SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (Exchange Act) requires our directors and executive officers and any persons who own more than 10% of our common stock to file reports with the SEC with respect to their ownership of common stock. Directors, executive officers and persons owning more than 10% of our common stock are required to furnish us with copies of all Section 16(a) reports they file.

Based solely on our review of the copies of such reports received by us and any written representations from reporting persons that no other reports were required of those persons, we believe that during 2014 all such reports required to be filed by our directors and executive officers were filed, except for inadvertent failures to file with respect to purchases of common stock by each of Mr. Sanchez and Mr. Blanco in January 2014; an initial statement of beneficial ownership in April 2014 by Mr. Plush; and an initial statement of beneficial ownership in April 2014 by Ms. Ueberroth.

CODE OF CONDUCT AND ETHICS

We have adopted our Business Conduct Statement as our Code of Conduct and Ethics applicable to all officers, directors and employees. The Business Conduct Statement is publicly available on our web site at <http://investors.santanderconsumerusa.com>.

DIRECTOR NOMINATION PROCESS

The Stockholders Agreement, by and among SCUSA, SHUSA, Mr. Dundon, and certain other holders of SCUSA common stock, which we refer to as the Stockholders Agreement, provides SHUSA with special rights to nominate directors to our Board of Directors. See Certain Relationships and Related Party Transactions Stockholders Agreement for further information. Pursuant to the Stockholders Agreement, because SHUSA currently holds a majority of SCUSA's common stock, SHUSA is entitled to nominate a majority of our Board members. The Stockholders Agreement provides further that SHUSA may remove any director nominated by SHUSA with or without cause. In addition, SHUSA has the right to designate a replacement to fill a vacancy on our Board of Directors created by the departure of a director that was nominated by SHUSA, and we are required to take all action within our power to cause such vacancy to be filled by such designated replacement (including by promptly appointing such designee to

the Board of Directors).

Also, pursuant to the Stockholders Agreement, Mr. Dundon has the right to serve on our Board so long as (i) he is the CEO of the Company or (ii) (a) he owns least 5% of our then-outstanding shares of common stock. (excluding shares acquired pursuant to any equity-based compensation plan) and (b) he has continued to comply with certain provisions of his employment agreement with the Company.

Table of Contents

With respect to directors not nominated by SHUSA other than Mr. Dundon, the Board of Directors identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination. If any member of the Board of Directors does not wish to continue in service or if the Board of Directors decides not to re-nominate a member for re-election, the Board of Directors then identifies the desired skills and experience of a new nominee in light of the criteria described above. Current members of the Board of Directors are polled for suggestions as to individuals meeting the criteria described above. The Board of Directors may also engage in research to identify qualified individuals. In evaluating a director nominee, the Board of Directors considers the following factors:

our needs with respect to the particular talents and experience of our directors;

the nominee's knowledge, skills and experience, including experience in finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board of Directors;

whether the nominee is independent, as that term is defined under New York Stock Exchange listing standards;

the familiarity of the nominee with our industry;

the nominee's experience in legal and regulatory affairs;

the nominee's experience with accounting rules and practices; and

the desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new Board members.

Our goal is to assemble a Board of Directors that brings together a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Board of Directors will also consider candidates with appropriate non-business backgrounds.

Other than the foregoing, there are no stated minimum criteria for director nominees. The Board of Directors may also consider such other factors as it may deem in our best interests and the best interest of our stockholders. We also believe it may be appropriate for key members of our management to participate as members of the Board of Directors.

Subject to the rights of our majority stockholder and Mr. Dundon, stockholders may nominate candidates for election to the Board of Directors. In order to nominate a candidate for election to the Board of Directors, stockholders must follow the procedures set forth in our Bylaws, including timely receipt by the secretary of SCUSA of notice of the nomination and certain required disclosures with respect both to the nominating stockholder and the recommended

director nominee. For complete description of the requirements and procedures for stockholder nominations, please refer to our Bylaws.

Directors may be elected by a plurality of votes cast at any meeting called for the election of directors at which a quorum is present. The presence of a majority of the holders of our Common Stock, whether in person or by proxy, constitutes a quorum. The Board of Directors did not receive any recommendations from stockholders (other than SHUSA) requesting that the Board of Directors consider a candidate for inclusion among the nominees in our proxy statement for our annual meeting. The absence of such a recommendation does not mean, however, that a recommendation would not have been considered had one been received.

ITEM 11. Executive Compensation.

EXECUTIVE AND DIRECTOR COMPENSATION

Compensation Discussion and Analysis

Executive Summary

This Compensation Discussion and Analysis describes the material elements of compensation awarded to, earned by, or paid to each of our executive officers who are included in the Summary Compensation Table, who we collectively refer to as our named executive officers or NEOs and focuses on the information contained in the following tables and related footnotes primarily for the fiscal year ended December 31, 2014.

For the fiscal year ended December 31, 2014, our named executive officers were:

Thomas G. Dundon, our Chairman and Chief Executive Officer;

Jason A. Kulas, our President and Chief Financial Officer;

Jason W. Grubb, our Chief Operating Officer, Originations;

Eldridge A. Burns, Jr., our Chief Legal Officer; and

Brad Martin, our Chief Operating Officer, Servicing.

In addition, this Compensation Discussion and Analysis explains the overall objectives of our executive compensation program, how each element of our executive compensation program is designed to satisfy these objectives, and the policies underlying our 2014 compensation program.

We design our executive compensation program to be consistent with best practices, support our businesses in achieving their key goals and imperatives, and drive stockholder value. We believe that our pay programs, which are intended to comply with directives from our regulators, are governed by a set of sound principles.

Philosophy and Objectives of Our Executive Compensation Program. The fundamental principles that we follow in designing and implementing compensation programs for the NEOs are to:

attract, motivate, and retain highly skilled executives with the business experience and acumen necessary for achieving our long-term business objectives;

link pay to performance;

align, to an appropriate extent, the interests of management with those of our stockholders; and

support our core values, strategic mission, and vision.

We aim to provide a total compensation package that is comparable to that of other financial institutions in the geographic area in which the NEOs are located, taking into account publicly available information considered by our Chief Executive Officer and Chief Human Resources Officer; however, we did not engage in formal market or industry benchmarking in fiscal year 2014. Within this framework, we consider each component of each NEO's compensation package independently; that is, we do not evaluate what percentage each component comprises of the total compensation package. In fiscal year 2014, we took into account individual performance, level of responsibility, and track record within the organization in setting each named executive officer's compensation.

Process for Determining Executive Compensation

SCUSA Compensation Committee. The Compensation Committee of our Board of Directors sets compensation for our executive officers including our NEOs and has oversight of, among other things, adoption, modification or termination of the terms of our executive equity-based incentive plan(s) (in which our NEOs participate) and approval of amounts paid to our NEOs under our executive equity-based incentive plans.

Benchmarking and Independent Compensation Consultant. While we engaged Semler Brossy Consulting Group, LLC during fiscal year 2014 for market and industry benchmarking regarding compensation for our independent directors, we did not engage any compensation consultant for market and industry benchmarking regarding compensation for our NEOs and executive officers for fiscal year 2014.

Principal Components of Executive Compensation

The Compensation Committee uses the following elements of compensation to attract and retain NEOs and maintain a stable team of effective leaders, to balance the compensation of the NEOs with the short-term and long-term objectives of the Company, and to align the interests of the NEOs with the interest of our stockholders. For fiscal year 2014, the compensation that we paid to our NEOs consisted primarily of base salary and short- and long-term incentive opportunities, as we describe more fully below. In addition, the NEOs were eligible for participation in company-wide welfare benefits plans, and we provided the NEOs with certain welfare benefits and perquisites not available to our employees generally, as we describe more fully below. The principal elements of compensation available to the NEOs include:

Element	Description and Purpose
Base Salary	<p>Fixed cash compensation component that reflects the executive's position and responsibilities.</p> <p>Offers security for NEOs and allows the Company to maintain a stable management team.</p>
Annual Bonus	<p>Annual bonus program designed to motivate and reward the achievement of Company and/or individual performance goals.</p> <p>In 2014, the Compensation Committee awarded discretionary bonuses to our NEOs.</p> <p>A portion of the bonus was deferred in cash and restricted stock units (RSUs) pursuant to the Santander Management Board Compensation Policy and Identified</p>

Staff Plan (as more fully described below).

Long-Term Equity-Based Incentive Compensation

In 2014, long-term equity-based incentives consisted of time-vesting stock options, which vest over a five-year period subject to continued service (with certain exceptions).

Aligns long-term NEO and stockholder interests.

Retirement Benefits; Welfare Benefits; Perquisites

Provide NEOs with security during employment and into retirement and are competitive with overall market practices.

Employment and Change in Control Agreements

Severance benefits provided to certain NEOs upon certain terminations of employment (as more fully described below).

Facilitates retention of NEOs by providing income security in the event of job loss and/or change in control.

Table of Contents***Base Salary***

Base salary reflects each NEO's level of responsibility, leadership, tenure and the Compensation Committee's subjective evaluation of the NEO's contribution to the performance and profitability of the Company. In establishing each NEO's annual base salary, the Compensation Committee considered market salary data, our budget, achievement of performance objectives and our CEO's assessment of the NEO's performance. Except for Mr. Martin, the base salaries of the NEOs were generally set in accordance with each NEO's employment agreement. While each such NEO's employment agreement provides for the possibility of increases in base salary, annual increases are not guaranteed. The Compensation Committee reviewed the NEOs' base salaries in 2014 and determined that base salary increases were warranted for 2015 as set forth below.

The following table provides detail regarding 2014 and 2015 base salaries for each NEO:

Name	2014 Annualized Base Salary	2015 Annualized Base Salary	Percentage Increase
Thomas Dundon	\$ 2,625,000	\$ 2,703,750	3.0%
Jason Kulas	\$ 890,000	\$ 916,700	3.0%
Jason Grubb	\$ 647,059	\$ 666,471	3.0%
Eldridge Burns	\$ 346,000	\$ 352,920	2.0%
Brad Martin	\$ 383,000	\$ 394,490	3.0%

Senior Executive Annual Bonus Plan

For 2014, the annual compensation of our executive officers included discretionary bonus payments (payable in cash and RSUs) pursuant to the Company's Senior Executive Annual Bonus Plan (the "Bonus Plan").

The Bonus Plan is intended to provide an incentive for superior work and to motivate covered key executives toward even greater achievement and business results, to tie their goals and interests to those of ours and our stockholders and to enable us to attract and retain highly qualified executives.

The Bonus Plan is a bonus plan under which our executive officers, including our NEOs, will be eligible to receive bonus payments with respect to a specified period (for example, our fiscal year). Bonuses under the Bonus Plan may be performance-based or discretionary.

For 2014, the Compensation Committee reviewed the Company's 2014 fiscal-year performance and the individual performance of each NEO and approved discretionary bonuses for each such NEO as follows:

Named Executive Officer	2014 Discretionary Bonus Approved
Thomas Dundon	\$ 3,840,000
Jason Kulas	\$ 1,020,000
Jason Grubb	\$ 663,000
Eldridge Burns	\$ 265,200
Brad Martin	\$ 293,250

For fiscal year 2014, awards under the Bonus Plan were payable in cash and RSUs. The cash amounts of the Bonus Plan awards (both immediately payable and deferred) are reflected in the Bonus column of the Summary Compensation Table. The RSU portion of the Bonus Plan awards were issued from the SCUSA Omnibus Incentive Plan in March 2015 for Messrs. Burns and Martin and April 2015 for Messrs. Dundon, Kulas and Grubb and will be reflected in the Stock Awards column of the Summary Compensation Table for 2015. For information about the requirement for our executive officers, including our NEOs, to defer a portion of their bonus awards, please see *Santander's Management Board Compensation Policy and Identified Staff Plan*.

Table of Contents***Santander Management Board Compensation Policy and Identified Staff Plan***

As we are a controlled company, owned indirectly by Banco Santander S.A (Santander), certain of our executive officers, including our NEOs, and other identified staff are subject to Directive 2013/36/EU (CRD IV) promulgated by the European Parliament and Council of the European Union. Under Santander s Management Board Compensation Policy and Identified Staff Plan, certain identified staff, including all of our executive officers and all of our NEOs, are required to defer receipt of a portion of their variable compensation (including all bonuses paid under the Bonus Plan) in order to comply with CRD IV.

Accordingly, each NEO s aggregate award under the Bonus Plan in respect of fiscal year 2014 was payable 50% in cash (a portion of which was deferred, except for the awards for Messrs. Kulas and Grubb) and 50% in the form of RSUs (a portion of which were vested and settled immediately and a portion of which were subject to vesting). After the shares subject to the RSUs are settled, they will remain subject to transfer and sale restrictions for a period of one year. The following table reflects the portions of each NEO s award for the fiscal year 2014 that was payable in form of cash and RSUs:

Named Executive Officer	Cash Portion of 2014	RSU Portion of 2014
	Bonus Award(\$)	Bonus Award(\$)
Thomas Dundon	\$ 1,920,000	\$ 1,920,000
Jason Kulas	\$ 510,000	\$ 510,000
Jason Grubb	\$ 331,500	\$ 331,500
Eldridge Burns	\$ 132,600	\$ 132,600
Brad Martin	\$ 146,625	\$ 146,625

Receipt of deferred portion of the variable compensation in respect of fiscal year 2014 (whether in the form of cash or RSUs) is contingent on the NEO remaining employed through the applicable settlement date and subject to there being no: (a) deficient financial performance of the Company; (b) material breach by the executive of any material internal rules or regulations of the Company; (c) material negative restatement of the Company s financial statements (other than any restatement undertaken as a result of a change in accounting standards); or (d) material negative change in the capitalization of the Company or in the Company s risk profile prior to the applicable settlement date.

Under the Santander Management Board Compensation Policy and Identified Staff Plan, the percentage of variable compensation that was required to be deferred in 2014 was based on each NEO s classification (as reflected in the following table) and the amount of variable compensation earned.

