Additional information about each Director follows (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes or skills that each Director possesses which the Board believes has prepared them to be effective Directors.

W. Whitney George In addition to his tenure as a Director of the Fund, Mr. George currently serves as Senior Portfolio Manager and Chairman of Sprott Asset Management USA Inc. and Executive Vice President, Sprott Inc. Prior to his position at Sprott Asset Management USA Inc., Mr. George was employed by Royce & Associates, LLC from 1991 to 2015. Mr. George has over 30 years of investment business experience.

Michael W. Clark Mr. Clark currently serves as the Executive Vice President, Chief Operating Officer, Chief Risk Officer, member of the Executive Committee, and member of Board of Directors of Chilton Investment Company, an investment firm. He has over 21 years of business experience, including extensive experience in the investing and financial services sectors.

Barbara Connolly Keady Ms. Keady currently serves as the Director of New Business Development at Ceres Partners. She has over 20 years of business experience, including extensive experience in the investing and financial services sectors.

James R. Pierce, Jr. Mr. Pierce currently serves as the Chairman of JLT Specialty Insurance Services, Inc. He has over 30 years of business experience, including extensive experience in the insurance and financial services sectors.

Peyton T. Muldoon Ms. Muldoon currently serves as a licenses salesperson for Sotheby's International Realty. Prior positions in the financial services sectors include marketing and client relationship management related to a variety of financial products, managing equity and fixed-income portfolios of clients and performing research and valuation analysis of securities.

The Board believes that each Director's experience, qualifications, attributes and skills should be evaluated on an individual basis and in consideration of the perspective such Director brings to the entire Board, with no single Director, or particular factor, being indicative of Board effectiveness. However, the Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; the Board believes that their members satisfy this standard. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice, public service or academic positions; experience from service as a board member (including the Board) or as an executive of investment funds, public companies or significant private or non-profit entities or other organizations; and/or other life experiences. The charter for the Board's Governance Committee contains certain other specific factors considered by the Governance Committee in identifying and selecting Director candidates (as described below).

To assist them in evaluating matters under federal and state law, the Directors have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

Board Composition and Leadership Structure

The 1940 Act requires that at least 40% of the Fund's Directors not be interested persons (as defined in the 1940 Act) of the Fund and as such are not affiliated with Spott (Independent Directors). To rely on certain exemptive rules under the 1940 Act, a majority of the Fund's Directors must be Independent Directors, and for certain important matters, such as the approval of investment advisory agreements or transactions with affiliates, the 1940 Act or the rules thereunder require the approval of a majority of the Independent Directors. Currently, 75% of the Fund's Directors are Independent Directors. The Board does not have a chairman, but Mr. George, an interested person of the Fund, acts as chairman at the Board meetings. The Independent Directors have not designated a lead Independent Director due to the relatively small size of the Board. The Board has determined that its leadership structure is appropriate in light of the services that Spott and its affiliates provide to the Fund and potential conflicts of interest that could arise from these relationships.

Audit Committee Report

The Board has a standing Audit Committee (the Audit Committee), which consists of the Independent Directors who also are independent as defined in the listing standards of the Nasdaq Select Market. The current members of the Audit Committee are Michael W. Clark, Barbara Connolly Keady, James R. Pierce, Jr. and Peyton T. Muldoon. Mr. Clark serves as Chairman of the Audit Committee. Ms. Keady has been designated as an Audit Committee Financial Expert, as defined under Securities and Exchange Commission (SEC) regulations.

The principal purposes of the Audit Committee are to (i) assist Board oversight of the (a) integrity of the Fund's financial statements; (b) independent accountants' qualifications and independence; and (c) performance of the Fund's independent accountants and (ii) prepare, or oversee the preparation of any audit committee report required by rules of the SEC to be included in the Fund's proxy statement for its annual meeting of stockholders. The Audit Committee has adopted an Audit Committee charter which is attached to this Proxy Statement as Exhibit A.

