**Item 1.01. Entry into a Material Definitive Agreement.**

***Merger Agreement***

On October 28, 2012, Riverbed Technology, Inc. (Riverbed) entered into an Agreement and Plan of Merger (the Merger Agreement), by and among OPNET Technologies, Inc. (OPNET), Octagon Acquisition Corp., a newly formed wholly owned subsidiary of Riverbed (Acquisition Sub) and Riverbed, pursuant to which Acquisition Sub will, on the terms and subject to the conditions thereof, commence an exchange offer (the Offer) to acquire all of the outstanding shares of common stock, par value \$0.001, of OPNET (OPNET Common Stock) in exchange for consideration, per share of OPNET Common Stock, comprised of: (i) \$36.55, net to the seller in cash (the Cash Consideration); and (ii) 0.2774 of a share of Riverbed common stock, par value \$0.0001 (the Stock Consideration and, together with the Cash Consideration, the Offer Price), without interest. Following consummation of the Offer, on the terms and subject to the conditions set forth in the Merger Agreement, Acquisition Sub will merge with and into OPNET with OPNET surviving as a wholly-owned subsidiary of Riverbed (the Merger). Upon the Merger being effective, shares of OPNET Common Stock not tendered and accepted pursuant to the Offer (other than shares of OPNET Common Stock owned directly or indirectly by OPNET, Riverbed or Acquisition Sub, or any of their respective subsidiaries, or shares of OPNET Common Stock as to which appraisal rights have been perfected in accordance with applicable law), will be cancelled and converted into the right to receive the Offer Price. Upon consummation of the Merger: (i) OPNET's outstanding options will be converted into equity awards of Riverbed on substantially equivalent terms; and (ii) OPNET's outstanding restricted stock and restricted stock units will be assumed by Riverbed and converted into the right to receive the Offer Price on substantially equivalent terms.

Consummation of the Offer is subject to various conditions set forth in the Merger Agreement, including, among others: (i) at least a majority of shares of OPNET Common Stock then outstanding (calculated on a fully-diluted basis) being tendered in the Offer; (ii) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; (iii) the absence of any Company Material Adverse Effect; (iv) the registration statement for Riverbed's common stock issuable in connection with the Offer and the Merger being declared effective by the Securities and Exchange Commission (the SEC); and (v) the receipt by Rectangle of sufficient proceeds to consummate the Offer.

The Offer will expire at midnight, New York time, on the 20th business day following the commencement date of the Offer, unless extended in accordance with the terms of the Offer and the Merger Agreement and the applicable rules and regulations of the SEC.

In the Merger Agreement, OPNET has granted Acquisition Sub a top-up option to purchase OPNET Common Stock equal to the lesser of the: (i) number of shares of OPNET Common Stock that, when added to shares of OPNET Common Stock already purchased by Parent or Acquisition Sub pursuant to the Offer, would equal one share more than 90% of outstanding OPNET Common Stock on a fully-diluted basis; or (ii) aggregate number of shares of OPNET Common Stock that Octagon is authorized to issue under its certificate of incorporation that are not issued and outstanding at the time the option is exercised. The aggregate purchase price payable for the shares of OPNET Common Stock being purchased pursuant to the top-up option shall be determined by multiplying the number of such shares by the Offer Price (which, for these purposes, shall be equal to: (a) the Cash Consideration; plus (b) the dollar amount determined by multiplying the Stock Consideration by the average of the closing sale prices of a share of Riverbed common stock as reported on the Nasdaq Global Select Market for each of the 10 consecutive trading days prior to the date on which the top-up option is exercised).

The Merger Agreement contains customary representations and warranties and covenants by the parties, including, among other things, a no-shop restriction on the ability of OPNET to solicit third party proposals relating to alternative transactions or to provide information or enter into discussions in connection with alternative transactions, subject to certain limited exceptions to permit OPNET's board of directors to comply with its fiduciary duties. The Merger Agreement also contains customary termination rights for each of Riverbed and OPNET. In addition, if the Merger Agreement is terminated under certain circumstances OPNET will be required to pay Riverbed a termination fee of \$37,500,000. If the Merger Agreement is terminated under other circumstances, Riverbed will be required to pay OPNET a termination fee of \$25,000,000.

The foregoing description of the Offer, the Merger and the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 2.1 hereto, and is incorporated into this report by reference. The Merger Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about Riverbed or OPNET. In particular, the assertions embodied in the representations and warranties

contained in the Merger Agreement are qualified by information in a confidential Disclosure Schedule provided by OPNET to Riverbed in connection with the signing of the Merger Agreement. This confidential disclosure schedule contains information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk between Riverbed and OPNET rather than establishing matters as facts. Accordingly, you should not rely on the representations and warranties in the Merger Agreement as characterizations of the actual state of facts about Riverbed or OPNET.

### *The Tender and Support Agreements*

Concurrently with the execution of the Merger Agreement, OPNET's founders, Alain J. Cohen and Marc A. Cohen, entered into tender and support agreements with Riverbed (the Tender and Support Agreements) pursuant to which they each agreed, among other things to: (i) tender all of their shares of OPNET Common Stock in the Offer; (ii) vote their shares of OPNET common stock for approval of the Merger; (iii) vote their shares of OPNET Common Stock against any alternative transaction with respect to OPNET, on the terms and subject to the conditions set forth therein; and (iv) vote their shares of OPNET Common Stock against any other action that is intended, or would reasonably be expected, to impede, interfere with, delay, postpone, discourage or adversely affect the offer, merger or other transactions contemplated thereby. There are approximately 7,437,772 shares of OPNET Common Stock (representing approximately 32.6% of the outstanding shares of OPNET Common Stock (on a fully-diluted basis)) subject to the Tender and Support Agreements.

The foregoing description of the Tender and Support Agreements does not purport to be complete and is qualified in its entirety by reference to the Tender and Support Agreements, a form of which is filed as Exhibit 99.1 hereto, and is incorporated into this report by reference.

### **Item 7.01. Regulation FD Disclosure.**

On October 29, 2012, Riverbed and OPNET issued a joint press release announcing that they have entered into the Merger Agreement. A copy of the joint press release of Riverbed and OPNET announcing the execution of the Merger Agreement is included here as Exhibit 99.2 and is incorporated herein by reference.

The information in this Item 7.01, including the exhibit, is furnished and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to liabilities under that section, and shall not be deemed to be incorporated by reference into the filings of Riverbed under the Securities Act of 1933, as amended, regardless of any general incorporation language in such filings.

### **Item 8.01. Other Events.**

On October 28, 2012, in connection with entering into the Merger Agreement, Riverbed entered into a commitment letter with Morgan Stanley Senior Funding, Inc. and Goldman Sachs Bank USA (collectively, the Commitment Parties), pursuant to which the Commitment Parties have committed to provide to Riverbed a three-year senior secured bridge term loan facility in the amount of up to \$500,000,000 to be available to fund a portion of the cash consideration of the Offer Price to be paid by Riverbed in the Offer. The commitment is subject to customary closing conditions, including the consummation of the Offer. Riverbed plans to arrange long-term debt financing in lieu of the three-year senior secured bridge term loan to fund such portion of the Offer Price.