Classification	Percentage of Annual Bonus Award Deferred
Executive Director	60%
Senior Management	50%
Other Executives	40%

Mr. Dundon was classified as an Executive Director. Accordingly, 40% of Mr. Dundon s variable compensation with respect to fiscal year 2014 was payable immediately and the remaining 60% was deferred and will be settled over three years (2016, 2017 and 2018) in equal installments on each anniversary of the award date.

Our other executive officers, including all of our NEOs other than Mr. Dundon, were classified as Other Executives. Accordingly, 60% of their variable compensation with respect to fiscal year 2014 was payable immediately and the remaining 40% was deferred and will be settled over three years (2016, 2017 and 2018) in equal installments on each anniversary of the award date.

Table of Contents

Our NEOs deferred the following amounts of their variable compensation with respect to fiscal year 2014 pursuant to the Santander Management Board Compensation Policy and Identified Staff Plan, and will be entitled to the following amounts of cash and shares in respect of RSUs upon the applicable settlement date(s) if all applicable conditions are satisfied:

Named Executive Officer	Total Amount Deferred (\$)	Cash Deferred (\$)	RSUs Deferred (\$)
Thomas Dundon	\$ 2,304,000	\$ 1,152,000	\$ 1,152,000
Jason Kulas	\$ 408,000		\$ 408,000
Jason Grubb	\$ 265,200		\$ 265,200
Eldridge Burns	\$ 106,080	\$ 53,040	\$ 53,040
Brad Martin	\$ 117,300	\$ 58,650	\$ 58,650

Long-Term Equity-Based Incentive Compensation

The Compensation Committee believes that the NEOs should have a portion of their total compensation opportunity in the form of long-term equity-based incentive compensation, further linking compensation to increasing stockholder value. Long-term equity-based incentive compensation encourages our NEOs to create and sustain stockholder value over longer periods because the value of this compensation is directly attributable to changes in the price of our common stock over time. In addition, long-term equity-based incentive compensation promotes retention because its full value cannot be realized until vesting occurs, which generally requires continued employment for multiple years.

We previously adopted the Management Equity Plan, under which Company employees and directors (including the NEOs) were eligible to receive nonqualified stock options to purchase SCUSA common stock with an exercise price of at least the fair market value of SCUSA common stock on the date of grant. The Management Equity Plan also provides for the grant of premium priced stock options, which are granted with a per share exercise price in excess of the fair market value of SCUSA common stock on the date of grant. The Management Equity Plan expired on January 31, 2015, and accordingly, no further awards will be made under this plan.

We have also adopted the SCUSA Omnibus Incentive Plan (the Omnibus Incentive Plan), which provides for the grant of nonqualified and incentive stock options, stock appreciation rights (SARs), restricted stock awards, restricted stock units and other awards that may be settled in or based upon the value of our common stock to eligible officers, employees, directors and consultants. However, no awards were granted under the Omnibus Incentive Plan in 2014.

In 2014, three of our NEOs (Messrs. Dundon, Kulas, and Grubb) received nonqualified stock options under our Management Equity Plan that (i) have an exercise price equal to the closing price of the stock on the date of grant; (ii) will vest over a five-year period in equal amounts each year; and (iii) will expire ten years after the date of grant. The Board and the Compensation Committee believe that these awards help the Company retain executives and focus attention on longer-term performance. The Board and the Compensation Committee believe that stock options are an effective motivational tool because they only have value to the extent the stock price on the date of exercise exceeds the exercise price on the grant date and are an effective element of compensation and retention only if the stock price grows over the term of the award.

The Board determined that the size and type of each grant to each of Messrs. Dundon, Kulas and Grubb was appropriate to recognize each such NEOs significant contribution to the Company during its IPO and to encourage each such NEO's retention.

Table of Contents

Stock options were granted to the Company's NEOs under the Management Equity Plan in fiscal year 2014 as set forth below:

Named Executive Officer	Options Granted
Thomas Dundon	759,773
Jason Kulas	341,898
Jason Grubb	56,983

No awards were granted under the Omnibus Incentive Plan in fiscal year 2014.

Other Compensation

In addition to the benefits that all of our employees are eligible to receive, the NEOs are eligible to receive certain other benefits and perquisites. For fiscal year 2014, the additional benefits and perquisites included a car allowance, and Company-paid annual premiums for executive disability benefits. These benefits and perquisites are generally consistent with those paid to similarly situated SCUSA executives. Mr. Dundon's perquisites also include financial planning expenses (including tax preparation services, accounting services and financial advisory and planning services), legal and estate planning expenses, reimbursements of certain medical expenses and club membership dues.

We pay certain expenses incurred by Mr. Dundon in the operation of his private plane when used for SCUSA business within the contiguous 48 states of the United States. This increases the level of safety and security for Mr. Dundon and allows Mr. Dundon to be more productive than if commercial flights were utilized, as the private plane provides a confidential and productive environment for conducting business without the scheduling constraints imposed by commercial airline service. Under this practice, the cost to the Company of the reimbursement is based on a set flight time hourly rate, and the amount of our reimbursement is not subject to a maximum cap per fiscal year. During fiscal year 2014, the average flight time hourly rate was approximately \$5,800, and we paid approximately \$577,000 to Meregrass Inc., a charter company affiliated with Mr. Dundon that manages this operation, under this practice.

Retirement Benefits

Each of the NEOs is eligible to participate in SCUSA's qualified defined contribution retirement plan (i.e., 401(k) Plan) under the same terms as other eligible SCUSA employees, including with respect to the Company matching contribution under the 401(k) Plan. SCUSA provides these benefits in order to foster the development of the NEOs long-term careers with the Company. We do not provide defined benefit pension benefits, or nonqualified or excess retirement benefits to any of our NEOs.

Employment Agreements

We have entered into employment agreements with each of the NEOs (except for Mr. Martin), establishing key elements of compensation in addition to our generally-applicable plans and programs and that include certain restrictive covenants, such as those prohibiting post-employment competition or solicitation by the NEOs. We believe that these agreements provide stability to SCUSA and further the objectives of our compensation program, including our objective of attracting and retaining the highest quality executives to manage and lead the Company. See Potential Payments Upon Termination or Change of Control Employment Agreements and Change in Control Agreements.

Tax Considerations

Section 162(m) of the Internal Revenue Code (Section 162(m)) generally disallows a federal tax deduction to public companies for compensation greater than \$1 million paid in any tax year to specified executive officers unless the compensation is qualified performance-based compensation under that section. However, pursuant to the transition provisions under Section 162(m), certain compensation arrangements that are entered into by a corporation before it is publicly held, and that are disclosed in the corporation's registration statement, may not be subject to the deductibility limits of Section 162(m) for a period of approximately three years following the consummation of the corporation's public offering (the Exemption).

