Mr. T. Ritson Ferguson and Mr. Frederick Hammer are the Class I Trustees. It is currently anticipated that Mr. Ferguson will stand for re-election at the 2020 annual meeting of shareholders. Mr. Hammer has informed the Board that he intends to retire from the Board upon the conclusion of his term and, therefore, will not stand for re-election at the 2020 annual meeting of shareholders.

Class II Trustee

Mr. Asuka Nakahara is the Class II Trustee. Mr. Nakahara is standing for re-election at the Annual Meeting.

What are the Committees of the Board?

The Trustees have determined that the efficient conduct of the Trust's affairs makes it desirable to delegate responsibility for certain specific matters to committees of the Board. The committees meet as often as necessary, either in conjunction with regular meetings of the Board or otherwise.

Audit Committee. The Trust has an Audit Committee, established in accordance with Section 3(a)(58)(A) of the Exchange Act, composed of Independent Trustees who are independent as that term is defined in the NYSE's listing standards pertaining to closed-end funds and as defined in the 1940 Act. The Audit Committee is charged with (i) oversight of the Trust's financial statements and the independent audit thereof and (ii) selecting and evaluating a firm of independent accountants for the Trust and reviewing accounting matters with the accountants. The Audit Committee is governed by a written charter, which is attached to this Proxy Statement as Appendix A.

The Audit Committee presents the following report:

The Audit Committee has performed the following functions: (i) the Audit Committee reviewed and discussed the audited financial statements of the Trust with management of the Trust; (ii) the Audit Committee discussed with the independent accountants the matters required to be discussed by the Statement on Auditing Standards No. 61; (iii) the Audit Committee received the written disclosures and the letter from the independent auditors required by ISB Standard No. 1 and has discussed with the accountants the accountants' independence; and (iv) the Audit Committee recommended to the Board of Trustees of the Trust that

the financial statements be included in the Trust's Annual Report for the past fiscal year.

Nominating Committee. The Trust has a Nominating Committee, which performs the functions set forth in the Trust's Nominating Committee Charter. The Nominating Committee is composed of all of the Trust's Independent Trustees. The Nominating Committee Charter is attached to this Proxy Statement as Appendix B.

As part of its duties, the Nominating Committee nominates individuals for Independent Trustee membership on the Board. The Nominating Committee will consider trustee candidates recommended by shareholders. In considering candidates submitted by shareholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate.

The Nominating Committee may also take into consideration the number of shares held by the recommending shareholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a shareholder must submit the recommendation in writing, which must include the following information:

The name of the shareholder and evidence of the person's ownership of shares of the Trust, including the number of shares owned and the length of time of ownership; and

The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a trustee of the Trust and the nominee's consent to be named as a trustee if selected by the Nominating Committee and nominated by the Board.

The shareholder recommendation and related information described above must be sent to the Trust's Secretary, c/o the Advisor at 201 King of Prussia Road, Suite 600, Radnor, Pennsylvania 19087, and must be received by the Secretary no less than 120 days prior to the anniversary date of the Trust's most recent annual meeting of shareholders. The Nominating Committee believes that the minimum qualifications for serving as a trustee of the Trust are that a candidate demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Trust and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest, independence from management and the Trust and other attributes described in the Nominating Committee Charter attached as Appendix B. The Nominating Committee also seeks to have the Board represent a diversity of backgrounds and experience. The Trust does not pay any third party a fee to assist in the process of identifying and evaluating candidates.

Does the Trust have a policy with respect to the attendance of Trustees at the Annual Meeting?

The Trust does not, as a matter of policy, require Trustees that are standing for election at an annual meeting to attend such annual meeting. The Trustees did not attend the annual meeting of the Trust held on October 16, 2017.

How can shareholders send communications to the Board?

Shareholders and other interested parties may contact the Board or any member of the Board by mail. To communicate with the Board or any member of the Board, correspondence should be addressed to the Board or the Board members with whom you wish to communicate by either name or title. All such correspondence should be sent c/o Secretary of the Trust at 201 King of Prussia Road, Suite 600, Radnor, Pennsylvania 19087.

What are the Trustees' qualifications?

The Board has concluded that, based on each Trustee's experience, qualifications, attributes and skills on an individual basis and in combination with those of the other Trustees, each Trustee is qualified and should continue to serve as such. In determining that a particular Trustee was and continues to be qualified to serve as a Trustee, the Board has considered a variety of criteria. In addition, the Board has taken into account the actual service, commitment and participation of each Trustee during his tenure in concluding that each Trustee should continue to serve. Information about the specific experience, skills, attributes and qualifications of each Trustee, which in each case led to the Board's conclusion that the Trustee should continue to serve as a trustee of the Trust, is as follows:

The Board has concluded that Mr. Bartholdson should continue to serve as a Trustee because of his general financial acumen, including the experience he gained as the Chief Financial Officer of a publicly traded company. Mr. Bartholdson has substantial experience in and knowledge of public company accounting and auditing. Mr. Bartholdson has gained additional understanding of the Trust's business by serving as a Trustee since 2004. Mr. Bartholdson has served as a trustee of other U.S.-registered investment companies, which provides him with additional perspective on operation and management of the Trust.

