## Item 1.01 Entry into a Material Definitive Agreement

### Placement Agency Agreement

On November 29, 2017 Air Industries Group (the “Company”) entered into a Placement Agency Agreement with Taglich Brothers, Inc., as placement agent (the “Placement Agent”), pursuant to which the Placement Agent agreed to offer on behalf of the Company, on a best efforts basis, up to 1,600,000 shares of the Company’s common stock (the “Shares”) to accredited investors (the “Offering”), together with five-year warrants to purchase 24,000 shares of common stock for each \$100,000 of Shares purchased (the “Warrants”), in a private placement exempt from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”). The Offering commenced November 29, 2017, and will terminate on the close of business on December 20, 2017.

Under the terms of the Placement Agency Agreement, the Placement Agent is entitled to a placement agent fee equal to 8% of the gross proceeds of the Offering, payable at the Company’s option, in cash or additional shares of common stock and warrants having the same terms and conditions as the Shares and Warrants.

The purchase price for the Shares and Warrants (the “Purchase Price”) will be equal to the product of (i) the lesser of \$1.25 and the closing price of the common stock on the day prior to the first purchase pursuant to the Offering and (ii) the number of Shares purchased, except that for subscribers who are officers, directors or otherwise deemed to be affiliates of the Company under the rules of the NYSE American (each, an “Affiliate”), the Purchase Price will be no less than the closing price of the common stock as of the market close immediately prior to the closing of the purchase of the Shares and Warrants by the Affiliate if such closing price is higher than \$1.25 per share.

The exercise price of the Warrants is \$1.50 per share, subject to certain adjustments in accordance with the terms of the Warrant, except that for subscribers who are Affiliates, the exercise price of the warrants shall be the market close immediately prior to the closing of the purchase of the Shares and Warrants by the Affiliate if such closing price is higher than \$1.50 per share.

If prior to July 1, 2018, the Company should complete a placement of shares of its common stock or securities convertible into or exercisable for shares of its common stock at an effective price or conversion rate (the “Subsequent Price”) less than \$1.25 per share of common stock, there shall be issued to the purchasers in the Offering, such additional number of shares of common stock as would have been received had the Purchase Price thereunder been equal to the greater of the Subsequent Price and \$1.00 per share, provided further that no adjustment shall be made for those subscribers who are officers, directors or otherwise deemed to be affiliates of the Company under the rules of the NYSE American. If the Company shall complete more than one placements of shares of its common stock or securities convertible into or exercisable for shares of its common stock prior to July 1, 2018, the Subsequent Price will be the lowest of the prices at which such offerings are completed.
