The Share Purchase and the Call Option

On September 9, 2016 (the Closing Date), pursuant to a term sheet dated September 5, 2016 (the Term Sheet) between the Record Holder and Mifalei Sdot Yam, Agricultural Cooperative Society Ltd. (Sdot Yam), which is indirectly wholly owned by Kibbutz Sdot Yam, Agricultural Cooperative Society:

(i) the Record Holder purchased 1,000,000 Ordinary Shares from Sdot Yam for cash consideration in NIS at the last known representative rate of exchange equal to a price per Ordinary Share of US\$43.50 (the Share Price), such that the total consideration paid to the Kibbutz on the Closing Date was an amount of US\$ 43,500,000; and

(ii) Sdot Yam granted the Record Holder a call option (the Call Option), conferring upon the Record Holder for a period of five years thereafter (the Term), the right to purchase from Sdot Yam, at any time during the Term, up to 2,000,000 Ordinary Shares (the Option Shares) at the Exercise Price (as defined below).

The purchase price per Ordinary Share for the Option Shares (the Exercise Price) is an amount paid in NIS, equal to US \$43, based on the known representative rate of exchange of the New Israeli Shekel to the US dollar, as determined at the end of the business day immediately preceding the date of the notice of exercise of the Call Option, with the addition of accrued interest (compound interest), which shall be calculated as

follows: (1) during the first four years following the Closing Date - annual interest at the rate of 3% per year; and (2) during the fifth year after the Closing Date - annual interest at the rate of 3.5%. The above-referenced accrued interest will be calculated for the period between the Closing Date and each applicable date of notice of exercise of the Call Option (the Exercise Date), whereby once a year the amount of yearly interest accrued until such date shall be added to the Exercise Price (the Exercise Price with the addition of the accrued interest thereon shall be referred to as the New Exercise Price), and such New Exercise Price shall continue to bear such yearly accrued interest thereon, and so on until each applicable Exercise Date of the Option Shares. The Exercise Price will be adjusted for dividends, such that the New Exercise Price (as calculated on the day of an applicable distribution of dividend) will be reduced by an amount equal to the amount of dividend per share that will be distributed, and such reduced amount shall continue to bear the above-mentioned interest until the Exercise Date.

The Shareholders Agreement

Under the Term Sheet, the Record Holder and Sdot Yam agreed to provisions governing voting of each party's Ordinary Shares during the Term (the Shareholders Agreement), pursuant to which:

1. the Record Holder and Sdot Yam agree to vote at general meetings of the shareholders of the Issuer (each, a General Meeting) in the same manner, following discussions intended to reach an agreement on any matters proposed to be voted upon, with the Record Holder determining the manner in which both parties shall vote if no agreement is reached, except with respect to certain carved-out matters, with respect to which, Sdot Yam will determine the manner in which both parties shall vote if no agreement is reached. Notwithstanding the foregoing each of the Record Holder and Sdot Yam is entitled to instruct the other party to oppose to any resolution relating to a merger or transaction, the result of which would transform the Issuer into a private company, in which case, both parties will vote against the adoption of such resolution.
2. the Record Holder and Sdot Yam agree to use their best efforts, in their capacity as shareholders, to prevent any dilutive transactions that would reduce Sdot Yam's holdings in the Issuer below 26% on a fully diluted basis, *provided* that such agreement shall not apply as of the date on which the percentage of the Sdot Yam's holdings decreases below 26% of the outstanding Ordinary Shares of the Issuer, on a fully diluted basis, for any reason whatsoever, or if Sdot Yam receives a satisfactory written certification from the Israel Land Authority permitting Sdot Yam's holdings in the Issuer to decrease below 26%;
3. the Record Holder and Sdot Yam agree to exercise their best efforts, in their capacity as shareholders, in a manner intended to cause that at least four (4) directors on behalf of the parties shall be elected to the Issuer's board of directors, *provided* that the parties will not propose a resolution at the general meeting that will contradict a recommendation of the Issuer's board of directors to the shareholders in respect of this matter, and that the parties will obtain the support of other leading shareholders to such proposal.

