**ITEM 5.02. DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS**

*Performance-Based Bonus Plan*

On March 5, 2013, the Compensation Committee (the *Committee*) of the Board of Directors (the *Board*) of DSP Group, Inc. (the *Company*) approved a 2013 Performance-Based Bonus Plan applicable for the Chief Executive Officer, Chief Financial Officer and Chief Operating Officer of the Company (the *Plan*). The Plan is effective as of January 1, 2013. The payment of bonuses under the Plan is based upon two components: (1) 60% of any bonus payable under the Plan is based on the Company's achievement of certain financial performance metrics, consisting of annual revenue target, earnings before interest, taxes, depreciation and amortization (*EBITDA*) target and free cash flow target, each based on the Company's 2013 annual budget which has been approved by the Board, and (2) 40% of any bonus payable under the Plan is discretionary and based upon achievement of individual performance goals by the executive officers. The individual performance goals will be determined by the Committee, in its sole discretion, taking into account such tangible and intangible individual performance factors as it considers appropriate, including the executive officer's relative contribution to the Company's performance during fiscal 2013. The Committee's determination as to whether individual performance goals have been met may be subjective in nature. Bonuses under the plan are capped. Payment of bonuses (if any) under the Plan would be made in the following year. Any such bonuses would be paid in cash in a single lump sum, subject to payroll taxes and tax withholdings. In the event of a change of control of the Company (as such an event is defined in the employment agreement for the Chief Executive Officer), the 40% of discretionary bonus under the Plan would be immediately paid and the 60% of bonus under the Plan based on the Company's achievement of financial performance metrics would be paid prorated for the period starting on January 1, 2013 to the date that the change of control transaction is consummated.

The following is a description of the Plan provided pursuant to Paragraph 10(iii) to Item 601 of Regulation S-K, which requires a written description of a compensatory plan when there is no formal document containing the compensation information. Due to their strategic significance, the Company believes that the disclosure of the 2013 annual revenue target, EBITDA target and free cash flow target under the Plan would cause competitive harm to the Company and therefore are not disclosed.
