## Introductory Note

This Current Report on Form 8-K is being filed in connection with the completion on January 27, 2016 of the transactions contemplated by that certain Agreement and Plan of Merger (the Merger Agreement ), dated as of October 7, 2015, by and among BioMed Realty Trust, Inc. (the Company ), BRE Edison Holdings L.P. ( Parent ), an affiliate of Blackstone Real Estate Partners VIII L.P., BRE Edison L.P. ( Merger Sub I ), BRE Edison Acquisition L.P. ( Merger Sub II ) and BioMed Realty, L.P. (the Partnership ). Pursuant to the terms and conditions set forth in the Merger Agreement, on January 27, 2016, the Company merged with and into Merger Sub I, with Merger Sub I continuing as the surviving entity (the Company Merger ), and, immediately prior to the Company Merger, Merger Sub II merged with and into the Partnership, with the Partnership continuing as the surviving partnership (the Partnership Merger and, together with the Company Merger, the Mergers ). As a result of these transactions, Merger Sub I remained a wholly-owned subsidiary of Parent and the Partnership became a wholly-owned subsidiary of Merger Sub I, which is the successor by merger to BioMed Realty Trust, Inc.

### Item 1.02. Termination of a Material Definitive Agreement.

On January 27, 2016, in connection with the Mergers, the Partnership provided a notice of redemption in respect of all of its outstanding 3.85% Senior Notes due 2016 (the 2016 Notes ), 2.625% Senior Notes due 2019 (the 2019 Notes ), 6.125% Senior Notes due 2020 (the 2020 Notes ) and 4.25% Senior Notes Due 2022 (the 2022 Notes and collectively with the 2016 Notes, the 2019 Notes and the 2020 Notes, the Senior Notes ). The 2019 Notes will be redeemed on February 11, 2016, the 2020 Notes and the 2022 Notes will be redeemed on February 26, 2016, and the 2016 Notes will be redeemed on March 16, 2016, in each case in accordance with their applicable indenture (each, an Indenture ). In connection with the redemption of the Senior Notes, the Partnership has caused to be irrevocably deposited with U.S. Bank National Association, the trustee under each Indenture (the Trustee ), cash in an amount sufficient to pay the redemption price payable in respect of all outstanding Senior Notes (including accrued and unpaid interest on the Senior Notes to, but excluding, the applicable redemption date), and all other sums payable by the Partnership under each Indenture. The amounts so deposited with respect to the 2019 Notes, the 2020 Notes and the 2022 Notes included make-whole premiums required for early prepayment of such Senior Notes under, and calculated in accordance with, the applicable Indentures. No make-whole premium is required in respect of the 2016 Notes. On January 27, 2016, at the request of the Partnership and pursuant to the provisions of the Indentures, the Trustee discharged the Indentures (other than with respect to those obligations under the Indentures that expressly survive satisfaction and discharge).

Also on January 27, 2016, in connection with the Mergers, the Partnership repaid in full all indebtedness, liabilities and other obligations under, and terminated, each of the Unsecured Term Credit Agreement, dated as of March 30, 2012, as amended, by and among the Partnership, KeyBank National Association, as administrative agent, and certain lenders party thereto and the Amended and Restated Unsecured Credit Agreement, dated as of September 24, 2013, by and among the Partnership, KeyBank National Association, as administrative agent, and certain lenders party thereto (collectively, the Credit Agreements ). The Company did not incur any material early termination penalties as a result of such termination of the Credit Agreements.

In addition, in connection with the Mergers, effective as of the effective time of the Company Merger (the Company Merger Effective Time ), the 2004 Incentive Award Plan of the Company and the Partnership, as amended and amended and restated from time to time, was terminated.

**Item 2.01. Completion of Acquisition or Disposition of Assets.**

*Completion of Acquisition*

On January 27, 2016, Parent completed its acquisition of the Company pursuant to the terms of the Merger Agreement.

At the Company Merger Effective Time, each share of common stock, \$0.01 par value per share, of the Company (the Common Stock ) (other than certain shares of Common Stock as set forth in the Merger Agreement) issued and outstanding immediately prior to the Company Merger Effective Time was automatically converted into the right to receive an amount in cash equal to \$23.8239, without interest (the Merger Consideration ), and less any required withholding taxes.

At the effective time of the Partnership Merger (the Partnership Merger Effective Time ), each partnership unit in the Partnership, including long-term incentive plan units (each, an OP Unit ), issued and outstanding immediately prior to the Partnership Merger Effective Time (other than OP Units owned by Merger Sub I as the surviving entity in the Company Merger and certain other OP Units as set forth in the Merger Agreement) was automatically converted into the right to receive \$23.8239 in cash, without interest and less any required withholding taxes, or, in lieu of receiving the cash consideration in respect of some or all of their OP Units, a qualifying holder of OP Units that properly elected to do so received for each such OP Unit one newly issued 5.5% Series B Cumulative Preferred Unit (the Series B Preferred Units ) in the Partnership, as the surviving partnership in the Partnership Merger.

