## Item 2.01 Completion of Acquisition or Disposition of Assets

As previously disclosed, on November 12, 2013, the Company announced that it and its subsidiaries CBRE Holdings Limited and CBRE UK Acquisition Company Limited (together, the Purchasing Parties) entered into a Share Sale Agreement (the Share Sale Agreement) with William Investments Limited and certain individuals named therein under which the Purchasing Parties agreed to acquire Norland Holdings Ltd, a private limited company established under the laws of England and Wales (Norland). On December 23, 2013, the Purchasing Parties completed the transaction, acquiring Norland for approximately £265.5 million (\$434.3 million) paid in cash at closing (which included a payment in respect of an excess working capital adjustment and related items), plus 362,916 shares of the Company's Class A Common Stock issued at closing. In addition, the Purchasing Parties may pay up to £50.0 million (\$81.8 million) in deferred contingent consideration in cash.

The foregoing description of the Share Sale Agreement does not purport to be complete and is qualified in its entirety by reference to the Share Sale Agreement, which was filed as Exhibit 1.01 to the Company's Current Report on Form 8-K filed on November 13, 2013 and is incorporated herein by reference. The Share Sale Agreement has been incorporated by reference to provide investors and stockholders with information regarding its terms. The Share Sale Agreement is not intended to provide any other factual information about the Company or Norland. The Share Sale Agreement contains representations and warranties that the parties to the Share Sale Agreements made to each other (and solely for the benefit of each other). The assertions embodied in such representations and warranties are qualified by information contained in confidential disclosure schedules that the parties exchanged in connection with signing the Share Sale Agreement. Accordingly, investors and stockholders should not rely on such representations and warranties as characterizations of the complete state of facts or circumstances, as they were only made as of the date of the Share Sale Agreement and are modified in important part by the underlying disclosure schedules. Moreover, information concerning the subject matter of such representations and warranties may have changed after the date of the Share Sale Agreement, and subsequent information may not be fully reflected in the Company's public disclosures.