Table of Contents

To the extent that they are not intended to qualify for the Exemption, certain of our compensation arrangements are designed to permit us to grant awards that may qualify as qualified performance-based compensation; however, it is possible that awards intended to qualify for the tax deduction may not so qualify if all requirements of the qualified performance-based compensation exemption are not met. Furthermore, the Compensation Committee believes that the tax deduction is only one of several relevant considerations in setting executive compensation and takes into account a multitude of factors in making executive compensation decisions. Accordingly, the Compensation Committee may, in certain circumstances, approve compensation arrangements that provide for compensation that is not deductible for federal income tax purposes.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2014, our Compensation Committee consisted of Stephen A. Ferriss, Heidi Ueberroth and Roman Blanco. No member of the Compensation Committee was during that time or in the past an officer or employee of the Company or any of its subsidiaries. In addition, none of our executive officers served on the compensation committee of any other entity, for which any executive officers of such other entity served on either our Board or on our Compensation Committee and no member of our Compensation Committee had any relationship requiring disclosure under Item 404 of Regulation S-K.

During 2014, Mr. Dundon, our Chairman and Chief Executive Officer, served on the board of directors of SHUSA, our majority stockholder, and Roman Blanco, SHUSA's Chief Executive Officer, served on our Compensation Committee.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors has reviewed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K and discussed it with the Company's management. Based on such review and discussions with management, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Annual Report on Form 10-K.

Submitted by the Compensation Committee:

Stephen A. Ferriss

Heidi Ueberroth

Roman Blanco

COMPENSATION RISK ASSESSMENT

At least annually, the Compensation Committee conducts an assessment of the compensation policies and practices for our employees, including our executive officers, and whether such policies and practices created risks that were reasonably likely to have a material adverse effect on the Company. Our management compensation team and an executive-level management compensation risk committee assist the Compensation Committee with such risk assessment and help ensure our compensation programs align with the Company's goals and compensation philosophies and, along with other factors, operate to mitigate against the risk that such programs would encourage excessive risk-taking.

We believe our compensation programs strike the appropriate balance between short-term and long-term components. We consider the potential risks in our business when designing and administering our compensation programs, and we believe our balanced approach to performance measurement and compensation decisions works to mitigate the risk that individuals will be encouraged to undertake excessive or inappropriate risk. The Company's compensation program also is subject to internal controls, and we rely on principles of sound governance and good business judgment in administering our compensation programs.

Table of Contents

Based on its assessment in 2014, the Compensation Committee has determined, in its reasonable business judgment, that the Company's compensation policies and practices as generally applicable to its executive officers and employees do not create risks that are reasonably likely to have a material adverse effect on the Company and instead promote behaviors that support long-term sustainability and stockholder value creation.

- (1) Options with respect to SCUSA common stock were granted under the Management Equity Plan in February 2012. Time-vesting options generally vest and become exercisable over five years in equal installments subject to the participant's continued employment. With respect to the options held by Messrs. Dundon, Kulas and Grubb, our board of directors accelerated the vesting of such options effective upon the initial public offering (IPO) completed in January 2014.
- (2) Options with respect to SCUSA common stock were granted under the Management Equity Plan in February 2012. These are performance-vesting options which generally vest and become exercisable over five years in equal annual installments, based on our achievement of applicable threshold ROE targets, and subject to the participant's continued employment at each measurement date. These ROE targets were an ROE of 27.5% for each of 2012 and 2013 and 18% for each of the years 2014 through 2016. If we do not achieve the applicable threshold ROE target with respect to a measurement date, the portion of the performance-vesting option that would have vested had the ROE target been met will remain outstanding and will vest if, at any point prior to the earlier of the end of the five-year performance period or a change in control (as defined in the Management Equity Plan), we achieve an average ROE target of 25.0%, subject to the participant's continued employment through such time. With respect to the options held by Messrs. Dundon, Kulas and Grubb, our board of directors approved the acceleration of the vesting of such options (including the waiver of performance conditions) effective as of, and subject to, the occurrence of the IPO.
- (3) Options with respect to SCUSA common stock were granted under the Management Equity Plan in January 2014. These options vest and become exercisable over five years in equal installments, subject to the NEO's continued employment (and, subject to certain exceptions, in the event of a qualifying termination of employment).

- (4) Restricted shares granted under the Omnibus Incentive Plan vest ratably over five years, subject to continued employment. Vesting may be accelerated upon death, disability, termination of employment without cause or upon a change in control; provided, that, a change in control will not be deemed to occur as a result of the IPO or related transactions.
- (5) Reflects restricted shares of Santander common stock outstanding in respect of NEO bonus deferrals under Santander's Management Board Compensation Policy and Identified Staff Plan granted in 2012 and vesting over three years in equal installments.

Table of Contents

An additional annual cash retainer of \$20,000 for the chair of the Audit Committee of our Board of Directors; plus

An additional annual cash retainer of \$10,000 for being a member of the Audit Committee; plus

An additional annual cash retainer of \$10,000 for the chair of any other committee of our Board of Directors; plus

An additional annual cash retainer of \$10,000 for being a member of any other committee; plus

An annual grant of stock options or restricted stock units with a grant date fair value equal to \$50,000 that vest ratably over three years.

Effective on July 24, 2014, the additional cash retainer for the chairman of the Audit Committee was increased from \$20,000 to \$40,000, and the additional cash retainer for a member of the Audit Committee was increased from \$10,000 to \$20,000. These increases reflect the applicable directors' increased involvement and additional efforts on the Audit Committee in fiscal year 2014 in connection with the Company being a publicly-traded company within the financial services industry.

Non-independent directors do not receive cash retainers for their service on the Board of Directors.

We may reimburse directors for their expenses in connection with their Board service or pay such expenses directly. We also pay the premiums on directors' and officers' liability insurance covering the directors.

SUMMARY OF EXECUTIVE AGREEMENTS AND POTENTIAL PAYMENTS UPON

TERMINATION OR A CHANGE IN CONTROL

Employment Agreements and Change in Control Agreements

We are party to employment agreements (including change in control ("CIC") agreements) with each NEO, except for Brad Martin. These agreements set the basis for payments and benefits to which each NEO would be entitled in the event of termination of such individual's employment with our Company under various circumstances described below.

A Change in Control does not affect the timing or amount of severance payments to the NEOs under their employment agreements. See Employment Agreement with Thomas Dundon and Employment Agreements with Jason A. Kulas, Jason W. Grubb and Eldridge A. Burns, Jr.

Under the Management Equity Plan, vesting of awards is subject to acceleration upon a Change in Control. Specifically, unless otherwise provided by our Board of Directors, (i) time-vesting options will automatically vest and become exercisable, and (ii) performance-vesting options will vest to the extent that the Company achieves the applicable average return on equity target starting at the beginning of a pre-established five-year performance period and ending upon the date of the Change in Control.

Under the Management Equity Plan, Change in Control is defined as an event upon which (i) any person or group (as such terms are used in Sections 13(d) and 14(d) of the Exchange Act, or any successor provision), other than Santander and its affiliates or Sponsor Auto Finance Holdings ("Sponsor Auto") and its affiliates, becomes the beneficial owner (as defined in Rules 13d-3 and 13d-5 under the Exchange Act, or any successor provision), directly or indirectly, of more than 20% of the outstanding shares of SCUSA common stock (such person or group, the Change in Control Owner) or (ii) an event upon which Santander and its affiliates become the beneficial owners, directly or indirectly, of fewer shares of SCUSA common stock than the Change in Control Owner.