The Audit Committee also has (i) received written disclosures and the letter required by Independence Standards Board Standard No. 1 from Tait, Weller & Baker, the independent public accounting firm for the Fund, and (ii) discussed certain matters required to be discussed under the requirements of the Public Company Accounting Oversight Board with Tait Weller & Baker. The Audit Committee has considered whether the provision of non-audit services by the Fund's independent auditors is compatible with maintaining their independence.

At its meetings held on March 8, 2017, the Audit Committee of the Fund reviewed and discussed the audit of the Fund's financial statements as of December 31, 2016 and for the fiscal year then ended with Fund management and Tait Weller & Baker. Had any material concerns arisen during the course of the audit and the preparation of the audited financial statements mailed to stockholders and included in the Fund's 2016 Annual Report to Stockholders, the Audit Committee would have been notified by Fund management or the Tait Weller & Baker. The Audit Committee received no such notifications. At the same meeting, the Audit Committee recommended to the Board that the Fund's audited financial statements be included in the Fund's 2016 Annual Report to Stockholders.

Governance Committee

The Board has a Governance Committee composed of the four Independent Directors, Michael W. Clark, Barbara Connolly Keady, James R. Pierce, Jr. and Peyton T. Muldoon. Mr. Pierce serves as Chairman of the Governance Committee. The Governance Committee has adopted a Governance Committee Charter which is attached to this Proxy Statement as Exhibit B.

The Governance Committee is responsible for identifying and recommending to the Board individuals believed to be qualified to become Board members in the event that a position is vacated or created. The Governance Committee will consider Director candidates recommended by stockholders. In considering potential nominees, the Governance Committee will take into consideration (i) the contribution which the person can make to the Board, with consideration given to the person's business and professional experience, education and such other factors as the Committee may consider relevant, including but not limited to whether a potential nominee's personal and professional qualities and attributes would provide a beneficial diversity of skills, experience and/or perspective to the Board; (ii) the character and integrity of the person; (iii) whether or not the person is an interested person as defined in the 1940 Act and whether the person is otherwise qualified under applicable laws and regulations to serve as a Director or Independent Director of the Fund; (iv) whether or not the person has any relationships that might impair his or her independence, such as any business, financial or family relationships with Fund management, the investment adviser of the Fund, Fund service providers or their affiliates; (v) whether or not the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related investment company complexes; (vi) whether or not the person is willing to serve as, and willing and able to commit the time necessary for the performance of the duties of, a Director of the Fund; and (vii) whether or not the selection and nomination of the person would be in the best interest of the Fund in light of the requirements of the Fund's retirement policies. While the Governance Committee does not have a formal policy regarding diversity, as noted above, it may consider the diversity of skills, experience and/or perspective a potential nominee will bring to the Board as part of its evaluation of the contribution such potential nominee will make to the Board. Such factors will be considered in light of the other factors described above and in the context of the Board's existing membership at the time such potential candidate is considered.

To have a candidate considered by the Governance Committee, a stockholder must submit the recommendation in writing and must include biographical information and set forth the qualifications of the proposed nominee. The stockholder recommendation and information described above must be sent to the Fund's Secretary, Thomas W. Ulrich, c/o Sprott Asset Management LP, 200 Bay Street, Suite 2600, Toronto, Ontario, Canada M5J2J1.

Although the Board does not have a standing compensation committee, the Independent Directors review their compensation annually.

Board's Oversight Role in Management

The Board's role in management of the Fund is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Fund, primarily Sprott and its affiliates, have responsibility for the day-to-day management of the Fund, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, the Board, acting at its scheduled meetings, or the Chairman of the Audit Committee, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers, including the Fund's and Sprott's Chief Compliance Officer and portfolio management personnel. The Audit Committee (which consists of the four Independent Directors) meets during its scheduled meetings, and, as necessary, between meetings the Chairman of the Audit Committee maintains contact with the Fund's independent registered public accounting firm and the Fund's Treasurer. The Board also receives periodic presentations from senior personnel of Sprott or its affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas such as business continuity, anti-money laundering, personal trading, valuation, investment research and securities lending. The Board also receives reports from counsel to Sprott regarding regulatory, compliance and governance matters. The Board's oversight role does not make the Board a guarantor of the Fund's investments or activities.

