Item 1.01. Entry into a Material Definitive Agreement.

On September 11, 2014, XPO Logistics, Inc., a Delaware corporation (XPO or the Company), entered into an Investment Agreement (the Agreement) with Public Sector Pension Investment Board (PSP Investments), an affiliate of GIC, Singapore's sovereign wealth fund (GIC), and Ontario Teachers' Pension Plan Board (OTPP), collectively, the Purchasers). Pursuant to the Agreement, the Company will issue and sell 10,702,934 shares (the Purchased Common Shares) in the aggregate of Company common stock, par value \$0.001 per share (the Company Common Stock), and 371,848 shares (the Purchased Preferred Stock) and, together with the Purchased Common Shares, the Purchased Securities) in the aggregate of the Company's Series B Convertible Perpetual Preferred Stock, par value \$0.001 per share, in a private placement. The purchase price per Purchased Common Share is \$30.66 (resulting in aggregate gross proceeds to the Company of approximately \$328.2 million), and the purchase price per share of Purchased Preferred Stock is \$1,000.00 (resulting in aggregate gross proceeds to the Company of approximately \$371.8 million). Subject to the approval of the Company's stockholders as described below, the Purchased Preferred Stock will be converted into an aggregate of 12,128,115 additional shares of Company Common Stock. The relative shares of PSP Investments, GIC and Ontario Teachers' Pension Plan of the investment in the Purchased Securities pursuant to the Agreement are 50.0%, 35.7% and 14.3%, respectively. The aggregate purchase price for the Purchased Securities is \$700,000,000.

Pursuant to the Agreement, PSP Investments and GIC agreed to: (i) certain restrictions with respect to sales or transfers of the Purchased Securities for up to 24 months following the closing and (ii) customary standstill provisions for 18 months following the closing. The Agreement also provides the Purchasers with customary demand registration rights and piggyback registration rights, subject to the limitations set forth in the Agreement. The Agreement contains customary representations and warranties and covenants of the Company and the Purchasers.

The issuance and sale of the Purchased Securities to the Purchasers is expected to settle on September 17, 2014.

The conversion of the Purchased Preferred Stock into shares of Company Common Stock is conditioned on, and will occur automatically upon, the approval by XPO stockholders of the issuance of such shares under the New York Stock Exchange rules. XPO intends to hold a special meeting of stockholders to obtain such approval during the fourth quarter of 2014.

The foregoing summary of certain terms of the Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement, a copy of which is attached to this report as Exhibit 4.1 and is incorporated herein by reference. The Agreement has been included to provide investors with information regarding its terms and is not intended to provide any financial or other factual information about XPO. In particular, the representations, warranties and covenants contained in the Agreement (1) were made only for purposes of that agreement and as of specific dates, (2) were solely for the benefit of the parties to the Agreement, (3) may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Agreement instead of establishing those matters as facts and (4) may be subject

to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Agreement, which subsequent information may or may not be fully reflected in public disclosures by XPO. Accordingly, investors should read the representations and warranties in the Agreement not in isolation but only in conjunction with the other information about XPO that is included in reports, statements and other filings it makes with the U.S. Securities and Exchange Commission.

The terms and conditions of the Purchased Preferred Stock are set forth in a Certificate of Designations, a copy of which is set forth as Exhibit A to the Agreement and is incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities

The information set forth in Item 1.01 of this Current Report on Form 8-K is incorporated in its entirety into this Item 3.02 by reference. The issuance and sale of the Purchased Securities to the Purchasers are being made without registration under the Securities Act of 1933, as amended (the Securities Act), or any state securities laws. The Company is relying on the exemption from the registration requirements under the Securities Act afforded by Section 4(2) thereof. This Current Report on Form 8-K is not an offer to sell or the solicitation of an offer to buy the Purchased Securities.
