Upon the exercise of the Warrants, the Partnership shall elect whether to settle the Warrants in Common Units or cash, each on a net basis. If the Partnership elects to settle the Warrants in Common Units, the number of Common Units to be issued will be based upon the volume weighted average price of the Common Units upon the date such Warrants are exercised.

The Blackstone Purchasers' payment of their portion of the aggregate purchase price was funded by capital contributions by the Blackstone Purchasers' partners.

The description of the Purchase Agreement, the Preferred Units, the Warrants and the LPA in this Item 3 is not intended to be complete and is qualified in its entirety by the agreement and warrants that are filed as exhibits hereto and are incorporated by reference herein.

CUSIP No. 63900P103

Item 4. Purpose of Transaction.

The Blackstone Purchasers purchased the Preferred Units and the Warrants pursuant to the Purchase Agreement for investment purposes, subject to the following:

In connection with the consummation of the transactions contemplated by the Purchase Agreement, the Blackstone Purchasers entered into a Board Representation and Observation Rights Agreement (the **Board Representation Agreement**) dated March 2, 2017 by and among the Blackstone Purchasers, the Partnership and certain other parties thereto. Pursuant to the Board Representation Agreement, GP Natural Resource Partners LLC, the general partner of the Partnership's general partner, appointed one person designated by the Blackstone Purchasers to its board of directors (the **GP LLC Board**) and one person designated by the Blackstone Purchasers as an observer to attend the meetings of the GP LLC Board. Pursuant to the Board Representation Agreement, the Blackstone Purchasers have appointed Jasvinder Khaira as their designee on the GP LLC Board and David Kaden as their board observer. Each of Messrs. Khaira and Kaden is an employee of The Blackstone Group L.P. or one of its affiliates. The Blackstone Purchasers' right to appoint one member of the GP LLC Board and an observer shall terminate at such time as the Blackstone Purchasers, together with their affiliates, no longer own at least 20% of the total number of the Preferred Units (together with the Preferred Units deemed to be owned in respect of Common Units previously issued upon conversion of Preferred Units) issued by the Partnership pursuant to the Purchase Agreement to all purchasers on March 2, 2017, together with all PIK Units (as defined below) that have been issued but not redeemed at such time. The representation afforded to the Blackstone Purchasers by the appointment of a member of the GP LLC Board and an observer may allow the Reporting Persons to have influence over the corporate activities of the Partnership, including activities that may relate to items described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

The description of the Purchase Agreement, the Preferred Units, the Warrants and the Board Representation Agreement in this Item 4 is not intended to be complete and is qualified in its entirety by the agreements and warrants that are filed as exhibits hereto and are incorporated by reference herein.

The Reporting Persons intend to review on a continuing basis the Blackstone Purchasers' investment in the Partnership. As a result of the Reporting Persons' continuous review and evaluation of the business of the Partnership, the Reporting Persons may communicate with the GP LLC Board, members of management and/or other partners or other relevant parties from time to time with respect to operational, strategic, financial or governance matters or otherwise work with management and the GP LLC Board with a view to maximizing the returns of the Partnership. Subject to the agreements described herein, the Reporting Persons may seek to sell or otherwise dispose some or all of the Partnership's securities (which may include, but is not limited to, transferring some or all of such securities to its affiliates or distributing some or all of such securities to such Reporting Person's respective partners, members or beneficiaries, as applicable) from time to time, and/or may seek to acquire additional securities of the Partnership (which may include rights or securities exercisable or convertible into securities of the Partnership) from time to time, in each case, in open market or private transactions, block sales or otherwise. Any transaction that the Reporting Persons may pursue may be made at any time and from time to time without prior notice and will depend on a variety of factors, including, without limitation, the price and availability of the Partnership's securities, subsequent developments affecting the Partnership, the Partnership's business and prospects, other investment and business opportunities available to the Reporting Persons, general industry and economic conditions, the securities markets in general, tax considerations and other factors deemed relevant by the Reporting Persons.

