto from time to time (the New Credit Agreement).

The New Credit Agreement provides for (i)(a) term loans denominated in U.S. dollars in an aggregate principal amount of \$1,640,000,000 (the Domestic Term Loans), (b) term loans denominated in Canadian dollars in an aggregate principal amount of CAD\$24,587,500 (the Canadian Term Loans) and (c) term loans denominated in Australian dollars in an aggregate principal amount of AUD\$202,944,000 (the Australian Term Loans and, together with the Domestic Term Loans and the Canadian Term Loans, the Term Loans) in each case under the new senior secured term loan facilities (the New Term Loan Facilities) and (ii) a new senior secured revolving credit facility for up to \$425,000,000 of revolving extensions of credit outstanding at any time (including revolving loans, swingline loans and letters of credit) (the New Revolving Credit Facility and, together with the New Term Loan Facilities, the New Credit Facilities). The maturity date of the New Credit Facilities (the Maturity Date) is October 1, 2017, or such earlier date as the obligations under the New Credit Facilities become due and payable pursuant to the terms of the New Credit Agreement.

Interest Rate and Fees

At the Company s election, the interest rate per annum applicable to the domestic borrowings under the New Credit Facilities will be based on the sum of the applicable margin and a fluctuating rate of interest determined by reference, (i) in the case of U.S. base rate loans, to the highest of (a) the federal funds effective rate plus 0.50%, (b) the LIBOR rate for a one-month interest period plus 1.00% and (c) the prime rate of Bank of America, N.A. or (ii) in the case of LIBOR rate loans, (a) the rate equal to the British Bankers Association LIBOR rate or (b) if such rate is not available, the rate determined by the administrative agent (the LIBOR Rate). At the Company s election, the interest rate per annum applicable to the Canadian borrowings under the New Credit Facilities will be based on the sum of the applicable margin and a fluctuating rate of interest determined by reference, (i) in the case of Canadian base rate loans, to the higher of (a) the prime rate of Bank of America Canada Branch and (b) the

simple average of the annual rates applicable to Canadian dollar bankers' acceptances displayed as the CDOR Page of Reuters Monitor Money Rates Service plus 0.50% (provided that if such information does not appear, the rate will be the annual discount rate at which Bank of America Canada Branch is offering to purchase Canadian dollar bankers' acceptances) or (ii) in the case of Canadian LIBOR rate loans, the LIBOR Rate. The interest rate per annum applicable to the Australian borrowings will be based on the sum of the applicable margin and a fluctuating rate of interest determined by reference, (i) in the case of Australian base rate loans, the RBA cash rate displayed on the Reuters screen RBA27 page plus 3.00% or (ii) in the case of Australian BBR rate loans, (a) the average bid rate displayed two business days prior to the commencement of the applicable interest period on the Reuters screen BBSY page for a term equivalent to such interest period or (b) to the extent such rate is not displayed or, in the opinion of the administrative agent, ceases to reflect the cost of funding, the rate determined by the administrative agent to be the average of the buying rates quoted to the administrative agent by three Australian reference banks. The interest per annum applicable to the European borrowings will be based on the sum of the applicable margin and the LIBOR Rate.

The applicable margin for the U.S. base rate loans and Canadian base rate loans under the New Credit Facilities will initially be 1.50%, and, following the first quarter after the completion of the Merger, will range from 0.50% to 1.75% depending upon the Company's total leverage ratio. The applicable margin for the U.S. LIBOR rate loans, Canadian LIBOR rate loans, the Australian loans and the European loans will initially be 2.50%, and, following the first quarter after the completion of the Merger, will range from 1.50% to 2.75% depending upon the Company's total leverage ratio.

In addition to paying interest on outstanding principal under the New Credit Facilities, the Borrowers will be required to pay a commitment fee in respect of the unutilized portion of the commitments under the New Revolving Credit Facility. The commitment fee rate will initially be 0.50% per annum, and, following the first quarter after the completion of the Merger, will range from 0.25% to 0.50% depending upon the Company's total leverage ratio. The Borrowers will also pay customary letter of credit and agency fees.

Prepayments

Subject to certain exceptions, the Borrowers are required to pay outstanding loans under the New Credit Facilities in amounts equal to: (i) beginning with the fiscal year ending December 31, 2013, 50% of excess cash flow (minus certain specified other payments), subject to a step down to 0% of excess cash flow if the Company's total leverage ratio is no greater than 3.50:1:00; (ii) 100% of net cash proceeds from certain sales and dispositions; and (iii) 100% of net cash proceeds from certain issuances or incurrences of additional debt. With respect to the New Revolving Credit Facility, the Borrowers will be required to pay any excess of the sum of outstanding revolving loans, swing loans and letters of credit obligations over the aggregate commitment.

