**PROXY STATEMENT**

The enclosed proxy is solicited by the Board of Directors of Radiant Logistics, Inc. (the Company, we or us ) for use at the 2013 Annual Meeting of Stockholders (the Annual Meeting ) to be held on **Tuesday, November 12, 2013, at 9:00 a.m.**, local time, at 405 114<sup>th</sup> Avenue SE, Third Floor, Bellevue, Washington 98004, and at any adjournments thereof.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE STOCKHOLDER MEETING TO BE HELD ON NOVEMBER 12, 2013. THIS PROXY STATEMENT, THE ACCOMPANYING FORM OF PROXY CARD, AND OUR ANNUAL REPORT ON FORM 10-K FOR THE FISCAL YEAR ENDED JUNE 30, 2013, INCLUDING FINANCIAL STATEMENTS, ARE AVAILABLE AT [WWW.PROXYVOTE.COM](http://WWW.PROXYVOTE.COM). In accordance with rules issued by the Securities and Exchange Commission ( SEC ), we are providing access to our proxy materials both by sending you this full set of proxy materials and by notifying you of the availability of our proxy materials on the Internet.

**VOTING AT THE ANNUAL MEETING**

**Who Can Vote**

Only stockholders of record at the close of business on October 1, 2013, the record date, are entitled to notice of and to vote at the meeting, and at any postponement(s) or adjournment(s) thereof. As of the record date, 33,348,166 shares of our common stock, \$0.001 par value per share, were issued and outstanding. Holders of our common stock are entitled to one vote per share for each proposal presented at the Annual Meeting.

**How to Vote; How Proxies Work**

Our Board of Directors is asking for your proxy. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy. Please complete, date and sign the enclosed proxy card and return it at your earliest convenience. The cost of soliciting proxies will be borne by the Company, including expenses in connection with the preparation and mailing of the proxy statement, form of proxy and any other material furnished to the stockholders by the Company in connection with the Annual Meeting. In addition to the solicitation of proxies by mail, employees of the Company may also solicit proxies by telephone or personal contact. These employees will not receive any special compensation in connection therewith. We have retained our transfer agent, Broadridge, to assist in the mailing of the proxy statement and collection of proxies by mail from brokers and other nominees at an estimated cost of \$7,000. Our Annual Report on Form 10-K for the year ended June 30, 2013, which includes our consolidated financial statements, is being mailed to stockholders together with these proxy materials on or about October 11, 2013.

Any proxy not specifying to the contrary, and not designated as broker non-votes as described below, will be voted:

FOR the election of the directors;

FOR the ratification of the selection of Peterson Sullivan LLP as our independent auditor for the 2014 fiscal year;

FOR (in a non-binding and advisory capacity) the compensation paid to our named executive officers; and

FOR (in a non-binding and advisory capacity) every three years on the advisory vote on frequency of holding an advisory vote on executive compensation.

## **Table of Contents**

Should any matters not described above be properly presented at the Annual Meeting, the persons named in the proxy form will vote in accordance with their judgment. The proxy form authorizes these persons, in their discretion, to vote upon such matters as may properly be brought before the Annual Meeting or any adjournment(s), postponement(s), or continuation(s) thereof.

## **What Constitutes a Quorum**

The presence at the Annual Meeting in person or by proxy of holders of a majority of our common stock outstanding and entitled to vote at the Annual Meeting will constitute a quorum.

## **What Vote is Required**

Directors are elected by a plurality of the votes cast with a quorum present. The three persons who receive the greatest number of votes of the holders of common stock represented in person or by proxy at the Annual Meeting will be elected directors of the Company. The affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve (i) the ratification of the selection of Peterson Sullivan LLP as our independent auditor for the 2014 fiscal year; and (ii) on a non-binding, advisory basis, the compensation paid to our named executive officers. With regard to the frequency by which the non-binding, advisory vote on the compensation paid to our named executive officers will be taken, the frequency (i.e., every year, every two years or every three years) receiving the plurality of the votes cast with a quorum present will be approved on a non-binding, advisory basis.

## **How Abstentions and Broker Non-Votes Are Treated**

Abstentions will be counted as shares that are present for purposes of determining a quorum. For the election of directors and the vote on frequency of the non-binding, advisory vote on executive compensation, abstentions are excluded entirely from the vote and do not have any effect on the outcome. For the ratification of the selection of Peterson Sullivan LLP as our independent auditor and non-binding, advisory vote on executive compensation, abstentions are not counted in determining the votes cast.