The Board has concluded that Mr. Hammer should continue to serve as a Trustee given his significant experience as an executive throughout the financial services industry, including disciplines such as banking, consumer finance and private equity, as well as investment management. Mr. Hammer has gained additional understanding of the Trust's business by serving as a Trustee since 2004.

The Board has concluded that Mr. Nakahara should continue to serve as a Trustee because of his background in real estate, including his academic and industry experience, his knowledge of the financial services industry and the experience he has gained serving as a Trustee since 2004.

The Board has concluded that Mr. Sutton should continue to serve as a Trustee because of his experience as an attorney in corporate practice, including experience related to corporate acquisitions and financing and the legal responsibilities of corporate directors. Mr. Sutton has gained additional understanding of the Trust's business by serving as a Trustee since 2004.

The Board has concluded that Mr. Ferguson should continue to serve as a Trustee because of the experience he has gained in establishing and leading the business of the Advisor. Mr. Ferguson founded the Advisor, along with Mr. Jarrett Kling and Mr. Ken Campbell, in 1991, and currently serves as its Chief Executive and Co-Chief Investment Officer. Mr. Ferguson has substantial experience in the real estate investment management business and has gained additional understanding of the Trust's business by serving as a Trustee since 2004.

The Board believes that, collectively, the Trustees have the appropriate experience, qualifications, attributes, and skills, which allow the Board to operate effectively in governing the Trust and protecting the interests of shareholders. Experience, qualifications, attributes and/or skills common to all Trustees include the ability to critically review, evaluate and discuss information provided to them and to interact effectively with the other Trustees and with representatives of the Advisor, other service providers, legal counsel and the Trust's independent registered public accounting firm, the capacity to address financial and legal issues and exercise reasonable business judgment and a commitment to the representation of the interests of the Trust and its shareholders.

In its periodic assessment of the effectiveness of the Board, the Board considers the skills and experience of the individual Trustees in the broader context of the Board's overall composition so that the Board, as a body, possesses the appropriate (and appropriately diverse) skills and experience to oversee the business of the Trust.

In the future, when the Board determines to add a new trustee or replace a departing Trustee, the Board intends to consider not only a candidate's experience, qualifications, attributes, and skills, but also whether the candidate's background would add to the Board's diversity.

Mr. Ferguson, the Chairman of the Board, is not an Independent Trustee. He also serves as the Trust's President and Chief Executive Officer. As Chairman, Mr. Ferguson's duties include setting the agenda for each Board meeting in consultation with the Trust's other officers (who are employed by the Advisor), as well as the Trust's external legal counsel, counsel to the Independent Trustees, auditors and administrator. Mr. Ferguson also presides at each Board meeting, meets with the Trust's other officers between Board meetings, and facilitates communication, coordination and an orderly and efficient flow of information and input among the Trustees, the Trust's officers and other employees of the Advisor. The Trust has not appointed a Lead Independent Trustee. Mr. Bartholdson serves as Chairman of the Trust's Audit Committee and is the Audit Committee Financial Expert. Mr. Nakahara serves as Chairman of the Trust's Nominating Committee. The Trustees have determined that the Board's leadership by Mr. Ferguson, as Chairman of the Board, and Mr. Bartholdson and Mr. Nakahara, as Chairman of the Audit Committee and Chairman of the Nominating Committee, respectively, is appropriate because they believe it appropriately reflects the relationships among the Trustees, the Advisor and the Trust's other officers. The Trustees exercise their independent judgment in evaluating and managing the Trust's relationship with the Advisor, as well as the performance of the Trust's officers and other service providers.

What are the Trust's Risk Management procedures?

The Trust is subject to investment, compliance and operational risks, among others. Like most investment companies, the day-to-day business of the Trust,

including the management of risk, is performed by third party service providers, such as the Advisor and the Trust's administrator. The Trustees are responsible for overseeing the Trust's service providers and, accordingly, oversee their respective risk management practices, as applicable to the Trust. Each service provider has its own risk management practices, and its policies and methods of risk management may differ from the Trust's in the setting of priorities, the resources available or the effectiveness of relevant controls.

The Advisor is responsible for the mitigation of investment risk within the parameters of the Trust's investment objectives, strategies and guidelines. The Advisor provides a detailed report on investment performance at each quarterly Board meeting. Among other things, the Board also reviews information about the Trust's investments, including portfolio holdings, investment performance and the factors impacting performance during the period.

