Item 1.01. Entry into a Material Definitive Agreement.

Merger Agreement

On March 12, 2014, EPL Oil & Gas, Inc., a Delaware corporation (EPL), entered into an Agreement and Plan of Merger (the Merger Agreement) with Energy XXI (Bermuda) Limited, an exempted company formed under the laws of Bermuda (Energy XXI), Energy XXI Gulf Coast, Inc., a Delaware corporation and an indirect wholly-owned subsidiary of Energy XXI (OpCo) and Clyde Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of OpCo (Merger Sub). Upon the terms and conditions set forth in the Merger Agreement, Merger Sub will be merged with and into EPL (the Merger), and the separate existence of Merger Sub will cease with EPL continuing as the surviving corporation and as a wholly-owned subsidiary of OpCo.

Subject to the terms and conditions of the Merger Agreement, at the effective time of the Merger (the Effective Time), each issued and outstanding share of EPL common stock, par value \$0.001 per share (EPL Common Stock), will be converted into the right to receive, at the election of the holder, but subject to pro-ration with respect to the stock and cash portion so that 65% of the aggregate merger consideration is paid in cash and 35% of the aggregate merger consideration is paid in common shares of Energy XXI, par value \$0.005 per share (Energy XXI Common Stock) the following: (i) (x) 0.584 of a share of Energy XXI Common Stock and (y) \$25.35 in cash without interest; (ii) \$39.00 cash without interest; or (iii) 1.669 shares of Energy XXI Common Stock (collectively, the Merger Consideration).

In connection with the Merger, each outstanding restricted share of EPL Common Stock and phantom share of EPL Common Stock will fully vest at the Effective Time and be treated as a share of EPL Common Stock for all purposes of the Merger Agreement, including the right to receive the Merger Consideration. At the Effective Time, each stock option to purchase shares of EPL Common Stock will be deemed exercised pursuant to a cashless exercise and be converted into the right to receive the cash portion of the Merger Consideration, without being subject to pro-ration.

The respective boards of directors of Energy XXI, OpCo, Merger Sub and EPL have all unanimously approved the Merger Agreement. The board of directors of EPL has agreed to recommend that its shareholders adopt the Merger Agreement. The board of directors of Energy XXI has agreed to recommend that its shareholders approve the issuance of Energy XXI Common Stock in connection with the Merger.

Pursuant to the Merger Agreement, prior to the Effective Date, Energy XXI will increase the size of its board of directors (the Energy XXI Board) to seven directors and EPL's board of directors (the EPL Board) will designate one of its members to be elected as a Class II director to the Energy XXI Board, subject to consent by Energy XXI's Nominating Committee. The new director will be appointed to either the Audit Committee or the Remuneration Committee of the Energy XXI Board, as designated by the EPL Board. The Energy XXI Board has agreed to nominate this new director and recommend that its shareholders elect such new director to the Energy XXI Board at the shareholder meeting at which the issuance of Energy XXI Common Stock in the Merger will be voted upon.

Pursuant to the Merger Agreement, EPL has agreed, subject to certain exceptions with respect to unsolicited bids, not to directly or indirectly solicit competing acquisition proposals or to enter into discussions concerning, or provide confidential information in connection with, any unsolicited company proposals. However, the EPL Board may, subject to certain conditions, change its recommendation in favor of adoption of the Merger Agreement or terminate the Merger Agreement if, in connection with receipt of a bona fide, unsolicited competing proposal, it determines that such competing proposal was a superior proposal and the failure to effect such a change in recommendation or termination would be inconsistent with its fiduciary duties or if, in connection with an event unrelated to the competing proposal that was not reasonably foreseeable at the time of the Merger Agreement, change its recommendation in favor of adoption of the Merger Agreement if it determines that not doing so would be inconsistent with the exercise of its fiduciary duties.