The Omnibus Incentive Plan provides that, among other things, in the event of a Change in Control, any restricted stock that was forfeitable prior to such Change in Control will become nonforfeitable. Accordingly, the restricted stock that was granted to Messrs. Dundon, Kulas and Grubb under the Omnibus Incentive Plan would immediately become fully vested upon a Change in Control.

A Change in Control is generally deemed to occur under the Omnibus Incentive Plan upon:

- (1)

the acquisition by any individual, entity or group of beneficial ownership (pursuant to the meaning given in Rule 13d-3 under the Exchange Act) of 30% or more of either (a) the outstanding shares of the Company's common stock or (b) the combined voting power of our then outstanding voting securities, with each of clauses (a) and (b) subject to certain customary exceptions;

Table of Contents

- (2) a majority of the directors who constituted our board of directors at the time the Omnibus Incentive Plan was adopted are replaced by directors whose appointment or election is not endorsed by at least two-thirds of the incumbent directors then on the board of directors;
- (3) approval by our stockholders of the Company's complete dissolution or liquidation; or
- (4) the consummation of a merger of the Company, the sale or disposition by the Company of all or substantially all of its assets, or any other business combination of the Company with any other corporation, other than any merger or business combination following which (a) the individuals and entities that were the beneficial owners of the outstanding common stock and the voting securities immediately prior to such business combination beneficially own more than 50% of the then-outstanding shares of common stock and combined voting power of the then-outstanding voting securities entitled to vote generally in the election of directors of the entity resulting from such business combination in substantially the same proportions as immediately prior to such business combination, (b) no person beneficially owns 30% or more of the then-outstanding shares of common stock of the entity resulting from such business combination or the combined voting power of the then-outstanding voting securities of such entity and (c) at least two-thirds of the members of the board of directors of the parent company (or, if there is no parent company, the surviving company) following the consummation of the transaction were members of the board of directors at the time the execution of the initial agreement providing for the transaction was approved.

Employment Agreement with Thomas Dundon

Santander and the Company entered into an employment agreement with Mr. Dundon on December 31, 2011, which amended and restated the obligations of the parties under a prior agreement, dated September 23, 2006, as amended. Mr. Dundon's employment agreement has an initial term of five years and, unless earlier terminated, will automatically extend annually for additional one-year terms following that time, unless any party provides written notice at least 90 days prior to such anniversary date that such party did not agree to renew the employment agreement. The employment agreement provides for an initial base salary of \$1,500,000 per year, which will be reviewed annually and is subject to increase at the discretion of our board of directors. In addition to base salary, Mr. Dundon is eligible to receive an annual cash performance bonus with a target of no less than 100% of his then-current base salary and a maximum of up to 250% of his then-current base salary. The employment agreement also provides that, among other things, Mr. Dundon has a right to participate in all equity compensation programs and all other employee benefit plans and programs generally available to SCUSA's senior executives and receive reimbursement of reasonable expenses in accordance with SCUSA's policies and practices.

Subject to Mr. Dundon's execution of a general release and waiver, if Mr. Dundon's employment is terminated by SCUSA for any reason other than cause (but excluding death or disability), or if Mr. Dundon resigns for good reason (as defined below), Mr. Dundon is entitled to:

an amount equal to two times the sum of his then-current base salary and the target annual cash performance bonus then in effect, payable in a lump sum;

a lump sum payment equal to his then-current base salary, prorated through the date of termination; and

continuation of welfare benefits (including life, long-term disability and other fringe benefits) for Mr. Dundon and his dependents, on the same basis as provided to actively employed senior executives of SCUSA, until (i) the third anniversary of Mr. Dundon's termination of employment, or (ii) with respect to benefits under SCUSA's health insurance plan, the 18-month anniversary of Mr. Dundon's termination of employment.

If Mr. Dundon's employment is terminated as a result of his death or inability to perform (generally defined as being disabled under SCUSA's long-term disability plan), he is entitled to (i) a lump sum payment equal

Table of Contents

to his then-current base salary, prorated through the date of termination, and (ii) in the event of a termination of employment due to inability to perform only, continuation of welfare benefits (including life, long-term disability and other fringe benefits) for Mr. Dundon and his dependents, on the same basis as provided to actively employed senior executives, until the third anniversary of Mr. Dundon's termination of employment, or, with respect to benefits under SCUSA's health insurance plan, the 18-month anniversary of Mr. Dundon's termination of employment.

Pursuant to the terms of his employment agreement, Mr. Dundon is subject to the following restrictive covenants: (i) perpetual confidentiality; (ii) non-solicitation of employees, customers, suppliers or vendors of SCUSA or its affiliates during the term of employment and for a period of two years thereafter (subject to certain exceptions described in this paragraph, the Dundon Restricted Period); (iii) non-competition during the term of employment and for the Dundon Restricted Period; (iv) cooperation in the context of litigation involving SCUSA or its affiliates; and (v) non-disparagement of SCUSA, its affiliates, or their products, services or operations, officers, directors or employees during the term of employment and for the Dundon Restricted Period. The Dundon Restricted Period will be reduced to 18 months in the event Mr. Dundon's employment is terminated by SCUSA for cause. In the event that SCUSA delivers written notice to Mr. Dundon of its desire to not extend the term of the employment agreement, the restrictive covenants will lapse on the last day of the employment term unless, on or before the end of the employment term, SCUSA makes a lump sum payment to Mr. Dundon equal to the sum of his base salary and target bonus in effect on the employment termination date, subject to Mr. Dundon's execution of a general release and waiver. If SCUSA makes such a lump sum payment, the Dundon Restricted Period will extend for one year following Mr. Dundon's termination of employment.

In the event that a payment is made to Mr. Dundon in connection with a change in control such that an excise tax imposed by Code Section 4999 applies, Mr. Dundon is entitled to a gross-up payment in an amount such that after payment of all taxes (including interest and penalties imposed with respect thereto), Mr. Dundon retains an amount as if the excise tax did not apply. However, if the amount otherwise due to Mr. Dundon is not more than 110% of the amount that he could receive without triggering the excise tax, the amount shall be reduced so that the excise tax does not apply.

Mr. Dundon's employment agreement defines Cause as (i) breach of the agreement or other certain agreements to which Mr. Dundon and the Company are parties in any material respect; (ii) gross negligence or willful, material malfeasance, misconduct or insubordination in connection with the performance of duties; (iii) willful refusal or recurring failure to carry out written directives or instructions of our board of directors that are consistent with the scope and nature of duties and responsibilities; (iv) willful repeated failure to adhere in any material respect to any material written policy or code of conduct of the Company; (v) willful misappropriation of a material business opportunity, including attempting to secure or securing any personal profit in connection with any transaction entered into on behalf of the Company; (vi) willful misappropriation of any of the Company's funds or material property; or (vii) conviction of, or the entering of a guilty plea or plea of no contest with respect to, a felony or the equivalent thereof, any other crime involving fraud or theft or any other crime with respect to which imprisonment is a possible punishment or the indictment (or its procedural equivalent) for a felony involving fraud or theft. Any termination of Mr. Dundon's employment for Cause requires the board of directors to provide prior written notice to Mr. Dundon, a 15-day cure period, and an opportunity for Mr. Dundon to defend himself to the board of directors, other than a termination indicated in (vii), above.

