Item 8.01 Other Events

On June 29, 2015, SS&C Technologies Holdings, Inc. (SS&C or the Company) announced that it has priced an offering of \$600 million aggregate principal amount of 5.875% senior notes due 2023 (the Notes). The offering is subject to market and other conditions, including consummation of the acquisition of Advent Software, Inc. (Advent). A copy of the press release announcing the pricing of the offering is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

The Notes will be offered in the United States only to qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the Securities Act) and, outside the United States, only to non-U.S. investors pursuant to Regulation S under the Securities Act. The Notes will not be registered under the Securities Act. Unless so registered, the Notes may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. This report shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Notes in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.

The Company intends to use a portion of the net proceeds of the Notes offering, together with the proceeds from certain other financing transactions, to finance its pending acquisition of Advent, and to use remaining net proceeds for general corporate purposes. As previously disclosed in its Current Report on Form 8-K filed on February 3, 2015, on February 2, 2015, the Company entered into an Agreement and Plan of Merger among SS&C, Arbor Acquisition Company, Inc., a wholly-owned subsidiary of SS&C, and Advent.

This Current Report on Form 8-K contains statements reflecting assumptions, expectations, projections, intentions or beliefs about future events that are intended as forward-looking statements. You can identify these statements by the fact that they do not relate strictly to historical or current facts. Examples of these statements include, but are not limited to, SS&C's ability to complete the offering, the Company's anticipated use of proceeds from the offering, and our ability to consummate the Advent Acquisition. Management cautions that any or all of SS&C's forward-looking statements may turn out to be wrong. Please read the risk factors set forth in SS&C's annual and quarterly reports filed under the Securities Exchange Act of 1934, including its 2014 Form 10-K and first quarter 2015 Form 10-Q for additional information about the risks, uncertainties and other factors affecting these forward-looking statements and SS&C generally. The Company's actual future results may vary materially from those expressed or implied in any forward-looking statements. All of the Company's forward-looking statements, whether written or oral, are expressly qualified by these cautionary statements and any other cautionary statements that may accompany such forward-looking statements. In addition, SS&C disclaims any obligation to update any forward-looking statements to reflect events or circumstances after the date hereof.
