Global Ship Lease Announces Results for the Third Quarter

Ended September 30, 2017

LONDON, October 20, 2017 (GLOBE NEWSWIRE) Global Ship Lease, Inc. (NYSE:GSL) (the Company or Global Ship Lease) announced today certain unaudited results for the three and nine months ended September 30, 2017.

The Company's fleet generated operating revenues from fixed-rate time charters of \$41.2 million in the three months ended September 30, 2017, the same as in the comparative period in 2016. There has been a modest reduction in revenue from amendments to the charters on *Marie Delmas* and *Kumasi* agreed in August 2016, offset by lower offhire. Operating revenue was \$121.1 million for the nine months ended September 30, 2017, down \$4.0 million on operating revenues of \$125.1 million for the comparative period in 2016. The decrease in revenue is mainly as a consequence of the amended rates in the charters of *Marie Delmas* and *Kumasi*. There was no offhire in the three months ended September 30, 2017, giving utilization of 100.0%. There were 38 days of planned offhire from regulatory dry-dockings only in the comparative period in 2016, giving an overall utilization of 97.7%. Utilization for the nine months ended September 30, 2017 was 98.1% compared to 98.2% in the comparative period in 2016.

As a result of a reduction in vessel operating expenses and stable general and administrative costs, Adjusted EBITDA was \$29.3 million for the three months ended September 30, 2017, up from \$28.1 million in the comparative period in 2016. Adjusted EBITDA for the nine months ended September 30, 2017 was \$85.4 million, down slightly from \$86.2 million for the comparative period in 2016. This press release does not include a reconciliation of Adjusted EBITDA from the most directly comparable U.S. GAAP measure, net income, for such periods because such reconciliation is not yet available.

Net income available to common shareholders in the three months ended September 30, 2017 was \$8.9 million, compared to a net loss of \$23.7 million in the comparative period in 2016, after a non cash impairment charge of \$29.4 million related to the *Marie Delmas* and *Kumasi* triggered by the amendments to the charters effective August 1, 2016. Net income for the nine months ended September 30, 2017 was \$22.5 million compared to a net loss of \$13.1 million in the comparative period in 2016 after the \$29.4 million non-cash impairment charge.

Edgar Filing: Global Ship Lease, Inc. - Form 6-K

As at September 30, 2017, the Company had cash and cash equivalents of \$65.6 million, compared to \$54.2 million as at December 31, 2016. Gross debt at September 30, 2017 was \$401.1 million compared to \$429.4 million at December 31, 2016.

The Company's financial statements for the three and nine months ended September 30, 2017 are not yet available.

About Global Ship Lease

Global Ship Lease is a containership charter owner. Incorporated in the Marshall Islands, Global Ship Lease commenced operations in December 2007 with a business of owning and chartering out containerships under mainly long-term, fixed-rate charters to top tier container liner companies.

Global Ship Lease owns 18 vessels with a total capacity of 82,312 TEU and an average age, weighted by TEU capacity, at August 31, 2017 of 12.7 years. All 18 vessels are currently fixed on time charters, 15 of which are with CMA CGM. The average remaining term of the charters at August 31, 2017 is 3.1 years or 3.4 years on a TEU weighted basis, taking into account the two charter extensions announced on September 11, 2017 and the new charter for the *OOCL Tianjin*, announced on October 19, 2017.

Forward-Looking Statements

This press release contains forward-looking statements. Forward-looking statements provide the Company's current expectations or forecasts of future events. Forward-looking statements include statements about the Company's expectations, beliefs, plans, objectives, intentions, assumptions and other statements that are not historical facts. Words or phrases such as anticipate, believe, continue, estimate, expect, intend, may, ongoing, plan, project, will or similar words or phrases, or the negatives of those words or phrases, may identify forward-looking statements, but the absence of these words does not necessarily mean that a statement is not forward-looking. Forward-looking statements are subject to known and unknown risks and uncertainties and are based on potentially inaccurate assumptions that could cause actual results to differ materially from those expected or implied by the forward-looking statements. Actual results could differ materially from those expressed or implied by the forward-looking statements as a result of various factors, including the factors described in Risk Factors in the Company's Annual Report on Form 20-F and the factors and risks the Company describes in subsequent reports filed from time to time with the U.S. Securities and Exchange Commission. New risks can emerge from time to time, and it is not possible for the Company to predict all such risks, nor can the Company assess the impact of all such risks on its business or the extent to which any risks, or combination of risks and other factors, may cause actual results to differ materially from those contained in any forward-looking statements. Accordingly, you should not unduly rely on these forward-looking statements, which speak only as of the date of this press release. The Company undertakes no obligation to publicly revise any forward-looking statement to reflect circumstances or events after the date of this press release or to reflect the occurrence of unanticipated events.
