Proposal Three: To ratify the appointment of Global Indemnity Limited's independent auditors and to authorize our Board of Directors acting through its Audit Committee to determine its fees.

In addition, if any other matters are properly brought up at the Annual General Meeting (other than the proposals contained in this Proxy Statement) or any adjournments or postponements thereof, then the individuals named in your proxy card will have the authority to vote your shares on those matters in accordance with their discretion and judgment. If you mark your proxy as Abstain on any matter, or if you give specific instructions that no vote be cast on any specific matter, the shares represented by your proxy will not be voted on that matter and will have no effect on the outcome of such matter, but will be counted in determining whether a quorum is present. Proxies submitted by banks, brokers, or other nominees that do not indicate a vote for one or more of the proposals because the bank, broker, or other nominee does not have discretionary voting authority, but does have discretionary authority to vote on at least one proposal, and has not received instructions as to how to vote on those proposals (so called broker non-votes) are also considered in determining whether a quorum is present, but will not affect the outcome of any vote.

Banks, brokers, or other nominees holding shares in street name for beneficial owners are generally required to vote such shares in the manner directed by the beneficial owner. In the absence of timely directions, your broker, bank or other nominee will have discretion to vote your shares on our sole routine matter, the proposal to ratify Global Indemnity Limited's independent auditors for the fiscal year ending December 31, 2019. Table of Contents**PROPOSAL THREE: RATIFICATION OF APPOINTMENT OF GLOBAL INDEMNITY LIMITED'S INDEPENDENT AUDITOR AND AUTHORIZATION OF THE BOARD OF DIRECTORS TO DETERMINE ITS FEES****General**

The appointment of an independent auditor is made annually by the Audit Committee. The Audit Committee reviews both the audit scope and estimated fees for professional services for the coming year. The Audit Committee has appointed Ernst & Young Global Limited (EY) as our independent auditor for the fiscal year ending December 31, 2019. As a matter of good corporate governance, the Audit Committee submits its selection of the independent auditors to our shareholders for ratification in a non-binding vote at the Annual General Meeting. In addition, shareholders will be asked to authorize our Board of Directors acting through its Audit Committee to set the fees for EY. If the shareholders do not ratify the appointment of EY, the selection of our independent registered public accounting firm may be reconsidered by the Audit Committee. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent auditor at any time during the year if it determines that such a change is in the best interests of the Company and its shareholders.

A representative of EY is expected to be available telephonically to respond to appropriate questions from shareholders at the Annual General Meeting. The representative will also have the opportunity to make a statement if he or she desires.

Information Regarding Our Independent Auditors

The following table shows the fees that were billed to us by EY for professional services rendered for the fiscal years ended December 31, 2018 and December 31, 2017.

Fee Category	2018	2017
Audit Fees	\$ 1,719,806	\$ 1,606,826
Audit-Related Fees	90,719	70,000
Tax Fees	66,820	529,650
All Other Fees	3,490	1,930
Total Fees	\$ 1,880,835	\$ 2,208,406

Audit Fees

This category includes fees for the audit of our annual financial statements and review of interim quarterly financial statements included on our quarterly reports on Form 10-Q and services that are normally provided by EY in connection with statutory and regulatory filings or engagements.

Audit-Related Fees

This category includes fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not included above under Audit Fees. For 2018, we paid EY \$90,719 for expanded audit hours related to proposed international tax structures. For 2017, we paid EY \$70,000 for comfort letters related to our March 2017 debt offering.

Tax Fees

This category includes fees for tax compliance, tax advice, and tax planning. The services provided included tax advice and assistance with tax compliance and reporting to federal, state and foreign taxing authorities as well as transfer pricing services. In addition, we paid EY \$2,302 in 2018 for tax fees related to consultations on U.S. tax reform and \$337,383 in 2017 for tax fees related to consultations on international tax structures and our migration from Ireland to the Cayman Islands.

Table of Contents

All Other Fees

This category includes fees for products and services provided by EY that are not included in the categories described above. For 2018, we paid EY \$3,490 for on-line accounting research services. For 2017, we paid EY \$1,930 in fees for on-line accounting research services. The Audit Committee considered whether providing the non-audit services shown in the table above was compatible with maintaining EY independence and concluded that it was.

Pre-Approval of Services

To ensure that our independent auditor maintains the highest level of independence and pursuant to the Audit Committee Pre-Approval Policy, the Audit Committee is required to pre-approve the audit and permitted non-audit services performed by our independent auditors. The Audit Committee pre-approved 100% of the fees for audit and non-audit services performed by EY during the year ended December 31, 2018. To ensure that the provision of these services does not impair the independence of our independent auditor, unless a type of service to be provided by our independent auditor and the associated fees have been pre-approved in accordance with the Audit Committee Pre-Approval Policy, the Audit Committee's separate pre-approval of any proposed services and the associated fees is required. The Audit Committee Pre-Approval Policy only applies to services provided to us by our independent auditor; it does not apply to similar services performed by persons other than our independent auditor. The term of any pre-approval is 12 months from the date of pre-approval, unless the Audit Committee specifically provides for a different period. The Audit Committee will periodically, or more often as it deems necessary in its judgment, reassess and revise the Audit Committee Pre-Approval Policy. The Audit Committee most recently reassessed and approved its Audit Committee Pre-Approval Policy in November 2016.

Required Vote

The affirmative vote of a majority of the votes cast at the Annual General Meeting will be required for the ratification of the appointment of EY as our independent auditor for the fiscal year ending December 31, 2019 and the authorization of our Board of Directors acting through its Audit Committee to set fees for EY.

The Board of Directors Recommends voting For Proposal Three.

BOARD OF DIRECTORS AND CERTAIN GOVERNANCE MATTERS

Board Structure

It is our policy to separate the positions of Chief Executive Officer and Chairman of the Board of Directors. While we recognize that different board leadership structures may be appropriate for companies in different situations, we believe that our current policy of having a separate Chairman is the most appropriate for us at this time. In today's challenging economic and regulatory environment, directors, more than ever, are required to spend a substantial amount of time and energy in successfully navigating a wide variety of issues and guiding the policies and practices of the companies they oversee. To that end, we believe that having a Chairman independent of the Chief Executive Officer, whose sole job is to lead the Board of Directors, allows our Chief Executive Officer, Ms. Valko, to better focus her time and energy on running the day-to-day operations of Global Indemnity. We believe that our Chief Executive Officer and our Chairman have an excellent working relationship and open lines of communication. The Board of Directors believes that Global Indemnity's current leadership structure does not affect its role in risk oversight of Global Indemnity.

While the full Board of Directors is ultimately responsible for risk oversight, the Board of Directors exercises its risk oversight responsibilities through its committees, which regularly report to the full Board of Directors. Our Enterprise Risk Management Committee addresses enterprise risk matters, the Audit Committee addresses financial reporting risk, the Compensation Committee addresses compensation related matters, the Investment Committee addresses risks related to investing and the Technology Committee addresses risks related to technology. Finally, our Board of Directors regularly meets with members of the senior management team at quarterly meetings of the Board of Directors, where, among other topics, they discuss strategy and risks facing the Company, as well as at such other times as they deem appropriate. For a further discussion, see [Board Committees](#) below.

Our Board of Directors has determined that Seth J. Gersch, Joseph W. Brown, John H. Howes, Jason B. Hurwitz, Bruce R. Lederman, and James D. Wehr are independent as defined by applicable NASDAQ Listing Rules and SEC rules. We believe that the number of independent, experienced directors that make up our Board of Directors, along with the oversight of our Board of Directors by the non-executive Chairman, benefits us and our shareholders.

Meetings and Independence Requirements

Our Board of Directors held four meetings in 2018. In 2018, all of the incumbent members of our Board of Directors attended 75% or more of the total number of meetings of our Board of Directors and the total number of meetings held by committees on which they served that were held during the period for which they were directors and served on such committees.

The Annual General Meeting will be our sixteenth annual general meeting of shareholders. We do not have a policy about directors' attendance at our annual meeting of shareholders. No director attended our 2018 Annual General Meeting.

Global Indemnity is a controlled company as defined in Rule 5615(c)(1) of the NASDAQ Marketplace Rules because more than 50% of our voting power is held by affiliated funds of Fox Paine & Company, LLC. See [Additional Information](#) [Principal Shareholders and Security Ownership of Management](#). Therefore, we are exempt from certain requirements of Rule 5605 with respect to (1) having a majority of independent directors on our Board of Directors, (2) having the compensation of our executive officers determined by a majority of independent directors or a compensation committee composed solely of independent directors, and (3) having nominees for director selected or recommended for selection by either a majority of independent directors or a nominating committee composed solely of independent directors.

There are no family relationships among any of our directors or executive officers.

Management may also propose financial targets on which performance will be judged. Generally, at each meeting an executive session is held without members of management present. In the course of its activities, the Compensation Committee may designate or allocate all or any portion of its responsibilities and powers to a subcommittee consisting of one or more of its members.

DIRECTOR COMPENSATION

General

The form and amount of non-employee director compensation is determined by the Board of Directors. Our directors that are also employees of the Company are not separately compensated for their service as directors, including Cynthia Y. Valko, our Chief Executive Officer. We believe that director compensation should not only be competitive within the insurance industry, but also fair and reasonable in light of our directors background and experiences, as well as the overall time, effort, and complexity involved in carrying out their responsibilities as directors.

To align the objectives of our directors and our shareholders, as well as to retain directors for an extended period, our non-employee directors receive annual retainers for serving on the Board of Directors and each committee payable in cash and in restricted A ordinary shares. The annual retainers are apportioned between Global Indemnity Group, Inc. and Global Indemnity Limited based upon the services rendered to our US insurance operations and our non-U.S. corporate operations, respectively. The number of restricted A ordinary shares to be issued to a director under Global Indemnity Limited's 2018 Share Incentive Plan, is determined by dividing the amount of compensation to be issued by the closing market price of our A ordinary shares on NASDAQ on the last business day of the calendar quarter in which the compensation was earned.

Until January 1, 2019, Restricted A ordinary shares issued to directors vested over a rolling 24 month period. Restricted A ordinary shares received may not be transferred, sold or otherwise disposed of unless and until (1) there is a change in control of Global Indemnity, (2) such director passes away, or (3) 24 months have elapsed since the date the director ceased to serve on the Board of Directors. Restricted A ordinary shares are subject to forfeiture upon a director's breach of confidentiality, or if within 24 months following a director's departure from the Board of Directors, the director becomes associated with a property and casualty company that at the time of association or during the restriction period competes with us.

Effective January 1, 2019, while a member of the Board of Directors and until the completion of twelve calendar months after the director is no longer a member of the Board of Directors, a director may not trade A ordinary shares or other Global Indemnity Limited securities unless approved in writing in accordance with the Company's Insider Trading Policy (the "Liquidity Restrictions"). If prior to the lapse of the Liquidity Restrictions, a director directly or indirectly associates with or advises, whether as an employee, executive, director, or consultant, a Company Competitor, as defined below, the director shall promptly return to the Company the value equivalent of all Gross-Up Shares and Gross-Up Cash, as defined below in Retainer and Fee Schedule, received by or credited to such director. Company Competitor means (i) any company or group of affiliated companies with 10% or more of aggregate premium volume in one or more classes of business offered by the Company (the "Competitive Business"); or (ii) any company or group of affiliated companies with Competitive Business aggregate premiums equal to or exceeding \$50 million, but the Competitive Business is less than 10% of that company's or group of affiliated companies' aggregate premiums; or (iii) any company or group of affiliated companies with Competitive Business aggregate premiums reasonably projected to equal or exceed \$100 million over three years, but the Competitive Business is less than 10% of the company's or group of affiliated companies' aggregate premiums.

These restrictions on transfer, sale and disposition are designed to ensure that our directors maintain a long-term perspective when overseeing our operations. Further, the Company's insider trading policy prohibits directors from purchasing the Company's securities on margin and from holding the Company's securities in margin accounts and prohibits directors from engaging in short sales of the Company's securities or trading in any options (including, but not limited to, puts and calls) to buy or sell such securities.

All non-employee directors are eligible to receive reimbursement for their reasonable business related expenses and reasonable out-of-pocket expenses incurred in attending meetings of the Board of Directors and its Committees. Non-employee directors do not receive attendance fees for meetings.

Retainer and Fee Schedule

Pre-2019

Until January 1, 2019, each non-employee director was required to elect a percentage of their annual retainer to be paid in Restricted A ordinary shares and a percentage of their annual retainer to be paid in cash. This election remained in effect and could be changed upon five days' prior written notice by the non-employee director.

Non-employee directors who elected to receive 100% of their retainer for services rendered to Global Indemnity Limited and Global Indemnity Group, Inc. in Restricted A ordinary shares had their compensation increased in cash to provide a gross-up for taxes. Those non-employee directors who did not elect to receive 100% of their retainer for Board services rendered to Global Indemnity Limited and Global Indemnity Group, Inc. in Restricted A ordinary shares did not receive the additional cash payment and did not have their compensation grossed-up for taxes.

Until January 1, 2019, each current director elected to receive 100% of their retainer for services rendered in Restricted A ordinary shares. The Company and Mr. Fox have agreed to defer the vesting of Mr. Fox's Restricted A ordinary shares granted for services rendered to Global Indemnity Limited and Global Indemnity Group, Inc. until the earlier of a change in control of the Company or January 1, 2024.

Until January 1, 2019, the amount of the annual retainer each non-employee director was eligible to receive for service in a fiscal year was: (1) \$80,000 for the Chairman; (2) \$37,500 for all non-employee directors (other than the Chairman); (3) an additional \$8,500 for each continuous year served as a non-employee director (Tenure Bonus); (4) an additional \$45,000 for the non-employee director who chairs the Audit Committee; (5) an additional \$20,000 for non-employee directors who serve on the Audit Committee in a capacity other than Chairperson; (6) an additional \$30,000 for the non-employee director who chairs the Investment Committee; (7) an additional \$15,000 for non-employee directors who serve on the Investment Committee in a capacity other than Chairperson; (8) an additional \$22,500 for the non-employee director who chairs the Compensation Committee; (9) an additional \$11,250 for non-employee directors who serve on the Compensation Committee in a capacity other than Chairperson; (10) an additional \$80,000 for the non-employee director who chairs the Executive Committee; (11) an additional \$40,000 for non-employee directors who serve on the Executive Committee in a capacity other than Chairperson; (12) an additional \$30,000 for the non-employee director who chairs the Enterprise Risk Committee; (13) an additional \$15,000 for non-employee directors who serve on the Enterprise Risk Committee in a capacity other than Chairperson; (14) an additional \$20,000 for the non-employee director who chairs the Nominating & Governance Committee; and (15) an additional \$10,000 for the non-employee directors who serve on the Nominating & Governance Committee in a capacity other than Chairperson.

Until January 1, 2019, Non-employee directors forfeited 12.5% of their yearly retainer and tenure bonus for each absence at an in-person meeting of the Board of Directors and forfeited \$5,000 of their yearly retainer and tenure bonus for each non-participation in a telephonic meeting of the Board of Directors.

2019

Effective January 1, 2019, each Non-Employee Director shall elect their annual remuneration to be paid either in A ordinary shares or in cash. If the Non-Employee Director elects to be paid in Global Indemnity A ordinary shares, the annual remuneration will be grossed up based upon an assumed fifty percent (50%) combined federal and state income tax rate (Gross-Up). Each Non-employee Director may elect to receive the Gross-Up in either cash (Gross-Up Cash) or A ordinary shares (Gross-Up Shares). EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

This Compensation Discussion and Analysis focuses on the compensation of the executive officers listed in the Summary Compensation Table that follows (our named executive officers). Our named executive officers for 2018 were:

Cynthia Y. Valko, Chief Executive Officer, Global Indemnity Limited;

Thomas M. McGeehan, Chief Financial Officer and Executive Vice President Finance, Global Indemnity Limited;

William J. Devlin, Jr., Executive Vice President, Personal Lines and Agriculture;

Jonathan E. Oltman, Executive Vice President Commercial Lines; and

Stephen Green, President of Global Indemnity Re.

The following is a discussion of our objectives and philosophies regarding executive officer compensation, as well as the actions taken in 2018 and the compensation awarded to, earned by, or paid to our named executive officers with respect to 2018 performance.

Committee Activities and Compensation Paid to Named Executive Officers With Respect to 2018

The Compensation Committee met one time in 2018. Actions of the Compensation Committee included approving the executive officers' 2018 salaries and bonus incentive opportunities. The Compensation Committee or the Board of Directors, after consulting with our Chief Executive Officer (except with respect to matters relating to the Chief Executive Officer), has approved the compensation and the employment agreements and arrangements for all of our named executive officers. Following the fiscal year, the Compensation Committee also typically conducts an annual review of the performance of our named executive officers and did so in early 2019 with respect to performance for 2018.

The Compensation Committee approves all grants of equity compensation to our named executive officers and determines the size of the grants as it deems appropriate to achieve the goals as described below and establishes the time or times at which equity will be awarded. With respect to stock options, the Compensation Committee sets the exercise price per share at the closing price of our shares on the date of grant.

Our Compensation Philosophy

Our primary goals in structuring compensation opportunities for our named executive officers are: (1) fostering achievement of corporate performance objectives; (2) recognizing executives' contributions to corporate success; and (3) attracting and retaining quality professionals. We apply a consistent compensation philosophy for all named executive officers. This philosophy is based on the premise that our achievements result from the coordinated efforts of all employees, including our named executive officers, working toward our business objectives. The Compensation Committee designed and refines the executive compensation program to support the overall objective of maximizing long-term shareholder value by aligning the interests of executives with the interests of shareholders and by rewarding executives for achieving corporate and individual objectives.

We have entered into employment agreements or arrangements with our named executive officers, as described in more detail below following the Summary Compensation Table. These agreements and arrangements are important to the future of our business because our success depends, in significant part, upon the individual employees who represent us in dealings with our producers and the investment community,

Table of Contents

execute our business strategy, and identify and pursue strategic opportunities and initiatives. We believe that such agreements and arrangements are helpful in providing our executives with some comfort regarding their duties and compensation. For some executives, our employment agreement and arrangements contain restrictive covenants with respect to competitive activity, non-solicitation, and confidentiality during and following the executives' employment with us. These covenants are particularly important in protecting our interests in what is an intensely competitive industry in which leveraging the personal relationships of our executives is critical to our success. The employment agreements and arrangements also dictate the level and extent to which the executives receive post-termination compensation.

Generally, we structure our total compensation packages for our named executive officers to be competitive with respect to compensation paid by our peer companies to their executives. Three industry compensation surveys were used in 2018 that were not specifically prepared for us. The following companies participated in those surveys: Acuity, A Mutual Insurance Company, ACCC Insurance Company, AIPSO, American Modern Insurance Group, American National Insurance Company, Ameriprise Insurance Company, Argo Group International Holdings, Ltd., Athena Insurance & Financial Services, Centauri Specialty Insurance Holdings, Inc., Citizens Property Insurance Corporation, CNA Insurance, CUNA Mutual Group, Employers Mutual Casualty Company, FBL Financial Group, Inc., FCCI Insurance Group, First Insurance Company of Hawaii, Ltd., Frankenmuth Mutual Insurance Company, Great American Insurance Group, GuideOne Insurance, Heritage Insurance, Hiscox, ICW Group, Island Insurance Company, Main Street America Group, Mapfre Insurance USA, Marsh & McClellan, Mercury General Corporation, Navigators Management Company, NJM Insurance Group, Nodak Insurance Company, Odyssey Re, One Beacon Insurance Group, Ltd., Philadelphia Insurance Companies, Plymouth Rock, PMA Companies, ProSight Specialty Insurance Group, Inc., Protective Insurance, QBE Insurance Group, RenRe North America Employee Services, Inc., RLI Corp., Sompo International, State Auto Insurance Company, United Fire & Casualty Insurance Company, Universal Health Services, Inc., UPC Insurance, Utica National Insurance Group, Validus Holdings, Westfield Insurance, and Zenith National Insurance Corporation (collectively the Peer Group). We believe that use of such peer and competitor comparison provides a suitable basis for addressing and balancing between the competitive nature of our business and the attendant need to recruit and retain talented executives by providing competitive compensation against the Compensation Committee's strong desire to ensure that our executives do not receive excessive compensation in relation to their peers or disproportionate to their contributions to our long-term success and shareholder value. However, we do not target any specific percentile in relation to such Peer Group with respect to any element of executive compensation. We believe that our emphasis on performance and shareholder return with a long-term perspective may result in compensation opportunities that differentiate our practices from those of our peers. In short, our compensation program has been structured so that our executives will be well compensated if, and only if, they create value for our shareholders over a period of several years.

Key Elements of Compensation

We use two primary components of executive compensation to satisfy our compensation objectives: base salary, which is provided to recognize our executive officers' day-to-day contributions and performance-based incentive opportunities that include both a long-term equity incentive component payable in equity awards and annual bonus incentives payable in cash. The Compensation Committee uses base salary to compensate executives at salary levels that are competitive with and comparable to the levels used by other companies within our Peer Group, but does not target any specific percentiles.

Our performance-based incentive opportunities generally are designed to motivate executives to focus on the performance of the division, subsidiary, or unit for which they have primary responsibility. In the first quarter of each year, our Compensation Committee establishes the performance objectives that must be met during the applicable performance period for a named executive officer to earn the incentive compensation. These performance objectives reflect each executive's responsibilities and a day-to-day emphasis on generating profits. If the incentive bonuses are earned, a portion will be paid in cash and the remaining portion in restricted shares. The Compensation Committee uses performance-based incentive opportunities to compensate and incentivize

Table of Contents

executives at levels that are competitive with and comparable to the levels used by other companies within our Peer Group, but does not target any specific percentiles.

We pay out a portion of these incentive opportunities in the form of equity awards because we believe that short-term results do not, by themselves, accurately reflect the performance of a company in our industry or the return realized by our shareholders. These equity awards generally vest pro-rata over three or four years as described below and unless otherwise indicated in the applicable employment agreement or arrangement, vesting is subject to continued employment or the Board of Directors discretion. Equity awards are an important component of our compensation policies and are designed to motivate recipients to act from the perspective of a long-term owner. We believe that providing our named executive officers with equity ownership: (1) serves to align the interests of our named executive officers with shareholders by creating a direct link between compensation and long-term shareholder return, (2) creates a significant, long-term interest in our success and (3) aids in the retention of key executive officers in a competitive market for executive talent. We further believe that the allocation between cash and equity awards with respect to the annual bonuses earned provides both an incentive for the named executive officer to continue to perform at a high level and to reward the named executive officer for their performance during an applicable performance period. All equity grants to our named executive officers are made under our current share incentive plan. See Proposal 4 regarding a new 2018 Share Incentive Plan being submitted for shareholder approval.

From time to time, we may grant additional equity awards or other forms of compensation, such as in connection with an executive officer's hire or promotion. With respect to new hire or promotion equity awards, in order to promote our goals of attracting and retaining talented executives, the awards usually vest over certain periods of time subject to continued employment in good standing, with vesting contingent in certain instances on the attainment of performance goals as described above. Equity awards that are made upon an executive's commencement of employment may also be contingent on the executive's purchase of restricted stock to ensure that the executive is a shareholder with a significant personal investment in Global Indemnity.

As described below under *Employment Agreements*, Ms. Valko received options to acquire our A ordinary shares in connection with the commencement of her employment and the entering into of new employment agreements in 2014 and 2018. Options under each agreement vest annually pro-rata over three years and/or subject to certain Board of Director approved performance targets.

Base Salary

The Compensation Committee uses base salary to compensate executives at salary levels that are competitive with and comparable to the levels used by other companies within our Peer Group, but does not target any specific percentiles. The Compensation Committee reviews base salaries on an annual basis to determine whether such salaries remain competitive relative to the Peer Group, and whether any adjustments would be appropriate based on other relevant factors. Base salaries for our named executive officers were initially set in the executives' employment agreements or arrangements with us and have been increased in subsequent years in connection with merit increases, which generally relate to individual past performance, enhanced professional responsibilities and the review of Peer Group compensation. In setting the Chief Executive Officer's base salary and in evaluating the Chief Executive Officer's recommendations for the base salaries of the other named executive officers, the Compensation Committee generally weighs a variety of factors, including individual past performance, potential for future successful performance with us, level and scope of responsibility and relative fairness among our executive officers. The Compensation Committee reviewed and approved executive base salaries in March 2018. At that time, Mr. McGeehan's annual base salary was increased from \$400,000 to \$500,000 in consideration of his tenure and service to the Company.

Table of Contents*Incentive Opportunities*

For 2018, Ms. Valko was provided an opportunity to earn cash bonuses based on the criteria in Target Incentives Under Employment Agreements below. Our other named executive officers were provided an opportunity to earn cash and equity bonuses based on the criteria set forth in the following table:

Named Executive Officer	Performance Criteria for Cash Bonus	Performance Criteria for Equity Bonus
Thomas M. McGeehan	Global Indemnity's overall combined ratio and gross written premiums, expense management and service quality provided by our support services	
Jonathan E. Oltman	Combined ratio and gross written premiums of our Commercial Lines Operations	Global Indemnity's overall combined ratio and gross written premiums
William J. Devlin, Jr.	Combined ratio and gross written premiums of our Personal Lines Operations	
Stephen Green	Combined ratio and gross written premiums of our Reinsurance Operations	

As described below, the amounts of the annual bonuses payable to our named executive officers are dependent, in large measure, on our performance in relation to performance targets. The extent to which actual performance exceeds or falls short of target performance directly results in a corresponding increase or decrease in the bonus amounts payable.

The criteria for our annual bonus incentives for 2018 related to certain objective performance goals that included gross written premium, the combined ratio, expense management, and support services provided as well as individual performance expectations. Gross written premiums is a financial measurement that is generally viewed in the insurance industry as an indicator of revenue and growth. The combined ratio is the ratio of the sum of losses, acquisition costs and other underwriting expenses to net premiums earned. The combined ratio is a financial measure that is generally viewed in the insurance industry as an indicator of underwriting profitability. Generally a lower combined ratio equates to greater profitability.

Target Incentives Under Employment Agreements

On March 6, 2018 we entered into a Chief Executive Agreement (the 2018 Employment Agreement) with Ms. Valko as her previous employment agreement expired on December 31, 2017. Under the 2018 Employment Agreement, Ms. Valko is eligible to receive a cash Return on Equity Bonus of up to \$600,000 for each fiscal year of the 2018 Employment Agreement that Ms. Valko served as the CEO (the ROE Bonus). Ms. Valko is eligible to receive a preliminary ROE Bonus (the Preliminary ROE Bonus) for each such fiscal year if Global Indemnity's return on equity percentage for such fiscal year exceeds 85% of the targeted return on equity percentage (as established by the Company's Compensation Committee) for such fiscal year. As described in further detail in the 2018 Employment Agreement that previously was filed with the SEC, return on equity is determined as the Company's consolidated pre-tax income on a GAAP basis, adjusted to include all premiums, underwriting losses, and underwriting expenses in respect of insurance policies issued in the applicable year. Further, it excludes contribution to income of certain excess capital (generally, the Company's book value that is unnecessary to maintain the Company's A.M. Best's A rating), certain investment portfolio realized and unrealized capital gains and losses, certain fees and expenses paid or incurred with respect to Fox Paine & Company, and certain Board fees to the extent they exceed \$1.5 million for the year. The Compensation Committee determined that return on equity would be an appropriate performance criteria for the CEO because it is an important measure indicative of the Company's business success. If Ms. Valko is still employed and in good standing through the date of payment she will receive 50% of the Preliminary ROE Bonus, payable no later than April 1 of the calendar year immediately following the year to which such Preliminary ROE Bonus relates. Global Indemnity will retain the remaining 50% unpaid balance of the Preliminary ROE Bonus, which will be

Table of Contents

paid to Ms. Valko within 90 days after the end of the third full calendar year following a Bonus Year (as defined in the 2018 Employment Agreement), regardless of Ms. Valko's then-current employment status with the Company, but subject to adjustment based on an actuarial assessment of incurred but not reported underwriting losses and loss adjustment expenses and actual underwriting losses and loss adjustment expenses.

Additionally, under the 2018 Employment Agreement, Ms. Valko is eligible to receive an annual cash Performance Incentive Bonus of up to \$200,000, based on an assessment of her performance during the Bonus Year (as defined by the 2018 Employment Agreement) by the Company's Compensation Committee, in its sole discretion, based upon the assessment of the Company's Chairman of the Board of Directors, in his sole discretion.

Under their employment agreements, Messrs. McGeehan and Devlin are eligible to receive cash and equity bonus awards under criteria developed annually by the Board of Directors and Compensation Committee. Mr. Oltman is an at-will employee. Mr. Oltman's bonus target for 2018 was the same as the targets developed by the Board of Directors and Compensation Committee for our Commercial Lines Operations for 2018.

Under his employment arrangement, Mr. Green is eligible to receive a cash and equity bonus under criteria developed annually by the Board of Directors and Compensation Committee. Awards are based on Global Indemnity Re's results, including but not limited to, premium, income, loss ratio and expense ratio. The employment agreement for Mr. Green is structured so that the cash component target is 50% of Mr. Green's annual base salary and the restricted share component target value is 50% of Mr. Green's annual base salary or structured as determined by the Company and the overall results of both Global Indemnity Re and the Company. 50% of a restricted share award vests ratably over three years. The remaining 50% of a restricted share award is subject to re-measurement of the combined ratio of Global Indemnity Re, excluding corporate expenses, three years after the grant. To qualify for the award, the combined ratio of Global Indemnity Re, excluding corporate expenses cannot be greater than that originally presented to and approved by the Board of Directors. Such vesting will occur no later than March 15th of the re-measurement year.

Cash Bonus Opportunity*Performance Objectives and Target Cash Bonuses*

Ms. Valko was eligible for the two cash bonuses in an aggregate amount of \$800,000 as described above in Target Incentives Under Employment Agreements .

Mr. McGeehan was eligible for a cash bonus between \$125,000 and \$350,000 with a target of \$250,000 upon the achievement by Global Indemnity of gross written premiums in 2018 between \$531.7 million and \$602.9 million with a target of \$548.1 million, a combined ratio in 2018 between 100.4% and 96.4% or less with a target of 98.4%, the achievement of certain expense management goals in 2018, and the achievement in 2018 of certain service quality goals. The weightings for each of these performance criteria, which varied based on extent of achievement, are set forth in the following table:

Mr. Devlin was eligible for a cash bonus between \$87,500 and \$245,000 with a target of \$175,000 upon the achievement by our Personal Lines Operations of gross written premiums in 2018 between \$258.1 million and \$292.7 million with a target of \$266.1 million and a combined ratio in 2018 between 103.0% and 99.0% or less with a target of 101.0%. The weightings for each of these performance criteria, which varied based on extent of achievement, are set forth in the following table:

Performance Criteria	Weighting at Minimum Threshold Achievement	Weighting at Target Achievement	Weighting at Maximum Achievement
Gross written premium	17.5%	35%	45.9%

Gross written premium	15%	30%	45%
Combined ratio	35%	70%	105%

For each performance criteria with respect to the cash bonus opportunities for Messrs. McGeehan, Oltman, Devlin and Green, actual performance results between the specified goal ranges are subject to interpolation and adjustment outside of the ranges based on individual performance.

Performance Results

Ms. Valko did not receive a cash ROE Bonus because the Company's return on equity percentage for 2018 was -8.4% and thus did not exceed 85% of the targeted 2.8% return on equity. Ms. Valko received a cash Performance Incentive Bonus based on an assessment of her performance during 2018 by our Compensation Committee, in its sole discretion, based upon the assessment of the Company's Chairman of the Board of Directors, in his sole discretion.

While Global Indemnity did not meet its combined ratio minimum goals, Mr. McGeehan received a cash bonus based on gross written premiums of \$550.0 million for Global Indemnity, expense management and service quality goals being above the minimum goal, but below target, and individual performance criteria not measured by gross written premiums, combined ratio, expense management, or service quality.

Mr. Oltman received a cash bonus based on our Commercial Lines Operations achieving gross written premiums of \$249.9 million, a combined ratio of 95.1%, and individual performance criteria not measured by gross written premiums or combined ratio.

Mr. Devlin did not receive a cash bonus as the Personal Lines Operations' gross written premium was \$252.0 million and the combined ratio was 132.2%.

Table of Contents

While our Reinsurance Operations exceeded its gross written premium target by writing \$48 million of gross written premium, Mr. Green did not receive a cash bonus as the combined ratio of our Reinsurance Operations was 158.3%, which was above the 90.2% minimum.

The following table sets forth the amount of cash bonus paid to each of our named executive officers on March 15, 2019, for 2018 performance:

Named Executive Officer	2018 Cash Bonus Amount Earned
Cynthia Y. Valko	\$ 100,000
Thomas M. McGeehan	\$ 150,000
Jonathan E. Oltman	\$ 125,000
William J. Devlin, Jr.	\$ 0
Stephen Green	\$ 0

Equity Bonus Opportunity*Performance Objectives and Target Equity Bonuses*

Ms. Valko was not eligible for an equity bonus.

Messrs. McGeehan, Oltman, Devlin, and Green were eligible for an equity bonus with the same ranges and targets discussed in Cash Bonus Opportunity above if Global Indemnity had \$548.1 million or more in gross written premiums in 2018 and if Global Indemnity's combined ratio in 2018 was between 100.4% and 98.4% with a target of 96.4%.

Performance Results

Messrs. McGeehan, Oltman, Devlin, and Green were not eligible to receive an equity bonus as Global Indemnity's gross written premiums in 2018 were \$548.1 million, which was below the \$548.5 million target and Global Indemnity's combined ratio in 2018 was 118%, which was above the minimum of 100.4%. However, to provide continued incentive the Compensation Committee determined to award Mr. McGeehan a discretionary equity bonus with a value of \$100,000 and Mr. Oltman a discretionary equity bonus with a value of \$150,000. Messrs. Devlin and Green did not receive an equity bonus.

The following table sets forth the number of restricted A ordinary shares granted to each of our named executive officers for 2018 performance:

Named Executive Officer	Number of Restricted A Ordinary Shares Granted
Cynthia Y. Valko	0
Thomas M. McGeehan	2,760
Jonathan E. Oltman	4,140
William J. Devlin, Jr.	0
Stephen Green	0

Fifty percent of Messrs. McGeehan's and Oltman's restricted share awards vest ratably over three years on January 1, 2020, January 1, 2021, and January 1, 2022. The remaining fifty percent of the restricted share awards vest after a re-measurement of Global Indemnity's 2018 combined ratio, three years after the grant by an independent actuary. The shares will vest if the re-measured combined ratio is not greater than the original 2018 combined ratio. All vestings are contingent on the executive remaining employed and in good standing at the time of vesting.

Other Equity Awards

Ms. Valko received options (Tranche 3 Options) on March 6, 2018 to buy 300,000 Global Indemnity A Ordinary Shares with an exercise price of \$50.00 per share. Tranche 3 Options vest 1/3 on December 31 of each of 2018, 2019 and 2020, if Ms. Valko remains employed and in good standing as of such date. Tranche 3 Options expire on the earlier of December 31, 2027 and 90 calendar days after Ms. Valko is neither employed by Global Indemnity nor a member of the Board of Directors. 100,000 of the Tranche 3 Options vested on December 31, 2018 and are exercisable. In 2014, Ms. Valko was granted options to buy 300,000 Global A Ordinary Shares (Tranche 2 Options). The Tranche 2 Options will vest on each December 31 of each of 2018, 2019 and 2020 in an amount based on Ms. Valko s attainment of return on equity criteria in her 2018 Employment Agreement. One-third of Ms. Valko s Tranche 3 Options vested on December 31, 2018. One-third of Ms. Valko s Tranche 2 Options failed to vest on December 31, 2018 and were forfeited as the return on equity criteria in her 2018 Employment Agreement was not met.

