Item 5.02 Amendments to Form of Notice of Stock Option Grant and Form of Notice of MSU Grant

Effective January 27, 2014, the Compensation and Personnel Committee of the Board of Directors of CarMax, Inc. (the Company) approved amendments to the Company's form of notice of stock option grant and form of notice of market stock unit (MSU) grant. These amendments relate to the vesting of options and MSUs upon a change in control. Prior to this amendment, the forms of notice for both the options and the MSUs contained a modified single-trigger feature under which fifty percent of a grant would automatically vest upon a change in control and the remaining fifty percent would automatically vest upon the one-year anniversary of the change in control. These amendments eliminate this feature and substitute a double-trigger feature under which a change in control by itself does not trigger any vesting of options or MSUs.

The foregoing descriptions of the amendments to the form of notice of stock option grant and form of notice of MSU grant do not purport to be complete and are qualified in their entirety by reference to the full text of the respective forms of notice, which are filed herewith as Exhibit 10.1 and Exhibit 10.2, respectively, and are incorporated by reference herein.
