Item 1.01. Entry into a Material Definitive Agreement

On December 4, 2015 (the Closing Date), Tenet Healthcare Corporation, a Nevada corporation (Tenet) entered into an Amendment No. 3 (the Amendment) to its existing \$1 billion Amended and Restated Credit Agreement dated as of October 19, 2010 (as amended, restated, supplemented or otherwise modified from time to time prior to the Closing Date, the Existing Credit Agreement); the Existing Credit Agreement, as amended by the Amendment, the New Credit Agreement), by and among Tenet, as the borrower, the lenders and issuers party thereto and Citicorp USA, Inc., as administrative agent.

The Amendment has an effective date of December 4, 2015 and amends certain provisions under the Existing Credit Agreement to, among other things, (i) extend the scheduled maturity date of the Facility (as defined below), (ii) reduce the applicable margin payable with respect to outstanding loans under the Facility, (iii) reduce the applicable commitment fee payable with respect to undrawn portions of the commitments under the Facility and (iv) remove certain restrictions with respect to the borrowing base eligibility of certain accounts receivable.

The New Credit Agreement provides for revolving loans in an aggregate principal amount of up to \$1 billion, subject to borrowing availability (the Facility), with a \$300 million sub-facility for letters of credit. Tenet's borrowing availability is calculated by reference to a borrowing base which is determined by specified percentages of eligible accounts receivable.

Tenet's obligations under the New Credit Agreement are guaranteed by substantially all of the domestic wholly-owned hospital subsidiaries of Tenet (the Subsidiary Guarantors). Tenet's and the Subsidiary Guarantors' obligations under the New Credit Agreement are secured by a first-priority lien on the accounts receivable owned by Tenet and the Subsidiary Guarantors.

The Facility will terminate on the earlier of (i) December 4, 2020 (the Scheduled Maturity Date) or (ii) 45 business days prior to the maturity date of any series of Tenet's senior notes due in 2018, 2019 or 2020 (each, a Springing Maturity Date), unless (a) prior to each Springing Maturity Date, with respect to at least 80% of the aggregate principal amount of the applicable series of notes, the maturity date is extended to a date no earlier than one year after the Scheduled Maturity Date or such amount is repaid, defeased, discharged or refinanced or (b) on each such Springing Maturity Date, the Excess Availability Condition (as defined in the New Credit Agreement), determined on a pro forma basis, after giving effect to the full repayment of the applicable series of the notes, is satisfied.

Outstanding revolving loans under the Facility accrue interest during the period prior to the first delivery of a borrowing base certificate following the Closing Date at a rate equal to either (i) a base rate plus a margin of 0.50% per annum or (ii) LIBOR plus a margin of 1.50% per annum. Thereafter, outstanding revolving loans under the Facility accrue interest at either (a) a base rate plus an applicable margin ranging from 0.25% to 0.75% per annum or (b) LIBOR plus an applicable margin of 1.25% to 1.75% per annum, in each case based upon available credit under the Facility. The undrawn portions of the commitments under the Facility are subject to a commitment fee at a rate equal to (x) during the period prior to the first delivery of a borrowing base certificate following the Closing Date, 0.375% per annum, or (y) thereafter, at a rate ranging from 0.25% to 0.375% per annum, based upon available credit under the Facility.

The administrative agent and certain lenders that are party to the New Credit Agreement, as well as certain of their affiliates, have performed, and may in the future perform, for Tenet and its subsidiaries, various commercial banking, investment banking, underwriting and other financial advisory services, for which they have received and may in the future receive customary fees and expenses.

The foregoing description of the Amendment and the New Credit Agreement is a summary and is qualified in its entirety by reference to the Amendment and the New Credit Agreement, which are filed herewith as Exhibit 10.1 and are incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant
