Item 8.01. Other Events.

Expedia, Inc. (the Company) is filing this Current Report on Form 8-K to recast certain previously reported amounts to reflect a change in segment reporting with respect to the financial information contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2014 (2014 Form 10-K).

As part of its continuous review of its business, the Company evaluated its current assets and operations, and realigned its reportable segments, effective January 1, 2015. Accordingly, the Company began considering its business in the following four reportable segments: Core Online Travel Agencies (Core OTA), trivago, Egencia and eLong. The change from two reportable segments, Leisure and Egencia, resulted in the Company's previously disclosed Leisure reportable segment being disaggregated into three segments as a result of the Company's focus on providing additional information to reflect the unique market opportunities and competitive dynamics inherent in the eLong and trivago businesses. The Company provided a description of the new reporting structure in a furnished Form 8-K dated April 9, 2015, including selected financial data disclosing the impact on the Company's historical segment results for the quarterly and annual periods of 2014 and 2013.

The Company is filing this Form 8-K to recast its consolidated financial statements for each of the three years in the period ended December 31, 2014 to reflect the changes in segment reporting as described above. The updates do not represent a restatement of previously issued financial statements. The recast information of Items contained in the Company's 2014 Form 10-K is presented in Exhibits 99.1, 99.2 and 99.3 to this Form 8-K.

The information included in this Form 8-K is presented for informational purposes only in connection with the reporting changes described above and does not amend or restate the Company's audited consolidated financial statements, which were included in its 2014 Form 10-K. This Form 8-K does not reflect events occurring after the Company filed its 2014 Form 10-K and does not modify or update the disclosures therein in any way, other than to reflect the change in segment reporting as described above. For developments subsequent to the filing of the 2014 Form 10-K, including information regarding the disposal of the eLong segment in May 2015, refer to the Company's Quarterly Reports on Form 10-Q for the quarters ended March 31, 2015, June 30, 2015 and September 30, 2015.
