II.

A Verification Opinion of the Supervisory Committee on the (Adjusted) List of Participants and Number of Share Options to Be Granted under the Initial Grant of the Share Option Incentive Scheme

After the Share Option Incentive Scheme (Draft) was reviewed and adopted at the Second Meeting of the Eighth Session of the Board of Directors of the Company, there were in total 14 participants under the initial grant who had their positions changed and their positions ceased to fall into the scope of positions qualified for the initial grant of the Share Option Incentive Scheme, therefore such participants were removed from the list of participants under the initial grant. The Supervisory Committee agrees that the Company may adjust the list of participants and the amount of share options granted under the initial grant of share options as follows: the number of participants under the initial grant of share options shall be adjusted from 228 to 214, and the number of share options granted shall be adjusted from 41,030,000 to 38,760,000.

Table of Contents

The above adjustments made by the Company to the list of participants and number of share options granted under the initial grant of share options comply with laws and regulations including the *Administrative Measures Governing Share Incentive Schemes of Listed Companies (Trial)* (the Administrative Measures), the *Interim Measures for the Implementation of Share Incentive Schemes by (Domestic) State-controlled Listed Companies* (the Interim Measures for State-controlled Listed Companies) and the *Memorandum No.1-3 Regarding Matters of Share Incentive Schemes* (the Memorandum No. 1-3) and applicable provisions under the Share Option Incentive Scheme.

No participant of initial grant of share options by the Company (as adjusted) has been publicly condemned or announced by any stock exchange as inappropriate, or has received any administrative penalty by the CSRC due to substantial illegal acts or non-compliance in the past three years; all participants on the list satisfy conditions for the participants under the Administrative Measures, Interim Measures for State-controlled Listed Companies and Memorandum No. 1-3, fall into the scope of participants under the Share Option Incentive Scheme and are legally and validly qualified as participants of the initial grant under the Company's A-share Share Option Incentive Scheme.

III. Impact of the Initial Grant under the Share Option Incentive Scheme on the Financial Condition of the Company

The Share Option Incentive Scheme will have certain impact on the financial condition and operating results of the relevant years. In accordance with the Enterprise Accounting Standards No. 11 Share-based Payment, the Company has elected the Black-Scholes option pricing model to calculate the fair value of the share options granted under the scheme. The board has approved 6 January 2015 (Tuesday) as the grant date of the share options. Assuming that all 214 participants have exercised their options within their respective exercisable periods, the costs of the granted share options during each exercisable period are estimated as follows:

	Weighted average of fair value (RMB/share)	Option cost (RMB 10,000)	2015 (RMB 10,000)	2016 (RMB 10,000)	2017 (RMB 10,000)	2018 (RMB 10,000)
Number of share options (10,000)						
3876	1.69	6,541.24	2,380.11	2,380.11	1,222.67	558.36

The cost of share options will be recognized as recurring gains/losses. The above impact on the financial condition and operating results of the Company are estimation only and the figures in the annual audit report issued by the accountants shall prevail.