Other than as described in this Item 4, none of the Reporting Persons has any current plans or proposals that relate to or that would result in any of the transactions or other matters specified in clauses (a) through (j) of Item 4 of Schedule 13D; provided, that the Reporting Persons at any time and from time to time, may review or reconsider and

change their position and/or change their purpose and/or develop such plans and may seek to influence management of the Partnership or the GP LLC Board with respect to the business and affairs of the Partnership, and may from time to time consider pursuing or proposing any such transactions with advisors, the Partnership or other persons.

Item 5. Interest in Securities of the Issuer.

The information set forth or incorporated in Items 3 and 6 of this Schedule 13D is hereby incorporated by reference in its entirety into this Item 5.

CUSIP No. 63900P103

Calculations of the number of Common Units beneficially owned by a Reporting Person in this Schedule 13D assume (a) the Partnership elects to net-settle the Warrants in Common Units and (b) that the Common Units issuable on exercise of the Warrants were determined using the volume weighted average price of the Common Units traded on the New York Stock Exchange on March 9, 2017.

(a) (b) Calculations of the number of Common Units beneficially owned by a Reporting Person assume that the Partnership shall net-settle each exercise of Warrants beneficially owned by such Reporting Person in Common Units using a volume weighted average trading price of \$38.35 for the Common Units traded on the New York Stock Exchange on March 9, 2017.

Calculations of the percentage of the Common Units beneficially owned assumes that there are 12,232,006 Common Units outstanding as of February 24, 2017, which number is based on information set forth in the Annual Report of the Partnership on Form 10-K for the fiscal year ended December 31, 2016 filed with the Securities and Exchange Commission on March 6, 2017 (the **Partnership 2016 10-K**) plus all Common Units that the relevant Reporting Person may be deemed to beneficially own upon exercises of the Warrants that are net-settled by the Partnership in Common Units using a volume weighted average trading price of \$38.35 for the Common Units traded on the New York Stock Exchange on March 9, 2017.

Pursuant to the terms of the Warrants, the Partnership has the right to elect to settle an exercise of the Warrants in cash equal to the market value of the Common Units in respect of which the Warrants are being exercised less the aggregate Warrant exercise price. To the extent that the Company exercises its rights to cash settle the exercise of the Warrants, the Reporting Persons shall not beneficially own the Common Units underlying the Warrants.

The aggregate number and percentage of Common Units beneficially owned by each Reporting Person and, for each Reporting Person, the number of Common Units as to which there is sole power to vote or to direct the vote, shared power to vote or to direct the vote, sole power to dispose or to direct the disposition, or shared power to dispose or to direct the disposition assume that the Partnership shall net-settle each exercise of Warrants in Common Units using a volume weighted average trading price of \$38.35 on March 9, 2017 and are set forth on rows 7 through 11 and row 13 of the cover pages of this Schedule 13D and are incorporated herein by reference.

As of the date hereof, BTO Carbon Holdings LP directly holds Warrants to purchase 2,266,304 Common Units and Blackstone Family Tactical Opportunities Investment Partnership ESC L.P. directly holds Warrants to purchase 13,696 Common Units, which Warrants are subject to mandatory net settlement as described above.

Blackstone Holdings III GP L.P. is the general partner of Blackstone Holdings III L.P. Blackstone Holdings III GP Management L.L.C. is the general partner of Blackstone Holdings III GP L.P.

Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission that any of the Reporting Persons (other than the Blackstone Purchasers to the extent they directly hold the Common Units reported on this Schedule 13D) is the beneficial owner of the Common Units referred to herein for purposes of Section 13(d) of the Securities Exchange Act of 1934, as amended, or for any other purpose, and such beneficial ownership is expressly disclaimed. Each Reporting Person expressly disclaims any assertion or presumption that it and the other persons on whose behalf this statement is filed constitute a group.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The information set forth in Items 3, 4 and 5 of this Schedule 13D is hereby incorporated by reference.

