(e)

**Amended and Restated Annual Incentive Plan**

On January 17, 2018, the Human Resources Committee (the Committee) of the Board of Directors of R. R. Donnelley & Sons Company (the Company) approved an amendment and restatement of the Company's Annual Incentive Plan (the Annual Incentive Plan), under which certain officers, including the Company's named executive officers, and certain other employees are eligible to receive annual cash incentive payments, based upon the achievement of certain corporate financial and individual performance goals. Unless otherwise determined by the Committee, awards are subject to a payout ranging from 0% to 200% of the applicable target award amount. The amendments approved and reflected in the amendment and restatement of the Annual Incentive Plan include the following:

addition of a clawback provision that subjects awards under the Annual Incentive Plan to the Company's clawback policy relating to the recoupment of compensation;

revisions to define retirement using the Rule of 65, which requires a participant's age plus years of service to be equal to 65, for purposes of a participant's eligibility for a pro-rata portion of an award upon retiring prior to December 31 of the applicable plan year; and

an increase in the Committee's authority to adjust the amount of the awards payable to participants, including the ability to (a) make adjustments to plan funding prior to the end of the applicable plan year to eliminate the effect of any unusual, nonrecurring or infrequently occurring events that have occurred during the plan year and (b) adjust the amount of an award paid to a participant notwithstanding the participant's applicable Personal Objective Percentage (as defined under the Annual Incentive Plan) or achievement of personal objectives.

Updates were also made to clarify that the Annual Incentive Plan is a sub-plan of the Company's 2017 Performance Incentive Plan, and to remove certain provisions relating to Section 162(m) (Section 162(m)) of the Internal Revenue Code of 1986, as amended, which will no longer apply to new awards granted under the Annual Incentive Plan as result of the enactment of the Tax Cuts and Jobs Act, which eliminated the performance-based compensation exception under Section 162(m) for tax years beginning on and after January 1, 2018.

The description of the amendment and restatement to the Annual Incentive Plan is qualified in its entirety by reference to the complete terms of the amended and restated Annual Incentive Plan, a copy of which is attached hereto as Exhibit 10.1 and incorporated by reference herein.