A termination for Good Reason occurs if Mr. Dundon terminates his employment for any of the following reasons: (i) any material failure by the Company to comply with its compensation obligations under the agreement; (ii) any material failure by the Company to require a successor to assume the agreement; (iii) a substantial reduction in the executive's responsibilities or duties except in accordance with the terms of the agreement; (iv) any relocation of the principal place of business of 20 miles or more; (v) materially increasing the travel required in the performance of

duties under the agreement for a period of more than three consecutive months; (vi) assignment of duties that are inconsistent with the executive's role; (vii) the reduction in executive's title, except as contemplated by agreements or the articles of incorporation or bylaws; (viii) a material reduction in the executive's responsibilities; or (ix) a resignation for any reason during the 30-day period following the date that is six months after a change in control of the Company. Mr. Dundon must provide SCUSA with written notice prior to any termination for Good Reason, following which SCUSA will have a 30-day period in which to remedy the circumstance.

Table of Contents

Mr. Dundon's employment agreement defines "Change of Control" as the occurrence of either of the following events, other than in connection with an IPO: (i) more than 50% of the equity interests in SCUSA (excluding any equity interests owned by Mr. Dundon) are at any time owned directly or indirectly by a person or entity other than Santander and its affiliates; or (ii) SCUSA sells all or substantially all of the assets owned by it, or ceases to engage in the business of acquiring from automobile dealers retail installment contracts originated in the United States whose obligors have on average, at origination, FICO® scores of less than 660.

Employment Agreements with Jason A. Kulas, Jason W. Grubb and Eldridge A. Burns, Jr.

SCUSA entered into employment agreements with Messrs. Kulas, Grubb and Burns on May 1, 2009. All of the employment agreements have an initial term of three years and, unless earlier terminated, will automatically extend annually for additional one-year terms following that time, unless any party provides written notice at least three months prior to such anniversary date that such party did not agree to renew the employment agreement. The employment agreements provide for an initial monthly base salary (for Mr. Kulas, \$30,943 per month, for Mr. Grubb, \$25,750 per month and for Mr. Burns, \$15,471 per month), eligibility to receive an annual cash performance bonus, certain deferred bonus payments and participation in equity compensation programs available to SCUSA's senior executives. The employment agreements also provide that, among other things, each of Messrs. Kulas, Grubb and Burns have a right to participate in employee benefit plans and programs generally made available by SCUSA and receive reimbursement of reasonable expenses in accordance with SCUSA's policies and practices.

Subject to their execution of a general release and waiver, if any of Messrs. Kulas, Grubb or Burns' employment is terminated by us without cause (but excluding death or disability), or if he resigns because of a reduction in his base salary or target bonus opportunity, each of Messrs. Kulas, Grubb and Burns will be entitled to:

salary continuation for the longer of 12 months or the balance of the employment agreement term;

full annual cash performance bonus for the calendar year in which the termination of employment occurs;

certain deferred bonus payments;

accelerated vesting and settlement of equity-related awards; and

continuation of medical and dental insurance under COBRA and continuation of life insurance coverage, in each case, for the longer of 12 months or the balance of the employment agreement term.

If any of Messrs. Kulas, Grubb, or Burns' employment is terminated by us for good reason, he will be entitled to (i) a lump sum payment equal to 12 months of base salary, (ii) full annual cash performance bonus for the calendar year in which the termination of employment occurs, (iii) certain deferred bonus payments and (iv) continuation of medical and dental insurance under COBRA for 12 months.

If any of Messrs. Kulas, Grubb or Burns' employment is terminated as a result of disability (generally defined by reference to SCUSA's disability plans), he will be entitled to (i) a payment in lieu of short-term salary continuation benefits (only in the event that they are not eligible for short-term benefits due to lack of service with SCUSA), and

(ii) prorated portions of his annual cash performance bonus for the year of termination and, in certain cases, for subsequent years.

If any of Messrs. Kulas, Grubb or Burn s employment is terminated as a result of death, their estates will be entitled to (i) 12 months of salary continuation, (ii) full annual cash performance bonus for the calendar year in which the termination of employment occurs, and (iii) continuation of medical and dental insurance for their dependents for the longer of 12 months or the balance of the employment agreement term.

Pursuant to the terms of their employment agreements, each of Messrs. Kulas, Grubb and Burns is subject to the following restrictive covenants: (i) perpetual confidentiality; (ii) non-solicitation of employees of SCUSA or its affiliates during the term of employment and for one year thereafter; (iii) non-competition during the term of

Table of Contents

employment and for any period thereafter that he is receiving severance payments; (iv) cooperation in the context of litigation involving SCUSA or its affiliates during the term of employment and for the pendency of any such litigation or other proceeding; and (v) perpetual non-disparagement of SCUSA, its affiliates, or their officers or directors.

Messrs. Kulas, Grubb and Burn's employment agreements each define "Cause" as (i) dishonesty; (ii) embezzlement, fraud, or other conduct which would constitute a felony, (iii) unauthorized disclosure of confidential information, (iv) failure to obey a material lawful directive that is appropriate to the executive's position and from executive(s) in the executive's reporting line; (v) material breach of the agreement; or (vi) failure (except in the event of disability) or refusal to substantially perform material obligations under the agreement.

Messrs. Kulas, Grubb and Burn's employment agreements each define "Good Reason" as termination of employment by us if, in the reasonable opinion of Mr. Dundon in his capacity as the Chief Executive Officer of SCUSA (for so long as Mr. Dundon is Chief Executive Officer of SCUSA), such NEO has not met the expectations or fulfilled the responsibilities required of his position.

**TABULAR INFORMATION REGARDING POTENTIAL PAYMENTS UPON
TERMINATION OR A CHANGE IN CONTROL**

STOCK OWNERSHIP INFORMATION

The following table provides information regarding the beneficial ownership of our common stock as of April 21, 2015 (unless otherwise noted) by (i) each person known to beneficially own more than 5% of our common stock; (ii) each of our directors and director nominees; (iii) each of our NEOs; and (iv) all current directors and director nominees and executive officers as a group.

For purposes of this table, beneficial ownership (as defined in Rule 13d-3 of the Exchange Act) takes into account shares as to which the individual has or shares voting or investment power as well as shares that may be acquired within 60 days (such as by exercising vesting stock options or SARs, or the vesting of RSUs) and is different from beneficial ownership for purposes of Section 16 of the Exchange Act. As a result, the numbers below may differ from the numbers reported in forms filed pursuant to Section 16.

Edgar Filing: Santander Consumer USA Holdings Inc. - Form 10-K/A

To our knowledge and unless otherwise indicated, each stockholder listed below has sole voting and investment power over the shares listed as beneficially owned by such stockholder. Percentage of ownership is based upon 349,987,627 shares of common stock outstanding as of April 21, 2015. Number of shares held by beneficial owners of more than 5% of our common stock are as of the date of the applicable SEC filings made by those owners (unless otherwise noted), however, percentages have been recalculated as of April 21, 2015.

