Item 5.04 Temporary Suspension of Trading Under Registrant's Employee Benefit Plans.

Under applicable Securities and Exchange Commission rules, and as a result of General Electric Company's (GE) split-off of Synchrony Financial, GE is filing this Form 8-K to report that GE directors and executive officers may be subject to a trading blackout in GE securities, if a certain number of GE benefit plan participants and beneficiaries choose to participate in the Synchrony Exchange Offer (as defined below).

Specifically, on October 19, 2015, GE announced an offer (the Synchrony Exchange Offer) to exchange up to 705,270,833 shares of common stock of Synchrony Financial for shares of GE common stock (GE Shares) pursuant to the Prospectus, dated October 19, 2015. In the event a blackout is imposed under Section 306(a) of the Sarbanes-Oxley Act and Regulation BTR (*i.e.*, the Blackout Trading Restriction) in connection with the Synchrony Exchange Offer, GE will send a notice (the Blackout Notice) to its directors and its officers who are subject to Section 16 of the Securities Exchange Act of 1934, as amended (Section 16), informing them that they will be subject to certain trading restrictions with respect to GE Shares. Such a blackout may occur if 50% or more of the participants or beneficiaries located in the United States, its territories and possessions under the individual account plans maintained by GE, including the GE Retirement Savings Plan, ITI 401(k) Plan, Elano Profit Sharing Plan, Middle River Aircraft Systems Salaried Savings Plan, Middle River Aircraft Systems Hourly Savings Plan, Asset Management Plan For Affiliated GE Companies, GE Asset Maintenance Plan, Roper Employee Voluntary Stock Ownership Plan, Advanced Services, Inc. Employee Savings and Retirement Plan, GE Puerto Rico Savings Plan for Salaried Employees, and all similar plans sponsored by GE or one of its affiliates (each a Savings Plan and collectively, the Savings Plans), direct the trustee for the relevant Savings Plan (or its designated agent) to exchange in the Synchrony Exchange Offer some or all of the GE Shares attributable to their Savings Plan accounts. Participants in the Savings Plans who do so will be unable, during a period that is potentially longer than three consecutive business days, to exchange their account balances out of the GE Stock Funds or obtain any distributions, withdrawals or loans from the GE Stock Funds.

During the blackout period (if it occurs), subject to certain limited exemptions, directors and Section 16 officers will be prohibited from directly or indirectly purchasing, selling, acquiring or transferring any GE Shares or derivative security with respect to GE Shares acquired in connection with their service or employment as a director or Section 16 officer of GE, except that directors and Section 16 officers will have the opportunity to exchange those GE Shares in the Synchrony Exchange Offer.

Any inquiries during the blackout period (if it occurs) may be directed to:
