Nomura Finalizes Details of Stock Options

Tokyo, October 26, 2012 Nomura Holdings, Inc. (the Company) today announced that its Executive Management Board finalized the details of the issuance of stock acquisition rights as outlined below.

1. Stock Acquisition Rights to be Issued

Stock Acquisition Rights No. 51 (for directors and employees of subsidiaries of the Company)²

2. Reasons for Issuance of Stock Acquisition Rights as Stock Options

The exercise price of the stock acquisition rights (Exercise Price) shall be determined based on the market price of the Company's common stock at the time the Stock Acquisition Rights are granted. Stock Acquisition Rights No. 51 are tax-qualified in Japan.

The Stock Acquisition Rights are to be issued to directors and employees of subsidiaries of the Company and are expected to have the following benefits by restricting the exercise of the rights for two years after being granted.

1. Retain talented personnel for longer terms by introducing deferred payment rather than paying compensation entirely in cash.
2. Align the interests of directors and employees of subsidiaries of the Company with those of shareholders by reflecting changes in shareholder value in compensation packages.

3. Number of Stock Acquisition Rights Grants and Grantees

No. 51 Stock Acquisition Rights	Directors and Employees of the Company's Subsidiaries		
	Number of Grantees	Number of Stock Acquisition Rights	Shares of Common Stock Under Stock Acquisition Rights
	1,258	28,570*	2,857,000

* Number of grants per person is between 10 and 100

The above figures for the number of stock acquisition rights are the projected numbers to be granted. Should the number decrease due to grantees not applying or other reasons, the revised number of Stock Acquisition Rights will be issued.

¹ The Executive Management Board consists of the Group CEO, Group COO, Business Division CEOs and any other executive managing directors nominated by the Group CEO, and via Board of Directors resolutions decides important business matters including the issuance of stock acquisition rights.

² Stock Acquisition Rights No. 51 will be issued as stock options in accordance with Articles 236, 238 and 240 of the Companies Act of Japan.
