**Item 1.01 Entry into a Material Definitive Agreement.**

On April 20, 2017, NuStar Logistics, L.P. ( NuStar Logistics ), NuStar Energy L.P. ( NuStar Energy ), NuStar Pipeline Operating Partnership L.P. ( NuPOP ), Riverwalk Logistics, L.P., NuStar GP, LLC, NuStar GP, Inc., and NuStar Pipeline Company, LLC (collectively, the NuStar Parties ) entered into an underwriting agreement (the Underwriting Agreement ) with Mizuho Securities USA LLC, as representative of the several underwriters named therein (collectively, the Underwriters ), relating to the public offering (the Offering ) by NuStar Logistics of \$550,000,000 aggregate principal amount of 5.625% Senior Notes due 2027 (the Notes ). The Notes are being guaranteed on a full and unconditional basis by NuStar Energy and NuPOP. The aggregate net proceeds to NuStar Logistics for the Notes, after underwriting fees and commissions and estimated offering expenses, is approximately \$543.8 million.

A copy of the Underwriting Agreement is filed as Exhibit 1.1 hereto and is incorporated herein by reference. The closing of the issuance and sale of the Notes is expected to occur on April 28, 2017. The Offering has been registered under the Securities Act of 1933, as amended (the Securities Act ), pursuant to an automatically effective registration statement on Form S-3 (Registration No. 333-212338) (the Registration Statement ), dated June 30, 2016, and the prospectus supplement dated April 20, 2017, filed with the Securities and Exchange Commission pursuant to Rule 424(b) of the Securities Act.

The Underwriting Agreement provides that the obligations of the Underwriters to purchase the Notes are subject to approval of certain legal matters by counsel to the Underwriters and other customary conditions. The NuStar Entities have agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the Underwriters may be required to make because of any of those liabilities.

Net proceeds from the Offering are expected to be used by NuStar Logistics to fund a portion of the purchase price and related fees and expenses for the previously announced acquisition of Navigator Energy Services, LLC (the Acquisition ). Pending the potential use of the net proceeds from the Offering to fund a portion of the purchase price for the Acquisition, NuStar Logistics intends to use the net proceeds from the Offering for the repayment of outstanding borrowings under its revolving credit agreement (the Credit Agreement ). To the extent that the net proceeds from the Offering and the previously announced common unit offering exceed amounts outstanding under the Credit Agreement, NuStar Logistics intends to use such proceeds to pay amounts outstanding under its receivables financing agreement and short-term lines of credit or hold such excess proceeds as cash. Alternatively, if the Acquisition is not consummated on or before August 31, 2017, or the Membership Interest Purchase and Sale Agreement entered into in connection with the Acquisition is terminated on or before such date, NuStar Logistics will use all of the net proceeds, together with additional funds it may provide, as necessary, to fund the redemption of the Notes. Certain of the Underwriters or their affiliates are lenders under the Credit Agreement, receivables financing agreement and short-term lines of credit and, in that respect, may receive a portion of the proceeds from the Offering through the repayment of borrowings outstanding under these debt agreements.

Certain of the underwriters and their related entities have engaged, and may in the future engage, in commercial and investment banking transactions with any of the NuStar Parties in the ordinary course of their business. They have received, and expect to receive, customary compensation and expense reimbursement for these commercial and investment banking transactions.