Immediately prior to the Company Merger Effective Time, each outstanding restricted stock award of the Company automatically became fully vested and non-forfeitable, and all shares of Common Stock represented thereby became outstanding and subject to the right to receive the Merger Consideration as described above (less any applicable income and employment taxes). In addition, immediately prior to the Company Merger Effective Time, each outstanding performance unit of the Company automatically became earned and vested with respect to the number of shares of Common Stock subject to such performance unit based on the achievement of the applicable performance goals set forth in the award agreement governing such performance unit as of such date. Such earned and vested performance units were canceled at the Company Merger Effective Time and, in exchange therefor, Parent will cause the surviving entity in the Company Merger to pay to each former holder an amount in cash, without interest, and less any applicable income and employment withholding taxes, equal to the Merger Consideration for each such performance unit. Each performance unit that does not become earned and vested based on achievement of the applicable performance goals terminated without consideration immediately prior to the Company Merger Effective Time.

The description of the Company Merger, the Partnership Merger and the Merger Agreement contained in this Item 2.01 does not purport to be complete and is subject to and qualified in its entirety by reference to the Merger Agreement, which was filed as Exhibit 2.1 to the Current Report on Form 8-K filed by the Company with the Securities and Exchange Commission (the SEC ) on October 8, 2015, and is incorporated by reference herein.

**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

Edgar Filing: BioMed Realty Trust Inc - Form 8-K

In connection with the completion of the Mergers, Merger Sub I notified the New York Stock Exchange (the NYSE ) on January 27, 2016 that, effective on that date, (i) each share of Common Stock (other than certain shares of Common Stock as set forth in the Merger Agreement) issued and outstanding immediately prior to the Company Merger Effective Time was automatically converted into the right to receive the Merger Consideration. As a result, all shares of Common Stock were removed from trading on the NYSE following the close of trading on January 27, 2016. On January 27, 2016, Merger Sub I requested that the NYSE file with the SEC a notification of removal from listing and registration on Form 25 to effect the delisting of the Common Stock from the NYSE and the deregistration of such shares under Section 12(b) of the Securities Exchange Act of 1934, as amended (the

Exchange Act ). In addition, Merger Sub I and the Partnership intend to file Forms 15 with the SEC requesting the termination of registration of the Common Stock and the OP Units under Section 12(g) of the Exchange Act and the suspension of reporting obligations under Sections 13 and 15(d) of the Exchange Act with respect to the Common Stock and the OP Units. Once such measures become effective, Merger Sub I and the Partnership will no longer be required to prepare and file public reports and Merger Sub I and the Partnership will cease to file reports with the SEC.

**Item 3.02. Unregistered Sales of Equity Securities.**

Upon the Partnership Merger Effective Time, the Partnership, as the surviving partnership in the Partnership Merger, issued an aggregate of 2,969,848 Series B Preferred Units to former holders of OP Units, who, in lieu of the cash consideration, had properly elected to receive newly issued Series B Preferred Units in the Partnership Merger in exchange for all or a portion of the OP Units held by them in the Partnership. The Series B Preferred Units are not convertible into, or exchangeable for, any other equity securities and were issued in a private placement in reliance on Section 4(a)(2) of the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder.

The information set forth above under Item 2.01 of this Current Report on Form 8-K is incorporated by reference into this Item 3.02.

**Item 3.03. Material Modification to Rights of Security Holders.**

Upon the Company Merger Effective Time, each holder of shares of Common Stock issued and outstanding immediately prior to the Company Merger Effective Time ceased to have any rights as a stockholder of the Company (other than the right of the holders of Common Stock to receive the Merger Consideration).

Upon the Partnership Merger Effective Time, each holder of OP Units issued and outstanding immediately prior to the Partnership Merger Effective Time ceased to have any rights as a holder of OP Units (other than the right of the holders of OP Units to receive the cash consideration therefor or, in lieu of receiving the cash consideration, Series B Preferred Units).

The information set forth above under Item 2.01 of this Current Report on Form 8-K is incorporated by reference into this Item 3.03.

**Item 5.01. Change in Control of Registrant.**

As a result of the completion of the Partnership Merger, a change in control of the Partnership occurred, and the Partnership, as the surviving entity in the Partnership Merger, continued as a wholly-owned subsidiary of Merger Sub I.