In connection with equity awards granted for our annual bonus incentives, eligible named executive officers are awarded unvested shares on the achievement of current year gross written premium, combined ratio, and other targets. Three years after the accident year, an independent actuary re-measures the results. If the re-measured results are at least equal to or better than the results originally awarded and the named executive officer is currently employed with us and in good standing, the shares vest. In certain circumstances if the results are significantly better than the original results additional, vested shares may be awarded in the Compensation Committee s discretion.

In early 2019, a re-evaluation of the 2015 accident year performance as of December 31, 2018 occurred. Based on an independent actuarial re-measurement of 2015, the combined ratio improved from 98.7% to 93.9%. On February 22, 2019, as a result of the significant improvement in the combined ratio, Messrs. McGeehan, Oltman, Devlin, and Green received additional equity bonuses for 2015 accident year performance. Mr. McGeehan was awarded 781 fully vested A ordinary shares; Mr. Oltman was awarded 547 fully vested A ordinary shares; and Messrs. Devlin and Green were each awarded 684 fully vested A ordinary shares.

The Compensation Committee believes that the targets it sets annually for cash and equity bonuses are challenging but within reach for a talented executive team. The Compensation Committee is also empowered to exercise negative discretion and reduce the bonuses otherwise payable to any of our employees if the Compensation Committee determines that particular corporate results were achieved without significant personal contributions by the particular employee. In addition, certain awards are subject to re-measurements at the conclusion of applicable performance periods, which may result in forfeiture of the awards or a portion thereof. The Compensation Committee may also claw back bonuses if our financial statements are restated.

Other Considerations

Equity Ownership Generally

We have adopted certain policies with respect to equity compensation, all of which apply to our named executive officers, such as policies regarding insider trading which prohibit trading during periods immediately preceding the release of material non-public information. We also permit our named executive officers to establish Rule 10b5-1 trading plans, subject to the prior approval of our in-house legal department.

We expect our named executive officers to maintain a significant personal ownership stake in our company. While we have not established share ownership guidelines, other than those in Ms. Valko s 2018 Employment Agreement, that are applicable to every executive, as noted above, equity awards that are made upon an executive s commencement of employment are also often contingent on the executive s purchase of restricted stock, and we may consider adopting such guidelines in the future. The Company s insider trading policy prohibits officers and employees from purchasing the Company s securities on margin and from holding the

Table of Contents

Company securities in margin accounts and prohibits officers and directors from engaging in short sales of the Company's securities or trading in any options (including, but not limited to, puts and calls) to buy or sell such securities. Under the 2018 Employment Agreement, Ms. Valko is restricted from selling any A Ordinary Shares of Global Indemnity unless Ms. Valko retains vested Global Indemnity stock options and shares having an aggregate value of at least equal to the lesser of (i) \$5,000,000 or (ii) \$5,000,000 multiplied by a fraction, the numerator of which is the volume weighted trading price of Global Indemnity's shares for the 30-day period ending on the relevant measurement date and the denominator of which is \$50, and Ms. Valko retains at least 75% of the Global Indemnity options and restricted shares granted to her. Ms. Valko must provide Global Indemnity's Chairman of the Board of Directors with advance notice, and receive approval of, any proposed sale.

Other Benefits

Our named executive officers are entitled to participate in the various benefits made available to our employees generally, including retirement plans, group health plans, paid vacation and sick leave, basic life insurance, and short-term and long-term disability benefits. With respect to Mr. Green, the Company pays 100% of the Bermuda government social insurance contribution and government payroll tax, which amount is set forth in the Summary Compensation Table below. Furthermore, all of our and our subsidiaries' directors and officers are covered by our directors and officers' liability insurance.

Post-Employment Benefits, Severance and Change in Control Policy

The post-employment benefits available to our named executive officers are subject to the terms of the executives' employment agreements and arrangements. Our named executive officers are not provided with a supplemental retirement benefit plan or other pension beyond that of our 401(k) plan and matching contributions available to all of our participating employees.

The Compensation Committee and our Board of Directors approve appropriate severance policies for each executive officer designed to (1) compensate an executive who is involuntarily separated from us for reasons other than for cause and (2) compensate the executive to the extent the executive is subject to a post-termination non-compete agreement.

We have adopted a limited change in control policy designed to incentivize our executive officers to pursue transactions which benefit our shareholders. The entitlement to accelerated vesting of restricted shares and options in the event that we undergo a change in control varies from executive officer to executive officer. For details regarding the potential for accelerated vesting of restricted share and options, see the descriptions below under Employment Agreements.

Impact of Accounting, Tax and Legal Considerations

Section 162(m) of the Code limits the deductibility of compensation paid to our Chief Executive Officer and other covered employees as defined in Section 162(m). Covered employees generally include (among others) all of the executive officers shown in the Summary Compensation Table in this proxy statement and may include any future executive officers shown in any Summary Compensation Table in any of our future proxy statements. No tax deduction is allowed for compensation paid to any covered employee to the extent that the total compensation for that executive exceeds \$1,000,000 in any taxable year.

We also take into account Sections 280G and 4999 of the Code when structuring compensation. These two sections relate to the imposition of excise taxes on executives who receive, and the loss of deductibility for employers who pay, excess parachute payments made in connection with a change in control. We often structure our compensation opportunities in a manner that helps reduce the impact of Sections 280G and 4999 of the Code.

Table of Contents

Say-on-Pay and Say-on-Frequency

The Compensation Committee has considered the result of the 2017 advisory, non-binding say-on-pay vote in connection with the discharge of its responsibilities. Over 99% of the votes cast had approved the compensation of our named executive officers described in our proxy statement in 2017. As the level of support received by our stockholders was high, the Compensation Committee decided not to make any material changes to our 2018 executive compensation programs.

In light of the voting results with respect to the frequency of shareholder votes on named executive officer compensation at the 2017 Annual General Meeting in which a substantial majority of our shareholders voted for say-on-pay proposals to occur every three years, the Board of Directors decided that it currently intends to hold, in accordance with the results of such vote, a triennial advisory vote on the compensation of named executive officers until the next required vote on the frequency of shareholder votes on named executive officer compensation.

The Compensation Committee has reviewed and discussed the foregoing Compensation Discussion and Analysis with management. Based on its review and discussion with management, the Compensation Committee recommended to our Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and incorporated by reference into our Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

EMPLOYMENT AGREEMENTS

Employment Agreements and Arrangements

Cynthia Y. Valko

On March 6, 2018, we entered into the 2018 Employment Agreement with Ms. Valko which replaced her December 10, 2014 employment agreement. The 2018 Employment Agreement provides for an employment term of three years, from January 1, 2018 through December 31, 2020.

