QUORUM AND VOTING REQUIREMENTS

Quorum Requirement

A majority of our outstanding common stock, \$0.01 par value per share (the Common Stock), represented in person or by proxy, shall constitute a quorum at any meeting of shareholders, unless otherwise provided by law. If less than a quorum is represented at a meeting, a majority of the shares so represented may adjourn the meeting without further notice. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified.

Vote Required

If a quorum is present, action by the shareholders on a matter is approved if the number of votes cast in favor of the action exceeds the number of votes cast in opposition to the action. Each outstanding share shall be entitled to one vote on each matter submitted to a vote at a meeting of shareholders.

In the election of directors, shareholders may cumulate their votes. Cumulative voting allows a shareholder to allocate among the director nominees, as the shareholder sees fit, the total number of votes equal to the number of director positions to be filled multiplied by the number of shares held by the shareholder. For example, if a shareholder owns 100 shares of stock, and there are seven directors to be elected at the Annual Meeting, a shareholder may allocate 700 for votes (seven multiplied by 100) among as few or as many of the seven nominees to be voted on at the Annual Meeting as the shareholder chooses. Cumulative voting applies only to the election of directors. For all other matters, each share of Common Stock outstanding as of the close of business on the Record Date (as defined below), is entitled to one vote.

In determining the number of votes cast for or against a proposal, shares abstaining from voting on a matter (including elections) will not be treated as a vote for or against the proposal.

Dissenters Right of Appraisal

Our shareholders do not have dissenters' rights of appraisal with respect to the proposals to be considered at the Annual Meeting.

Other Business

At the date hereof, our management has no knowledge of any business other than that described in the notice for the Annual Meeting that will be presented for consideration at the Annual Meeting.

BENEFICIAL OWNERSHIP AND OTHER MATTERS

Record Date

The record date for determining the shareholders entitled to vote at the Annual Meeting was the close of business on Monday, November 5, 2012 (the Record Date), at which time we had issued and outstanding 38,467,073 shares of Common Stock which were owned by 575 shareholders of record. The shares of Common Stock constitute the only outstanding voting securities of the Company entitled to be voted at the Annual Meeting.

Beneficial Ownership

The table below provides certain information about beneficial ownership of Common Stock of the Company as of the Record Date with respect to: (i) each person, or group of affiliated persons, who is known to the Company to own more than five percent (5%) of Company Common Stock; (ii) each of the Company's directors; (iii) each of the Company's executive officers; and (iv) all of the Company's directors and executive officers as a group.

Except as otherwise noted, to the knowledge of the Company, all persons listed below have sole voting and dispositive power with respect to all shares of Common Stock they beneficially own, except to the extent authority is shared by spouses under applicable law. Applicable percentage ownership is based on 38,467,073 shares of Common Stock outstanding. In computing the number of shares of Common Stock beneficially owned by a person and applicable percentage ownership of that person, we deemed outstanding shares of Common Stock subject to options held by that person that are currently exercisable or exercisable within sixty (60) days of the Record Date. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person.

Certain Relationships, Related Transactions and Director Independence

There are no family relationships among our executive officers and directors. In the ordinary course of business, the Bank has made loans to officers and directors (including loans to members of their immediate families and loans to companies of which a director owns 10% or more). The total amount of loans to officers and directors outstanding was \$0 as of December 31, 2011, and \$338,000 as of the Record Date. In the opinion of management, all of such loans were made in the ordinary course of business of the Bank on substantially the same terms, including interest rates and collateral requirements, as those then prevailing for comparable transactions with persons not related to the lender. The Bank believes that at the time of origination these loans neither involved more than the normal risk of collectability nor presented any other unfavorable features.

Information about transactions involving related persons is assessed by the Bank's independent directors. Related persons include the Bank's directors and executive officers as well as immediate family members of directors and officers. If the independent directors approve or ratify a material transaction involving a related person, then the transaction would be disclosed in accordance with the SEC rules. If the related person is a director, or a family member of a director, then that director would not participate in those discussions.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act) requires our officers, directors and persons who own more than 10% of our issued and outstanding shares of Common Stock to file reports of beneficial ownership and changes in beneficial ownership with the SEC and to furnish copies of all Section 16(a) forms to us. No Form 3 or 4 filings are known to us to be late for any of the directors, officers and beneficial owners of more than 10% of our issued and outstanding shares of Common Stock.

CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

Our business affairs are managed under the direction of the Board of Directors in accordance with the Connecticut Business Corporation Act, our certificate of incorporation and our bylaws. Members of our Board of Directors are kept informed of our business through discussions with the Chairman of the Board, our Chief Executive Officer and other officers, by reviewing materials provided to them, and by participating in meetings of the Board and its committees. Our corporate governance practices are summarized below.

During 2011, our Board of Directors met 10 times. During 2011, each of our directors attended at least 75% of the meetings of our Board of Directors and at least 75% of the meetings of the committees of the Board on which each director served.

Director Attendance at Annual Meetings

Edgar Filing: PATRIOT NATIONAL BANCORP INC - Form DEF 14C

We have a policy encouraging attendance by members of the Board of Directors at our Annual Meetings of shareholders. All of our directors attended the 2011 Annual Meeting of Shareholders.

Independence of Board of Directors and Members of Its Committees

We are a controlled company under NASDAQ rules because more than 50% of the voting power for the election of our directors is held by one shareholder. As a result, we are not required to maintain a majority of independent directors on our Board of Directors, nominating committee or compensation committee. The Board of Directors has determined that the following nominees for election as directors at the Annual Meeting are independent: Edward N. Constantino, Kenneth T. Neilson, Raymond B. Smyth, Emile Van den Bol and Michael Weinbaum. The Board of Directors has also determined that the Audit Committee is comprised entirely of independent directors within the meaning of applicable laws and regulations, the listing standards of the NASDAQ stock market and our corporate guidelines set forth in the Audit Committee Charter.

Independence Standards

The Board of Directors examines the independence of the directors annually. For a director to be considered independent, the Board of Directors must determine that the director does not have any relationship with us or any of our affiliates, either directly or as a partner, shareholder or officer of an organization that has such a relationship which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

A director will not be considered independent if, among other things, the director has:

Been employed by the Bank or its affiliates at any time in the current year or during the past three years.

Accepted any payments from the Bank or its affiliates in excess of \$120,000 during any period of twelve consecutive months within the preceding three years (except for Board services, retirement plan benefits, non-discretionary compensation or loans made by the Bank in accordance with applicable banking regulations).

An immediate family member who is, or has been in the past three years, employed by the Bank or its affiliates as an executive officer.

Been a partner, controlling shareholder or an executive officer of any for profit business to which the Bank made or from which it received, payments (other than those which arise solely from investments in the Bank's securities) that exceed five percent of the entity's or the Bank's consolidated gross revenues for that year, or \$200,000, whichever is more, in any of the preceding three years.

Been employed as an executive officer of another entity where any of the Bank's executive officers serve on that entity's compensation committee.

Board Leadership Structure and Role in Risk Oversight

Although our Board of Directors has not adopted a formal policy with respect to whether the principal executive officer should also serve as Chairman of the Board, our principal executive officer and Chairman of the Board are currently separate individuals. Our Board of Directors believes that having an independent Chairman of the Board is appropriate given our business characteristics.

The Board of Directors' primary responsibility is to seek to maximize long-term shareholder value. The Board of Directors selects our management, monitors management and Company performance, and provides advice and counsel to management. Among other things, the Board of Directors regularly reviews our business strategy and approves our budget. In fulfilling the Board of Directors' responsibilities, non-employee directors have full access to our management, external auditors and outside advisers.

Committees of the Board of Directors

The members of our Board of Directors devote time and talent to certain standing committees. Among these committees are the Audit Committee, Compensation Committee, Executive Committee and the Nominating and Governance Committee. The principal functions and members of each committee are described below.