A broker non-vote occurs when the broker holding shares in street name is unable to vote on a proposal because exchange rules prohibit a broker from voting on the matter without owner instructions. Relevant exchange rules provide that a broker holding shares for an owner in street name may not vote for a non-routine proposal or a stockholder proposal that is opposed by management, without voting instructions, whereas a broker may vote on routine matters without owner instructions. The election of directors, advisory vote on executive compensation, and advisory vote of the frequency by which the advisory vote on executive compensation will be taken, are each non-routine items. Broker non-votes, if any, will not be counted as having been entitled to vote or as a vote cast and will have no effect on the outcome of the vote on these proposals. The ratification of the appointment of Peterson Sullivan LLP is a routine item.

## **How to Revoke**

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before its exercise. The proxy may be revoked by filing with the Secretary of the Company an instrument of revocation or a duly executed proxy bearing a later date, or by electing to vote in person at the Annual Meeting. A stockholder who attends the Annual Meeting need not revoke the proxy and vote in person unless he or she wishes to do so. The mere presence at the Annual Meeting of the person appointing a proxy does not, however, revoke the appointment. If you are a stockholder whose shares are not registered in your own name, you will need additional documentation from your record holder to vote personally at the Annual Meeting.

**Table of Contents**

**VOTING SECURITIES**

The Company's outstanding voting securities consist of common stock. The record date for determining holders of common stock entitled to vote at the Annual Meeting is October 1, 2013. On that date, there were 33,348,166 shares of common stock outstanding, each entitled to one vote per share. The common stock does not have cumulative voting rights.

## **CORPORATE GOVERNANCE**

### **Information Concerning the Board of Directors and Certain Committees**

The Board of Directors currently consists of three directors, two of whom the Board of Directors has determined are independent within the meaning of Section 803 of the NYSE-MKT Company Guide. The independent directors are Messrs. Edwards and Harrington. The Board of Directors held eight formal meetings during the 2013 fiscal year. Each of the directors attended at least 75% of all meetings of the Board of Directors and committees on which they served during 2013. The Board of Directors does not have a formal policy governing director attendance at its annual meeting of stockholders. We believe that all of our directors, other than Mr. Harrington, will attend the Annual Meeting.

The standing committee of the Board of Directors is the Audit and Executive Oversight Committee, which was formed in 2012. The Audit and Executive Oversight Committee fulfills the audit, compensation and nominating committee functions. Prior to the formation of the Audit and Executive Oversight Committee, we had a separately

standing audit committee and the independent members of the Board fulfilled the compensation and nominating committee functions. The purpose of the Audit and Executive Oversight Committee is to oversee (i) the integrity of our financial statements and disclosures, (ii) our compliance with legal and regulatory

The Board of Directors has determined that each member of the Audit and Executive Oversight Committee meets the independence standards set forth in Rule 10A-3 promulgated under the Exchange Act and the independence standards set forth in the NYSE-MKT Company Guide. The Board of Directors has determined that Mr. Edwards qualifies as an audit committee financial expert as defined in Item 407(d)(5)(ii) of Regulation S-K, promulgated under the Exchange Act.

The Audit and Executive Oversight Committee operates under a written charter that is reviewed annually. The charter is available on our website at [www.radiantdelivers.com](http://www.radiantdelivers.com). Under the charter, the Audit and Executive Oversight Committee is required to pre-approve the audit and non-audit services to be performed by our independent registered public accounting firm.

**Code of Ethics:** We have adopted a Code of Ethics that applies to all employees including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Audit and Executive Oversight Committee reviews the compensation philosophy, strategy of the Company and consults with the Chief Executive Officer, as needed, regarding the role of our compensation strategy in achieving our objectives and performance goals and the long-term interests of our stockholders. The Audit and Executive Oversight Committee has direct responsibility for approving the compensation of the Chief Executive Officer, and makes recommendations to the Board with respect to our other executive officers. The term executive officer has the same meaning specified for the term officer in Rule 16a-1(f) under the Exchange Act.

Our Chief Executive Officer sets the compensation of anyone whose compensation is not set by the Board and reports to the Board regarding the basis for any such compensation if requested by it.