Under the 2018 Employment Agreement, Ms. Valko is eligible to receive a cash Return on Equity Bonus of up to \$600,000 for each fiscal year of the Employment Agreement that Ms. Valko served as our Chief Executive Officer (the "ROE Bonus"). Ms. Valko is eligible to receive a preliminary ROE Bonus (the "Preliminary ROE Bonus") for each such fiscal year if Global Indemnity's return on equity percentage for such fiscal year exceeds 85% of the targeted return on equity percentage (as established by the Compensation Committee) for such fiscal year. If Ms. Valko is still employed by the Company and in good standing through the date of payment she will receive 50% of the Preliminary ROE Bonus, payable no later than April 1 of the calendar year immediately following the year to which such Preliminary ROE Bonus relates. Global Indemnity will retain the remaining 50% unpaid balance of the Preliminary ROE Bonus, which will be paid to Ms. Valko within 90 days after the end of the third full calendar year following a Bonus Year (as defined in the 2018 Employment Agreement), regardless of Ms. Valko's then-current employment status with the Company, but subject to adjustment based on an actuarial assessment of incurred but not reported underwriting losses and loss adjustment expenses and actual underwriting losses and loss adjustment expenses.

Additionally, under the 2018 Employment Agreement, Ms. Valko is eligible to receive an annual cash Performance Incentive Bonus of up to \$200,000, based on an assessment of her performance during the Bonus Year (as defined by the 2018 Employment Agreement) by the Compensation Committee, in its sole discretion, based upon the assessment of the Company's Chairman of the Board of Directors, in his sole discretion.

Under the 2018 Employment Agreement, Ms. Valko is restricted from selling any A Ordinary Shares of Global Indemnity unless Ms. Valko retains vested Global Indemnity stock options and shares having an aggregate value of at least equal to the lesser of (i) \$5,000,000 or (ii) \$5,000,000 multiplied by a fraction, the numerator of which is the volume weighted trading price of Global Indemnity's shares for the 30-day period ending on the relevant measurement date and the denominator of which is \$50, and Ms. Valko retains at least 75% of the Global Indemnity options and restricted shares granted to her. Ms. Valko must provide Global Indemnity's Chairman of the Board of Directors with advance notice, and receive approval of, any proposed sale.

In addition, Ms. Valko was granted options ("Tranche 3 Options") to buy 300,000 Global Indemnity A Ordinary Shares with an exercise price of \$50.00 per share. Tranche 3 Options vest 1/3 on December 31 of each of 2018, 2019 and 2020, if Ms. Valko remains employed and in good standing as of such date. Tranche 3 Options expire on the earlier of December 31, 2027 and 90 calendar days after Ms. Valko is neither employed by Global Indemnity nor a member of the Board of Directors. In 2014, Ms. Valko was granted 300,000 options to buy Global A Ordinary Shares ("Tranche 2 Options"). The Tranche 2 Options will vest on each December 31 of 2018, 2019 and 2020 in an amount based on Ms. Valko's attainment of the ROE Bonus criteria described above.

For additional discussion on Ms. Valko's bonus opportunities, see the discussion related to Ms. Valko under "Target Incentives Under Employment Agreements" in the Compensation Discussion and Analysis above.

The agreement initially began with a predecessor Company, United America Indemnity, Ltd., but was amended as a result of the Redomestication. CEO PAY RATIO

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information about the relationship of the annual total compensation of our employees and the annual total compensation of our CEO, Ms. Valko.

This pay ratio below is a reasonable estimate calculated in a manner consistent with SEC rules based on our payroll and employment records and the methodology described below. The SEC's rules for identifying the median compensated employee and calculating the pay ratio based on that employee's annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their employee populations and compensation practices. As a result, the pay ratio reported by other companies may not be comparable to the pay ratio reported below, as other companies have different employee populations and compensation practices and may utilize different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios.

We identified the median employee for 2018 by selecting the middle employee calculated by ordering compensation of all employees, excluding Ms. Valko, from the highest to the lowest and selecting the employee at the center. We included all employees, as of December 31, 2018. As of December 31, 2018, we employed 394 persons in the United States, 20 employees in Ireland, and 2 employees in Bermuda. For United States based employees we used gross compensation as reported on the W-2, for Ireland based employees we used total pay plus additional compensation as reported on our 2018 payroll summary (euros were converted to U.S. dollars using the exchange rate as of December 29, 2018), and for our Bermuda based employees we used 2018 gross compensation, which included annual salary plus any bonus payment plus any other compensation. Our median employee's total compensation in 2018 was \$86,804.

Table of Contents

With respect to the annual total compensation of Ms. Valko, we used the amount in the Total column of our 2018 Summary Compensation Table included in this Annual Report, which was \$2,053,704. Our 2018 ratio of chief executive officer total compensation to our median employee's total compensation is 23.7:1.

(1) The numbers of shares set forth in these columns are calculated in accordance with the provisions of Rule 13d-3 under the Securities Exchange Act of 1934. As a result, these figures assume the exercise or conversion by each beneficial owner of all securities that are exercisable or convertible within 60 days of April 2, 2019. In particular, A ordinary shares that may be acquired by a particular beneficial owner upon the conversion of B ordinary shares are deemed to be outstanding for the purpose of computing the percentage of the A ordinary shares owned by such beneficial owner, but are not deemed to be outstanding for the purpose of computing the percentage of the A ordinary shares owned by any other beneficial owner.

(2) The percentages in this column represent the percentage of the total outstanding voting power of Global Indemnity Limited that the particular beneficial owner holds. The numerator used in this calculation is the total votes to which each beneficial owner is entitled, taking into account that each B ordinary share has ten votes, and the denominator is the total number of votes to which all outstanding shares of Global Indemnity Limited are entitled, again taking into account that each B ordinary share has ten votes.

(3)

Edgar Filing: Global Indemnity Ltd - Form DEF 14A

As of April 2, 2019 there were 14,246,893 A ordinary shares outstanding on an as-converted basis. The numerator used in this calculation is the total number of A ordinary shares each beneficial owner holds on an as-converted basis and the denominator is the total number of A ordinary shares on an as-converted basis.

Table of Contents

beneficially own shares representing approximately 80% and 2% respectively of the voting power of Global Indemnity as of April 2, 2019 and the Fox Paine Funds have the right to appoint seven of our eight current directors. All of the directors and nominees listed herein have been nominated in accordance with such provisions.

Management Agreement

On October 31, 2013, Global Indemnity (Cayman), Ltd. (Global Indemnity Cayman), a wholly owned subsidiary of the Company, entered into an Amendment and Restatement of the Management Agreement with Fox Paine & Company, LLC (the Amended and Restated Agreement). The Amended and Restated Agreement reflects the fourth amendment to the original management agreement, which was entered into on September 5, 2003 when the Fox Paine Funds made their initial investment in the predecessor companies of the Company. The Company's subsidiaries, United America Indemnity, Ltd. (United America), Global Indemnity Reinsurance Company, Ltd., and Global Indemnity Group, Inc., guaranteed Global Indemnity Cayman's payment obligations under the Amended and Restated Agreement. In connection with, and effective upon, the Redomestication, Global Indemnity plc and the Company entered into a confirmation letter with Fox Paine & Company, LLC waiving any fees owed to Fox Paine & Company, LLC pursuant to the Amended and Restated Agreement in connection with the Redomestication and assigned the Amended and Restated Agreement to the Company. Additionally, Global Re and Global Indemnity Group, Inc., in connection with, and effective upon, the Redomestication reaffirmed their guarantee of the payment obligations under the Amended and Restated Agreement. United America was merged into the Company and no longer exists.

