Cypress and Spansion Announce Filing of Form S-4 Registration Statement Related to Proposed Merger

SUNNYVALE, Calif. and SAN JOSE, Calif., December 19, 2014 Cypress Semiconductor Corp. (NASDAQ: CY) and Spansion, Inc. (NYSE: CODE) today announced that Cypress has filed with the U.S. Securities and Exchange Commission a registration statement on Form S-4 containing a joint preliminary proxy statement/prospectus in connection with the proposed merger between the two companies. While this registration statement has not yet become effective and the information contained therein is subject to change, it provides important information about Cypress, Spansion and the proposed merger.

The registration statement containing the joint preliminary proxy statement/prospectus is available through the SEC's website at www.sec.gov and via Cypress's IR website at <http://investors.cypress.com/sec.cfm> and Spansion's IR website at <http://investor.spansion.com/sec>.

The closing of the transaction is subject to customary conditions, including approval by Cypress and Spansion stockholders and review by regulators in the U.S., Germany and Japan. The companies have determined that approval in China is not needed. Regulatory filings have been made in the U.S. and Germany and the companies expect to file in Japan within the next thirty days. As previously announced, the merger agreement was unanimously approved by the boards of directors of both companies, and Cypress and Spansion expect the deal to close in the first half of 2015.

On December 1, 2014, Cypress and Spansion entered into a definitive agreement to merge in an all-stock, tax-free transaction valued at approximately \$4 billion. The post-merger company will generate more than \$2 billion in revenue annually and create a leading global provider of microcontrollers and specialized memories needed in today's embedded systems. Under the terms of the agreement, Spansion shareholders will receive 2.457 Cypress shares for each Spansion share they own. The shareholders of each company will own approximately 50 percent of the post-merger company.
