Item 4. Purpose of Transaction.

Item 4 is hereby amended and supplemented by adding the following immediately after the last paragraph:

As disclosed in Amendment No. 18 to this Schedule 13D, filed on March 8, 2017, under the terms of that certain Agreement and Plan of Merger, dated as of October 23, 2016 (the JPE Merger Agreement), by and among the Issuer, the General Partner, JPE, JPE Energy GP II LLC, Argo Merger Sub, LLC and Argo Merger GP Sub, LLC, all of the common units and all of the subordinated units of JPE held by Magnolia Holdings were converted into a total of 9,753,425 Common Units upon the completion of the acquisition of JPE by the Issuer. The information contained on the cover pages of Amendment No. 18 to this Schedule 13D, as well as subsequent amendments, erroneously excluded JP Energy as a reporting person and as a holder of Common Units. The information contained on the cover pages of this Amendment No. 27 to Schedule 13D reflects JP Energy as a reporting person and as a holder of Common Units.

The foregoing is a summary only and the terms and conditions of the JPE Merger Agreement are qualified in their entirety by reference to the full text of the JPE Merger Agreement.

Agreement and Plan of Merger

Pursuant to the Merger Agreement, Merger Sub will merge with and into Issuer, with Issuer surviving as a direct wholly owned subsidiary of the General Partner and Parent, an indirect subsidiary of Fund V.

Under the terms of the Merger Agreement, at the effective time of the Merger, each issued and outstanding Common Unit of Issuer, other than each Common Unit that is, as of the closing date of the Merger, held by Parent (the Sponsor Units), will convert into the right to receive \$5.25 per Common Unit in cash without any interest thereon (the Merger

Consideration). Each Sponsor Unit issued and outstanding immediately prior to the effective time of the Merger and the General Partner Interest (as defined in the Partnership Agreement) will be unaffected by the Merger and will be unchanged and remain outstanding, and no consideration will be delivered in respect thereof. The Incentive Distribution Rights (as defined in the Partnership Agreement) in Issuer issued and outstanding immediately prior to the effective time of the Merger will automatically be canceled and cease to exist, and no consideration will be delivered in respect thereof.

The Conflicts Committee of the board of directors of the General Partner (the Conflicts Committee) and the board of directors of the General Partner (acting based upon the recommendation of the Conflicts Committee) have (i) determined that each of the Merger, the Merger Agreement and the transactions contemplated thereby is in the best interests of Issuer and Issuer's unaffiliated unitholders, (ii) approved the Merger Agreement and the transactions contemplated thereby, including

the Merger, and (iii) recommended that the board of directors of the General Partner approve the Merger Agreement, the execution, delivery and performance of the Merger Agreement and the consummation of the transactions contemplated thereby, including the Merger.

Issuer has agreed, subject to certain exceptions with respect to unsolicited proposals, not to directly or indirectly solicit competing acquisition proposals or to enter into discussions concerning, or provide confidential information in connection with, any alternative business combinations. However, the board of directors of the General Partner may, subject to certain conditions, change its recommendation in favor of adopting the Merger Agreement if the Conflicts Committee determines in good faith, after consultation with its financial advisor and outside counsel, that the failure to effect such a change in recommendation would be a breach of, or otherwise inconsistent with, the Conflict Committee's duties under the Partnership Agreement or applicable law.

The Merger Agreement contains customary representations and warranties from the parties and each party has agreed to customary covenants, including, among others, covenants relating to (i) the conduct of business during the interim period between the execution of the Merger Agreement and the effective time of the Merger and (ii) the obligation to use commercially reasonable efforts to cause the Merger to be consummated.

Completion of the Merger is subject to certain customary conditions, including: (i) expiration or termination of applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act, if any; (ii) there being no law or injunction prohibiting consummation of the transactions contemplated under the Merger Agreement (or any action by a governmental agency seeking such restraint); (iii) subject to specified materiality standards, the accuracy of certain representations and warranties of the other party; and (iv) compliance by the other party in all material respects with its covenants and obligations under the Merger Agreement.

The Merger Agreement provides for certain termination rights for both Parent and Issuer, including (i) by the mutual written agreement of Issuer (duly authorized by the Conflicts Committee) and Parent (duly authorized by High Point, in its capacity as sole manager of Parent); (ii) by either Parent or Issuer, if the Merger has not been consummated on or before July 31, 2019 (the Outside Date); (iii) by Parent, if (A) the Conflicts Committee makes an adverse change to its recommendation in favor of approving the Merger Agreement, (B) under certain conditions, there has been a material breach by Issuer or the General Partner of any of their respective representations, warranties, or covenants set forth in the Merger Agreement that is not cured or capable of being cured within the earlier of 30 days of notice of such breach or the Outside Date or (C) the Merger is prevented by certain final and non-appealable legal restraints; and (iv) by Issuer, if (A) under certain conditions, there has been a material breach by High Point, Parent or Merger Sub of any of their respective representations, warranties, or covenants set forth in the Merger Agreement that is not cured or capable of being cured within the earlier of 30 days of notice of such breach or the Outside Date; or (B) the Merger is prevented by certain final and non-appealable legal restraints or a governmental agency is seeking any such legal restraints. The Merger Agreement provides that upon termination of the Merger Agreement under certain circumstances, Parent will be obligated to pay Issuer a termination fee equal to \$12,000,000 (the Parent Termination Fee). The Merger Agreement also provides that, upon termination of the Merger Agreement under certain circumstances, Issuer will be obligated to reimburse Parent for its expenses in an amount not to exceed \$3,500,000. Additionally, the Merger Agreement provides that the parties to the Merger Agreement will be entitled to an injunction or injunctions to prevent breaches of the Merger Agreement and to enforce specifically the provisions of the Merger Agreement, including, to cause Parent to fund its equity financing commitment, under certain circumstances.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is filed as Exhibit 2 to this Schedule 13D and is incorporated by reference in its entirety into this Item 4.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

The information provided or incorporated by reference in each of Items 3 and 4 regarding the Merger Agreement and the Equity Commitment Letter, respectively, is hereby incorporated by reference herein.

Item 7. Material to Be Filed as Exhibits.
