Patriot National Bancorp, Inc. 2012 Stock Plan

In 2011, Patriot adopted the Patriot National Bancorp, Inc. 2012 Stock Plan. The 2012 Plan is administered by the Compensation Committee of Patriot's Board of Directors. Grants under the 2012 Plan may be made in the form of stock options, restricted stock and phantom stock units. The 2012 Plan authorizes 3,000,000 shares of Patriot's common stock for issuance. Phantom stock units may be granted under the 2012 Plan up to 1,000,000 units.

Under the terms of the 2012 Plan, only Patriot employees and employees of its subsidiaries may receive stock options. The exercise price of the stock options shall be not less than the fair market value of the stock on the date of grant. The Compensation Committee shall determine the dates upon which the options may be exercisable, which shall not exceed 10 years from the date of grant. The options may be exercised on a cashless basis if approved by the Compensation Committee.

Under the original plan, only non-employee directors were eligible to receive grants of restricted stock. Those grants generally vest in quarterly installments over a four year period from the date of grant. In September 2013 an amendment to the Stock Plan was approved by Patriot's stockholders. The Plan was amended to expand the persons eligible to receive grants of restricted stock under the 2012 Plan to include officers of the Company and its subsidiaries. The vesting of these grants generally occurs in annual installments over a five year period. The vesting of restricted stock awards and options may be accelerated in accordance with terms of the plan. The Compensation Committee shall make the terms and conditions applicable to the vesting of restricted stock awards and stock options.

Only Patriot's employees and employees of its subsidiaries are eligible to receive phantom stock units under the 2012 Plan. The phantom stock units entitle the holder to receive upon exercise, in cash or shares of common stock, the appreciation in the value of the common stock from the date of grant. The Plan Committee shall determine the terms and conditions of each phantom stock unit award. Upon a change of control of Patriot, the grantee shall be required to redeem all of his or her phantom stock units. In the event of a sale of substantially all of Patriot's assets, all outstanding phantom stock units will be redeemed.

Under Patriot's 2012 Stock Plan, 117,387 shares of restricted stock were awarded in 2012. 329,649 shares of restricted stock were awarded in 2013.

Item 13. Certain Relationships and Related Transactions, and Director Independence Directors and Officers of Patriot

In the ordinary course of business, the Bank has made loans to officers and directors (including loans to members of their immediate families and loans to companies of which a director owns 10% or more). There were no loans to officers and directors outstanding as of December 31, 2013. In the opinion of management, all of such loans were made in the ordinary course of business of the Bank on substantially the same terms, including interest rates and collateral requirements, as those then prevailing for comparable transactions with persons not related to the lender. The Bank believes that at the time of origination these loans neither involved more than the normal risk of

collectibility nor presented any other unfavorable features.

Information about transactions involving related persons is assessed by Patriot's independent directors. Related persons include Patriot's directors and executive officers as well as immediate family members of directors and officers. If the independent directors approve or ratify a material transaction involving a related person, then the transaction would be disclosed in accordance with the SEC rules. If the related person is a director, or a family member of a director, then that director would not participate in those discussions.

Board Independence

We are subject to the listing standards of the SEC rules pertaining to director independence, and we believe that Messrs. Constantino, Smyth, Van den Bol and Weinbaum are independent directors as that term is defined by applicable listing standards of the Nasdaq stock market and SEC rules, including the rules relating to the independence standards of an audit committee and the non-employee definition of Rule 16b-3 promulgated under the Exchange Act.
