**Item 8.01 Other Events.**

**Senior Notes Offering**

On December 12, 2017, Whiting Petroleum Corporation (the Company) commenced a private unregistered offering of \$1.0 billion aggregate principal amount of its 6.625% senior notes due 2026 (the Offering). In conjunction with the Offering, on December 12, 2017, the Company entered into a purchase agreement (the Purchase Agreement), by and among the Company, as issuer, Whiting Oil and Gas Corporation, Whiting US Holding Company, Whiting Canadian Holding Company ULC, and Whiting Resources Corporation, as guarantors (the Guarantors), and J.P. Morgan Securities LLC, as representative of the several initial purchasers listed in Schedule A thereto (the Initial Purchasers). Pursuant to the Purchase Agreement, the Company agreed to sell and the Initial Purchasers agreed to purchase for resale in a private unregistered offering to eligible purchasers \$1.0 billion aggregate principal amount of the Company's 6.625% senior notes due 2026, guaranteed by the Guarantors. The Purchase Agreement requires that the Company enter into a registration rights agreement with respect to the 6.625% senior notes due 2026. The Offering is expected to close on December 27, 2017, subject to customary conditions.

The foregoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, a copy of which is filed herewith as Exhibit 1.1 and is incorporated herein by reference.

The Purchase Agreement contains customary representations, warranties and covenants and includes the terms and conditions for the sale of the senior notes, indemnification and contribution obligations and other terms and conditions customary in an agreement of this type.

The Company intends to use the net proceeds from the Offering to redeem all of its outstanding 5.000% senior notes due 2019 (the 2019 Notes) and pay related fees and expenses, including the redemption premium and accrued interest on the 2019 Notes.

The Company issued on December 12, 2017 a press release announcing the commencement of the Offering and a press release announcing the pricing of the Offering, copies of which are filed as Exhibit 99.1 and 99.2, respectively, and incorporated herein by reference. Such press releases are filed pursuant to Rule 135c under the Securities Act of 1933, as amended. Such press releases and the information contained in this report shall not constitute a notice of redemption for purposes of the redemption provisions of the indenture governing the 2019 Notes.

In addition, the Initial Purchasers and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory, investment banking, commercial banking and other services for the Company for which they received or will receive customary fees and expenses. The Initial Purchasers and their respective affiliates may also, from time to time, enter into arm's-length transactions with the Company in the ordinary course of their business.

The information contained in this report shall not constitute an offer to sell or the solicitation of an offer to buy these securities, nor will there be any sale of these securities, in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction.

**Credit Agreement Amendment**

Also on December 12, 2017 and in connection with the Offering, the Company and its subsidiary Whiting Oil and Gas Corporation (Whiting Oil and Gas) entered into a Fifth Amendment (the Fifth Amendment) to the Sixth Amended and Restated Credit Agreement, dated as of August 27, 2014, among the Company, Whiting Oil and Gas, the lenders party thereto, and JPMorgan Chase Bank, N.A., as

administrative agent (as previously amended, the Credit Agreement ). The Fifth Amendment amends the Credit Agreement to permit the Company to utilize borrowings under the Credit Agreement to redeem a portion of its outstanding 2019 Notes, subject to the Company raising at least \$750,000,000 in aggregate principal amount of the senior notes in the Offering.

The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the full text of the Amendment. The Company is filing a copy of the Amendment as Exhibit 4.1 hereto, which is incorporated by reference.