Edgar Filing: PATRIOT NATIONAL BANCORP INC - Form DEF 14C

The functions of the Audit Committee include (i) reviewing and recommending policies regarding internal audit and credit review, (ii) establishing and implementing policies to comply with applicable regulations, (iii) causing suitable audits to be made by auditors engaged by the Audit Committee on our behalf, and (iv) pre-approving all audit services and permitted non-audit services provided by the auditors. The Audit Committee or its Chairman also discusses with the independent auditors the auditors' review of our unaudited quarterly financial statements. The Audit Committee operates pursuant to a written charter, as amended by the Board of Directors on October 23, 2012 and which was initially filed with the SEC as an Exhibit to the Proxy Statement for the 2007 Annual Meeting of Shareholders. Shareholders may request a copy of the Charter, without charge, by contacting William C. Gray, Executive Vice President and Chief Financial Officer, Patriot National Bancorp, Inc., 900 Bedford Street, Stamford, Connecticut 06901 (203) 251-8210. The members of the Audit Committee are Messrs. Constantino, Neilsen, and Smyth each of whom is an independent director as defined by SEC and NASDAQ rules. The Board has determined that Messrs. Constantino and Smyth have the professional experience necessary to qualify as Audit Committee financial experts under SEC rules. During 2011, the Audit Committee met 6 times. The Report of the Audit Committee for the year ended December 31, 2011 is set forth on page 16.

The Compensation Committee determines executive compensation. The members of the Compensation Committee are Messrs. Neilson (chairman), Carrazza and Constantino. During 2011, the Compensation Committee met one time. A copy of the Compensation Committee Charter was filed as an Exhibit to the Proxy Statement for the 2008 Annual Meeting of Shareholders. In performing its duties, the Compensation Committee may engage consultants to assist it in determining the amount or form of executive and director compensation. During 2011, the Compensation Committee did not engage any consultants. The Compensation Committee consults with our executive officers in determining executive and director compensation.

The Executive Committee exercises, if needed and when the Board of Directors is not in session, all powers of the Board of Directors that may lawfully be delegated. The members of the Executive Committee are Messrs. Carrazza (chairman), Constantino, Maher, Neilson and Van den Bol. The Executive Committee did not meet during 2011.

The principal function of the Nominating and Governance Committee is to consider and recommend to the full Board of Directors nominees for directors of Patriot and the Bank. The committee is also responsible for reporting and recommending from time to time to the Board of Directors matters relative to corporate governance. The members of the Nominating and Governance Committee are Messrs. Van den Bol (chairman), Carrazza and Constantino. During 2011, the Nominating and Governance Committee met one time. A copy of the Nominating and Governance Committee Charter was filed as an Exhibit to the Proxy Statement for the 2008 Annual Meeting of Shareholders.

Nomination Process

The process of reviewing and making recommendations for nominations and appointments to the Board of Directors is the responsibility of the Nominating and Governance Committee. Our directors have a critical role in guiding our strategic direction and in overseeing management. The Nominating and Governance Committee will consider candidates for the Board based upon several criteria, including their broad-based business and professional skills and experiences, concern for the long-term interests of shareholders, personal integrity and judgment. Candidates should have reputations, both personal and professional, consistent with our image and reputation. Directors must have time available to devote to Board activities and to enhance their knowledge of the banking industry. Accordingly, the Board of Directors seeks to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities for us, and who are expected to contribute to an effective Board.

The Nominating and Governance Committee utilizes the following process for identifying and evaluating nominees to the Board of Directors. In the case of incumbent directors, each year the Board of Directors informally reviews each director's overall service to us during the term, including the number of meetings attended, level of participation and performance. In the case of new director candidates, the Committee may solicit from existing directors the names of potential candidates who meet the criteria above; the Committee may discuss candidates suggested by our shareholders and, if deemed appropriate by the Board of Directors, or the Committee may engage a professional search firm. To date, the Nominating and Governance Committee has not engaged a professional search firm to identify or evaluate potential nominees, but it retains the right to do so in the future, if necessary. The Nominating and Governance Committee meets to discuss and consider these candidates' qualifications and then chooses new candidates by majority vote. Each of the nominees for director listed above was recommended by the Nominating and Governance Committee in 2012.

401(k) Plan

The Bank maintains a tax-qualified 401(k) Plan under Section 401(a) of the Internal Revenue Code with a cash or deferred arrangement under Section 401(k) of the Internal Revenue Code. The 401(k) Plan permits the Bank to make discretionary matching and additional discretionary contributions to the 401(k) Plan. Patriot National Bancorp, Inc. 2012 Stock Plan

In 2011, Patriot adopted the Patriot National Bancorp, Inc. 2012 Stock Plan (the 2012 Plan). The 2012 Plan is administered by a committee of not less than two disinterested members of Patriot's Board of Directors. Grants under the 2012 Plan may be made in the form of stock options, restricted stock and phantom stock units. The 2012 Plan authorizes 3,000,000 shares of Patriot's Common Stock for issuance. Phantom stock units may be granted under the 2012 Plan up to 1,000,000 units.