The Audit and Executive Oversight Committee may retain compensation consultants, outside counsel and other advisors as the Board deems appropriate to assist it in discharging its duties. The Board has not currently retained any outside advisor.

**Nominating Committee Function of the Audit and Executive Oversight Committee:** The Audit and Executive Oversight Committee functions as a nominating committee. any information relevant to a determination of whether the nominee meets the criteria described below under the subheading *Director Qualifications* ;

any information regarding the nominee relevant to a determination of whether the nominee would be considered independent under SEC rules or, alternatively, a statement that the nominee would not be considered independent;

a statement, signed by the nominee, verifying the accuracy of the biographical and other information about the nominee that is submitted with the recommendation and consenting to serve as a director if so elected; and

if the recommending stockholder, or group of stockholders, has beneficially owned more than 5% of our voting stock for at least one year as of the date the recommendation is made, evidence of such beneficial ownership.

*Director Qualifications.* In selecting nominees for director, without regard to the source of the recommendation, the Audit and Executive Oversight Committee believes that each director nominee should be evaluated based on his or her individual merits, taking into account the needs of the Company and the composition of the Board. Members of the Board should have the highest professional and personal ethics, consistent with our values and standards and Code of Ethics. At a minimum, a nominee must possess integrity, skill, leadership ability, financial sophistication, and capacity to help guide us. Nominees should be committed to enhancing stockholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on their experiences. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to responsibly perform all director duties. In addition, the Audit and Executive Oversight Committee considers all applicable statutory and regulatory requirements and the requirements of any exchange upon which our common stock is listed or to which it may apply in the foreseeable future.

*Evaluation of Director Nominees.* The Audit and Executive Oversight Committee will typically employ a variety of methods for identifying and evaluating nominees for director. The Audit and Executive Oversight Committee regularly assesses the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Audit and Executive Oversight Committee will consider various potential candidates for director. Candidates may come to the attention of the Audit and Executive Oversight Committee through current directors, stockholders, or other companies or persons. The Audit and Executive Oversight Committee does not evaluate director candidates recommended by stockholders differently than director candidates recommended from other sources. Director candidates may be evaluated at regular or special meetings of the Audit and Executive Oversight Committee, and may be considered at any point during the

year.

We do not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the Audit and Executive Oversight Committee strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills, and expertise to oversee our businesses. In evaluating director nominations, the Audit and Executive Oversight Committee seeks to achieve a balance of knowledge, experience, and capability on the Board. In connection with this evaluation, the Audit and Executive Oversight Committee will make a determination whether to interview a prospective nominee based upon the Board's level of interest. If warranted, one or more members of the Audit and Executive Oversight Committee Board, and others as appropriate, will interview prospective nominees in person or by

telephone. After completing this evaluation and any appropriate interviews, the Audit and Executive Oversight Committee will recommend the director nominees after consideration of all its directors' input. The director nominees are then selected by a majority of the independent directors on the Board, meeting in executive session and considering the Audit and Executive Oversight Committee's recommendations.

## **Board of Directors Leadership Structure**

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has determined that having our Chief Executive Officer serve as Chairman is in the best interest of our stockholders at this time. This structure makes the best use of the Chief Executive Officer's extensive knowledge of the Company and its industry, as well as fostering greater communication between our management and the Board.

## **Risk Management**

Companies face a variety of risks, including credit risk, liquidity risk, and operational risk. The Board believes an effective risk management system will (i) timely identify the material risks that we face, (ii) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant Board Committee, (iii) implement appropriate and responsive risk management strategies consistent with our risk profile, and (iv) integrate risk management into our decision making.

The Board has designated the Audit and Executive Oversight Committee to take the lead in overseeing risk management and the Audit and Executive Oversight Committee makes periodic reports to the Board regarding briefings provided by management and advisors as well as the Audit and Executive Oversight Committee's own analysis and conclusions regarding the adequacy of our risk management processes.

In addition to the formal compliance program, the Board encourages management to promote a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations. The Board also continually works, with the input of our executive officers, to assess and analyze the most likely areas of future risk for us.