Compliance risk derives from the failure (or perceived failure) to comply with laws, regulations or standards. Under the guidance of its Chief Compliance Officer, the Trust maintains a comprehensive compliance program designed to ensure compliance with laws applicable to its business, thereby mitigating compliance risk. The Trust's Chief Compliance Officer reports regularly to the Board to review and discuss compliance issues and, at least annually, provides the Board with a report reviewing the adequacy and effectiveness of the Trust's policies and procedures and those of its service providers, including the Advisor and the Trust's administrator. The report addresses the operation of the policies and procedures of the Trust and each service provider since the date of the last report; any material changes to the policies and procedures since the date of the last report; any recommendations for material changes to the policies and procedures; and any material compliance matters since the date of the last report.

The Trust's administrator, transfer agent and custodian provide the Trust with reports detailing their respective operating controls and procedures. The Trust's officers review those reports in the context of the Trust's day-to-day operations, preparation of financial reports and compliance with applicable regulations. The officers provide the Board with summary reports relating to operational controls and procedures. The Trustees also receive reports directly from the administrator, relating to matters such as valuation, financial reporting and portfolio compliance, and from the custodian, relating to the Trust's custody arrangements. The Advisor provides the Trustees with a quarterly report on fair valuation, and the Trustees approve the valuation of such securities.

Annually, the independent registered public accounting firm reviews with the Audit Committee its audit of the Trust's financial statements, focusing on major areas of risk encountered by the Trust and noting any significant deficiencies or material weaknesses in the Trust's internal controls.

The Board recognizes that not all risks that may affect the Trust can be identified and/or quantified, that it may not be practical or cost-effective to

eliminate or mitigate certain risks, that it may be necessary to bear certain risks (such as investment-related risks) to achieve the Trust's objectives, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness.

Are there any legal proceedings involving the Trust's Executive Officers or Trustees?

The following chart sets forth certain legal actions involving the Trust's executive officers, Trustees and nominees for trustee for the past ten years. Such actions include: (i) any judicial or administrative proceedings resulting from involvement in mail or wire fraud or fraud in connection with any business entity; (ii) any judicial or administrative proceedings based on violations of federal or state securities, commodities, banking or insurance laws and regulations, or any settlement to such actions; and (iii) any disciplinary sanctions or orders imposed by a stock, commodities or derivatives exchange or other self-regulatory organization.

In order for proposals made outside of Rule 14a-8 under the Exchange Act to be considered "timely" within the meaning of Rule 14a-4(c) under the Exchange Act, such proposals must be received by the Trust at the Trust's principal executive offices not later than July 27, 2019.

Privacy Principles of the Trust

The Trust is committed to maintaining the privacy of shareholders and to safeguarding their non-public personal information. The following information is provided to help you understand what personal information the Trust collects, how the Trust protects that information and why, in certain cases, the Trust may share information with select other parties.

Generally, the Trust does not receive any non-public personal information relating to its shareholders, although certain non-public personal information of its shareholders may become available to the Trust. The Trust does not disclose any non-public personal information about its shareholders or former shareholders to anyone, except as permitted by law or as is necessary in order to service shareholder accounts (for example, to a transfer agent or third party administrator).

The Trust restricts access to non-public personal information about the shareholders to employees of the Advisor with a legitimate business need for the information. The Trust maintains physical, electronic and procedural safeguards designed to protect the non-public personal information of its shareholders.

Voting

The Board has fixed the close of business on August 15, 2018 as the record date for the determination of shareholders of the Trust entitled to notice of, and to vote at, the Annual Meeting. Shareholders of the Trust on that date will be entitled to one vote on each matter to be voted on by the Trust for each share held and a fractional vote with respect to fractional shares with no cumulative voting rights. The presence in person or by proxy of shareholders owning a majority of the shares entitled to vote on any matter is necessary to constitute a quorum for the transaction of business at the Annual Meeting.

In the event that a quorum of shareholders is not represented at the Annual Meeting, the meeting may be adjourned by a majority of the shareholders present in person or by proxy until a quorum exists. If there are insufficient votes to

approve the Proposal, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit additional time for the solicitation of proxies, in accordance with applicable law. Adjourned meetings must be held within a reasonable time after the date originally set for the meeting (but not more than six months beyond the originally scheduled meeting date). Solicitation of votes may continue to be made without any obligation to provide any additional notice of the adjournment provided that any adjourned meeting is held not later than 120 days after the record date. The persons named as proxies will vote in favor of such adjournment(s) in their discretion.

For purposes of determining the presence of a quorum for transacting business at the Annual Meeting, executed proxies marked as abstentions and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present for quorum purposes but which have not been voted. Accordingly, abstentions and broker non-votes will effectively be a vote withholding authority to elect the Nominee.

Other Matters

No business other than the matter described above is expected to come before the Annual Meeting, but should any matter incident to the conduct of the Annual Meeting or any question as to an adjournment of the Annual Meeting arise, the persons named in the enclosed proxy will vote thereon according to their best judgment in the interest of the Trust.

A list of shareholders entitled to be present and to vote at the Annual Meeting will be available at the offices of the Advisor, 201 King of Prussia Road, Suite 600, Radnor, Pennsylvania 19087, for inspection by any shareholder during regular business hours beginning ten days prior to the date of the Annual Meeting.