Under the terms of the 2012 Plan, only Patriot employees and employees of its subsidiaries may receive stock options. The exercise price of the stock options shall be not less than the fair market value of the stock on the date of grant. The Plan Committee shall determine the dates upon which the options may be exercisable, which shall not exceed 10 years from the date of grant. The options may be exercised on a cashless basis if approved by the Plan Committee.

Only Patriot's and the Bank's non-employee directors are eligible to receive grants of restricted stock under the 2012 Plan. Each calendar year, Patriot's directors shall receive shares of restricted stock valued at \$12,500 and the directors of the Bank shall receive shares of restricted stock valued at \$7,500. Upon a change of control of Patriot, the grantee shall be required to redeem all of his or her phantom stock units. ITEM 2. RATIFICATION OF INDEPENDENT AUDITORS

The second item to be acted upon at the Annual Meeting is the ratification of the Board of Directors' selection of our independent registered public accounting firm.

The Board of Directors has appointed KPMG LLP ("KPMG") as our independent registered public accounting firm to examine our financial statements for the current fiscal year ending December 31, 2012 and to perform other appropriate accounting services. KPMG has served as our independent registered public accounting firm since November 17, 2010, and has no relationship with us other than that arising from their employment as our independent registered public accounting firm.

Relationship with Independent Auditors

On November 17, 2010, our Audit Committee of the Board of Directors engaged KPMG as our new principal independent accountant and replaced McGladrey & Pullen, LLP ("McGladrey"), our former principal independent accountant.

During our two most recently completed fiscal years and the subsequent interim period preceding the replacement of McGladrey, there were: (i) no disagreements with McGladrey on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of McGladrey, would have caused McGladrey to make reference to the subject matter of the disagreement(s) in connection with its report; and (ii) no reportable events as such term is defined in Item 304(a)(1)(v) of Regulation S-K.

During our two most recently completed fiscal years and the subsequent interim period prior to engaging KPMG, neither we nor anyone on our behalf consulted with KPMG regarding: (i) the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, and neither a written report nor oral advice was provided to us by KPMG that was an important factor considered by Patriot in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement or a reportable event, as such terms are described in Item 304(a)(1)(iv) and (v) of Regulation S-K.

Audit Fees

The following table sets forth the fees we paid to KPMG and McGladrey, two independent registered public accounting firms, with respect to our fiscal years ended December 31, 2011 and 2010 for: (i) services rendered for the audit of our annual financial statements and the review of our quarterly financial statements; (ii) services rendered that are reasonably related to the performance of the audit or review of our financial statements and that are not reported as audit fees; (iii) services rendered in connection with tax compliance, tax advice and tax planning; and (iv) all other services rendered.

These payments were approved by the Audit Committee.
- (2) Audit-related fees are payments made to KPMG LLP in connection with Patriot's Registration Statement on Form S-8.
- (3) Tax fees with respect to the year ended December 31, 2011 represent payments made by Patriot to KPMG LLP for their preparation of Patriot's federal and state income tax returns. These payments were approved by the Audit Committee.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy for pre-approval of audit and permitted non-audit services by the Company's independent registered public accountants. The Audit Committee will consider annually and, if appropriate, approve the provision of audit services by its external auditor and consider and, if appropriate, pre-approve the provision of certain defined audit and non-audit services. The Audit Committee also will consider on a case-by-case basis and, if appropriate, approve specific engagements that are not otherwise pre-approved.

Any proposed engagement that does not fit within the definition of a pre-approved service may be presented to the Audit Committee for consideration at its next regular meeting or, if earlier consideration is required, to the Audit Committee or one or more of its members. The member or members to whom such authority is delegated shall report any specific approval of services at its next regular meeting. The Audit Committee will regularly review summary reports detailing all services being provided to the Company by its external auditor.

All services provided by and fees paid to our independent auditors in 2010 and 2011 were pre-approved by the Audit Committee.

REPORT OF AUDIT COMMITTEE

The Audit Committee reviewed and discussed the audited financial statements with management, and discussed with the independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board. The Audit Committee received the written disclosures and the letter from the independent accountant required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with the independent accountant the independent accountant's independence. Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our annual report on Form 10-K, as amended.