## **Certain Relationships and Transactions with Related Persons**

### **Review, Approval or Ratification of Transactions with Related Persons**

The Audit and Executive Oversight Committee is responsible for reviewing and approving all related party transactions. Before approving such a transaction, the Audit and Executive Oversight Committee takes into account all relevant factors that it deems appropriate, including whether the related party transaction is on terms no less favorable to us than terms generally available from an unaffiliated third party. Any request for us to enter into a transaction with an executive officer, director, principal stockholder or any of such persons' immediate family members or affiliates must first be presented to the Audit and Executive Oversight Committee for review, consideration and approval. All of our directors, executive officers and employees are required to report the Audit and Executive Oversight Committee any such related party transaction. In approving or rejecting the proposed agreement, the Audit and Executive Oversight Committee considers the facts and circumstances available and deemed relevant to the Audit and Executive Oversight Committee, including, but not limited to the risks, costs and benefits to us, the terms of the transaction, the availability of other sources for comparable services or products and, if applicable, the impact on a director's independence. Our Audit and Executive Oversight Committee approves only those agreements that, in light of known

circumstances, are in, or are not inconsistent with, our best interests, as our board determines in its good faith discretion. Although the policies and procedures described above are not written, the Audit and Executive Oversight Committee applies the foregoing criteria in evaluating and approving all such transactions. The transactions described below were approved by our Board of Directors in accordance with the foregoing.

**Minority Business Enterprise jointly-owned and operated with CEO**

On June 28, 2006, we joined with Radiant Capital Partners, LLC ( RCP ), an affiliate of Mr. Crain, our Chief Executive Officer, to form Radiant Logistics Partners, LLC ( RLP ). RLP commenced operations in 2007 as a minority business enterprise for the purpose of enabling us to expand the scope of our service offerings to include participation in certain supplier diversity programs which would have otherwise not been available to us. RLP is owned 60% by Mr. Crain and 40% by the Company.

In the course of evaluating and approving the ownership structure, operations and economics emanating from RLP, a committee consisting of the independent Board member of the Company, considered, among other factors, the significant benefits provided to us through association with a minority business enterprise, particularly as many of our largest current and potential customers have a need for diversity offerings. In addition, the committee concluded the economic relationship with RLP was on terms no less favorable to us than terms generally available from unaffiliated third parties.

For the fiscal year ended June 30, 2013, RLP recorded \$197,246 in commission revenues earned from members of the affiliated group, and reported a profit of \$179,954. For the fiscal year ended June 30, 2012, RLP recorded \$322,643 in commission revenues earned from members of the affiliated group, and reported a profit of \$296,323.

## **Management Incentive Compensation Plan**

We have adopted a Management Incentive Compensation Plan (the "MICP"), which is intended to provide for a pay system that supports our business strategy and emphasizes pay-for-performance by tying reward opportunities to carefully determined and articulated performance goals at corporate, operating unit, business unit and/or individual levels.

Under the MICP, quarterly bonuses are paid to certain senior employees based upon a target bonus (which is expressed as a percentage of compensation). The target bonus is adjusted up or down by formula to take into account our financial performance in a manner consistent with the performance compensation requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). However, the actual payment of bonuses under the MICP is subject to the discretion of our Board of Directors with respect to payments made to Mr. Crain and to the discretion of Mr. Crain with respect to payments made to other participants. Benefits payable under the MICP in the form of stock options will be paid under, and pursuant to the terms of, the 2012 Plan.

## **Other Post-Employment Compensation and Change in Control Payments**

### **Bohn H. Crain**

The options granted to Mr. Crain contain a change in control provision that is triggered in the event that we are acquired by merger, share exchange or otherwise, sell all or substantially all of our assets, or all of the stock of the Company is acquired by a third party (each, a "Fundamental Transaction"). In the event of a Fundamental Transaction, all of the options will vest and Mr. Crain shall have the full term of such options in which to exercise any or all of them, notwithstanding any accelerated exercise period contained in any such option.

The Crain Employment Agreement also contains a change in control provision. If his employment is terminated following a change in control (other than for cause or by Mr. Crain without good reason), then we must pay him a termination payment equal to 2.99 times his base salary in effect on the date of termination of his employment, any bonus to which he would have been entitled for a period of three years following the date of termination, any unpaid expenses and benefits, and for a period of three years provide him with all fringe benefits he was receiving on the date of termination of his employment or the economic equivalent. In addition, all of his unvested stock options shall

immediately vest as of the termination date of his employment due to a change in control. In the event compensation payable to Mr. Crain upon our change in control causes him to be subject to

