SUCCESSFUL COMPLETION OF CGG S 350 MILLION RIGHTS

OFFERING AS PART OF ITS TRANSFORMATION PLAN

Paris, France 3 February 2016

CGG announces today the success of its share capital increase through the distribution of preferential subscription rights to existing shareholders launched on 13 January 2016 to fund the implementation of a new step of its Transformation Plan.

The final gross proceeds amount to 350,589,080.16, corresponding to the issuance of 531,195,576 new shares.

485,948,856 new shares were subscribed by irrevocable right (*à titre irréductible*), representing approximately 91.5 % of the total number of new shares. 33,314,234 new shares were requested and subscribed on a reducible basis (*à titre réductible*), representing approximately 6.3% of the total number of new shares.

The balance of non-subscribed shares (11,932,486 new shares, which represent approximately 2.2 % of the total number of new shares) will be sold in the market by the bank syndicate.

The net proceeds of the issuance will be used to reinforce the shareholders' equity of CGG and improve its liquidity as it finances its Transformation Plan.

Settlement and delivery of the new shares will take place on 5 February 2016. The listing of the new shares on the regulated market of Euronext Paris (Segment B) on the same line as the existing shares (FR0000120164) will take place on 5 February 2016. As from that date, the share capital of CGG will be composed of 708,260,768 shares with a nominal value of 0.40 each, for a total nominal share capital of 283,304,307.20.

Upon completion of the capital increase and taking into consideration the subscriptions by irrevocable right for all of the preferential subscription rights attached to their respective shares, Bpifrance and IFP Energies Nouvelles will hold together 10.62% of CGG's share capital, comforting their shareholders position.