LPA

The preferences, limitations, powers and relative rights of the Preferred Units are set forth in the LPA. The Preferred Units entitle the holders to receive cumulative dividends at a rate of 12% per year, up to one half of which the Partnership may satisfy in additional Preferred Units (such additional Preferred Units, the **PIK Units**). The Preferred Units have a perpetual term, unless converted or redeemed as described below. The Preferred Units (including any PIK Units) are convertible into Common Units at the election of the holders (1) after the fifth anniversary and prior to the eighth anniversary of the issue date at a 7.5% discount to the volume weighted average trading price of the Common Units (the **VWAP**) for the 30 trading days immediately prior to the notice of conversion if the 30-day VWAP immediately prior to such notice is greater than \$51.00 (subject to a maximum conversion of 33% of the Preferred Units in any 12 month period) and (2) after the eighth anniversary of the issue date at a 10% discount to the VWAP for the 30 trading days immediately prior to the notice of conversion. Instead of issuing Common Units pursuant to clause (1) of the preceding sentence, the Partnership may, at its option, redeem the Preferred Units proposed to be converted for cash at a price equal to the Per Unit Purchase Price, plus the value of any accrued and unpaid distributions. To the extent the holders of the Preferred Units have not elected to convert their Preferred Units by the twelfth anniversary of the issue date, the Partnership may require, at its option, conversion of the Preferred Units into Common Units at a 10% discount to the VWAP for the 30 trading days immediately prior to the notice of conversion. In addition, at any time after the issue date, the Partnership may redeem all or any portion of the Preferred Units (including PIK Units) for cash at the agreed upon per unit amount, which is calculated as the greater of (A) the Per Unit Purchase Price multiplied by (i) prior to the third anniversary of the closing date, 1.50, (ii) on or after the third anniversary of the closing date and prior to the fourth anniversary of the closing date, 1.70 and (iii) on or after the fourth anniversary of the closing date, 1.85 and (B) the Per Unit Purchase Price plus the value of all accrued and unpaid distributions in respect of the units to be redeemed.

The terms of the Preferred Units contain certain restrictions on the Partnership's ability to pay distributions on its Common Units. To the extent that either (i) the Partnership's consolidated leverage ratio is greater than 3.25x, or (ii) the ratio of the Partnership's distributable cash flow to cash distributions made or proposed to be made is less than 1.2x (in each case, with respect to the most recently completed four-quarter period), the Partnership may not increase the quarterly distribution above \$0.45 per quarter without the approval of the holders of a majority of the outstanding Preferred Units. In addition, if at any time after January 1, 2022, any PIK Units are outstanding, the Partnership may not make distributions on its Common Units until it has redeemed all PIK Units for cash.

The holders of the Preferred Units have the right to vote with holders of the Common Units on an as-converted basis and have other customary approval rights with respect to changes of the terms of the Preferred Units. In addition, the Blackstone Purchasers have certain approval rights over certain matters, including: the incurrence of new indebtedness, subject to certain exceptions; material changes to the Partnership's business; acquisitions, divestitures and capital expenditures in excess of certain dollar thresholds; amendments to material contracts resulting in a cash impact to the Partnership in excess of certain dollar thresholds; settlement of certain litigations or regulatory matters; and amendments to related party contracts outside of the ordinary course of business.

Registration Rights Agreement

On March 2, 2017, the Blackstone Purchasers also entered into a registration rights agreement (**Registration Rights Agreement**) by and among the Partnership, the Blackstone Purchasers and certain other purchasers affiliated with GoldenTree Asset Management LP. Pursuant to the Registration Rights Agreement, the Partnership shall file (i) a shelf registration statement to register the Common Units issuable upon exercise of the Warrants and to cause such registration statement to become effective not later than 90 days following March 2, 2017 and (ii) a shelf registration statement to register the Common Units issuable upon conversion of the Preferred Units and to cause such registration statement to become effective not later than the earlier of March 2, 2022 or 90 days following the first issuance of any Common Units upon conversion of Preferred Units (the **Registration Deadlines**). In addition, the Registration Rights Agreement gives the Blackstone Purchasers piggyback registration and demand underwritten offering rights under certain circumstances. If the shelf registration statements are not effective by the Registration Deadlines, the Partnership will be required to pay the Blackstone Purchasers certain liquidated damages in the amounts and upon the terms set forth in the Registration Rights Agreement.