ITEM 13. Certain Relationships and Related Party Transactions, and Director Independence.
RELATED PARTY TRANSACTIONS

Transactions by us with related parties are subject to a formal written policy, as well as regulatory requirements and restrictions. Under our written policy, our directors and director nominees, executive officers and holders of more than 5% of our common stock, including their immediate family members, will not be permitted to enter into a related party transaction with us, as described below, without the consent of our Audit Committee. Any request for us to enter into a transaction in which the amount involved exceeds \$120,000 and any such party has a direct or indirect material interest, subject to certain exceptions, will be required to be presented to our Audit Committee for review, consideration and approval. Management will be required to report to our Audit Committee any such related party transaction and such related party transaction will be reviewed and approved or disapproved by the disinterested members of our Audit Committee.

The following is a summary of material provisions of various transactions we have entered into with our executive officers, directors (including nominees), 5% or greater stockholders and any of their immediate family members or entities affiliated with them. We believe the terms and conditions set forth in such agreements are reasonable and customary for transactions of this type.

Initial Public Offering and Subsequent Offering

On January 23, 2014, SCUSA completed an IPO in which certain stockholders sold 85,242,042 shares of Class A common stock at a public offering price of \$24.00 per share. SCUSA received no net proceeds from the offering. On September 8, 2014, SCUSA completed a secondary offering of 10,047,954 shares of common stock by Sponsor Auto, an investment vehicle jointly owned by investment funds affiliated with certain entities, including Warburg Pincus LLC and Kohlberg Kravis Roberts & Co. L.P. at a public offering price of \$18.68 per share. Sponsor Auto received all of the proceeds from the secondary offering.

Stockholders Agreement

In connection with the IPO, we entered into the Stockholders Agreement, with SHUSA, DDFS LLC, Sponsor Auto and Mr. Dundon. The Stockholders Agreement provides these stockholders, among other things, certain rights related to director nominations, approvals over certain actions taken by us and registration rights.

Board Composition

The Stockholders Agreement provides that SHUSA has the right to nominate a number of directors equal to the product (rounded to the nearest whole number of directors) of (i) a fraction, the numerator of which is the number of shares of our common stock then-held by SHUSA and the denominator of which is the total number our then-outstanding shares of common stock and (ii) the number of directors constituting our entire Board if there were no vacancies.

The Stockholders Agreement also provides that Mr. Dundon will have the right to serve as a director for so long as (x) he is our Chief Executive Officer or (y) he owns at least 5% of our then-outstanding shares of common stock (excluding shares acquired by DDFS LLC or Mr. Dundon pursuant to any equity-based compensation plan) and has continued to comply with certain provisions of his employment agreement with the Company.

The Stockholders Agreement provides that SCUSA will take all action within its power to cause the individuals nominated pursuant to the provisions of the Stockholders Agreement described above to be included in the slate of

nominees recommended by the board of directors to our stockholders for election as directors at each annual meeting of our stockholders and to cause the election of each such nominee, including soliciting proxies in favor of the election of such nominees. Each of SHUSA, Sponsor Auto and DDFS LLC has committed under the terms of the Stockholders Agreement to vote all shares of our common stock owned by such stockholder to cause the election or re-election of the individuals nominated pursuant to the provisions of the Stockholders Agreement described above. In addition, SHUSA will have the right to designate a replacement to fill a vacancy on our board

Table of Contents

of directors created by the departure of a director that was nominated by SHUSA, and we will be required to take all action within our power to cause such vacancy to be filled by such designated replacement (including by promptly appointing such designee to the board of directors).

Approval Rights

The Stockholders Agreement also provides that the following actions by us will require the approval of a majority of the directors nominated by SHUSA for so long as SHUSA's share ownership is greater than 20% of our outstanding shares of common stock:

except as required by changes in law or GAAP, any change to the material accounting policies of the Company;

except as required by changes in law or changes which are consistent with changes to the tax policies or positions of affiliates of Santander in the United States, any change to the material tax policies or positions of the Company; and

any change in the principal line of business of the Company or certain of our material subsidiaries.

Put and Call Rights

The Stockholders Agreement also provides that DDFS LLC and SHUSA have certain put and call rights relating to the shares of common stock owned by DDFS LLC. Following the expiration of Mr. Dundon's employment under his employment agreement or if Mr. Dundon's employment is terminated for death, because Mr. Dundon is unable to perform his job, by Mr. Dundon for good reason or by us for any reason other than for cause, DDFS LLC has the right, during the 90 days after such termination, to require SHUSA to purchase all (but not less than all) of the shares of common stock owned by DDFS LLC. In addition, upon the occurrence of certain events, SHUSA has the option to require DDFS LLC to sell all (but not less than all) of the shares of common stock owned by DDFS LLC. The events that trigger this call right include the expiration of Mr. Dundon's employment under his employment agreement, the termination of Mr. Dundon's employment for any reason and any default under the line of credit extended to DDFS LLC by an affiliate of Santander. All shares of common stock owned by DDFS LLC are subject to a pledge agreement for the benefit of the affiliate of Santander relating to a \$300 million line of credit extended by such affiliate of Santander to DDFS LLC (which line of credit becomes immediately due and payable upon Mr. Dundon's termination of employment for any reason). The purchase price per share upon exercise of put or call rights is generally equal to the average of the volume-weighted average price of a share of common stock for the ten trading days ending on (and including) the trading day immediately preceding a notice of exercise.

Registration Rights

The Stockholders Agreement also contains registration rights provisions with respect to our common stock. Specifically, each of Sponsor Auto and SHUSA has demand registration rights that are exercisable 180 days after the consummation of our IPO. The demand registration rights require us to register the shares of our common stock owned by Sponsor Auto or SHUSA with the SEC for sale by it to the public. We may postpone the filing of such a registration statement or suspend the effectiveness of any registration statement for a "blackout period" not in excess of 60 days if we are planning to prepare and file a registration statement for a primary offering or if there is a pending or

contemplated material acquisition or other material transaction or reorganization and our Chief Executive Officer or Chief Financial Officer reasonably concludes that such postponement or suspension would be in the Company's best interest, provided that we may not postpone the filing of a registration statement or suspend the effectiveness of a registration statement more than once during any 12-month period. The Stockholders Agreement provides that we are responsible for and must pay all fees and expenses incident to any registration described above. SCUSA completed a secondary offering in 2014 as the result of the exercise of demand registration rights by Sponsor Auto. See Initial Public Offering and Subsequent Offering above.

Table of Contents

In addition, in the event that we are registering additional shares of common stock for sale to the public, whether on our own behalf, through a demand registration (as described above) or otherwise (other than any registration relating to any employee benefit or similar plan, any dividend reinvestment plan or any acquisition by us pursuant to a registration statement filed in connection with an exchange offer), we are required to give notice of our intention to effect such a registration to each of SHUSA, DDFS LLC and Sponsor Auto. Each of these stockholders will have piggyback registration rights pursuant to which they may require us to include their shares of our common stock in any such registration, subject to certain customary limitations and other customary registration rights provisions.

Other

The Stockholders Agreement provides that neither SHUSA nor we are permitted to take any action that would cause DDFS LLC or Sponsor Auto to be required to register as a bank holding company. The Stockholders Agreement also provides that the SHUSA, DDFS LLC and Sponsor Auto have preemptive rights to purchase their respective proportionate shares of any issuance by the Company of equity securities, securities convertible into or exercisable for equity securities or securities that include an equity component, subject to certain exceptions.