Edgar Filing: EPL OIL & GAS, INC. - Form 8-K

The completion of the Merger is subject to satisfaction or waiver of certain closing conditions, including: (i) approval of the Merger Agreement by EPL's stockholders, (ii) approval of the issuance of Energy XXI Common Stock by Energy XXI's shareholders, (iii) approval of the election of the new director to the Energy XXI board of directors by the Energy XXI shareholders, (iv) approval for listing of the shares of Energy XXI Common Stock to be issued in the Merger on the NASDAQ Global Select Market, (v) there being no law or injunction prohibiting consummation of the Merger, (vi)

expiration or termination of any waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act"), (vii) the effectiveness of a registration statement on Form S-4 registering the shares of Energy XXI Common Stock to be issued in the Merger, (viii) subject to specified materiality standards, the accuracy of the representations and warranties of the other party, (ix) compliance by the other party in all material respects with its covenants, (x) EPL meeting a minimum EBITDAX requirements for the four consecutive fiscal periods ending prior to the closing of no less than 70% of EPL's EBITDAX for the year ended December 31, 2013 and (xi) the absence of a material adverse effect on the other party. The completion of the Merger is not conditioned on receipt of financing by Energy XXI.

EPL and Energy XXI have made customary representations and warranties in the Merger Agreement. The Merger Agreement also contains customary covenants and agreements whereby EPL and Energy XXI has each agreed to (i) operate its respective business in the ordinary course; (ii) use all commercially reasonable efforts to maintain and preserve its present business organization, key officers, key employees, suppliers, and customers; (iii) subject to certain exceptions, not take certain actions relating to its respective dividends, capital stock, alternative business combinations, among other things, during the period between the execution of the Merger Agreement and the Effective Date; and (iv) use reasonable best efforts to cause the Merger to be completed, including certain specified actions, such as obtaining the approval of the Merger under the HSR Act. Additionally, Energy XXI has agreed that it will not enter into, participate or engage in or continue discussions with respect to any potential merger or combination, acquisition, partnership or joint venture (involving a material investment) likely to impair Energy XXI's, OpCos or Merger Subs ability to consummate the transactions contemplated by the Merger Agreement by the outside date (as same may be extended).

The Merger Agreement contains certain termination rights for both EPL and Energy XXI and further provides that, upon termination of the Merger Agreement, under certain circumstances, a party may be required to pay the other party a termination fee equal to \$45 million or, in certain other circumstances, a party may be required to reimburse the other party for its expenses up to \$6 million.

The Merger Agreement is attached hereto as Exhibit 2.1 and is incorporated by reference. The foregoing summary has been included to provide investors and security holders with information regarding its terms and is qualified in its entirety by the terms and conditions of the Merger Agreement. It is not intended to provide any other factual information about EPL, Energy XXI, or their respective subsidiaries and affiliates. The representations, warranties and covenants in the Merger Agreement were made solely for the benefit of the parties to the Merger Agreement; may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of EPL, Energy XXI or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in EPL's or Energy XXI's public disclosures.

Each Energy XXI Voting Agreement terminates upon the earliest of (1) the termination of the Merger Agreement in accordance with its terms; (2) the Effective Time; and (3) any reduction of the Merger Consideration or change in the form of the Merger Consideration.

Additionally, simultaneously with the execution of the Merger Agreement, Energy XXI, OpCo and Merger Sub entered into voting agreements with each of the executive officers and directors of EPL (each, an EPL Stockholder), and each such voting agreement, an EPL Voting Agreement, and, together with the Energy XXI Voting Agreements, the Voting Agreements). Each EPL Voting Agreement terminates upon the earliest of (1) the termination of the Merger Agreement in accordance with its terms; (2) the Effective Time; and (3) any reduction of the Merger Consideration or change in the form of the Merger Consideration.

The foregoing description of the Voting Agreements is only a summary, does not purport to be complete, and is qualified in its entirety by reference to the two different forms of Voting Agreement, which are filed hereto as Exhibit 10.1 and Exhibit 10.2 and are incorporated herein by reference.
