Item 1.01 Entry into a Material Definitive Agreement

On November 6, 2014, Cott Corporation (the Company) entered into an Agreement and Plan of Merger (the Merger Agreement) with DSS Group, Inc. (the DSS Group), Delivery Acquisition, Inc., a wholly owned subsidiary of the Company (the Merger Sub) and Crestview DSW Investors, L.P., as the sellers' representative, pursuant to which the Merger Sub will merge with and into DSS Group at closing, with DSS Group as the surviving corporation (the Merger). DSS Group, headquartered in Atlanta, Georgia, provides bottled water, coffee and filtration services to commercial and residential customers across the United States.

The merger consideration is \$1.247 billion, payable at closing in cash and through the issuance of Convertible Preferred Shares (as defined below) and Non-Convertible Preferred Shares (as defined below) to the securityholders of DSS Group, subject to adjustment for indebtedness, working capital and other items. Neither DSS Group nor any of its securityholders has a material relationship with the Company and the Merger will not be an affiliated transaction.

The Company has received committed financing from Barclays and Credit Suisse to support the transaction. The Company intends to finance the transaction through a combination of incremental borrowings under the Company's asset based lending (ABL) facility of approximately \$175 million, new debt issuance of approximately \$615 million, assumption of \$350 million of the 10.000% Second-Priority Senior Secured Notes due 2021 issued by DS Services of America, Inc., a wholly-owned subsidiary of DSS Group (the DSS Notes) and the issuance of newly-created Series A First Preferred Shares (the Convertible Preferred Shares) having an aggregate value of approximately \$117 million and newly-created Series B First Preferred Shares (the Non-Convertible Preferred Shares) having an aggregate value of approximately \$32 million, in reliance on the exemption from registration contained in Section 4(a)(2) of the Securities Act of 1933, as amended (the Securities Act) and the rules and regulations thereunder. The Company expects to amend the ABL facility in connection with the transaction to increase the amount of borrowings available thereunder.

The Merger Agreement contains representations, warranties, covenants and conditions that the Company believes are customary for a transaction of this size and type, as well as indemnification provisions subject to specified limitations. The closing of the transaction is subject to satisfaction of certain conditions, including receipt of required regulatory approvals and the requisite consent of the holders of the DSS Notes to amend the indenture governing the DSS Notes, but is not subject to any financing condition.

The transaction is expected to close by the end of January 2015. The Merger Agreement is subject to termination if the transaction is not completed on or before February 6, 2015, or such later date as the parties may agree.

Item 3.02 Unregistered Sales of Equity Securities

The information disclosed in Item 1.01 of this Current Report on Form 8-K is incorporated into this Item 3.02 by reference.

Pursuant to the Merger Agreement, upon the closing of the Merger, the Company will issue to the securityholders of DSS Group Convertible Preferred Shares having an aggregate value of approximately \$117 million and Non-Convertible Preferred Shares having an aggregate value of approximately \$32 million. The issuance of the Convertible Shares and the Non-Convertible Preferred Shares pursuant to the Merger Agreement is being made in reliance on the exemption from registration contained in Section 4(a)(2) of the Securities Act and the rules and regulations thereunder.

At any time following the third anniversary of their issuance, at the option of the holders, the Convertible Preferred Shares will be convertible into shares of the Company's common shares (the Common Shares). The conversion rate will initially be 159.74 Common Shares per \$1,000 face value of Convertible Preferred Shares, which is equivalent to

a conversion price of approximately \$6.28 per Common Share. The conversion rate will be subject to adjustment upon certain events.

The Convertible Preferred Shares and the Non-Convertible Preferred Shares will be created by an amendment to the Company's Articles of Amalgamation setting forth the rights, preferences and privileges of such shares.
