Section 8 - Other Events

Item 8.01 Other Events.

On February 3, 2009, the company issued a press release stating that it had moved its corporate headquarters to 8001 Irvine Center Drive, Suite 400, Irvine, California 92618. The new phone number is (949)754-3030. The new fax number is (949)754-4309. The main email contact information remains the same: bob@camelotfilms.com. The web site remains the same: www.camelotfilms.com.

The company moved its corporate headquarters as part of its overall streamlining of operations. The objective is to limit the size and expense of office overhead in any one location as the company prepares to open additional offices. The new office, although smaller than the prior location, provides adequate space for current administrative functions. While the new office is a physical office, the company plans to initially establish virtual offices in other states to accommodate regional administrative needs that arise as a result of activities in the company's Camelot Studio group division. All production offices, including the Los Angeles, California location, will be regular offices.