Prior to entering into the Amended and Restated Agreement, Global Indemnity Cayman paid Fox Paine & Company, LLC a \$1.5 million annual management fee (Annual Service Fee) in exchange for Fox Paine & Company, LLC's ongoing provision of management services to Global Indemnity Cayman and its affiliates. With the Amended and Restated Agreement, the \$1.5 million Annual Service Fee is adjusted to reflect the aggregate increase in the CPI-U from August 31, 2003 to August 31, 2013, to \$1.9 million. The Annual Service Fee will be adjusted on an ongoing basis annually to reflect the year over year change in the CPI-U. Beginning on September 5, 2014, payment of the Annual Service Fee is deferred until a change of control or September, 2018, whichever occurs first, in exchange for an annual adjustment equal to the percentage rate of return the Company earns on its investment portfolio multiplied by the aggregate Annual Service Fees and adjustment amounts accumulated and unpaid through such date. On September 5, 2018, the Company paid Fox Paine & Company, LLC \$8,234,905 for the deferred Annual Service Fee. On November 1, 2018, the Company paid Fox Paine & Company, LLC \$2,048,857 for the Annual Service Fee for the period beginning September 2008.

In addition, upon the consummation of a change of control transaction in connection with the termination of management services, Global Indemnity Cayman will pay Fox Paine & Company, LLC a cash fee in an amount to be agreed upon, plus reimbursement of expenses. Fox Paine & Company, LLC will also receive a cash transaction fee in amount to be agreed upon, plus reimbursement of expenses, upon the consummation of a change of control transaction.

Global Indemnity Cayman has agreed to indemnify Fox Paine & Company, LLC and other indemnified parties against various liabilities that may arise as a result of the management services and advisory services they have provided or will provide.

Indemnification Agreement

Pursuant to the 2010 redomestication to Ireland, United America Indemnity entered into an indemnification agreement with one of the Fox Paine Funds with respect to certain potential U.S. and Irish tax liabilities. In connection with, and effective upon, the Redomestication the indemnification agreement was assigned to and assumed by the Company.

Table of Contents

In general, no gain should be recognized for U.S. federal income tax purposes by the indirect owners of the Fox Paine Funds solely as a result of the 2010 redomestication transaction. Nevertheless, we may engage in certain internal restructuring transactions involving transfers of assets to subsidiaries of the Company, which, under U.S. tax law, could require certain indirect owners of the Fox Paine Funds to enter into an agreement with the U.S. Internal Revenue Service in order not to recognize gain. Under the agreement with the U.S. Internal Revenue Service, the affected indirect owners of the Fox Paine Funds would agree to pay tax on their gain not taxed at the time of the redomestication to Ireland, together with interest on such tax, if a triggering event occurs. A triggering event would be deemed to occur if, among other things, we dispose of shares of any such transferee subsidiaries or dispose of substantially all the transferred assets, including potentially in other internal reorganizations, to the extent such indirect owners have not previously disposed of our shares in a taxable transaction. In connection with our agreement with the Fox Paine Funds, we will have to indemnify the affected indirect owners of the Fox Paine Funds for any tax cost to them (including interest on tax and penalties, if any) of any triggering event and such affected indirect owners will pay us an amount equal to any tax benefits, if any, realized by them as a result of a triggering event for which they were indemnified, provided that the indirect owners will not be required to pay any amount of tax benefits in excess of the tax costs for which we have indemnified them. A sale or other disposition by these indirect owners of our ordinary shares will not constitute a triggering event for this purpose. In addition, the indemnification agreement with the Fox Paine Funds will provide that, under certain circumstances, in the event the conversion of our Class B ordinary shares to Class A ordinary shares or a sale or other disposition of our ordinary shares by any of the Fox Paine Funds is subject to Irish stamp duty, we (or a foreign subsidiary of the Company) will indemnify the Fox Paine Funds and their transferees against such Irish stamp duty. To date, the Company has not been made aware by the Fox Paine Funds that it has incurred any Irish stamp duty.

Other Fees to Fox Paine & Company, LLC

In addition to the Annual Service Fee under the Amended and Restated Management Agreement, as previously disclosed, Fox Paine & Company, LLC may also propose and negotiate transaction fees with the Company subject to the provisions of the Company's related party transaction policies including approval of the Company's Audit Committee of the Board of Directors, for those services from time to time. Each of the Company's transactions with Fox Paine & Company, LLC described below were reviewed and approved by the Company's Audit Committee, which is composed of independent directors, and the Board of Directors (other than Mr. Fox who is not a member of the Audit Committee and recused himself from the Board of Director's deliberations).

Recapitalization and Reorganization Transactions Fee

On April 25, 2018, the Company and its indirect wholly owned subsidiaries (including Global Indemnity Group, Inc. (GIGI) and Global Re) entered into a series of recapitalization and reorganization transactions (collectively, the Reorganization) designed to improve the Company's annual results and long-term financial performance. Pursuant to the Reorganization, the Company's affiliated group implemented the following, among other things: (i) GIGI became a subordinated co-obligor with the Company under the Company's 7.75% Subordinated Notes due in 2045 and its 7.875% Subordinated Notes due in 2047, (ii) GIGI agreed to provide capital to Global Re from time to time to satisfy Global Re's obligations incurred in connection with its insurance and reinsurance business and (iii) GIGI received a promissory note from the Company, which was subsequently assigned within the Company's affiliated group in connection with the settlement of certain intra-group indebtedness.

Fox Paine & Company, LLC acted as financial advisor to the Company's affiliated group in connection with the design, structuring and implementation of the Reorganization. Fox Paine & Company, LLC's services for the Company's affiliated group in connection with the Reorganization were performed during the first and second quarter of 2018. The total fee for these services was \$12.5 million, which was paid in June 2018. As with each of the Company's transactions with Fox Paine & Company, LLC, this transaction was reviewed and approved by

Table of Contents

the Company's Audit Committee and the Board of Directors (other than Mr. Fox who recused himself), and, in connection with its review and approval of this transaction, the Audit Committee also engaged its own investment banking firm for advice.

Illiquid Investment Fund Divestiture Fee

On December 21, 2018, GIGI exited an investment in a private credit fund pursuant to a sale of GIGI's investment to third parties at par plus accrued interest. Fox Paine & Company, LLC provided services to GIGI in connection with the sale, including conducting due diligence to evaluate the private fund, recommending that GIGI withdraw from the private fund, and conducting extended negotiations with the private fund to secure GIGI's withdrawal from the private fund on favorable terms. Fox Paine & Company, LLC's services for GIGI in connection with the sale were performed during the second, third, and fourth quarters of 2018. The total fee for these services was \$2 million.

Confidentiality Agreement

On September 17, 2017, the Company and Fox Paine & Company, LLC entered into a confidentiality agreement whereby Fox Paine & Company, LLC agrees to keep confidential proprietary information, as defined in the confidentiality agreement, it receives regarding the Company from time to time, including proprietary information it may receive from director or director nominees appointed by the Fox Paine Funds.
