Item 1.01. Entry into a Definitive Material Agreement

On September 3, 2015, CECO Environmental Corp. (CECO or the Company) entered into an Amended and Restated Credit Agreement among the Company, certain of the Company s subsidiaries, each lender from time to time party thereto, Bank of America as Administrative Agent, Swing Line Lender and an L/C Issuer, and each other L/C Issuer from time to time party thereto (the Amended and Restated Credit Agreement). The Amended and Restated Credit Agreement will amend CECO s existing Credit Agreement dated as of August 27, 2013, by and among CECO, certain CECO subsidiaries, Bank of America as administrative agent, and the lenders party to the agreement.

The Amended and Restated Credit Agreement provides for senior credit facilities consisting of: (a) revolving credit commitments in the aggregate amount of \$80 million (the Revolving Credit Facility) and (b) a term loan commitment in the aggregate amount of \$170 million (the Term Loan and, together with the Revolving Credit Facility, the Credit Facilities). At CECO s option and with the consent of the lenders that agree to provide the additional principal amount, the Credit Facilities may be further increased by an aggregate principal amount of \$50 million.

The Credit Facilities will accrue interest, (a) with respect to base rate loans, at a rate equal to an applicable rate of between 1.00% and 2.00% (fluctuating based on CECO s consolidated leverage ratio), plus a rate equal to the highest of (1) the Bank of America prime rate, (2) the Federal Funds rate plus 0.50% and (c) the one-month LIBOR rate plus 1.00% and (b) with respect to Eurocurrency rate loans, at a rate equal to an applicable rate of between 2.00% and 3.00% (fluctuating based on CECO s consolidated leverage ratio) plus a rate equal to the one, two, three or six-month LIBOR rate, as selected by CECO.

The Credit Facilities will terminate and all amounts outstanding thereunder will be due and payable in full on the fifth anniversary following the closing of the Credit Facilities. The closing of the Credit Facilities was subject to customary conditions precedent for financings of this type. The parties to the Amended and Restated Credit Agreement provided covenants and made representations and warranties that are usual and customary for transactions of this type. The Amended and Restated Credit Agreement also contains customary indemnity provisions.

The foregoing description of the Amended and Restated Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of (i) the Amended and Restated Credit Agreement, (ii) the Company Guaranty Agreement, (iii) the Subsidiary Guaranty Agreement, (iv) the Security Agreement, and (v) the Securities Pledge Agreement, copies of which are attached hereto as Exhibit 10.1, Exhibit 10.2, Exhibit 10.3, Exhibit 10.4, and Exhibit 10.5, respectively, and are incorporated by reference herein.

Item 2.01. Completion of Acquisition or Disposition of Assets

On September 3, 2015, the Company completed its acquisition of PMFG, Inc., a Delaware corporation (PMFG). Pursuant to an Agreement and Plan of Merger, dated as of May 3, 2015 (the Merger Agreement), among the Company, Top Gear Acquisition Inc., a Delaware corporation and a direct wholly owned subsidiary of the Company (Merger Sub I), Top Gear Acquisition II LLC, a Delaware limited liability company and a direct wholly owned subsidiary of the Company (Merger Sub II) and PMFG, Merger Sub I merged with and into PMFG (the First Merger), with PMFG as the surviving corporation, and subsequently, also on September 3, 2015, the surviving corporation of the First Merger merged with and into Merger Sub II (the Second Merger and, together with the First Merger, the Mergers), with Merger Sub II surviving as a wholly owned subsidiary of the Company under the name PMFG Acquisition LLC.

In the First Merger, PMFG s shareholders had the option to elect to exchange each share of PMFG common stock for either (i) \$6.85 in cash, without interest (the Cash Consideration), or (ii) shares of the Company s common stock valued at \$6.85 (the Stock Consideration), based on the volume weighted average trading price of the Company s common stock for the 15-trading day period ending on September 2, 2015, the last trading day before the closing of

the First Merger (the Company Trading Price), subject to a collar so that there was a maximum exchange ratio of 0.6456 shares of Company common stock for each share of PMFG common stock and a minimum exchange ratio of 0.5282 shares of Company common stock for each share of PMFG common stock. Overall elections were subject to proration so that in the aggregate approximately 45% of the PMFG shares were exchanged for cash and 55% for shares of Company common stock.

