Item 1.01 Entry into a Material Definitive Agreement.*Merger Agreement*

On November 11, 2014, Oiltanking Partners, L.P., a Delaware limited partnership (the Partnership), entered into an Agreement and Plan of Merger (the Merger Agreement), by and among the Partnership, OTLP GP, LLC, a Delaware limited liability company and the general partner of the Partnership (the General Partner), Enterprise Products Partners L.P., a Delaware limited partnership (Enterprise), Enterprise Products Holdings LLC, a Delaware limited liability company and the general partner of Enterprise, and EPOT MergerCo LLC, a Delaware limited liability company and a wholly owned subsidiary of Enterprise (MergerCo).

Subject to the satisfaction or waiver of certain conditions in the Merger Agreement, upon the later of the filing with the Secretary of State of the State of Delaware of a certificate of merger or the later date and time set forth in such certificate, the Partnership will merge with MergerCo, with the Partnership surviving the merger as a wholly owned subsidiary of Enterprise (the Merger). Following the Merger, the General Partner will remain the general partner of the Partnership and all outstanding common units representing limited partner interests in the Partnership (the Partnership Common Units) (other than Partnership Common Units held by Enterprise or its subsidiaries) will be converted into the right to receive 1.30 common units representing limited partnership interests in Enterprise (the Enterprise Common Units). No fractional Enterprise Common Units will be issued in the Merger, and holders of Partnership Common Units will, instead, receive cash in lieu of fractional Enterprise Common Units, if any. The 54,799,604 Partnership Common Units beneficially owned by Enterprise Products Operating LLC, a Delaware limited liability company and wholly owned subsidiary of Enterprise (EPO) (consisting of (i) 15,899,802 currently outstanding Partnership Common Units and (ii) 38,899,802 additional Partnership Common Units issuable upon conversion (the Conversion) of an equal number of currently outstanding Partnership subordinated units, such Conversion to occur in accordance with the Partnership's partnership agreement on November 17, 2014, the first business day immediately after the payment of the Partnership distribution on November 14, 2014), will remain outstanding and EPO will continue as a limited partner of the Partnership. In connection with the Merger, EPO will not receive any consideration for the continuation of its limited partnership interests in the Partnership, the General Partner will not receive any consideration for the continuation of its general partner interests or incentive distribution rights in the Partnership, and Enterprise will be admitted as a limited partner of the Partnership and be issued Partnership Common Units equal to the converted Partnership Common Units held by unitholders other than Enterprise or its subsidiaries.

The conflicts committee (the Conflicts Committee) of the board of directors of the General Partner (the GP Board) has unanimously in good faith approved the Merger Agreement and the transactions contemplated thereby, including the Merger, determined that they are fair and reasonable to and in the best interests of the Partnership and the Partnership unaffiliated unitholders (consisting of Partnership unitholders other than Enterprise and its affiliates, the Partnership and its subsidiaries and the directors and executive officers of the General Partner), and resolved to approve and recommend the approval of the Merger Agreement and the consummation of the transactions contemplated thereby, including the Merger, to the GP Board. Based upon such approval by the Conflicts Committee, the GP Board has unanimously approved and adopted the Merger Agreement and the transactions contemplated thereby, including the Merger, and directed that the Merger Agreement be submitted to the holders for approval at a meeting of such holders for the purpose of approving the Merger Agreement and the Merger.

The Merger Agreement contains customary representations and warranties and covenants by each of the parties. Completion of the Merger is conditioned upon, among other things: (1) approval of the Merger by holders of a majority of the outstanding Partnership Common Units (after giving effect to the Conversion); (2) applicable regulatory approvals; (3) the absence of certain legal injunctions or impediments prohibiting the transactions; (4) the validity of the representations and warranties made by the parties to the Merger Agreement; (5) the effectiveness of a registration statement on Form S-4 with respect to the issuance by Enterprise of the Enterprise Common Units in

connection with the Merger; (5) the receipt of certain tax opinions; (6) approval for the listing of the Enterprise Common Units to be issued in connection with the Merger on the New York Stock Exchange; and (7) the nonoccurrence of certain events that would have a material adverse effect on the business of the Partnership or Enterprise.

The Merger Agreement provides that the Partnership will convene a meeting of Partnership unitholders to consider and vote on the approval of the Merger Agreement and the Merger, subject to the terms and conditions of the Merger Agreement. The Merger Agreement permits, subject to certain conditions, the Conflicts Committee or the GP Board to withdraw, modify or qualify its recommendations and to publicly approve or recommend an Acquisition Proposal (as defined in the Merger Agreement) (an OILT Change in Recommendation) if it has concluded in its good faith judgment, after consultation with its outside legal counsel and financial advisors, that failure to make an OILT Change in Recommendation would be inconsistent with its duties under the Partnership's partnership agreement and applicable law. If there occurs an OILT Change in Recommendation in accordance with the Merger Agreement, the Partnership is not required to call, hold or convene the meeting of unitholders.

The Merger Agreement contains provisions granting both the Partnership and Enterprise the right to terminate the Merger Agreement for certain reasons, including, among others, (1) if the Merger has not been consummated on or before March 31, 2015 (2) the failure of the Partnership to obtain approval of the Merger by the affirmative vote or consent of holders of at least a majority of the outstanding Partnership Common Units, and (3) in the event an OILT Change in Recommendation has occurred.

Support Agreement

In connection with the Merger Agreement, the Partnership entered into a Support Agreement, dated as of November 11, 2014 (the Support Agreement), by and among the Partnership, Enterprise and EPO. Pursuant to the Support Agreement, EPO agreed to vote its Partnership Common Units in favor of the adoption of the Merger Agreement at any meeting of Partnership unitholders. EPO directly owns 54,799,604 Partnership Common Units (after giving effect to the Conversion), representing approximately 66 percent of the outstanding Partnership Common Units and a sufficient vote for approval of the Merger Agreement and the Merger if voted in favor therefor pursuant to the Partnership's partnership agreement. In addition, pursuant to the Support Agreement, EPO granted an irrevocable proxy to a member of the Conflicts Committee to vote such units accordingly.

The Support Agreement will terminate upon the earlier of (i) the effective time of the Merger, (ii) the termination of the Merger Agreement in accordance with its terms, (iii) an OILT Change in Recommendation permitted under the Merger Agreement, or (iv) the written consent of the parties to the Support Agreement.