Without derogating from the foregoing, the parties undertake to vote in favor of: (a) the appointment of one (1) director to the Board whose identity will be determined by Sdot Yam; and (b) the appointment of two (2) directors to Board whose identity will be determined by the Record Holder. To the extent four (4) directors are elected on behalf of the parties to the Board, the parties will vote in favor of the appointment of an additional director whose identity will be determined by Sdot Yam, but the appointment of such additional director will require the consent of the Record Holder;

4. the Record Holder and Sdot Yam agree that as of the Closing Date and until the convening of a General Meeting for the purpose of implementing changes in the composition of the Board, Sdot Yam will cause two (2) directors appointed on the its behalf to the Board to be replaced by two (2) directors whose identity will be determined by the Record Holder, by appointing them as alternate directors pursuant to the provisions of applicable law and the articles of association of the Issuer;
5. subject to certain exceptions set forth in the Term Sheet, Sdot Yam agrees to continue to hold at least 6,850,000 Ordinary Shares of the Issuer at all times prior to expiration of the Term, and in no case fewer than the number of Ordinary Shares that would permit the Record Holder to exercise the Call Option in full;
6. the Record Holder shall have a tag-along right and a right-of-first-offer with respect to any disposition of Ordinary Shares by Sdot Yam, other than Ordinary Shares sold by Sdot Yam pursuant to Rule 144 under the Securities Act of 1933, which sale shall not be subject to the Issuer's tag-along right or right-of-first-offer, but shall be subject to the limitations set forth in Item 5 above;
7. Sdot Yam shall have a tag-along right with respect to any disposition of Ordinary Shares by the Record Holder, to be exercised at a ratio of 1:1 in respect of the number of Ordinary Shares actually disposed of by the Record Holder, which right shall not apply to a sale of shares as part of current trading on the stock exchange;
8. upon expiration of the Shareholders' Agreement, the Record Holder agrees to take measures to replace directors who were appointed on its behalf to the Board, with directors whose identity will be determined by Sdot Yam, by appointing them as alternate directors pursuant to the provisions of applicable law and the articles of association of the Issuer; and
9. in any case in which, as a result of the proposed action, the percentage of Sdot Yam's holdings will be diluted by more than an accumulated rate of 25% compared with its holdings on the date of Closing, Sdot Yam may direct the Record Holder to vote against the proposed action.

On the Closing Date and as of the date of this Schedule 13D, the Israeli Antitrust Commissioner had not yet approved the transactions described in this Schedule 13D. Pursuant to the Term Sheet, the Record Holder and Sdot Yam are prohibited from collectively voting more than 25% of the issued and outstanding Ordinary Shares of the Issuer (as measured on the date of such vote) until receipt of such approval from the Israeli Antitrust Commissioner.

The Registration Rights Agreement

In accordance with the Term Sheet and the purchase of the Purchased Shares and the Option Shares, as applicable, Sdot Yam agrees to assign to the Record Holder certain rights under Section 3 and Section 5 of the Registration Rights Agreement (as defined below) associated with the Purchased Shares, and those same rights associated with any exercised Option Shares (following exercise thereof), that Sdot Yam holds pursuant to the Registration Rights Agreement dated July 21, 2011, as amended on February 13, 2012 (the Registration Rights Agreement), in accordance with the provisions governing such transfer and assignment under Section 16 of the Registration Rights Agreement.

Sdot Yam has not agreed to assign to the Record Holder its right to demand registration of shares under the Registration Rights Agreement (the Demand Registration Right), though the Record Holder will be entitled to participate in any public offering of shares made by Sdot Yam in reliance on a registration statement filed by the Issuer in accordance with Sdot Yam's exercise of the Demand Registration Right.
