Item 3.02 Unregistered Sales of Equity Securities.

The disclosure set forth below under Item 5.03 is incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On and effective January 14, 2014 and in connection with an acquisition by a Canadian subsidiary of Quanta Services, Inc. (Quanta), Quanta amended its Certificate of Incorporation by filing a Certificate of Designation of Series G Preferred Stock (the Certificate of Designation) with the Secretary of State of the State of Delaware. The Certificate of Designation designates a new series of preferred stock, consisting of one share of Series G Preferred Stock, par value \$0.00001 per share, issued on the same date in an exempt transaction pursuant to Section 4(a)(2) of the Securities Act of 1933, as amended, to the holder of exchangeable shares issued by the Canadian subsidiary of Quanta as partial consideration for the acquisition.

The Series G Preferred Stock provides the holder of the exchangeable shares voting rights in Quanta common stock equivalent to the number of exchangeable shares outstanding at any time. As of January 14, 2014, 899,858 exchangeable shares were outstanding. If no exchangeable shares or securities convertible, exchangeable or exercisable for exchangeable shares are outstanding at any time, the Series G Preferred Stock will be automatically redeemed by Quanta for \$1.00. No dividends are payable with respect to the Series G Preferred Stock. The exchangeable shares may be exchanged at the option of the holder for Quanta common stock on a one-for-one basis. The above description of the rights of the Series G Preferred Stock is qualified in its entirety by reference to the Certificate of Designation, which is filed as Exhibit 3.1 to this report and incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.
