The shares are to be offered to the public initially at \$17.60 per share (the Public Offering Price ) and to certain dealers selected by the Underwriters at a price that represents a concession not in excess of \$0.554 per share under the Public Offering Price. The Underwriters have agreed to purchase the shares from us pursuant to the Underwriting Agreement at a price of \$16.676 per share. The net proceeds to us from this offering are expected to be approximately \$33 million, after deducting underwriting discounts and commissions and other estimated offering expenses payable by us. The offering is expected to close on or about March 25, 2013, subject to customary closing conditions. In addition, under the terms of the Underwriting Agreement, we have granted the Underwriters an option, exercisable for 30 days, to purchase up to an additional 300,000 shares of common stock.

The Underwriting Agreement contains customary representations, warranties, covenants and agreements by the Company, indemnification obligations of the Company and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties. The offering is being made pursuant to our effective registration statement on Form S-3 (Registration Statement No. 333-174681) previously filed with the Securities and Exchange Commission and the respective prospectus supplements thereunder.
