**Item 3. Source and Amount of Funds or Other Consideration.**

Bok, Bok Family Partners, L.P. and the Issuer, at a price of \$17.25 per share, for an aggregate purchase price of \$10 million. Scott L. Bok purchased 463,768 of these Shares in his personal capacity and the remaining 115,942 of these Shares through Bok Family Partners, L.P. The source of funds for such purchase was funds controlled by Scott L. Bok.

**Item 4. Purpose of Transaction.**

The Reporting Persons include Scott L. Bok, an entity controlled by Scott L. Bok, a charitable trust of which Scott L. Bok is a trustee and a grantor retained annuity trust of which Scott L. Bok is the sole trustee. Scott L. Bok is the Chief Executive Officer of the Issuer. The Shares to which this statement relates were acquired by the Reporting Persons with the purpose of investing in the Issuer's securities and contributing to the recapitalization of the Issuer.

On September 25, 2017, the Issuer announced a recapitalization (the "Recapitalization") which included the purchase of 579,710 Shares by Scott L. Bok, in his personal capacity and through Bok Family Partners, L.P., a purchase of 579,710 Shares by the Issuer's Chairman, the borrowing by the Issuer of \$350 million of term loans (the "2017 Term Loans"), the repayment of the Issuer's existing bank debt and the repurchase by the Issuer of up to \$285 million of Shares. In connection with the Recapitalization, the Issuer announced that it would substantially reduce or eliminate its quarterly dividend in order to improve tax efficiency and fund future repayment of debt. The purpose of the Recapitalization is to reduce taxes, increase earnings per share and increase employee alignment with stockholders, while offering those wishing to monetize their Shares an opportunity for liquidity.

On September 25, 2017, the Compensation Committee of the Issuer's Board of Directors (the "Compensation Committee") granted Scott L. Bok a \$2,750,000 award of performance-based restricted stock units ("PRSUs") in exchange for agreeing to forego 90% of his base salary, effective as of January 1, 2018 and through December 31, 2022. The value of this award represents the aggregate amount of base salary that Scott L. Bok will forego over the five year term between January 1, 2018 and December 31, 2022. This award will cliff vest at the end of the five year term, subject to continued employment through such time and a determination by the Compensation Committee that the 2017 Term Loans have been repaid in full. In addition to the September 25, 2017 award, Scott L. Bok presently has awards of up to 288,683 PRSUs outstanding if all performance targets are met.

Additionally, as the Chief Executive Officer of the Issuer, Scott L. Bok presently has awards of 380,655 restricted stock units outstanding and is eligible to receive further awards under the Issuer's Equity Incentive Plan (as defined below), which was adopted to motivate employees of the Issuer and allow them to participate in the ownership of Shares. The Equity Incentive Plan is administered by the Compensation Committee, which has the authority, either directly or through its delegates, to grant equity awards to eligible persons including Scott L. Bok as Chief Executive Officer. Awards granted under the Equity Incentive Plan generally vest ratably over a period of up to five years beginning on the first anniversary of the grant date or in full on the fifth anniversary of the grant date. The default treatment under the Equity Incentive Plan provides that awards shall fully vest upon a termination of employment as a result of death, disability or retirement and that awards are forfeited upon any other termination of employment outside of the change in control context.

The Reporting Persons intend to review their holdings in the Issuer on a continuing basis and, depending upon the price and availability of the Issuer's securities, subsequent developments affecting the Issuer, the business prospects of the Issuer, general stock market and economic conditions, tax considerations, investment considerations and/or other factors deemed relevant, may consider increasing or decreasing their investment in the Issuer, including through one or more open market purchases or private transactions. The timing and amount of such acquisitions or dispositions will depend on the conditions and considerations described in the preceding sentence and may be entered into pursuant to a Rule 10b5-1 plan.