an excise tax under section 4999 of the Code, he will receive a gross up payment in an amount such that after the payment by Mr. Crain of all taxes imposed upon the gross up payment, Mr. Crain will retain an amount of the gross up payment equal to such excise tax. A change in control is generally defined as the occurrence of any one of the following:

any Person (as the term Person is used in Section 13(d) and Section 14(d) of the Securities Exchange Act of 1934), except for our chief executive officer, becoming the beneficial owner, directly or indirectly, of our securities representing 50% or more of the combined voting power of our then outstanding securities;

a contested proxy solicitation of our stockholders that results in the contesting party obtaining the ability to vote securities representing 50% or more of the combined voting power of our then-outstanding securities;

a sale, exchange, transfer or other disposition of 50% or more in value of our assets to another Person or entity, except to an entity controlled directly or indirectly by us;

a merger, consolidation or other reorganization involving us in which we are not the surviving entity and in which our stockholders prior to the transaction continue to own less than 50% of the outstanding securities of the acquirer immediately following the transaction, or a plan is adopted involving our liquidation or dissolution other than pursuant to bankruptcy or insolvency laws; or

during any period of twelve consecutive months, individuals who at the beginning of such period constituted the board cease for any reason to constitute at least the majority thereof unless the election, or the nomination for election by our stockholders, of each new director was approved by a vote of at least a majority of the directors then still in office who were directors at the beginning of the period.

Notwithstanding the foregoing, a change in control is not deemed to have occurred (i) in the event of a sale, exchange, transfer or other disposition of substantially all of our assets to, or a merger, consolidation or other reorganization involving, us and any entity in which our chief executive officer has, directly or indirectly, at least a 25% equity or ownership interest; or (ii) in a transaction otherwise commonly referred to as a management leveraged buy-out.

Messrs. Stegemoller, Macomber, and Hines are entitled to six months of severance in the form of salary continuation payments in the event their employment is terminated as a result of death, disability, or by us other than for cause; or twelve months of severance if within nine months following a Change of Control, they voluntarily terminate their employment for Good Reason or their employment is terminated by us other than for cause. For the purposes of the employment agreements, a Change of Control shall be deemed to occur if there occurs a sale, exchange, transfer or other disposition of substantially all of our assets to another entity, except to an entity controlled directly or indirectly by us, or a merger, consolidation or other reorganization of the Company in which we are not the surviving entity, or a plan of liquidation or dissolution of the Company other than pursuant to bankruptcy or insolvency laws. For the further purpose of the employment agreements, Good Reason shall be deemed to occur upon either: (i) a breach of the agreement by us; or (ii), a reduction in salary without the employee's consent, unless any such reduction is otherwise part of an overall reduction in executive compensation experienced on a pro rata basis by other similarly situated employees.

**PROPOSAL 2: RATIFICATION OF THE SELECTION OF PETERSON SULLIVAN LLP AS THE COMPANY'S INDEPENDENT AUDITOR FOR THE 2014 FISCAL YEAR**

The Audit and Executive Oversight Committee has appointed, and the Board has concurred subject to stockholder ratification, Peterson Sullivan LLP ( Peterson Sullivan ) to audit and report on the Consolidated Financial Statements of the Company and its subsidiaries for the fiscal year ending June 30, 2014. Peterson Sullivan served as our independent registered public accounting firm for the fiscal year ended June 30, 2013.

Before making its determination on appointment, the Audit and Executive Oversight Committee carefully considered the qualifications and competence of candidates for the independent registered public accounting firm. For Peterson Sullivan, this has included a review of its performance in prior years, its independence and processes for maintaining independence, the key members of the audit engagement team, the firm's approach to resolving significant accounting and auditing matters, as well as its reputation for integrity and competence in the fields of accounting and auditing.

Representatives of Peterson Sullivan will attend the Annual Meeting and may make a statement if they wish. They will be available to answer appropriate questions at the Annual Meeting. To pass, this proposal requires the affirmative vote of a majority of the votes cast at the Annual Meeting and entitled to vote.

**The Board of Directors recommends a vote FOR the proposal to ratify the selection of Peterson Sullivan as our independent auditor for the fiscal year ending June 30, 2014.**

**PROPOSAL 3: ADVISORY VOTE ON EXECUTIVE COMPENSATION**

**General**

Pursuant to Section 14A(a)(1) of the Securities Exchange Act of 1934, as amended (the Exchange Act), our stockholders are entitled to vote at the Annual Meeting to approve the compensation of our named executive officers, commonly known as a Say on Pay, as disclosed in this proxy statement in accordance with the standards established under Item 402 of Regulation S-K under the Exchange Act. However, the stockholder vote on executive compensation is an advisory vote only, and it is not binding on us, our Board of Directors, or the Audit and Executive Oversight Committee.

