**Item 1.01. Entry Into a Material Definitive Agreement.**

***Underwriting Agreement***

On October 11, 2012, LinnCo, LLC ( LinnCo ) and Linn Energy, LLC ( LINN ) entered into an Underwriting Agreement (the Underwriting Agreement ), by and among the LinnCo and LINN and Barclays Capital Inc., Citigroup Global Markets Inc., RBC Capital Markets, LLC, Wells Fargo Securities, LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Credit Suisse Securities (USA) LLC, Raymond James & Associates, Inc. and UBS Securities LLC, as representatives of the several underwriters named therein (the Underwriters ), providing for the offer and sale by LinnCo (the Offering ), and purchase by the Underwriters, of 30,250,000 common shares representing limited liability company interests in LinnCo at a price to the public of \$36.50 per common share. Pursuant to the Underwriting Agreement, LinnCo also granted the Underwriters an option for a period of 30 days to purchase up to an additional 4,357,500 common shares (the Option Units ) to cover over-allotments, if any, on the same terms. On October 11, 2012, the Underwriters exercised in full their option to purchase the Option Units.

The material terms of the Offering are described in the prospectus, dated October 11, 2012 (the Prospectus ), filed by LinnCo and LINN with the United States Securities and Exchange Commission (the Commission ) pursuant to Rule 424(b) under the Securities Act of 1933, as amended (the Securities Act ). The Offering is registered with the Commission pursuant to a Registration Statement on Form S-1, as amended (File Nos. 333-182305 and 333-182305-01) (the Registration Statement ).

The Underwriting Agreement contains customary representations, warranties and agreements of LinnCo and LINN, and customary conditions to closing, obligations of the parties and termination provisions. LinnCo and LINN have agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the Underwriters may be required to make because of any of those liabilities.

The Offering closed on October 17, 2012. LinnCo received proceeds from the Offering (net of underwriting discounts and after deducting a structuring fee payable to Barclays Capital Inc.) of approximately \$1.213 billion. LinnCo will use the net proceeds from the sale of the common shares to purchase from LINN a number of units representing limited liability company interests in LINN equal to the number of shares sold in the Offering. The per unit price LinnCo will pay for such LINN units will be equal to the net proceeds received on a per share basis. LINN will use the proceeds it receives from the sale of LINN units to:

repay approximately \$1,052.023 million in borrowings outstanding under its credit facility; and

pay estimated offering expenses of approximately \$2.435 million.

As more fully described under the caption Underwriting in the Prospectus, certain of the Underwriters and their affiliates have engaged, and may in the future engage, in commercial banking, investment banking and advisory services for LinnCo and LINN and their respective affiliates from time to time in the ordinary course of their business for which they have received customary fees and reimbursement of expenses. Affiliates of most of the Underwriters are lenders under LINN's credit facility and, accordingly, will receive a portion of the net proceeds of the Offering.

The foregoing description and the description contained in the Prospectus are not complete and are qualified in their entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K.

***Omnibus Agreement***

As more fully described in the Prospectus, the Omnibus Agreement addresses LINN's obligation to pay on LinnCo's behalf (directly or indirectly) any legal, accounting, tax advisory, financial advisory and engineering fees, printing costs or other administrative and out-of-pocket expenses incurred by LinnCo, along with any other expenses incurred in connection with the Offering or incurred as a result

of being a publicly traded entity and LINN's obligation to indemnify LinnCo and its officers and directors for damages suffered or costs incurred (other than income taxes payable by LinnCo) in connection with carrying out LinnCo's activities.

The foregoing description and the description contained in the Prospectus are not complete and are qualified in their entirety by reference to the full text of the Omnibus Agreement, which is filed as Exhibit 10.1 to this Form 8-K.
