Item 2.01. Completion of Acquisition or Disposition of Assets

As previously reported, effective July 25, 2012, CytoDyn Inc. (the Company) entered into an Asset Purchase Agreement (the Asset Purchase Agreement) with Progenics Pharmaceuticals, Inc. (Progenics) to acquire from Progenics its proprietary HIV viral-entry inhibitor drug candidate PRO 140 (PRO 140), a humanized anti-CCR5 monoclonal antibody, as well as certain other related assets, including the existing inventory of bulk PRO 140 drug product, intellectual property, and United States Food and Drug Administration (FDA) regulatory filings.

On October 16, 2012, the acquisition of PRO 140 was completed following the satisfaction of a number of closing conditions, including, among other matters: (i) Progenics having entered into and delivered intellectual property assignments; (ii) the Company and Progenics having entered into a transition services agreement; and (iii) the Company having satisfactorily completed its due diligence investigation of PRO 140.

The Company paid Progenics \$3,500,000 in cash in the closing. The funds used in the acquisition were acquired through the sale of unsecured convertible notes in a private placement, as described in Item 3.02 of the Company's Form 8-K filed with the Securities and Exchange Commission on October 16, 2012, which description is incorporated herein by reference. Participants in the private placement to date include one of the Company's directors, Jordan Naydenvov, and shareholder C. David Callaham who, with his affiliates, beneficially owns more than 5% of the Company's outstanding shares of common stock.

The Asset Purchase Agreement provides for the following additional payments and royalties: (i) \$1,500,000 at the time of the first dosing in a US Phase III trial or non-US equivalent; (ii) \$5,000,000 at the time of the first US new drug application approval by the FDA or other non-US approval for the sale of PRO 140; and (iii) royalty payments of five percent (5%) on net sales during the period beginning on the date of the first commercial sale of PRO 140 until the later of (a) the expiration of the last to expire patent included in the acquired assets, and (b) 10 years following the first commercial sale of PRO 140, in each case determined on a country-by-country basis.

The foregoing description of the terms of the Asset Purchase Agreement is qualified in its entirety by reference to the Asset Purchase Agreement, a copy of which is attached as Exhibit 10.1 to the Company's Form 8-K filed with the Securities and Exchange Commission on July 30, 2012.