Although the vote is non-binding, our Board of Directors and the Audit and Executive Oversight Committee value the opinions of our stockholders and will consider the outcome of the vote when making future compensation decisions affecting our executive officers.

We design our executive compensation program to implement our core objectives of attracting and retaining superior executive talent, motivating and rewarding executives whose knowledge, skills and performance are critical to our business, ensuring executive compensation is aligned with our corporate strategies and business objectives and aligning executives' incentives with the creation of stockholder value.

**Resolution**

Our stockholders are being asked to approve by advisory vote the following resolution relating to the compensation of the named executive officers as described in this proxy statement:

Resolved that the Company's stockholders hereby approve the compensation paid to the Company's executive officers named in the Summary Compensation Table of this proxy statement, as that compensation is disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the various compensation tables and the accompanying narrative discussion included in this proxy statement.

The vote on this resolution is not intended to address any specific element of compensation; rather the vote relates to the compensation of our named executive officers, as described in this proxy statement in accordance with the compensation disclosure rules of the SEC.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS AN ADVISORY VOTE FOR THE RESOLUTION TO APPROVE THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.**

UNLESS OTHERWISE INSTRUCTED, THE PROXY HOLDERS NAMED IN EACH PROXY WILL VOTE THE SHARES REPRESENTED THEREBY FOR THE APPROVAL OF SUCH RESOLUTION.

**Table of Contents**

**PROPOSAL 4: ADVISORY VOTE AS TO FREQUENCY OF THE ADVISORY STOCKHOLDER VOTE ON EXECUTIVE COMPENSATION**

**General**

Pursuant to Section 14A(a)(2) of the Exchange Act, our stockholders are also entitled to vote at the Annual Meeting regarding whether the stockholder vote to approve the compensation of the named executive officers as required by Section 14A(a)(1) of the Exchange Act (and as presented in Proposal 3 of this proxy statement) should occur every year, once every two years or once every three years. Stockholders will also have the option to abstain from voting on the matter. The stockholder vote on the frequency of the say-on-pay vote to approve executive compensation is an advisory vote only, and it is not binding on us or our Board of Directors.

Although the vote is non-binding, both the Board of Directors and the Audit and Executive Oversight Committee value the opinions of the stockholders and will consider the outcome of the vote when setting the frequency of the stockholder vote on executive compensation.

Stockholders have four choices with respect to the frequency of the stockholder vote for the approval of the compensation of our named executive officers. The four choices are as follows:

Every year;

Every two years;

Every three years; or

Abstain.

**Recommendation of the Board of Directors**

The Board of Directors has determined that an advisory stockholder vote on executive compensation once every three years is the best approach for us and our stockholders for a number of reasons, including the following:

A three-year cycle is in line with the long-term pay-for-performance objectives that the Audit and Executive Oversight Committee seeks to attain in structuring executive officer compensation in a manner that focuses on long-term growth and sustained stockholder value rather than short-term results.

A three-year cycle will provide stockholders with sufficient time and opportunity to evaluate the effectiveness of our short-term and long-term incentive programs, compensation strategies and pay-for-performance philosophy.

A three-year cycle will also provide the Board of Directors and the Audit and Executive Oversight Committee with sufficient time to thoughtfully evaluate and respond to stockholder input and effectively implement appropriate changes or modifications to our executive compensation programs.

**ACCORDINGLY, THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS CHOOSE, ON AN ADVISORY BASIS, A THREE-YEAR FREQUENCY (A VOTE FOR EVERY THREE YEARS) FOR THE ADVISORY STOCKHOLDER VOTE TO APPROVE THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS.**

UNLESS OTHERWISE INSTRUCTED, THE PROXY HOLDERS NAMED IN EACH PROXY WILL VOTE THE SHARES REPRESENTED THEREBY FOR EVERY THREE YEARS AS THE FREQUENCY OF THE ADVISORY STOCKHOLDER VOTE ON EXECUTIVE COMPENSATION DESCRIBED IN THIS PROPOSAL 4.