The Borrowers may voluntarily prepay outstanding loans under the New Credit Facilities, in whole or in part, at any time without penalty or premium, subject to customary breakage costs with respect to prepayments of LIBOR rate loans made on a day other than the last day of any applicable interest period.

Amortization

The Domestic Term Loans will amortize in quarterly installment amounts of approximately \$16.4 million in the first eight fiscal quarters after the closing date, approximately \$21.9 million in the succeeding eight quarters and approximately \$43.7 million in the next succeeding period until the end of the last quarter prior to the Maturity Date of the Domestic Term Loans, with the remaining principal balance of the Domestic Term Loans payable on the Maturity Date. The Canadian Term Loans will amortize in quarterly installment amounts of approximately CAD\$0.2 million in the first eight fiscal quarters after the closing date, approximately CAD\$0.3 million in the succeeding eight quarters, and approximately CAD\$0.7 million in the next succeeding period until the end of the last quarter prior to the Maturity Date, with the remaining principal balance of the Canadian Term Loans payable on the Maturity Date. The Australian Term Loans will amortize in quarterly installment amounts of approximately AUD\$2.0 million in the first eight fiscal quarters after the closing date, approximately AUD\$2.7 million in the succeeding eight quarters, and approximately AUD\$5.4 million in the next succeeding period until the end of the last quarter prior to the Maturity Date, with the remaining principal balance of the Australian Term Loans payable on the Maturity Date.

Guaranty and Security

In connection with the New Credit Facilities, the Domestic Borrowers and certain guarantors (the Guarantors), entered into the U. S. Security Agreement, dated as of October 1, 2012, and certain other security agreements (collectively, the Security Documents) as identified in the New Credit Agreement in favor of Bank of America, N.A., as administrative agent. Pursuant to the Security Documents, the Borrowers and the Guarantors granted security interests in substantially all of their assets to guarantee amounts borrowed under the New Credit Facilities.

Pursuant to the Security Documents, amounts borrowed under the New Credit Facilities and any hedge agreements and cash management agreements provided by any lender party to the New Credit Agreement or any of its affiliates and certain other persons are secured on a first priority basis by a perfected security interest in substantially all of the tangible and intangible assets (subject to certain exceptions) of the Borrowers and the Guarantors, including certain registered intellectual property and certain of the capital stock of each of the Company's direct and indirect wholly-owned material restricted subsidiaries.

Certain Covenants and Events of Default

The New Credit Agreement contains a number of customary affirmative and negative covenants that, among other things, will limit or restrict the ability of the Borrowers and their restricted subsidiaries, subject to certain exceptions, to: incur additional indebtedness; create liens; make investments; pay dividends on capital stock or redeem, repurchase or retire capital stock; consolidate or merge; enter into sale and leaseback transactions; change the business conducted by the Borrowers and their restricted subsidiaries; sell capital stock of any of the restricted subsidiaries; change the fiscal year; enter into certain agreements containing negative pledges and upstream limitations; engage in certain transactions with affiliates; and modify the voting trust documents or grant voting trust consents.

In addition, under the New Credit Agreement, the Borrowers are required to not exceed specified maximum total leverage ratios and to not have less than specified minimum interest coverage ratios.

The New Credit Agreement contains customary events of default, including nonpayment of principal, interest, fees or other amounts; violation of certain covenants (including the financial covenants in the preceding paragraph); material inaccuracy of a representation or warranty when made; cross-default to material indebtedness; the occurrence of certain bankruptcy events; material unsatisfied judgments or monetary penalties under civil or criminal proceedings; actual or asserted invalidity of any of the loan documents in connection with the New Credit Facilities; certain ERISA events; injunction from conduct of material part of business; the occurrence of certain events which would have a material adverse effect; invalidity of any guarantees or security interests or non-perfection of security interests; and a change of control.

The foregoing summary of the New Credit Agreement is qualified in its entirety by reference to the New Credit Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

2. Voting Trust Agreement

On September 28, 2012, the Company entered into a Voting Trust Agreement (the Voting Trust Agreement), dated as of September 28, 2012, with R. Lawrence McCaffrey (the Trustee). The Voting Trust Agreement sets forth the terms and conditions upon which the Company has transferred the stock of RailAmerica to the Trustee to hold such shares of stock in trust pending formal STB approval of the Company's application to control RailAmerica's railroads.

The foregoing summary of the Voting Trust Agreement is qualified in its entirety by reference to the Voting Trust Agreement, a copy of which is filed as Exhibit 10.2 to this Current Report on Form 8-K and is incorporated herein by reference.