We are under contract with SBNA to service the bank's retail and recreational vehicle loan portfolio, which had a balance of \$896 million as of December 31, 2014. For the years 2014, 2013 and 2012, SBNA paid \$10.0 million, \$14.8 million, and \$29.3 million, respectively, to us with respect to this agreement.

Through September 30, 2014, we were under contract with SBNA to service the bank's portfolio of Chrysler dealer loans either purchased from us or originated under a flow agreement with us. Effective October 1, 2014, this contract was terminated and replaced with a new contract which transferred the servicing of all Chrysler dealer loans from SCUSA to SBNA and required SBNA to pay SCUSA a one-time fee of \$607,000 related to the transfer of such servicing. For 2014 and 2013, SBNA paid \$8.9 million and \$987,000, respectively, in servicing fees to us related to these loans. Other Agreements

We have had a strategic finance relationship with Bluestem Brands, Inc. (*Bluestem*) since April 2013. In November 2014, Capmark Financial Group Inc. (*Capmark*), a company of which affiliates of Centerbridge Partners, L.P. (*Centerbridge*) own an approximately 32% interest, acquired Bluestem. Before our IPO in January 2014, Centerbridge, through Sponsor Auto, was a major stockholder of ours. Further, Mr. Kabaker, a member of our board of directors, is a member of Centerbridge management and also serves on the board of directors of Capmark. During 2014, we originated approximately \$343 million in loans under our agreement with Bluestem.

Produban Servicios Informaticos Generales, S.L., a Santander affiliate, is under contract with us to provide a videoconferencing system. Expenses incurred totaled \$135,000, \$152,000 and \$148,000 for the years ended December 31, 2014, 2013 and 2012, respectively.

We have entered into interest rate swaps and caps with Santander and its affiliates with a notional value of approximately \$16.3 billion as of December 31, 2014. Interest expense on these agreements includes amounts totaling \$44.4 million, \$29.7 million and \$54.4 million for the years ended December 31, 2014, 2013 and 2012, respectively.

On December 21, 2012, we entered into a Master Services Agreement with a company in which we have a cost method investment and hold a warrant to increase our ownership if certain vesting conditions are satisfied. The Master Services Agreement enables us to review credit applications of retail store customers. We began reviewing applications under terms of this Agreement on October 24, 2013 and originated \$17.4 million and \$139,000 in loans in 2014 and 2013, respectively, under this agreement.

We pay certain expenses incurred by Mr. Dundon in the operation of his private plane when used for SCUSA business within the contiguous 48 states of the United States. Under this practice, payment is based on a set flight time hourly rate. During fiscal year 2013, the average flight time hourly rate was approximately \$5,400, and we paid approximately \$496,000 to Meregrass, Inc., a 135 charter company affiliated with Mr. Dundon that manages this operation, under this practice. During fiscal year 2014, the average flight time hourly rate was approximately \$5,800, and we paid approximately \$577,000 to Meregrass, Inc.

Two of the funds that invested in Sponsor Auto, CCP II Auto Holdings LLC and KKR 2006 Auto Holdings I LLC, also were the equity investors in two LLCs that were formed in 2011 and were consolidated in our financial statements due to our being the primary beneficiary of the entities. On August 30, 2013, the funds abandoned their interests in the entities, resulting in our having full ownership of the entities, which continue to be consolidated in our financial statements. Each fund's investment in each LLC was \$5,000. At the time the LLCs were formed, we entered into indemnification agreements with each of the funds whereby we reimbursed the funds, on a grossed-up basis, for all taxes they incurred related to their investments in the LLCs. Payments under these indemnification agreements have totaled \$28,080,000, all of which was paid

during the year ended December 31, 2012. In July 2013, we recovered \$9,092,925 of this amount as a result of a tax refund to one of the funds. In November 2013, we recovered an additional \$9,172,726 and in 2014, we recovered an additional \$3,099,105. At December 31, 2014, we had a receivable of \$5,503,816, representing the remaining amount of the indemnification payments that we expect to recover as the funds receive additional tax refunds. Additionally, one of the funds served as the managing member of the VIEs until the abandonment.

On October 21, 2013, we entered into a lease for approximately 373,000 square feet at a property that now serves as our corporate headquarters, and in which property Mr. Dundon, Mr. Kulas and Mr. Sanchez each have a minority equity investment. As of December 31, 2014, future minimum lease payments for the 12-year term of the lease total approximately \$83.6 million. For the fiscal year 2014, we made \$144,000 in lease payments on this property. We made no lease payments on this property in 2013.

Director Independence

Because SCUSA is a controlled company, we are exempt from the requirement in the NYSE Listed Company Rules that a majority of our directors must be independent. In addition, we are exempt from the requirement that our NGC and our Compensation Committee be composed solely of directors who meet additional, heightened independence standards applicable to members of such committees under the NYSE Listed Company Rules and the rules of the SEC. However, effective January 22, 2015, SCUSA is subject to the requirement that all members of the Audit Committee satisfy independence requirements set forth under the NYSE Listed Company Rules and meet the additional criteria for independence of audit committee members set forth in Rule of 10A-3(b)(1) under the Exchange Act.

In making independence determinations, the Board complies with all NYSE and SEC criteria and considers all relevant facts and circumstances. Under the NYSE Listed Company Rules, to be considered independent the director must not have a disqualifying relationship, as defined in the NYSE Listed Company Rules; and the Board must affirmatively determine that the director otherwise has no direct or indirect material relationship with the Company.

The Board has determined that Mr. Ferriss, Ms. Ueberroth, Mr. Hendry and Mr. Schoellkopf are independent as defined by the NYSE Listed Company Rules and the SEC's rules. The Board has also determined that each member of the Audit Committee (Mr. Ferriss, Mr. Hendry and Mr. Schoellkopf) is an audit committee financial expert in accordance with the definition established by the SEC. Further, all of the directors, except for Mr. Dundon qualify as outside directors as defined by the NYSE Listed Company Rules.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The Audit Committee of the Board of Directors has implemented procedures under our Audit Committee Pre-Approval Policy for Audit and Non-Audit Services to ensure that all audit and permitted non-audit services provided to us are pre-approved by the Audit Committee. Specifically, the Audit Committee pre-approves the use of an independent accountant for specific audit and non-audit services, within approved monetary limits. If a proposed service has not been pre-approved pursuant to the Pre-Approval Policy, then it must be specifically pre-approved by the Audit Committee before it may be provided by our independent accountant. Any pre-approved services exceeding the pre-approved monetary limits require specific approval by the Audit Committee. The Audit Committee may delegate pre-approval authority to one or more of its members when expedition of services is necessary.

All of the audit-related, tax and all other services provided by Deloitte to us in 2014 were approved by the Audit Committee by means of specific pre-approvals or pursuant to the procedures contained in the Pre-Approval Policy. The Audit Committee has determined that all non-audit services provided by Deloitte in 2014 were compatible with maintaining its independence in the conduct of its auditing functions.