Committee and Board of Directors Meetings

During the year ended December 31, 2016, the Board, which consisted of Mr. George and the current directors, held four meetings and the Audit Committee held two meetings, and the Governance Committee held one meeting. Each current Director other than Peyton T. Muldoon (who was not a Director of the Trust before 2017) attended all of the aggregate of the total number of meetings of the Board, the Audit Committee and Governance Committee held during that year.

The Fund has no formal policy regarding Director attendance at stockholder meetings. Mr. George attended the 2016 Annual Meeting of Stockholders.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Exchange Act requires the officers and Directors of the Fund and persons who own more than ten percent of a registered class of the Fund's equity securities, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the Nasdaq Select Market. Officers, Directors and greater than ten percent stockholders are required by SEC regulations to furnish the Fund with copies of all Forms 3, 4 and 5 they file.

Based solely on the Fund's review of the copies of such forms, and amendments thereto, furnished to it during or with respect to its most recent fiscal year, and written representations from certain reporting persons that they were not

required to file Form 5 with respect to the most recent fiscal year, the Fund believes that all of its officers, Directors, greater than ten percent beneficial owners and other persons subject to Section 16 of the Exchange Act due to the requirements of Section 30(h) of the 1940 Act (i.e., any investment adviser or affiliated person of the Fund's investment adviser), have complied with all filing requirements applicable to them with respect to transactions in the Fund's shares during the Fund's most recent fiscal year.

PROPOSAL 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANT

Based on information provided by Tait Weller & Baker to the Audit Committee and the Board, the Fund's Audit Committee has recommended, and the Board of Directors, including all of the independent Directors, has approved the selection of Tait Weller & Baker to act as the Fund's independent registered public accounting firm to examine the financial statements for the Fund for the fiscal year ending December 31, 2017. The Audit Committee and the Board have determined that Tait Weller & Baker is well qualified to serve as the Fund's independent registered public accounting firm and that Tait Weller & Baker satisfies applicable standards regarding independence. The Board is requesting that shareholders of the Fund ratify the selection of Tait Weller & Baker as independent auditors.

In the event that sufficient votes in favor of Proposals 1a or 1b or Proposal 2 in the Notice of Annual Meeting of Stockholders are not received by the time scheduled for the Meeting, the persons named as proxies may propose one or more postponements or adjournments of the Meeting to permit further solicitation of proxies for such Proposal. Any such postponement or adjournment will require the affirmative vote of a majority of the shares present in person or by proxy at the session of the Meeting to be postponed or adjourned, as applicable. The persons named as proxies will vote in favor of such postponement or adjournment those proxies which they are entitled to vote in favor of the Proposal. They will vote against any such postponement or adjournment those proxies required to be voted against the Proposal.

While the Meeting has been called to transact any business that may properly come before it, the Directors know of no business other than the matter stated in the Notice of Annual Meeting of Stockholders. However, if any additional matter properly comes before the Meeting and on all matters incidental to the conduct of the Meeting, it is the intention of the persons named in the enclosed Proxy to vote the Proxy in accordance with their judgment on such matters.

The Fund expects that broker-dealer firms holding shares of the Fund in street name for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on the Proposal before the Meeting. The Fund understands that, under the rules of the Nasdaq Select Market, such broker-dealers may, without instructions from such customers and clients, grant authority to the proxies designated by the Fund to vote on the election of Directors if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. Certain broker-dealer firms may exercise discretion over shares held in their name for which no instructions are received by voting such shares in the same proportion as they have voted shares for which they have received instructions.

The shares as to which the Proxies so designated are granted authority by broker-dealer firms to vote on the matters to be considered at the Meeting, the shares as to which broker-dealer firms have declined to vote (broker non-votes) and the shares as to which Proxies are returned by record stockholders but which are marked abstain on any matter will be included in the Fund's tabulation of the total number of votes present for purposes of determining whether the necessary quorum of stockholders exists. However, abstentions and broker non-votes will not be counted as votes cast. Therefore, abstentions and broker non-votes will not have an effect on the election of Directors.