At the effective time of the First Merger, approximately 44.5% of the shares of PMFG common stock converted into the right to receive the \$6.85 per share Cash Consideration, for an approximate total of \$64.6 million in aggregate Cash Consideration. The Company Trading Price was \$9.6655. As a result, each of the remaining shares of PMFG common stock converted into the right to receive 0.6456 shares of Company common stock, or an approximate total of 7,602,328 shares of Company common stock in aggregate Stock Consideration. Following the issuance of these additional shares, there were approximately 33,962,292 shares of Company common stock issued and outstanding.

In accordance with the proration and reallocation provisions of the Merger Agreement, because the \$6.85 per share Cash Consideration was oversubscribed by PMFG shareholders prior to the election deadline on September 1, 2015 at 5:00 p.m. Eastern time (the Election Deadline), (a) each PMFG share for which a valid stock election was made or for which no valid cash or stock election was made prior to the Election Deadline was automatically cancelled and converted into the right to receive the Stock Consideration and (b) each PMFG shareholder of record that made a valid cash election prior to the Election Deadline will receive (i) the Cash Consideration for approximately 58.05% of such holder's PMFG shares for which a valid cash election was made and (ii) the Stock Consideration for approximately 41.95% of such holder's PMFG Shares for which a valid cash election was made.

No fractional shares of Company common stock will be issued to any PMFG shareholder in the First Merger. Each PMFG shareholder who would otherwise have been entitled to receive a fraction of a share of Company common stock in the First Merger will receive cash in an amount equal to the product obtained by multiplying (i) the fractional share interest which such holder would otherwise be entitled to receive by (ii) \$9.6655 (which represents the Company Trading Price).

In addition, holders of outstanding PMFG options and restricted stock units will receive an aggregate amount of cash equal to approximately \$1.6 million as consideration for the cancellation of the options and restricted stock units held by them immediately prior to the effective time of the First Merger.

Based upon the final mix of cash and stock merger consideration described above and the trading price of the Company's common stock on the closing date of the Mergers, the Company and PMFG will report the Mergers as a reorganization under Section 368(a) of the Internal Revenue Code of 1986, as amended. To review the tax consequences of the Mergers to them in greater detail, former PMFG shareholders should refer to the Company's and PMFG's joint proxy statement/prospectus filed with the SEC, dated July 31, 2015. Specifically, former PMFG shareholders should review the section of the joint proxy statement/prospectus entitled "Material United States Federal Income Tax Consequences" beginning on page 197 of the joint proxy statement/prospectus. Former PMFG shareholders are also encouraged to consult their tax advisors as to the tax consequences of the Mergers in their particular circumstances.

As a result of the First Merger, shares of PMFG common stock have ceased trading on the NASDAQ Global Select Market Exchange and will be delisted.

The foregoing summary of the transactions contemplated by the Merger Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, which is attached as Exhibit 2.1 to the Company's Form 8-K filed with the SEC on May 4, 2015, which is incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The only change to the Plan was the addition of 700,000 shares to the total number of shares of Company common stock reserved for issuance thereunder. These risks and uncertainties include the ability to successfully integrate CECO's and PMFG's operations, product lines, technologies and employees; the ability to realize revenue and customer growth opportunities, combined revenue goals, marketing and cost synergies from the merger between CECO and PMFG in a timely manner or at all; factors related to the businesses of CECO and PMFG including economic, political and financial market conditions generally and economic conditions in CECO's and PMFG's target markets; dependence on fixed-price contracts and the risks associated with those contracts, including actual costs exceeding estimates and method of accounting for contract revenue; fluctuations in operating results from period-to-period due to cyclical nature of the businesses; the effect of the merger and related transactions on each of CECO's and PMFG's infrastructure, resources, and existing sales; the ability to expand operations in both new and existing markets; the potential for contract delay or cancellation; changes in or developments with respect to any litigation or investigation; unknown, underestimated or undisclosed commitments or liabilities; the potential for fluctuations in prices for manufactured components and raw materials; the potential impact of the announcement or consummation of the transactions on the parties' relationships with third parties, which may make it more difficult to maintain business and operational relationships; the substantial amount of debt expected to be incurred in connection with the merger and CECO's ability to repay or refinance it, incur additional debt in the future or obtain a certain debt coverage ratio; diversion of management time from each of CECO's and PMFG's ongoing operations; the impact of federal, state or local government regulations; and the effect of competition in the air pollution control and industrial ventilation industry.

These and other risks and uncertainties are discussed in more detail in CECO's and PMFG's current and future filings with the SEC, including the final prospectus/proxy statement under the heading Risk Factors, which was filed by each of CECO and PMFG on July 31, 2015, CECO's Annual Report on Form 10-K for the fiscal year ended December 31, 2014 under the heading Item 1A.
