## Edgar Filing: J2 GLOBAL COMMUNICATIONS INC - Form 8-K

### Item 7.01. Regulation FD Disclosure

On December 13, 2010, the Company posted an updated investor presentation on its corporate Website at <http://investor.j2global.com>. The presentation includes information regarding the Company's December 3, 2010 acquisition (the "Acquisition") of Protus IP Solutions, Inc. ("Protus"). As part of this presentation, the Company reaffirms its financial guidance for fiscal year 2010 as follows: j2 Global targets revenue growth of 5% with a range of 3% to 7% compared to fiscal year 2009 revenues. Net earnings, excluding 123(R) non-cash compensation expense, are expected to approximate non-GAAP earnings in 2009 as the Company intends to reinvest its incremental operating income in initiatives designed to accelerate growth in 2011 and beyond. The range of anticipated revenues takes into account both organic growth and acquisition related growth within the context of current economic conditions.

Also as part of this presentation, the Company reaffirms its financial guidance for Q4 2010 as follows: The Company anticipates revenues of between \$69.5 million and \$71.5 million. The acquisition of Protus, after expensing deal related costs in the fourth quarter, will be immediately accretive. Net earnings per diluted share, excluding 123(R) non-cash compensation expense (between \$2.0 million and \$2.5 million) and the Acquisition-related expenses described below, are expected to be between \$0.48 and \$0.50, based on approximately 46 million shares outstanding. As a result of the Acquisition, j2 is expected to incur approximately \$15 million in deal and integration related expenses during the next nine months with between \$5 million and \$11 million occurring in the current fiscal quarter.

Note: The information in this report is furnished pursuant to Item 7.01 and shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that Section.
